This is an application for A.I. We found it difficult to consider "A.I" when the "base" was not there. 2.2. This anomaly has been resolved by the advice given by NCTE (HQ) that recognition once given is deemed to have continued unless and until it is withdrawn. 3.1. Then, there was the problem about adding subjectwise nomenclatures to the courses. 3.2. This problem has been resolved by the court order that the college shall drop the nomenclatures as required by us. 4.1. We have now to deal with the problem confronting us by the Supreme-Court order that henceforth case shall be processed under any Regulation other than the 2014 Regulations.
