Till date the Management has not obtained permission from the Govt and affiliation from the affiliating University. However the Govt. of Telanagna caused physical inspection of the infrastructure & instructional facilities and observed that the Institution is not adhering the NCTE/Govt. norms requirements. As such in absence of the Govt. Order the affiliating body also not consider the request of the Management for affiliation. As the institution not functional since last 3 years. It is doubtful that they are able to sustain the facility including the staff they appointed till date.</p> <p>(ii) Further it is also observed that the Institution has not responded to SCN issued on 15.10.2018.</p> <p>Therefore, the Committee decided to issue Final Show Cause Notice u/s 17 of NCTE Act, 1993 before withdrawal of the recognition on the grounds mentioned above to the institution. 	<p>furnished by the institution were carefully considered by the SRC and the following observations were made:-</p> <p><i>No institution shall be granted recognition under these regulations unless it is in possession of required land on the date of application. The land free from all encumbrances could be on ownership basis or on lease for a period of not less than 30 years. In cases where under relevant State/UT laws the maximum permissible lease period is less than 30 years, the State Government/UT Administration law shall prevail.</i></p> <p>On perusal it is observed from the file that the lease document contained several conditions which include the owner may ask the institution to vacate the premises with one month's notice. However, subsequently, NCTE amended its norms and standards with regard to land and building and that the management should possess its own land and building and if its is on lease basis, it should be only from government. The institution under reference neither made any effort to shift to its own premises. They are continuing in the same building since then under the conditions included in the lease deed. The management should adhere to the revised norms of 2014.</p> <p>The faculty list submitted by the management is not the latest and in the required format. Further, it is also observed that some faculty are appointed after June, 2017 who are not possessing the required qualifications of neither NET/SLET or Ph.D.</p> <p>Keeping in view the above, the Committee decided to issue Final Show Cause Notice u/s 17 of NCTE Act, 1993 before withdrawal of the recognition on the above grounds.</p>
