126.	APW01710 /223300 APW04123 /225050	LAXMI BAI SAHUJI COLLEGE, JABALPUR, MADHYA PRADESH	B.Ed. M.Ed.	<p>The case file was seen. WRC re-examined the whole case of the institution which runs D.Ed., B.Ed. and M.Ed. courses. The management applied for shifting to its premises to Benikheda on 07.10.2008. The shifting was not permitted and recognition was withdrawn. The Hon'ble High Court restored the recognition. The management again applied for shifting of B.Ed. course on 13.01.2011, which was not entertained by the WRO on the ground that recognition for the course has already been withdrawn.</p> <p>The Hon'ble High Court restored the recognition and held that the college was situated at its own premises at Benikheda.</p> <p>The WRC took comprehensive view and examined the requirement of land and building for one unit of D.Ed. course, two units of B.Ed. course and one unit of M.Ed. course at the college at Benikheda, because the M.Ed. course has to exist in the same premises as the B.Ed. course as required under the Regulations. It is seen that the land area is 10000 sq.mts. and built-up area is 3567 sq.mts. While the land area is sufficient, the built-up area is less than the requirement of 4000 sq.mts. for the above courses.</p> <p>The Society has two options, (1) to reduce the B.Ed. intake to one unit in which case the existing built-up area of 3567 sq.mts. is sufficient or (2) increase the built-up area to 4000 sq.mts. as required for the three courses.</p> <p>Compliance should be submitted by the institution within three months.</p> <p>Regarding another decision of the Hon'ble High Court, Review Petition may be filed after examining all the documents because some of the facts may not have been produced/highlighted to the Hon'ble High Court.</p> <p>Consequently, address of all the three courses should be effected immediately in files and in all future correspondences.</p>
