Kottayam District, Pin-686635, Kerala had submitted an application to the Southern Regional Committee of NCTE for grant of recognition for starting secondary course of one year duration from the academic session 2004-2005 with an annual intake of 100 students and was granted recognition on 23.02.2005 with condition to shift its own premises within three years from the date of recognition (in case the course is started in temporary premises).</p> <p>A complaint has been received from Prof.P.C Krishna, Secretary, Educational Reforms Forum, Kerala Chapter, Trivandrum, Kerala on 05.05.2009. The complaint made against 21 institutions which are functioning in the state of Kerala alleging that the institutions are having serious deficiencies like inadequate infrastructural and instructional facilities. All the institutions were granted recognition during 2002 – 2006. The complainant is requesting SRC-NCTE to conduct surprise inspection to confirm the authenticity of the complaints made.</p> <p>The SRC in its 175th meeting held during 13th -14th May, 2009 considered the matter and it was decided to obtain the affidavit from the complainant and has also decided to issue show cause notice under section 17 of NCTE Act to all the institutions referred to in the letter.</p> <p>Accordingly, a show cause notice was issued to the institution on 10.07.2009. The institution has submitted the written representation on 21.07.2009. Reply from the institution was placed before SRC in its 181st meeting held on 21st & 21st August, 2009 and deferred the case for required of more details.</p> <p>Once again the institution has submitted the reply for the same notice on 11.08.2009 is as under:-</p> <p>"1. The Labour India College has been granted recognition purely on the understanding that we are functioning in our own building. We have never used rented premises or premises in lease.</p> <p>2. Regarding the shifting to the new building let us explains as follows:-</p> <p>The B.Ed College was started in June 2005 functioning in a new block (completed in 2004) of the Labour India School Building. This block was also shared by the school for certain minimum purposes. In the meanwhile the school building was expanded by erecting two more storeys over the existing original building by making the school very much spacious, thereby having more area than the what is required. Eventually the building (block) occupied by the B Ed college was left for the B.Ed college alone. Now the B.Ed college is exclusively run in this building. The details of the building are already sent to the NCTE as per, the reply to the Notice sent by you on 04.06.2009.</p>

In this connection let me also add a few more lines. We were also intending to start M.Ed course in this college and acquired NOC from the Govt. of Kerala, sanction from the NCTE and from the affiliating University on time. Simultaneously we have constructed another 3 storied building as the extension of the B.Ed College. We have sent all the required details of this new building in all earlier letters. Now in this building, the M.Ed section is being run and so now we have plenty of space and facilities in this new complex for the smooth conduct of the two courses, B.Ed and M.Ed. These two portions, B.Ed and M.Ed are visited and evaluated periodically by the commission deputed by the NCTE and the affiliating University and they have all expressed their satisfaction in this regard. It is in this context that the 'College was not shifting to its own premises'. The photographs of the two sections of the Labour India College of Teacher Education are also enclosed herewith, for your ready reference.

We are also enclosing the required documents along with this compliance letter.*

The SRC in its 182nd meeting held on 31st August, 2009 considered the matter and decided to conduct inspection under section 17 of NCTE Act for verifying the infrastructural and instructional facilities available for B.Ed Course.

The Committee considered the matter, letter dated 10.12.2015, all relevant documents of the institution towards shifting, and decided as under:

1.In this case, a decision was taken to withdraw recognition because of a complaint received from the SCERT about fake 'Fire Safety Certificate'. The SCERT has now accepted the reply given by the college and closed the complaint-case. In the event, the decision taken earlier to withdraw recognition is reviewed and the recognition is restored. Consequently, this case is cleared for consideration towards causing shifting inspection. Since the related case of B.Ed (2 units), run by the same management has been separately cleared for a similar inspection, both the courses can be covered by a composite inspection.

The institution has shown our Institution (Vysya College of Education, Salem, Tamilnadu) Principal, Dr.P.Selvam as Principal of their institution during the NAAC visit.</i></p> <p><i>Dr.P.Selvam appointed as Assistant Professor of Tamil on 19.06.2010 in Vysya College of Education (Annexure-1 copy enclosed) and joined in our institution on 01.07.2010 (Annexure-2 copy enclosed) onwards. While she was working as Assistant Professor in our college she got approved as Principal from Tamilnadu Teachers Education University and we got the approval letter on 19.05.2012 (Annexure-3 copy enclosed) and she took charge as Principal.</i></p>

Vysya College of Education and continuing her service as Principal as on date.

In the meantime we have received an information that Annai Mathammal Sheela College of Education, Erumapatty-637013, Namakkal Dt., has paid around 2 lakh rupees for our college Principal Dr.P.Selvam for acting as Principal for those two days (22.01.2014 & 23.01.2014) during NAAC visit which is highly an unethical practice.

All the original certificate of Dr.P.Selvam is kept in our institution and we were surprised how, she was shown as Principal & how NAAC members failed to check her original documents, attendance register Acquaintance, TDS detected, etc during visit.

We also doubt that most of the faculty shown by Annai Mathammal Sheela College of Education, Erumapatty-637013, Namakkal Dt., is also duplicated.

We were shocked to see that the college which has duplicated the Head of the Institution was Accredited with "B" Grade by NAAC (Annexure-4 list enclosed).

Our Principal Dr.P.Selvam, has applied for on Duty from 21.01.2014-25.01.2014 stating that she has received a communication from University for arrear paper valuation. She joined her duty on 26.01.2014 & reported on 27.01.2014. she has also submitted the attendance certificate from 20.01.2014 to 25.01.2014 (Annexure-5, 6, 7 copy enclosed).

But she has submitted the attendance certificate from University from 20.01.2014 to 25.01.2014. in this regard, we requested university to give us few details regarding the paper valuation through Right to Information Act and we have got the information from university. (Annexure-9, 10 copy enclosed).

Dr.P.Selvam has acted as Examiner only for one day (21.01.2014) only and hence it is provide that through her influence she got false certificate from paper evaluation centre and she has produced the same to our institution and it is confirmed that she has acted as Principal on 22.01.2014 and 23.01.2014 in Annai Mathammal Sheela College of Education, Erumapatty-637013, Namakkal Dt.,

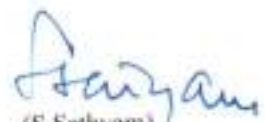

More over we have also received the peer team visit report of Annai Mathammal Sheela College of Education, from NAAC, office through Right to Information Act for further confirming her presence as Principal. (Annexure-11, 12 copy enclosed).

We confirm you that the signature in the peer team visit report matches with our college principal's signature and hence we assure you that she has been used for NAAC purpose.

As on date she has signed in our college attendance register, Acquaintance, we have properly detected TDS, etc. (Annexure-13 copy enclosed).

The university examinations for college of education start from 30.05.2014 and ends on 11.06.2014, so the students will be present in the campus and hence you can have a surprise visit to check the presence of the Principal in the college. Moreover the admission for next academic year has been started by most of the institution and the college which has involved in such malpractice may admit students based on the grade received from NAAC and hence we request NCTE to verify the originality of the status of the institution and save the life of the student's community.

Hence we request you to take necessary strict action on such colleges involved in such malpractices. If you wish to conduct an enquiry on this issue we are ready to support you by producing all documents about Dr.P.Selvam to you in person.

January, 2005 and therefore any application for additional intake will be only considered for 2006-2007 as the institution had not completed stipulated three years period for additional intake. Accordingly, decision of SRC, a letter was conveyed to the institution on 23rd December 2005. The appellate authority vide order dated 16th June 2008 reversed the order of SRC and directed to grant recognition to the institution for additional intake in D.T.Ed. course. As per the decision of appellate authority the institution was issued a letter on 15th July 2008 to appoint staff under para 7(11) of the NCTE regulations. The reply submitted by the institution was considered in 168th meeting held on 15th December 2008 when it was decided to grant formal recognition to the institution for D.T.Ed. additional intake course.

The State Government of Tamilnadu in its letter No.6987/UI/08-1 dated 20.03.2008 after an inspection by a Committee pointed out some deficiencies in 54 D.T.Ed colleges in the state including this college. The State Government has informed that these institutions are not maintaining norms and standards as prescribed by NCTE and deficiencies of individual institution were also submitted as annexure. The SRC in its 157th meeting held on 23rd-24th April, 2008 considered the complaint and decided to issue notice to these institutions under NCTE Act, 1993 providing an opportunity for making written representation, if any, accordingly, notice under Section 17 was issued on 16.10.2008 for the following reasons:-

- Change of Management without obtaining approval from NCTE.
- Tin sheeted building provided for the TTI
- Without obtaining recognition order from NCTE and staff approval from DTERT, students have been admitted for 2005 – 2006.

The institution submitted its written representation vide letter dated 10.12.2008.

The SRC considered the reply / written representation submitted by the institution in its 168th meeting held on 15th December, 2008 and had sanctioned additional intake for the D.T.Ed. course thus making the annual intake of 100.

In the meantime, the Hon'ble High Court of Madras vide order dated 07th January, 2009 in W.P. No. 20342 of 2008 had already pronounced the judgment directing the respondents to publish the results of the examination during 2005-06 and the 2nd year exams during Sept. 2008 and consequently issue statement of marks for the D.T.Ed course within a period of two weeks from the date of receipt of the copy of the order.

The Committee considered the above order in its 179th meeting of SRC held on 23rd July, 2009 the Committee decided to await the judgment in W.P. No. 20342/2008 filed by Director, DTERT, Chennai. The matter was again considered by SRC in its 180th meeting held on 29th July 2009 wherein the Committee decided to cause inspection under section 17 of the NCTE Act after submission of necessary fees and documents for both the basic and additional unit of D.T.Ed. course.

The Chairman of the institution vide letter dated 9th March, 2009 represented that they had applied with the trust name as Mother Theresa Rural Development Trust and NCTE had changed the name as Matha Trust.

Accordingly, Corrigendum was issued vide order No.F.SRO/NCTE/D.T.Ed.-AI/2009/10897 dated 19th March, 2009 thereby correcting the trust Name as Mother Theresa Rural Development trust, Vellore District, Tamilnadu.

Mr. M. D. Einstein, Correspondent in his representation dated 29th May 09 had questioned the Corrigendum issued by SRC vide order dated 19th March 09 regarding Name of the Trust and requested SRC to withdraw the Corrigendum dated 19th March 2009.

Further, Mr. A. P. Yesudoss, Chairman / Correspondent of the college vide his letter dated 8th Aug 2009 had represented SRC that while considering the representation made by Mr. M.D. Einstein dated 29.05.2009, Notice may be issued to him and hear his objection before passing final order on the above representation dated 29.05.2009.

Mr. M.D. Einstein also filed a W.P.No.11685/2009 in the Hon'ble High Court of Madras against the said Corrigendum issued by SRC and the Hon'ble Court had directed SRC to dispose of the representation dated 29.5.2009 on merits and in accordance with law, within a period of eight weeks from the date of reissuing of a copy of this order after giving an opportunity of hearing to the petitioner, as well as the fourth respondent i.e. Sh. A. P. Yesudoss.

The Committee considered the matter as stated above in its 183rd meeting held on 22nd September 2009 and gave opportunity to both the parties for personal hearing on 26.10.2009. In view of the above, SRC in its 184th meeting held on 26th-27th October 2009 heard the arguments put forth by both the parties and considered them and all the relevant documents and found that the case involves Civil/Criminal issues relating to owners, among others, which only a Court of Law can decide. Accordingly a letter was issued to the both the parties informing the decision of SRC on 05.02.2010. Meantime, a court notice in W.P.No.3234/2010 filed by Shri. M.D. Einstein in the Hon'ble High Court of Madras referring this office letter dated 05.2010 and appear before Hon'ble High court in person or advocate on 07.06.2010, which was received on 13.05.2010. Accordingly, a letter was issued to the advocate on 25.05.2010.

A court order in W.P. No. 3234 of 2010 filed by Shri. M.D. Einstein was received on 12.10.2010. The Hon'ble Court has directed as follows:

"...the 1st respondent is directed to pass a detailed order with reference to the averments made in the writ petition and also to take into consideration the decrees passed in the civil courts, within a period of four weeks from the date of receipt of a copy of this order. It is open to the petitioner to submit all the documents once again before the Regional Committee, along with this order".

The matter was placed before SRC in its 197th meeting held on 13th-14th October, 2010. The Committee after taking into account the decrees produced by the concerned petitioner, took a view that the Corrigendum issued stand valid. Since no change of management is permitted by SRC-NCTE.

The Committee also decided that taking into consideration of all the relevant aspects on the following grounds.

The name of the trust was Mother Theresa Rural Development Trust, Vellore District, Tamilnadu while originally applying to NCTE for recognition of the institution. The institution was issued recognition orders by the SRC-NCTE only to the Mother Theresa Rural Development Trust, Vellore.

- In case of any dispute relating to any change in the management/trust and its name the issue can be resolved only by a court of law.
- The earlier decision to revise the original name of the Trust from Mother Rural Development Trust to Matha Educational and Development Trust, Tiruchi District, Tamilnadu was taken inadvertently, as the dispute within the management on the issue was not properly brought to the attention by the parties of the dispute.

As decided by the Committee the Corrigendum issued vide No reply, file had to be close F.SRO/NCTE/D.T.Ed-AI/2009/10897 dated 19.03.2009 correcting the society " Matha Educational and Development Trust, Tiruchi District, Tamilnadu" as "Mother Theresa Rural Development Trust, Vellore District, Tamilnadu" stands valid.

Accordingly, a detailed order was issued to the institution vide no. F.SRO/NCTE/TN/2010-2010/25280 dated 13.12.2010.

A court order dt. 17.08.2011 in W.P. No. 22416 of 2009 filed by Infant Jesus Teacher Training Institute reads as follows: "in the present case, the impugned order has not given the petitioner-institution any recognition for additional intake of students retrospectively and any challenge to the said order shall not be entertained by this Court in any circumstances. The petitioner has not made out any ground to grant approval retrospectively. Hence, this writ petition is dismissed. No costs".

A court order dt. 15.09.2011 in W.P. No. 1616 of 2011 and M.P. Nos. 1 and 2 of 2011 filed by M.D. Einstein reads as follows: "In these circumstances, the writ petition is disposed of directing the petitioner to make an application under Regulation 8(11) of the National Council for Teacher Education Regulations, in the prescribed format, within a period of four weeks from the date of receipt of a copy of this order and on receipt of such application, seeking to change the name of management, enclosing the documents, the 1st respondent is directed to consider the same on merits and in accordance with law, within a period of four months thereafter. Consequently, M.P. Nos.1 and 2 of 2011 are closed. No costs".

Mr. A.P. Yesudas (4th respondent) has also made two complaints against Mr. M.D. Einstein received

in the office of SRC on 21.11.2011 requesting to reject the application of the Einstein for the reasons mentioned therein.

Further Sri. M.D. Einstein, Chairman, TheMatha Educational and Development

Trust, has submitted a letter dated 28.11.2011 and has stated that " We now request you to kindly send us the prescribed format in order to make an application under Regulation 8(11) of NCTE Regulation, seeking to change the name of the management. Kindly note that we have submitted all other relevant documents along with our above referred letters. Once we obtain the prescribed format from you and submit the same within the period we will be completing formalities in all respect".

The SRC in its 215th meeting held on 12th-13th December, 2011 after considering the above matter and decided that SRC will stand by its earlier decision and pass a speaking order to say:

- (i) Regarding 8 (11) is about change of premises and not about change of management, where as 8 (11) reads/says "In case of change of premises, prior approval of the Regional Committee concerned shall be necessary, which could be accorded after due inspection of the institution at the new site. Application for change of premises, in triplicate, in the specified format along with other relevant documents shall be submitted by the Institution to the Regional Office for prior approval of change of premises. The change can be permitted to a site which, if applied initially, could have qualified for establishment of an institution as per specified norms of National Council for Teacher Education. The change shall be displayed on website thereafter. The application for change of premises shall be accompanied by a demand draft of Rs. 40,000 (or as revised from time to time) of a Nationalised Bank drawn in favour of the Member Secretary, National Council for Teacher Education and payable at the city where the Regional Committee is located. The fee may also be paid online at the bank designated by National Council for Teacher Education".
- (ii) There is no 'prescribed format' as cited by the applicant;

- (iii) The applicant can make a formal application, after following the procedure prescribed for change of management of Trusts or (preferably) obtain a decree from the Civil Court for the purpose.

A letter was sent to the advocate on 10.01.2012 requesting to get vetted the letter to be issued to the institution. The legal counsel vide letter dt 18.01.2012 received on 23.01.2012 had returned the letter after getting vetted the same.

Accordingly, a letter sent to the institution on 14.02.2012 stating the following:

"...the order passed in the above W.P.No. 1616 of 2011 is dated 15.09.2011. The order copy was made ready on 28.09.2011 and the NCTE Counsel has received the same on 30.09.2011. The NCTE received the copy of the said order on 03.10.2011. The petitioner's Counsel and the petitioner also would have received the order copy on the same dates. The four weeks given for submission of application for change of management/trust ought to have been submitted on or before 04.11.2011. Whereas you have submitted a letter dated 28.11.2011 much after the said four weeks period granted by the Hon'ble High Court for submission of application. No order of the Hon'ble High Court granting extension of time for submission of application has been enclosed along with the said letter.

Strictly speaking the NCTE shall abide by the order of the Hon'ble High Court and is not bound to consider any letter of you after the four weeks time granted for submission of the application for change of management/trust.

Though the above mentioned fact is legally correct, NCTE without prejudice to the said

contention is issuing this reply for your letter dated 28.11.2011.

The NCTE here by states that there is no specific format under Rule 8 (11) of the Regulations for change of management/trust etc., and the petitioner can submit detailed application by following the procedure prescribed under Regulation 8 (11). It is most important that apart from relevant documents both the parties have to make a common application signing and attesting by both the parties i.e., existing management and the new management so as to enable the NCTE to process the application and pass appropriate orders in accordance with law. There cannot be any application by one party without consenting by the other party. It is a well known fact that any change of management/trust shall be by the existing management or trust and by the proposed management or trust.

Once again we reiterate that this letter is issued prejudice to the contention that without proper order of extension from the Hon'ble High Court, Madras the belated application cannot be either received or considered since the same will amount to violation of the conditional order of the Hon'ble High Court".

Further, it is noted that letter dated 14.02.2012 sent to Mr. M.D Einstein was returned by post office on 23.02.2012. The same was re-posted on 02.03.2012 and returned again on 06.03.2012. Hence, no reply from Mr. M.D. Einstein has received so far.

This office has received a representation dtd 02.03.2012 from Sri. Yesudass stating to afford an opportunity to make his submissions in connection with the application Sri M.D. Einstein and treat the same as part and parcel of the application of the same.

On 05.10.2012 legal counsel for NCTE has requested to furnish a copy of the application said to have been submitted on 28.11.2012 under regulation 8(11) along with a copy rejection order dtd. 04.02.2012 which was forwarded to him vide this office letter dtd. 17.10.2012.

On 04.12.2012 this office has received letter from the legal counsel of NCTE forwarding the decision of the Hon'ble High Court in W.P. no. 1616 of 2011 dtd. 18.11.2012 the which status as under:

"...four weeks time as stipulated in the aforesaid order expired on 04.11.2011, but the application was filed only on 28.11.2011 after 24 days. It is further stated that the delay of 24 days was due to the illness of the petitioner and treatment undertaken. Hence, this application is filed seeking

extension of time for 24 days, granted in the order dated 15.09.2011 in W.P. No. 1616 of 2011.

No counter is filed. In the facts and circumstances of the case, I am inclined to allow this application. The National Council for Teacher Education (Southern Regional) Bangalore is directed to dispose of the application made on 28.11.2011 on merits and in accordance with law within a period of four months from the date of receipt of a copy of this order"

Copy of the application dtd. 28.11.2011 submitted by Sri M.D. Einstein along with Hon'ble High Court judgment dtd. 18.11.2012 is enclosed herewith.

The SRC in its 237th meeting held on 5th -6th January 2013, after considering the above matter and decided to reiterate earlier order that SRC will stand by its earlier decision.

The Madras High Court had given the applicant institution four week's time to make another application. This time-limit expired on 4.11.2011. No further action now is, therefore, possible in this case.

In any case, Regulation 8 (11) of NCTE Regulations 2009 provides only for change of location and not change of management.

Accordingly, as per the decision of SRC, a letter was issued to the institution on 13.03.2013.
(Reply from the institution not received so far)

A brief of the case was sent to the Advocate Sri. K. Ramakrishna Reddy on 19.09.2013.

The SRC received a letter from Advocate Sri.K. Ramakrishna Reddy on 07.10.2013 with regarding contempt petition No. 2184 of 2013 in W.P.No.1616 of 2011,filed by M.D. Einstein- Infant Jesus Teacher Training Institute -Vs- NCTE.

A letter to Advocate Sri. Ramakrishna Reddy was sent on 08.10.2013 to defend the case.

A reminder letter was sent to Advocate Sri. Ramakrishna Reddy on 07.03.2014 along with duly signed counter affidavit.

The original counter affidavit has been received from the Hon'ble High Court at Madras on 10.03.2014.

A certified copy of Hon'ble High Court Order in Cont. P. No. 2184 of 2013 dated 27.06.2014 has been received on 31.10.2014.

SRC in its 275th meeting held on 01st to 02nd December, 2014 considered the Court Order and noted the matter.

Now, a Court Order dated 23.11.2009 received from the advocate in W.P.No.1145 of 2009. The Court order stated as follows;

"Learned counsel appearing for respondent No.7 undertakes not to admit any more students for the present academic year 2009-2010, which will enable the fifty students to be adjusted.

As far as the second year course to which these students seek induction is concerned, that was without any approval from the examining body. Obviously it cannot be said that it can be approved not their examination they have taken be cleared. Therefore, they have to repeat the exercise for the second year in respect of the academic year 2010-2011. Learned counsel appearing for respondent No.7 states that he will not charge any fees for this course. The examination given for the second year presently will stand cancelled and the students have to write the examination at the end of the academic year 2010-2011.

With the above observations, the writ appeal stands disposed of. This will be independent of the remedy of the students to seek compensation from the institution for the valuable time they have lost due to the attitude of total ignorance of the legal provisions of respondent No.7. However, there shall be no order as to costs."

The Committee considered the matter, Hon'ble High Court order dated 23.11.2009, 31.10.2014, other relevant documents of the institution, and decided as under:

- 1.This order has been brought to our notice only now.**

ORDER: this petition coming on for orders upon perusing the petition and the affidavit filed in support thereof and upon hearing the arguments of M/s. V.Bharathidasan, Advocate for the petitioner, the court made the following order:-

Notice to the respondents returnable in four weeks.

2. The petitioner has challenged the impugned order, dated 25.11.2014, passed by the second respondent/Regional Director, National Council for Teacher Education, Southern Regional Committee, Bangalore, on the ground that without due application of mind, the second respondent, wrongly holding that the petitioner has not given reply to the show cause notices, 05.02.2013, 13.02.2013 and 15.02.2013 passed the impugned order.

3. According to the petitioner, he has sent a common reply in respect of all the show cause notices on 25.03.2013 seeking for personal hearing for production of the required documents to satisfy the second respondent. In spite of the fact that the petitioner has sent a detailed representation through registered post, which was received by the second respondent, on 03.04.2013, the impugned order repeatedly says that no reply has been submitted by the petitioner to the show cause notices, dated 05.02.2013, 13.02.2013 and 15.02.2013.

4. On perusal of the records, it is seen that the petitioner has submitted his detailed and comprehensive reply on 25.03.2013, along with relevant documents to the said show cause notices. In such circumstances, this court deems fit to stay the operation of the impugned order dated 25.11.2014, passed by the second respondent. Accordingly, an order of interim stay is granted.

Now, a Court order received from the advocate in W.P.No.24939 of 2005 and W.P.M.P.No. 27314 of 2005.

The Hon'ble Court order in W.P. No. 24939 of 2005 and W.P.M.P. No. 27314 of 2005 dated 29.10.2013 stating as follows: ".....The NCTE Act has been enacted by Parliament under entry 66 of list 1 to coordinate with and determine the standards of teacher training institutions as well as entry 25 of List III. The provisions of the University Act regarding affiliation of teacher training colleges and the conditions for grant and continuation of such affiliation by the University shall remain operative. However, the conditions that are prescribed by the University for grant and continuation will have to be in conformity with the norms and guidelines prescribed by the NCTE in respect of the matters entrusted to it under the NCTE Act. We hasten to add that the grant of affiliation alone entitles the colleges to admit the students and also enables the students to write the examination, subject to the training in the prescribed syllabi and fulfilling the attendance norms, and there cannot be any retrospective affiliation and the attendance before the affiliation or college is entitled to admit students before the grant of affiliation by the University, and as observed by the learned Chief Justice in Loordhu Ammal Educational Trust's case, that any college or institution admitting students for a degree in the University even before the University accords affiliation is really committing fraud on those students and is cheating those students who are given admission, because those students can

	<p>be left in the add that it would be impermissible for the court to permit the students of an unaffiliated institution to appear for the examination conducted by the University under the interim orders of the court or to direct the University to grant affiliation with retrospective effect, as it would amount to directing the University to disobey the statute to which it owe its existence and the regulations made by the University itself".</p> <p>6. Admittedly, the fourth respondent college was not affiliated at the relevant point of time and therefore, as per the decision of the Hon'ble Full Bench of this court, the petitioners are not entitled to seek the relief as prayed for in this writ petition.</p> <p>7. Therefore, the writ petition is dismissed by following the above referred decision of the Hon'ble Full Bench of this Court. No. Costs. Consequently, connected Micellaneous Petition is closed.</p> <p>The Committee considered the matter, Court order, other related relevant documents of the institution, and decided as under;</p> <p>1.This order has been brought to our notice only now. 2.In this order, the direction is to the affiliating body. 3.Noted.</p>

No. 36458 of 2015 dated 06.11.2015 stating as follows:-</p>
------	--	--

"The petitioner college has been running B.Ed Course over the years. With an intention of starting M.Ed Course, the petitioner sought for No Objection Certificate to respondent No.2. An application was made on 13.05.2015 followed by reminders dated 10.06.2015, 05.07.2015, 01.08.2015, and 29.10.2015 respectively. As the date for consideration for granting recognition was nearing the petitioner in the meanwhile made an application on 12.06.2015 to respondent No.1 without even enclosing the copy of No Objection Certificate with the fond hope of getting it at the earliest point of time. By proceeding dated 21.10.2015, the respondent No.1 has issued show cause notice stating that the petitioner will have to show cause as to why the application shall not be rejected on the non submission of No Objection Certificate issued by the affiliated body. Since the respondent No.2 is yet to pass orders on the No Objection Certificate, the petitioner has rushed to this court seeking the prayer sought for.

On facts, it is clear that the petitioner's application was made on 13.05.2015. Therefore, it was much earlier to the application made to respondent No.1, seeking recognition. The petitioner's position would be clear only when the respondent No.2 makes a decision on the application of the petitioner dated 13.05.2015 seeking No Objection Certificate. The further reply to be given by the petitioner to the show cause notice dated 21.10.2015 issued by respondent No.1 also depends upon this.

Therefore, considering the above, a direction is issued to respondent No.2 to pass appropriate orders on the application of the petitioner dated 13.05.2015 followed by the reminders ending with 29.10.2015 within a period of ten days from the date of receipt of a copy of this order. Based upon the same, the petitioner will be at liberty to give a reply to the show cause notice issued to the petitioner by respondent No.1 within a period of one week, thereafter. Considering the facts and circumstances of the case, till such time, the respondent No.1 shall not pass any final order".

The SRC in its 297th Meeting held on 27th 28th December, 2015 considered the matter and it was decided to await further developments in the matter the University end.
