The NEP laid down that it must help re-establish teachers, at all levels, as the most respected and essential members of our society, because they truly shape our next generation of citizens.</p> <p>12. The NEP 2020 lays down that teacher education institutions will be gradually moved into multidisciplinary colleges and universities by 2030. By 2030, the minimal qualification for a person to become a teacher will be the 4 Year integrated B.Ed. degree.</p> <p>13. The 2 Year B.Ed. program will also be offered only for those who have already obtained Bachelor's Degrees in other specialized subjects and the 1 Year B.Ed. program for those who have completed the equivalent of 4 Year multidisciplinary Bachelor's Degrees or who have obtained a Master's degree in a specialty and wish to become a subject teacher in that specialty.</p> <p>14. NEP 2020 has brought about a paradigm shift in the Teacher Education Sector. Accordingly, NCTE is also revamping its various curricula of ITEP. 2 Year B.Ed., 1 Year B.Ed. and introducing new courses of 4 Year Physical Education and 4 Year Art Education in line with NEP 2020. These courses are also to be aligned to the various criteria laid down by UGC and in alignment with NHEQF. NCFSE and NCFTE. However, the existing courses which are currently running are not in alignment with these various aspects e.g., Credit System. 4 Stages of School Education (5+3+3+4).
