					02.05.2017 has approved the staff just sufficient for one unit of 50 students only. The decision to grant recognition is in accordance of the provision under clause 5.1 of Appendix 13 of the NCTE Regulations, 2014. Which requires that for an intake of two basic units of 50 students each, there shall be 16 full time faculty members. The letter of the affiliating university No. 48029 dated 02.05.2017 specifically mentioned that "The list of staff submitted by the applicant institution shows that the Principal has less than 7 years of experience and original documents with regard to 6 faculty members have not been presented by the applicant institution". In the light of the above observations, NRC decided that the request of the institution for grant of recognition for two units of the course is devoid of merit and hence not permissible. The representation of the institution is accordingly disposed off.
