- As per decision of NRC in its 383<sup>rd</sup> Meeting, the VT of the institution was conducted on 12/01/2023.
- As per decision of NRC in its 395<sup>th</sup> meeting, SCN was issued to the institution 20/03/2023 on the following grounds:
  - (a) The institution has submitted land documents in favour of Shri Ravindra Narwal i.e. individual, which is not acceptable as per claus4 8(4)(i) of NCTE Regulations 2014.
  - (b) The institution is required to submit latest original copy of faculty approved by the affiliating body.

- The institution has submitted a representation dated 30/11/2023. On careful perusal of the document submitted by the institution and Appellate Authority order, the Committee observed that the inspection for shifting of premises was already done on 12/01/2023. The Committee meticulously checked the VT report submitted by a team of Visiting members and found that the Visiting members have remarked as 'Accepted' against the relevant columns of the VT report. individual. The Committee unanimously agreed that re-inspection of the new site/land of the institution, which has already been duly inspected, does not seem to be appropriate, also in terms of financial implication regarding resubmission of shifting fees again and subsequent court cases in this regard. Further, this decision of the Committee does not violate the decision of the appellate Committee as the inspection has been done by a team of visiting members, not by an individual.

In view of the above, the Committee decided to permit to change the premises of the institution from Jind Bye Pass, Near Power House, VPO- Rohtak, District – Rohtak, Haryana to Khewat No. 1371 Min, Kalanaur Road Nigana, VPO – Nigana, Tehsil – Kalanur, District –Rohtak, Haryana for running its B.Ed. course.

The institution may be communicated to participate in the ensuing meeting of the NRC in person to place their points/contentions before the Committee.

Accordingly, in compliance with the decision of the NRC, an email was sent to the Institution on 11.12.2024 with a request to place their points/contentions in the 431<sup>st</sup> meeting held on 9<sup>th</sup> to 11<sup>th</sup> December, 2024. However, the institution did not participate in the meeting.

In view of the above, the Committee decided that the Institution may be requested again to participate in the forthcoming meeting of the NRC either through online mode or physically to place their points/contentions before the Committee along with all the supporting documents including faculty list approved by the affiliating body.
