	<p>The original file of the Institution alongwith other related documents, NCTE Act, 1993, Regulations Guidelines issued by NCTE from time to time and documents furnished by the institution were carefully considered by the SRC and the following observations were made:-</p> <p>As prescribed in the Show Cause Notice the Secretary and the Principal are present with the documents available in the College. In the process of interaction with the Correspondent, it is observed that the Sri Vidayodaya College of Education for Women, Tirupathi, Andhra Pradesh made an appeal to the HQ. in 2003. The Appellate Committee through their Order No. dated 17.12.2003 accorded recognition to the College for B.Ed. course with an annual intake of 100 students from the academic session 2003-04. Based on this Appellate Order, the Committee was told by the Management that they obtained affiliation from S.V. University and permission from the State Government to run the B.Ed. course. Further, it is also observed that the SRC, Bangalore has not issued any order based on the Appellate Order. Since then, the Management is running the institution with the students allotted by the State Level Convener as directed by the Government. University conducted the examinations and issued the certificates. It was in the year 2014-15 the Management admitted 70 students as allotted by the Convener. The remaining seats were filled by the Management which were also approved by the State Council for Higher Education of Andhra Pradesh. The affiliating university i.e. S.V. University, Tirupathi conducted examinations for all the 100 students and declared the results, issued the certificates. The candidates who joined against the management quota were permitted by the Government of AP mostly coming from the neighbouring states approached the SRC, NCTE for clarification that whether this college is recognized by the NCTE or not. The SRC, NCTE replied in response to the RTI application stating that this college is not recognized by the NCTE. In view of such a reply, the students who passed out from that institution lost their opportunity to serve as teachers and hence they approached the Management for clarification. The Management corresponded with SRC and the matter is pending with SRC since last 3-4 years. The Committee perused the file and made the following observations :-</p> <p>(i) It is an existing institution running from the academic session 2003-04. (ii) As per the statement of the Management, since then the government is allotting the students and the University is conducting the examinations.</p>

	<p>(iii) No time SRC, NCTE informed the institution withdrawal of the recognition.</p> <p>(iv) Suddenly furnishing such an information to the individual under RTI Act saying that this institution is not recognized by NCTE will create an havoc not only for those 25 students but also all the students who obtained B.Ed. degree being the bonafide students of that institution.</p> <p>(v) The Committee asked the Management to furnish all the orders from the government, affiliating body and to there are any supporting papers from the academic session 2003-04 to 2014-15 for consideration</p> <p>In view of the above, the Committee decided to build the file with all the papers available either with the Government, affiliating university or NCTE to take an appropriate decision. Further, since the academic session 2014-15 the college is not functioning as the Founder Correspondent expired suddenly and there is no one who is interested to run the institution. In our discussion the representative of the institution conveyed their decision to close down the institution and take back their deposit if there is any.</p>
3.	<p>Krishnasamy College of Education for Women, Manapattu Village, Varkal Odai Street, Bahour Commune Taluk, Post Office &amp; Taluk Pondicherry-607402, Pondicherry.</p> <p><b>(File No. - SRCAPP201630138, Course – B.A. B.Ed./B.Sc. B.Ed.)</b></p> <p>The SRC decided that a clarification may be sought from the NCTE Hqrs. “whether the NET / Ph.D. qualification is mandatorily required for faculty appointed in specialized courses i.e. Physical Education, Visual Arts and Performing Arts. as per Appendix 13 of NCTE Regulations r/w amendment dt. 09.06.2017 for BA.B.Ed. / B.Sc. B.Ed. course.</p>
4.	<p>Sri Saila College of Education, Harihar-577601, Davangere District, Karnataka</p> <p><b>(File No. - APS0 3398, Course – B.Ed.)</b></p> <p>The original file of the Institution alongwith other related documents, NCTE Act, 1993, Regulations Guidelines issued by NCTE from time to time and documents furnished by the institution were carefully considered by the SRC and the following decision were made:-</p> <p>The Regional Director, SRC is advised to merge both files (old and new) and submit a fresh agenda note clearly examining the compliance of RPRO for appropriate decision by the SRC.</p>

**Resolution of SRC :-**

1. The RD, SRC is advised to prepare a list of Universities offering B.Ed. (through Distance Mode) under the jurisdiction of SRC and ascertain whether the respective University obtained the approval of Distance Education Bureau of UGC for their study material and availability of core staff in the campus.
2. It is also to be ascertained from the Universities offering B.Ed. (Distance Mode) admitted only the working teachers those who obtained their first degree / diploma in a face-to-face mode.
3. The SRC realised that many states under its jurisdiction are offering Language Teacher Training (Pandit Training) Programmes of one year duration. Earlier when B.Ed. was of one year, these programmes were equated with B.Ed. for the purpose of recruitment. Now, as B.Ed. is extended to two years, no Regulations are made available for language teacher education programmes. The RD, SRC is advised to get the clarification from the NCTE Hqrs. in the matter.
4. The RD, SRC is requested to furnish the information regarding issuance of FR for BA B.Ed. / B.Sc. B.Ed. course in SRC since 09.06.2017 to the end of January, 2019, if FRs are given present the approved staff list.
