1. The University Centre was accorded recognition in the temporary building on 13.7.2004, with insufficient built-up space with the condition to shift to its own premises/building within three years time limit from the date of recognition. But, the institution failed to construct its own permanent building as per the conditions of the recognition order. joint account for Rs.5 lakhs and Rs.3 lakhs FDRs as per para 10(1) of NCTE Regulations, 2007.

5. The University Centre has not appointed teaching faculty on regular basis as per Norms and standards of B.Ed. course. In reply to Show Cause Notice also the University Centre stated that the B.Ed. course is self-financed one and hence the Government has not permitted the University Centre to create permanent teaching posts and appoint them on permanent basis.

The University Centre has violated the provisions contained under various sections of NCTE Act and Regulations there under. Therefore, the **Southern Regional Committee in its 176th meeting held during 27th - 28th May, 2009, decided to withdraw the Recognition for B.Ed. course of the University Centre from the academic session 2009-2010**. However, the ongoing batch of students be permitted to complete their course (the students admitted in 2008-09 be allowed to continue in order to complete the course). The University Centre shall not make any fresh admissions subsequent to the withdrawal order.

As per the decision of SRC, a withdrawal order was issued to the University Centre vide this office order No. F.SRO/NCTE/B.Ed/2009-10/14182 dated 26.06.09

Aggrieved by the withdrawal order of SRC, the University Centre filed an appeal before the appellate authority, NCTE, New Delhi. The appellate authority vide order dated 06.11.2009 has confirmed the withdrawal order of SRC.

Further, the University has approached the Hon'ble High Court of Kerala.

On 09.05.2014, a letter from the Registrar, University of Calicut, dated 06.05.2014 is received by this office which is as under :-

'University of Calicut is situated in the northern part of Kerala, considering the socio educational backwardness of the area, the University started B.Ed Centres as early as in 1982. At present we have 11 Centres. NCTE had conducted visits to these Centres and had given recognition, when NCTE withdrew the recognition of these Centres we were forced to take up this matter with the High Court. The Hon. High court directed the NCTE to go through the claim of the University in respect of each and every centre with the material furnished by them, compare the same with the deficiencies noted by them during inspection, and reappraise whether there is any shortcoming that needs to be rectified by the University for continuance of recognition of the Centre. We have been regularly submitting the self appraisal report of all these 11 Centres, but no action has been taken so far by NCTE. Hence, I request that necessary action may kindly be taken to grant recognition to the 11 University Teacher Education Centres of the University of Calicut at an early date.

A copy (website copy) of the High Court order dated 17.08.2010 is enclosed.'

The order of the Hon'ble High Court of Kerala at Ernakulam in W.P.No. 33636 of 2009 dated 17.08.2010 (copy enclosed) in the 20 writ petitions, ten filed by the Calicut University and remaining ten filed by the Kerala University is as under ;

' NCTE should adopt a realistic approach in the whole matter and if the centres have facilities like infrastructure, lab library, teaching staff, and other facilities, they should not decline recognition for the reason of defect in title of the land of a few

sq. metres of shortage in the building, which does not stand in the way of course being run. In view of the prima facie case established by the University that those facilities are available which are brought on record in these W.P. Cs and since the University has been running B.Ed courses in all the centres for the last 10 years, and since there is rush of students for admission in the University centres in preference to private and other colleges, we direct the NCTE to treat the University centres as approved centres for the current year 2010-2011, also leaving freedom to the NCTE to recall approval if any centre does not make up facilities pointed out by NCTE in terms of revised orders to be issued in terms of the direction issued above for next academic year (2011-2012) onwards.'

As per available records :-

In respect of APSO 2951, vide letters dated 29.06.2009 and 06.01.2010, this office has requested for documents pertaining to shifting of premises and payment of Rs.40,000/- as inspection fee.

Further, there is no correspondence seen in the file.

In the meantime, on 07.05.2014, the University has submitted the performance appraisal report of the University Centres of University of Calicut. It is observed from the Performance Appraisal

Further, it is decided by the Committee that these 11 centres are to be inspected to ascertain their adherence to norms and standards. Southern Regional Office is advised that before causing inspection, however, SRO should collect all documents for verification. Thereafter, after collecting inspection fee of Rs 50,000/- per centre, cause inspection.

As per the decision of SRC, a letter was addressed to the Registrar, Calicut University on 21.08.2014 with a request to submit questionnaire along with essential documents for causing inspection. On 11.09.2014, the Registrar has submitted two written representations dated 10.09.2014 along with duly filled in questionnaire in respect of 11 University Teacher Education Centres and relevant documents.

Now we are not in a position to deposit 5 lakhs towards endowment fund and 3 lakh towards reserve funds for each centres. Hence, I request that relaxation may kindly be given from depositing 8 lakhs in fixed deposit for each centres as these Centres are owned and operated by the University. I assure that the Centres will run systematically and effectively with out any financial crisis."

The University centre has submitted the following documents :-

1. A brief preview of the functioning of the University Centre (Resume)
2. Details of the University Centre pertaining to instructional and infrastructural facilities of the Centre
3. Duly filled in questionnaire of the University Centre (APS02948)

The SRC in its 274th meeting held during 30th & 31st October, 2014, considered the written representation dated 11.09.2014 from the Registrar of the said University, and all the relevant documentary evidences and it was decided to serve Show Cause Notice to the Calicut University Teacher Education Centre, Kotttilangadi P.O. Kerala under NCTE Act for the following:-

1. English version of the land document submitted is not clear.
2. Blue print of the building plan is not submitted. Site area is not mentioned in the photo copy of building plan submitted.

3. Notarised Land usage Certificate is not submitted.
4. Up-date Non-Encumbrance certificate is not submitted.
5. As seen from the Questionnaire, Teaching staff are not appointed on regular basis (appointed on contract basis) and are paid consolidated salary, which is against the NCTE Regulations/Norms.
6. As seen from the Questionnaire, the Principal has not completed his Ph.D degree and is not eligible for the post of Principal as per NCTE Norms.

In view of the above, the committee decided to issue a Show Cause Notice to the Calicut University Teacher Education Centre, Thrissur, Kerala, as to why the recognition be not withdrawn and thereby providing an opportunity to the institution to make a written representation within 21 days from the date of receipt of the Notice along with necessary certificates/documents in order to take a final decision in the matter, failing which action will be taken including the withdrawal of recognition, based on the records available with no further notice.

As per the decision of SRC a show cause notice was issued to the institution on 05.01.2015. The institution has submitted a written representation on 28.01.2015.

The SRC in its 279th meeting held during 01st February, 2015 considered the written reply of the University/institution vide letter dated 28.01.2015 on the above matter and also the relevant documents of the institution and decided to withdraw recognition for the following reasons:-

- The Institution has not given FDRs.
- Teaching staff is not at all according to NCTE norms- Principal does not have Ph.D.
- Others are on consolidated pay and not regular.

Based on the above points the committee decides to withdraw the recognition of the B.Ed course run by the Calicut University Teacher Education centre, Malappuram, Kerala from the academic year 2015-16, in order to enable the ongoing batch of students in B.Ed. course, if any, to complete their course.

As per the decision of SRC, withdrawal order was issued to the University Centre on 01.10.2015.

Aggrieved by the withdrawal order of SRC, the institution filed an appeal before the appellate authority, NCTE Hqrs.

The appellate authority vide order F.No.89-11/2016 Appeal/3rd Meeting-2016/170968 dated 18.04.2016 stated as under:-

"Prof. P.Kelu, Director, CUTEC Malappuram, Paddinhattummuri, PO-Malappuram, Kerala presented the case of the appellant institution on 18.03.2016. In the appeal and during personal presentation and in a letter dt: 16.03.2016, with regard to furnishing of F.D.Rs it is submitted that the University centre is being directly run by the University of Calicut, which is funded by the Government of Kerala and University Grants Commission. Since it is a State University on the basis of an Act passed by State Government, the university centre may be exempted for the payment of F.D.Rs. Regarding eligibility of the teaching staff and principal, it is submitted that the university of Calicut has appointed qualified teaching staff as per the norms from time to time on full time basis with scale of pay as per orders of Government of Kerala and University of Calicut. The appellant enclosed copies order G.O.(MS) No.416/2015/H.Edn dt. 09.07.2015 issued by the Government of Kerala, Higher Education University(B) Department and order U.O No. 5612/2015/Admn dt 03.06.2015 issued the University of Calicut. The Government's order gave approval for scales of pay of various teaching staff in the university's self-financing institutions and the University's order gave the approved pay scales to the teaching staff in their various centres including their University Teacher Education Centre, which is the appellant. According to the university's order the revised pay structure is effective from 01.06.2015. Regarding the principal, who does not possess Ph.D, qualification, it is submitted that Shri. Gopalan, the principal was appointed as per 2007 norms under which Ph.D was not compulsory for the post of principal. The appellant has drawn attention to the clarification and an explanatory note dt. 03.11.2015 issued by the NCTE, that all existing vacant positions and vacancies occurring in future shall be filled up

with candidates having qualifications as per the New Regulations. The appellant also furnished a list of faculty members duly countersigned by the Registrar of University of Calicut.

The Committee noted that the submissions of the appellant regarding appointment teaching staff on regular scales of pay, which are effective from 1.06.2015 deserved to be duly considered by the SRC. However, the submission that they may be exempted from depositing the required sums in Endowment and Reserve Funds cannot be accepted in the light of the provisions of clause 10(1) of the NCTE Regulations, 2014 which lay down that self-financed institutions including Government or Government aided running a programme on self financing basis have to maintain Endowment and Reserve Funds. According to the provisions of clause 12 of the NCTE Regulations, 2014 relaxation of the provisions of the Regulations can be granted by the Chairperson on the recommendations of the State Government for removal of any hardship caused in adhering to the provisions of the Regulations. In these circumstances, the committee concluded that the appeal deserved to be rejected on the ground that the appellant has not furnished the F.D.Rs for Endowment and Reserve Funds as per the Regulations and the order of the S. R.C confirmed.

After perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the committee concluded that the SRC was justified in refusing recognition and therefore, the appeal deserved to be rejected on the ground that the appellant has not furnished the F.D.Rs for Endowment and Reserve Funds and the order of the SRC is confirmed.

The council hereby confirms the order appealed against."

The Committee took note of the matter.

The SRC in its 294th Meeting held on 14th-16th November, 2015 considered the matter decided as under:

1. Reply not satisfactory.
2. Refuse and close the file

Accordingly, as per the decision of SRC, a rejection order was issued to the institution on 22.12.2015.

Aggrieved by the refusal order of SRC, the institution preferred an appeal to the NCTE-Hqrs vide the appellate authority order vide F.No. 89-70/2016 Appeal/4th Meeting-2016 dated 18.04.2016 stating as follows:

"...Appeal Committee noted that D.El.Ed course comes under the category of banned courses in the State of Telangana. The application for D.El.Ed (Additional Intake) submitted by appellant institution on 30.06.2015 was accepted and processed by SRC Bangalore keeping in view the minority status of the appellant society. A Copy of the application, so received, was sent to Department of Education, Government of Telangana seeking recommendation. Sub Section (3) of Section 5 of the NCTE Regulations, 2014 envisage that NOC issued by concerned affiliating body shall be submitted alongwith application. In this case, the request of the appellant institution for issue of NOC was turned down by affiliating body on the ground that the appellant institution has failed to fulfil requisite condition of 70% filling up minority students and has not maintained the conditions of the G.O Ms No. 1 Minorities welfare (M & P) Department dated 16.01.2004.

AND WHEREAS, Appeal committee is of the view that once an application is accepted, it shall be processed in accordance with the statutorily prescribed procedure. The input of state Government as a stake holder under the current rules is relevant and cannot be undermined. The application of institution covered by minority status is accepted at a stage when other institutions are not considered eligible to apply. But there is certainly no relaxation in the norms and standards thereafter. If the affiliating body has detected deficiency resulting into non-issue of NOC or denying NOC NCTE should honour the verdict unless the appellant institution gets relief through permissible legal course. Keeping in view the current status of the case, Appeal Committee decided to confirm the refusal order dated 22.02.2015 issued by SRC Bangalore.

AND WHEREAS, after perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the committee concluded that the SRC was justified in refusing recognition and therefore, the appeal deserved

		to be rejected and the order of the SRC is confirmed. NOW THEREFORE, the council hereby confirms the order appealed against. The Committee took note of the matter.

submitted its written representation on 24.04.2012 and 01.05.2012.

The SRC in its 222nd Meeting held on 09th – 10th May 2012 considered the reply of the institution vide letter dt. 25.04.2012 and all the relevant documentary evidences and it was decided to serve Final Show cause Notice under section 14 (1) of NCTE Act, for the following:

- 1) In the building plan submitted, total earmarked area for proposed D.El.Ed course is not given.
- 2) Yalamarty Telugu Pandit course run by the institution is recognized by SRC on 15.05.2009, the same has not completed three academic sessions. Proof of completion of 3 academic sessions from affiliating body is not submitted.
- 3) As per on-line application, land document should be for Sy.No. 103, 125 & 128, but, land usage certificate and land documents reflect different survey Nos

Accordingly, a final show cause notice was issued to the institution on 09.06.2012. The institution has submitted its written representation on 22.06.2012.

The reply of the institution to the show cause notice was duly considered by SRC in its 225th Meeting held on 25 – 26 June, 2012 and the reply is unconvincing and not satisfactory, deficiencies still persist as under:

- The institution is running TPT course since 2009, for which proof of affiliation orders for completion of 3 academic sessions at the time of on-line application is not submitted.

As per Regulations 2009:

8 (2) of NCTE Regulations states that In the first instance, an institution shall be considered for grant of recognition of only one course for the basic unit as prescribed in the norms and standards for the particular teacher education programme.

8 (3) of NCTE Regulations states that "An institution can apply for one basic unit only of an additional course or for an additional unit of the existing recognized course after completion of three academic sessions of the respective course, for which the institution shall submit application before the cutoff date prescribed for submission of applications in the year succeeding the completion of three academic sessions. Maximum intake capacity of an institution taking into consideration of all courses, along with additional intake, in any case, shall not exceed 300".

- Sy.Nos of building plan 103, 125 & 128 are not matching with land documents, with the Sy.Nos given as 125/37, 103/9, 103/10 & 117/20.

Under the above grounds and with reference to the totality of information collected & based on a collective application of mind, the committee decided as per NCTE Regulations 2009, to refuse and reject the application of the institution for recognition of D.El.Ed course.

Accordingly, rejection order was issued to the Institution on 23.07.2012.

Aggrieved by the rejection order of SRC, the Institution preferred an appeal to NCTE-Hqrs vide the appellate authority No.F.No.89-658/2013 Appeal/2nd Meeting-2014 dated 25.02.2014 stating that, "...Shri Y.V.V. Viswanath, Chairman, Yalamarty College of Diploma Education, Visakhapatnam, Andhra Pradesh presented the case of the appellant institution on 04-02-2014. In the appeal and during personal presentation it was submitted that "the course of TPT has commenced in the year 2009 and has finished three academic years with batches for 2009-10, 2010-11, and 2011-12: the current batch has completed the course and results are awaited. For the proof of affiliation they are herewith attaching the counseling lists of the three academic years along with the results received from the State Government. Hence, three academic years have been completed. The appellant has not made any submission to the second ground of rejection relating to discrepancy in land documents".

AND WHEREAS the submission of the appeal has been delayed by one year and 29 days beyond the prescribed period of 60 days. The appellant has not given any reasons for the delay. The Council therefore decided not to condone the delay. The appeal is not admitted.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, documents available on

records and considering the oral arguments advanced during the hearing, the Council decided not to condone the delay and therefore, the appeal is not admitted."

A Court order has been received from the Hon'ble High Court of Andhra Pradesh at Hyderabad on 12.05.2014. The Court order in WP MP No. 14288 of 2014 in WP No. 11324 of 2014 is stating as follows:

"The case of the petitioners is that an appeal has been preferred to the 1st respondent on 23.08.2012 by adopting the online mode. Subsequently, the hard copy of the memorandum of appeal enclosing thereto the demand draft drawn in a sum of Rs.10,000/- on Indian Overseas Bank, Kayyapalem Branch, dated 16.08.2012, has also been made available, towards appeal processing fee. On 11.06.2013, the 1st respondent referred to the appeal dated 24.08.2012, but stated that the appeal has not been submitted through online module in the prescribed format, which is mandatory, as per the Appeal Rules, 2012, and hence, the appeal is returned in original and the appeal fee has also been sent through a cheque drawn on 11.06.2013 for a sum of Rs.10,000/-. It is obvious from this communication that the 1st respondent has encased the appeal processing fee remitted by the petitioner through the demand draft drawn on Indian Overseas Bank on 16.08.2012, submitted along with the hand copy of the Appeal. On one hand, it is stated that the appeal has been submitted on 24.08.2012. But however, the claim is that it is not submitted through online module. The National Council for Teacher Education Rules, 1997 have been framed in exercise of the power available under Section 31 of the Act. Rule 10 sets out that any person aggrieved by an order made under Section 14, 15 or Section 17 of the Act may prefer an appeal in Form-I appended to these Rules. However, it appears Sub-Rule 2 has been added to Rule 10, which sets out that the appeal may be submitted electronically through online mode on the website of the NCTE along with the processing fee of Rs.10,000/-. It is, therefore, clear that preferring an appeal through electronic mode is one of the options. It is not the only option. If appeal in hard copy is submitted, it is not liable to be rejected only on that ground.

Hence, the respondents are directed to reconsider the appeal of the petitioner and communicate the decision taken thereon, as expeditiously as possible, preferably within six (6) weeks from today."

The Court order was forwarded to B.P. Pandey Under Secretary NCTE-Hqrs on 20.05.2014 (since the first respondent is NCTE-Hqrs) for taking necessary action.

On 29.05.2014, copy of the letter dated 24.05.2014 addressed to the Hqrs with a request for reconsideration of appeal application is received by this office.

A court notice in W.P. No. 11324 of 2014 dated 22.04.2014 has been received from Hon'ble High Court of Andhra Pradesh on 30.05.2014.

A letter was sent to Advocate Sri. K. Ramakanth Reddy on 10.06.2014 along with court notice to defend the case.

Meanwhile, a letter has been received on 02.06.2014 from Mr. B. P. Pandey, US (Legal), NCTE Hqrs, New Delhi vide letter No. F.64-208/2012/NCTE/Legal/A88128 dated 26.05.2014 (copy enclosed) which is as under:-

"I am directed to refer to the notice dated 27.04.2014 receive from Hon'ble High Court Andhra Pradesh at Hyderabad along with in the matter mentioned above. The operative part of the Court order is as under:-

"The National Council for Teacher Education Rules, 1997 have been framed in exercise of the power available under Section 31 of the Act. Rules 10 sets out that any person aggrieved by an order made under Section 14, 15 or Section 17 of the Act may prefer an appeal in Form-I appended to these Rules. However, it appears Sub-Rule 2 has been added to Rule 10, which sets out that the appeal may be submitted electronically through online mode on the website

of the nccte along with the processing fee of Rs. 10,000/-. It is, therefore, clear that preferring an appeal through electronic mode is one of the options. It is not the only option. If appeal in hard copy is submitted, it is not liable to be rejected only on that ground.

Hence, the respondents are directed to reconsider the appeal of the petitioner and communicate the decision taken thereon, as expeditiously as possible, preferable within six (6) weeks from today."

2. The NCTE (Third Amend mend) Rules, 2011 come into force w.e.f. 01.04.2012 by which Rule 10 has been submitted as under:-

10(1) Any person aggrieved by a refusal order made under Section 14 or Section 15 or withdrawal order made under Section 17 of NCTE Act, may prefer an appeal in Form I or Form II appended to these Rules, to the Council within Sixty days of issue of such orders, along with a fee of Rs. 10,000/- payable on line with the submission of appeal:

Provided that an appeal may be admitted after the expiry of the said period of sixty days, if the appellant satisfies the Council that he had sufficient cause for not preferring the appeal with the period of limitation of sixty days.

10(2) The appeal may be submitted electronically through online mode on the website of National Council for Teacher Education along with processing fee of Rs. 10,000/-. The appellant shall download the filled in online application and post two sets of hard copies accompanied with the requisite documents, to the Member Secretary, NCTE, New Delhi within two days of online submission of the appeal.

3. It is therefore, apparent that the case has not been contested properly by the Legal Counsel of NCTE of Hyderabad High Court as "preferring an appeal through electronic mode is not one of the options" rather it is only the option to prefer an appeal. The Legal Counsel could not explain the above rule in correct prospect to the Hon'ble High Court therefore, the above order deserves to be challenged before the Division bench by filing Letter Patent Appeal (LPA) / Writ Appeal.

4. It is therefore, requested to file the LPA/AP against the order dated 27.05.2014 immediately, under intimation to this office, in order to avoid any contempt proceedings."

The SRC in its 268th meeting held on 4-5th June, 2014 considered the matter, letter dated 26.05.2014 from NCTE (H'qrs) New Delhi advising SRCNCTE to file the LPA/AP against the order dated 27.05.2014 immediately. The Committee decided and directed Southern Regional Office to ask our Lawyer to file an appeal before the Division Bench as advised by NCTE (H.Q).

As per the decision of SRC a letter was addressed to Sri. K. Ramakanth Reddy, Advocate on 16.06.2014 requesting him to file an appeal before the division bench.

Aggrieved by the rejection order of SRC, the Institution prepared an appeal to NCTE-Hqrs vide the appellate authority No.F.No.89-658/2013 Appeal/6th Meeting-2015 dated 07.08.2015 stating as follows:

"The appeal of Yalamarty College of Education, Visakhapatnam, Andhra Pradesh dt.24.08.2012 against the order of the SRC dt.23.07.2012 refusing recognition for conducting D.El.Ed course was returned to the appellant on 11.06.2013 on the ground that it was not filed through online mode in the prescribed format. The appellant filed another appeal dt.14.03.2013 online against the same order of the SRC, which was received in the Council on 20.10.2013 with a forwarding letter dt.20.10.2013. This appeal was considered by the Appeal Committee on 04.02.2014 and finding that no reasons for the delay in appeal, which is more than one year and 29 days beyond the prescribed period of 60 days, were given by the

appellant, decided not to condone the delay. Therefore the appeal was not admitted and necessary order issued on 25.02.2014.

2. Sh. Y. V. V. Vishwanath, Chairman, Yalamarty College of Education, Visakhapatnam, Andhra Pradesh presented the case of the appellant institution on 27.06.2014. The Committee noted that the appellant filed a WPMP no. 14288 of 2014 in WP no. 11324 of 2014 before the Hon'ble High Court of Judicature of Andhra Pradesh at Hyderabad and the Hon'ble High Court in their order dt. 22.04.2015, on the basis of the submissions of the petitioner regarding the returning of the appeal dt. 24.08.2012 not submitted through online, holding that an appeal submitted in hard copy is not liable to be rejected only on that ground, directed re-consideration of the appeal and communication of the decision preferably within six weeks from 22.04.2014.

3. The Committee noted the NCTE finding that the appellant/petitioner had concealed the fact that another appeal submitted by him in March/ Oct, 2013, had not been admitted by the Council in their order dt. 25.02.2014 on account of delay, has asked the SRC on 28.05.2014 and 13.06.2014 to challenge the Hon'ble High Court's order dt. 22.04.2014 placing all the facts including the fact that submission of online appeal is not one of the options, rather it is the only option before them.

4. As on today there is no appeal either online or offline pending before the Council. On the other hand the matter is sub-judice. Therefore the Committee decided to await the outcome of the application to be filed by the SRC challenging the Hon'ble High Court's order dt. 22.04.2014.

5. A letter dated 20.04.2015 of S.R.C. addressed to NCTE was brought to the notice of Appeal Committee where S.R.C. requested NCTE to return the original file pertaining to the institution along with instruction regarding further course of actions to be taken by S.R.C. Committee has already decided that there is no appeal either on-line or offline pending before the Council. As such there are no further direction/orders from the Committee. However, a copy of the minutes of meeting is enclosed herewith for your reference and necessary action. In view of the above it is requested to furnish required information as indicated above within 10 days time enabling appeal committee to dispose of the appeal of the appellant institution accordingly.

The SRC in its 292nd meeting held on 29-30th Sept, 2015 the Committee considered the Court matter, Appellate Authority order dated 29.06.2015, and decided as under:

"Await further orders of the Court".

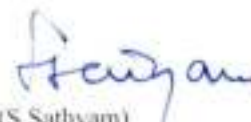

Now, the institution forwarded a copy of Hon'ble High Court order in W.P. No. 11324 of 2014 dated 13.09.2015 filed by Yalamarty College of Diploma Education, Suryabagh, Visakhapatnam-530020 stating as follows:-

2. Heard Smt. G.Jhansi, learned counsel appearing for the petitioner and learned standing counsel for National Council for Teacher Education appearing for the respondents.

3. The petitioners question the order passed by the 1st respondent on 06.02.2014 confirming the order passed by the 2nd respondent on 03.07.2013, whereby their request for approval of College for commencing D.P.Ed course was rejected. The said orders are questioned in this writ petition, primarily, in view of the directions of the Hon'ble Supreme Court in Special Leave to Appeal (Civil)

Certiorarified Mandamus, to call for the records of the 3rd respondent culminating into the order dated 08.02.2016 made in No.TNTEU/R/CC/NOC/Syn.Feb1-item9/2016/172 and to quash the same and consequently, to direct the 3rd respondent to grant No Objection Certificate to the petitioner to establish a B.Ed, College of Education in the name and style of "Jai Sai Ram College of Education" for the academic year 2016-17 by considering the representation of the petitioner Management dated 18.02.2016.

2. In the affidavit filed in support of the writ petition, it has been averred by the petitioner as follows:-

2-1. The petitioner-Trust has submitted an application online on 30.06.2015 for establishment of a new college of education for B.Ed. Programme in the name of Jai Sai Ram College of Education. As far as the establishment and running of Teacher Education institutions are concerned, after the enactment of the National Council for Teacher Education Act (in short 'NCTE Act'), the powers to grant recognition to Teacher Education Institutions are vested with the concerned, Regional Committees of the NCTE. Insofar as it relates to the State of Tamilnadu, the educational institutions imparting Teacher Education are to be recognized by the NCTE-SRC located at Bengaluru. For recognition of B.Ed programme, No Objection Certificate has to be obtained from the affiliating body.

2-2. The NCTE at New Delhi, under the NCTE Act had framed regulations prescribing norms and standards as well as procedure for grant of recognition to various kinds of Teacher Education Institutions. The NCTE, New Delhi, in supersession of the NCTE Regulations, 2009, has framed National Council for Teacher Education (Recognition Norms and procedure) Regulations, 2014 on 28.11.2014 and the same was notified in the official gazette of Government of India and the new Regulations have come into effect from 01.12.2014. According to the NCTE Regulations, 2014 every institution, desirous of running Teacher Education programme, may apply to the concerned Regional Committee online between 1st March and 31st May of the preceding year from the academic session for which the recognition is sought. The prescribed fee for making application is Rs.1,50,000/- per each programme and along with application online, it should also submit the scanned copy of Land documents relating to the institution and thereafter, hard copy of various documents including NOC from the affiliating body shall be submitted to the NCTE-SRC for further processing of application. On receipt of the application, the Regional Committee i.e NCTE-SRC would forward a copy of the applications submitted in triplicate, to the State Government or Union Territory administration, within 30 days in chronological order. On receipt of the said communication from the NCTE-SRC, the State Government/Union Territory administration shall furnish its recommendation or comments to the NCTE-SRC within 45 days. Only thereafter either on receipt of such recommendations or comments from the State Government or otherwise, the Regional Committee going in to the merits of the application concerned, shall decide that the institution to be inspected by a team of experts and thereafter, based on the inspection committee report, a further decision would be taken by the NCTE-SRC for grant of recognition to the institution/course concerned. The above referred procedure has been given in detail in the NCTE Regulation 2014. As per the above procedure, it becomes crystal clear that the submission of application to the NCTE Regulation, 2014. As per the above procedure, it becomes crystal clear that the submission of application to the NCTE would be the first step followed by the documents to be submitted by the way of hard copy and thereafter, the state government or affiliating body's recommendations/comments would be obtained by the Regional Committee of the NCTE and even if the same is not received from the State government or affiliating body within a time-frame as prescribed under the Regulations, then the application would be processed on its own merits by the Regional Committee of the NCTE and a final decision either to grant recognition or otherwise would be taken thereafter.

2-3. However, in the Regulations, 2014 a further requirement has also been indicated under Regulation (5), according to which the institutions while making applications to the Regional Committee of the NCTE also have to submit scanned copies of the documents such as, NOC issued by the concerned affiliating body. As far as the institutions imparting B.Ed or M.Ed, courses are concerned, the affiliating body in the State of Tamilnadu is the 3rd respondent herein.

2-4. In order to get No Objection Certificate from the affiliating body (3rd respondent herein) the petitioner has submitted an application on 29.06.2015 to the 3rd respondent requesting to

grant No Objection Certificate, so as to enable the petitioner to submit the same to the NCTE-SRC for consideration of their application for grant of recognition for the B.Ed course of study. But, no order granting NOC was passed by the 3rd respondent. Since there was no response from the 3rd respondent, the petitioner had filed a writ petition in W.P.No.38899 of 2015 before this court seeking a direction to the respondents to process the application submitted by the petitioner-Trust. This court by order dated 22.12.2015 directed the petitioner to submit their explanation to the show cause notice issued by the 2nd respondent on 21.10.2015 thereupon, directed the 3rd respondent to consider the request of the petitioner for grant of NOC from 29.06.2015. Pursuant to the orders of this court dated 22.12.2015, the petitioner has submitted its explanation on 07.01.2015. In spite of the submission of records by the petitioner, Surprisingly, the 3rd respondent has passed the impugned order dated 08.02.2016 rejecting the application of the petitioner, stating that applications were processed and found that no documents were furnished, which is an utter falsity. Hence, the petitioner has come forward with the present writ petition before this court.

3. Heard the submissions made on either side and perused the materials available on record.

4. Considering the facts and circumstances of the case and taking note of the fact that the application of the petitioner was rejected by the 3rd respondent only on the ground that no documents were submitted along with application for No Objection Certificate, this court is of the opinion in the interest of justice, it would be appropriate to direct the petitioner to resubmit its application along with all necessary documents to the 3rd respondent for issuance of No Objection Certificate to establish a new college of education and on receipt of the same, the 3rd respondent could be directed to consider the same.

5. Accordingly, the impugned order is quashed. The petitioner is directed to resubmit its application, with all necessary documents, to the 3rd respondent, for issuance of No Objection Certificate, for establishing a new college of Education for B.Ed in the name of Jai Sai Ram College of Education. On receipt of such application, the 3rd respondent is directed to consider the same and pass appropriate orders, on merits and in accordance with law, at the earliest.

With the above terms, the writ petition is disposed of. Consequently, connected Miscellaneous petition is closed. No costs.

The committee took note of the matter.

The Committee considered the matter, VT inspection report, all other relevant documents of the institution and decided as under:

1. Issue LOI for B.Ed (2 units)
2. FDRs in Joint account should be furnished
3. Only if these are given on or before 02.05.16 can issue of Formal Recognition w.e.f.2016-17 academic year be possible

Sub-regulation (4) of Regulation 5 reads as under:-

"While submitting the application online a copy of the registered land document issued by the competent authority, indicating that the society or institution applying for the programme possesses land on the date of application, shall be attached along with the application."

On careful perusal of the original file of the institution and other documents, the application of the institution is deficient as per Regulations, 2014 as under:-

- Failure to furnish the application fee, as prescribed under rule 9 of the National Council for Teacher Education Rules, 1997 on or before the date of submission of online application.

The Committee considered the matter, and after careful perusal of the original application for D.El.Ed Course for the session 2016-17 submitted on-line on 14.07.2015 and hard copy on 20.07.2015, decided to Summarily Reject the application as per 7 2(a) of Regulations 2014 on the following ground.

Failure to furnish the application fee, as prescribed under rule 9 of the National Council for Teacher Education Rules, 1997 on or before the date of submission of online application.

As per the decision of SRC, a rejection order was issued to the institution on 20.10.2015.

Aggrieved by the rejection orders of SRC, the institution has approached the Hon'ble High Court of Delhi.

On 27.04.2016, this office has received a letter No. 26255 dated 18th April, 2016 enclosing the copy of the court order dated 29.02.2016 in W.P.No.s 1227/2016 and CM No. 5412 of 2016 and W.P.(C) 1228 / 2016 & CM.No. 5414/2016

W.P.No. 1227/2016 is filed by Shaik Suleman Baba D.El.Ed College and W.P.No.1228 of 2016 is filed by Vikas D.P.Ed college of Al Madeena Minority Educational and Welfare Society

The Court order dated 29.02.2016 in .P.No.s 1227/2016 and CM No. 5412 of 2016 and W.P.(C) 1228 / 2016 & CM.No. 5414/2016 is as under :-

1. The petitioner No.1 in both the petitions is stated to be a Minority Educational Society. Having proposed to start educational institutions with (i) D.El.Ed course and (ii) D.P.Ed Course in Kadapa District in Andhra Pradesh, the petitioner No.1 applied for grant of recognition for the said courses for the academic year 2016-17 in terms of the provisions of the National Council for Teacher Education Act, 1983 (NCTE Act). The said applications were rejected by the National Council for Teacher Education (NCTE), Southern Regional Committee (SRC)/ respondent No. 2 by separate orders dated 20.10.2015 and 13.11.2015 on the ground that the petitioners failed to furnish, the application fees as prescribed under Rule 9 of NCTE Rules, 1997 on or before the dated of submission of online application.
2. The said orders are sought to be assailed in these petitions seeking a declaration that Regulations 7(1) and (2) of NCTE (Recognition Norms and Procedure) Regulations, 2014 (for short 'the Regulations') are ultra vires the provisions of the NCTE Act apart from being violative of Articles 14 and 19 of the Constitution of India. The impugned orders of rejection dated 20.10.2015 and 13.11.2015 are consequently sought to be set aside and it is prayed that the respondents be directed to process the applications of the petitioners for permission/recognition for D.El.Ed and D.P.Ed courses for the academic year 2016-17.
3. It is contended by the petitioners that Regulation 7(1) and (2) of the impugned Regulations which provided for summary rejection of the application on the ground of failure to furnish the application fees on or before the date of submission of online application is contrary to the provisions of Section 14(3) f

the NCTE Act which expressly provides for giving a reasonable opportunity to the applicant for making a written representation before passing an order refusing recognition on the ground it failed to fulfill the requirements laid down in clause (a) of Section 14(3). It is, thus, contended that the impugned Regulations are liable to be struck down being ultra vires the Act.

4. However, it is vehemently contended by Ms. Arunima Dwivedi, the learned counsel appearing for the respondents that the issue relating to the validity of the impugned regulations deserves no consideration in the facts and circumstances of the cases on hand. Pointing out that 3rd March, 2016 is the last date for grant of recognition as per the statutory schedule prescribed by NCTET, it is contended by the learned counsel that the present petitions which are filed at the far end of the statutory schedule are not bonafide and therefore, the same are liable to be dismissed in limine.
5. The material available on record shows that the petitioners made the applications online on 14.07.2015. It is pleaded in the petitions that for the purpose of submitting online applications, the management of the petitioner No.1 Society requested one of its employees to get the demand drafts of Rs. 1,50,000/- for paying the processing fees and for the said purpose, cheques No. 163870 and 163897 were issued, however, inadvertently and due to communication gap, the said employee instead of getting the demand drafts entered the cheque numbers in the online applications dated 14.07.2015. It is also pleaded that on the next date, i.e 15.07.2015, the petitioners submitted the hard copies of the applications to the SRC of NCTE at Bangalore along with the essential documents. However, it is not disputed before us that neither the cheques nor the demand drafts towards the application fees were submitted along with the said applications and the cheques stated to have been drawn for the purpose of the application fees remained with the petitioners only.
6. Thus, the petitioners are very well aware of the fact that their applications were not accompanied by the stipulated application fees. After the impugned orders dated 20.10.2015 and 13.11.2015 were passed by the respondent No. 2, the petitioners made representations dated 15.12.2015 contending that the summary rejection of their application fees and to process their applications for the academic session 2016-17. Thereafter, the present petitions came to be filed with the above mentioned prayers on 09.02.2016.
7. Be it noted that as per the schedule for Recognition and Affiliation prescribed by NCTE in terms of the decision of the Supreme Court in *Maa Vaisno Devi Mahila Mahavidyalaya Vs state of Uttar Pradesh and others* (2013.2. SCC 617, the last date for grant of recognition by NCTET is 3rd March of each year. Thus, the last date for the academic year 2016-17 would be expiring in another three days, i.e, on 03.03.2016.

		<p>8. In the light of the facts borne out of the record, we in force in the sub mission of the learned counsel for the respondents that the petitioners cannot be granted any relief for consideration of their applications for the academic year 2016-17. We are also of the view that the writ petitions are misconceived and not bonafide, and therefore, the issue relating to validity of the impugned regulations deserves no consideration.</p> <p>9. <u>Accordingly both the writ petitions are dismissed.</u></p> <p>The Committee took note of the matter.</p>

------	--	---

After seeing the particulars of 291st meeting of the Committee, SRC-NCTE Bangalore on 20th and 21st August, 2015 on online, we the management know that our college is summarily rejected and approached RD-SRC -NCTE, Bangalore and the cause of rejection is that the institution has not submitted the copy of the land document on the name of Lavanya Chairita Educational Society. This is a mistake and the institution has not done it intentionally.

Hence, we humbly request the Regional Director and Committee -SRC- NCTE, Bangalore to kindly excuse this mistake for first time and grant permission to the institution to proceed further as we are submitting herewith original land documents on the name of the Society and Xerox copies as well.

Remarks :

The institution has submitted certified photocopy of the sale deed dated 26.12.2007 in favour of 'Lavanya Charita Educational Society on 23.09.2015.

The SRC in its 292nd meeting held during 29th to 30th September, 2015 considered the matter, request of the institution vide letter dated 23.09.2015 and decided as under:

- Earlier decision to reject summarily was correct.

As per the decision of SRC, a rejection order was issued to the institution on 31.10.2015.

Aggrieved by the rejection order of SRC the institution filed an appeal before the appellate authority NCTE Hqrs.

The appellate authority vide order F.No.89-343/2015 Appeal/3rd Meeting 2016 dated 18.04.2016 stated as under:-

"The Committee noted that the SRC on finding that the land document submitted with the application was in the name of an individual, in their 291st meeting held on 20-21 August, 2015, decided to reject the application on the ground that the land is in the name of the individual. The appellant seeing the decision online, sent a letter, which was received in SRC on 23.09.2015. In that letter, the appellant admitting that by mistake they did not submit the land document in the name of Lavanya Charitha Educational Society, enclosed original and Xerox copies of the said land documents. The Committee also noted that the SRC thereafter considered the matter again in their 292nd meeting held on 29-30 Sept., 2015 and concluded that the earlier decision to reject summarily was correct and issued the rejection order on 31.10.2015.

The committee noted that a copy of the land document submitted with the application was a sale deed in the name of an individual registered on 25.04.2007. The committee also noted that the appellant has submitted to SRC on 23.09.2015 a copy of the land sale deed registered in the name of the society on 26.12.2007,

admitting his mistake in not submitting the same along with the application since the land stood registered in the name of the society on 26.12.2007, and the sale deed mentioned that the earlier sale of this land was done on 25.04.2007 in favour of the vendor. The non-submission of the document registered on 26.12.2007 initially appears to be a bone-fide mistake on the part of the appellant. In view of this, the committee concluded that the matter deserved to be remanded to the SRC for processing the application further on the basis of the land document registered in the name of the society as per the Regulations. After perusal of the memorandum of appeal, affidavit, documents available on records and considering the oral arguments advanced during the hearing the committee

		<p>concluded that the appeal deserved to be remanded to SRC for processing the application further on the basis of the land documents registered in the name of the society as per the Regulations.</p> <p>The Council hereby remands back the case of AVR & SVR College of Education, Nannur, Kurnool, Andhra Pradesh to the SRC, NCTE, for necessary action as indicated above."</p> <p>The Committee considered the matter, Appellate Authority order dated 18.04.2016, all other relevant documents of the institution, and decided as under:</p> <p>1. Issue show cause notice for rejection in both the cases where NOC is not submitted and also where the NOC submitted is issued by the affiliating body after 15.07.2015.

Accordingly, show cause notice was issued to the institution on 21.10.2015. The institution has not submitted SCN Reply even after 21 days of stipulated period.

On 30.12.2015, a letter has been received from the advocate Shri.K.Ramakrishna Reddy along with Court Order in W.P.No. 38550, 38551 & 38899 of 2015 and M.P.Nos.1, 1 and 1 of 2015 filed by Krishnamoorthy Educational Trust, Vellore District, Tamilnadu, K.T Educational Trust, Vellore District, Tamilnadu and Sri Venkateswara Educational Trust Madurai District, Tamilnadu.

The SRC in its 298th meeting held on 08th - 10th January, 2016 considered the matter and decided as under:

1. Cases of 3 applications.
2. NOC is not furnished even after the extended time given by court.
3. Reject

Accordingly, Rejection order was issued to the institution on 19.02.2016.

A court order received from the Hon'ble High court of Madras dated 29.02.2016 in W.P.No. 6687 of 2016 and W.M.P.No.5923 of 2016 filed by Krishnamoorthy Educational Trust. The court order stated as follows:

Order:

The present writ petition has been filed by the petitioner praying for issuance of a writ of Certiorarified Mandamus, to call for the records of the 3rd respondent culminating into the order dated 08.02.2016 made in No. TNTEU/R/CC/NOC/Syn.Feb1-item9/2016171 and to quash the same and consequently, to direct the 3rd respondent to grant No Objection Certificate to the petitioner to establish a B.Ed. College of Education in the name and style of "Bharathiyar College of Education" for the academic year 2016-17 by considering the representation of the petitioner Management dated 13.02.2016.

2. In the affidavit filed in support of the writ petition, it has been averred by the petitioner as follows:-

2-1. The petitioner-Trust has submitted an application online on 30.06.2015 for establishment of a new college of education for B.Ed. Programme in the name of Bharathiyar College of Education. As far as the establishment and running of Teacher Education institutions are concerned, after the enactment of the National Council for Teacher Education Act (in short 'NCTE Act'), the powers to grant recognition to Teacher Education Institutions are vested with the concerned, Regional Committees of the NCTE. Insofar as it relates to the State of Tamilnadu, the educational institutions imparting Teacher Education are to be recognized by the NCTE-SRC located at Bengaluru. For recognition of B.Ed programme, No Objection Certificate has to be obtained from the affiliating body.

2-2. The NCTE at New Delhi, under the NCTE Act had framed regulations prescribing norms and standards as well as procedure for grant of recognition to various kinds of Teacher Education Institutions. The NCTE, New Delhi, in supersession of the NCTE

(S. Sathyam)
Chairman

Regulations, 2009, has framed National Council for Teacher Education (Recognition Norms and procedure) Regulations, 2014 on 28.11.2014 and the same was notified in the official gazette of Government of India and the new Regulations have come into effect from 01.12.2014. According to the NCTE Regulations, 2014 every institution, desirous of running Teacher Education programme, may apply to the concerned Regional Committee online between 1st March and 31st May of the preceding year from the academic session for which the recognition is sought. The prescribed fee for making application is Rs.1,50,000/- per each programme and along with application online, it should also submit the scanned copy of Land documents relating to the institution and thereafter, hard copy of various documents including NOC from the affiliating body shall be submitted to the NCTE-SRC for further processing of application. On receipt of the application, the Regional Committee i.e NCTE-SRC would forward a copy of the applications submitted in triplicate, to the State Government or Union Territory administration, within 30 days in chronological order. On receipt of the said communication from the NCTE-SRC, the State Government/Union Territory administration shall furnish its recommendation of comments to the NCTE-SRC within 45 days. Only thereafter either on receipt of such recommendations or comments from the State Government or otherwise, the Regional Committee going in to the merits of the application concerned, shall decide that the institution to be inspected by a team of experts and thereafter, based on the inspection committee report, a further decision would be taken by the NCTE-SRC for grant of recognition to the institution/course concerned. The above referred procedure has been given in detail in the NCTE Regulation 2014. As per the above procedure, it becomes crystal clear that the submission of application to the NCTE Regulation, 2014. As per the above procedure, it becomes crystal clear that the submission of application to the NCTE would be the first step followed by the documents to be submitted by the way of hard copy and thereafter, the state government or affiliating body's recommendations/comments would be obtained by the Regional Committee of the NCTE and even if the same is not received from the State government or affiliating body within a time-frame as prescribed under the Regulations, then the application would be processed on its own merits by the Regional Committee of the NCTE and a final decision either to grant recognition or otherwise would be taken thereafter.

2-3. However, in the Regulations, 2014 a further requirement has also been indicated under Regulation (5), according to which the institutions while making applications to the Regional Committee of the NCTE also have to submit scanned copies of the documents such as, NOC issued by the concerned affiliating body. As far as the institutions imparting B.Ed or M.Ed, courses are concerned, the affiliating body in the State of Tamilnadu is the 3rd respondent herein.

2-4. In order to get No Objection Certificate from the affiliating body (3rd respondent herein) the petitioner has submitted an application on 29.06.2015 to the 3rd respondent requesting to grant No Objection Certificate, so as to enable the petitioner to submit the same to the NCTE-SRC for consideration of their application for grant of recognition for the B.Ed course of study. But, no order granting NOC was passed by the 3rd respondent. Since there was no response from the 3rd respondent, the petitioner had filed a writ petition in W.P.No.38500 of 2015 before this court seeking a direction to the respondents to process the application submitted by the petitioner-Trust. This court by order dated 22.12.2015 directed the petitioner to submit their explanation to the show cause notice issued by the 2nd respondent on 21.10.2015 thereupon, directed the 3rd respondent to consider the request of the petitioner for grant of NOC from 29.06.2015. Pursuant to the orders of this court dated 22.12.2015, the petitioner has submitted its explanation on 07.01.2015. In spite of the submission of records by the petitioner, Surprisingly, the 3rd respondent has passed the impugned order dated 08.02.2016 rejecting the application of

the petitioner, stating that applications were processed and found that no documents were furnished, which is an utter falsity. Hence, the petitioner has come forward with the present writ petition before this court.

3. Heard the submissions made on either side and perused the materials available on record.

4. Considering the facts and circumstances of the case and taking note of the fact that the application of the petitioner was rejected by the 3rd respondent only on the ground that no documents were submitted along with application for No Objection Certificate, this court is of the opinion in the interest of justice, it would be appropriate to direct the petitioner to resubmit its application along with all necessary documents to the 3rd respondent for issuance of No Objection Certificate to establish a new college of education and on receipt of the same, the 3rd respondent could be directed to consider the same.

5. Accordingly, the impugned order is quashed. The petitioner is directed to resubmit its application, with all necessary documents, to the 3rd respondent, for issuance of No Objection Certificate, for establishing a new college of Education for B.Ed in the name of Bharathiyar College of Education. On receipt of such application, the 3rd respondent is directed to consider the same and pass appropriate orders, on merits and in accordance with law, at the earliest.

With the above terms, the writ petition is disposed of. Consequently, connected Miscellaneous petition is closed. No costs.

The SRC in its 308th meeting held on 28th-30th March, 2016 considered the court order and the committee has noted the matter.

The SRC minutes dated 31.01.2016 decided as follows:

"...keeping in mind the over-all public interest, the committee revised its earlier stand to reject all cases of non-submission or delayed submission of NOC's and decided to reopen and process all such rejected cases by accepting NOCs even now irrespective of their dates of issue".

The institution has submitted its written representation on 14.04.2016 along with NOC for B.Ed course and stating as follows:

"...The same has been considered by the concerned university and No Objection certificate has been issued to us. The same we are submitting to your honourable authority.

Whereas the concerned authority for D.El.Ed programme is SCERT, now SCERT is not in a position to grant NOC for the applicant college for D.El.Ed programme due to Government policy. It may be considered or decided only after the Tamilnadu state election.

Subsequently, we have applied for "College of Arts and Science" to Tamilnadu Government in the name of Bharathiyar College of Arts and Science which is under process for grant of recognition.

Hence we kindly request you to consider our documents for recognition process and

grant your valuable order for the academic year 2016-2017 for our application SRCAPP14771(B.Ed) & SRCAPP(14782) D.El.Ed".

As per the decision of SRC the application was processed and placed before SRC in its 309th meeting held on 12th-14th April, 2016 considered the matter and it has decided to issue show cause notice for the following:

- 'stand alone'

Before issuance show cause notice, the institution has submitted its reply along with documents on 28.04.2016.

Sl. No.	Deficiency pointed by SRC	Institution written representation	Remarks
1	stand alone	<p>The institution in its reply stated that "...We got NOC from TNTEU for B.Ed programme and the same has been submitted to your authority on 14.04.2016. Also we have applied for D.El.Ed programme as a composite for B.Ed programme.</p> <p>But as far as D.El.Ed programmes concerned, the affiliating body SCERT has not obeyed High Court Order dated 22.12.2015. So we filed the contempt petition Cont.P.1267, 1270, 1271/2016 against SCERT for not giving the NOC. But the SCERT has submitted G.O of Tamilnadu Government cited 4, <u>which states that the Government had decided from 2006-2007 onwards No. Objection Certificates /Notifications/Recommendations would not be given to NCTE to start D.El.Ed programme by any self financing institutes.</u></p> <p><u>This information by SCERT to High Court of Madras shocked us. As we have applied the D.El.Ed programme as a composite purpose as per NCTE public notice for session 2016-17 where that notification did not talk about any ban for D.El.Ed programme in Tamilnadu, but the SCERT statement is contradictory to your public notification 2016-17 which is totally against nature of justice.</u></p> <p>As there was confusion between the authorities at basic level itself for starting the D.El.Ed programme in Tamilnadu, we</p>	<p>The institution has submitted photocopy of Tamilnadu Govt order dated 29.11.2006 and NCTE Public Notice</p>

have suffered a lot because we are unable to establish either B.Ed as stand alone or B.Ed & D.El.Ed as composite institution for the academic year 2016-17.

Since the SCERT is not given NOC for starting the D.El.Ed programme, all our infrastructure facilities and financial investments made for B.Ed & D.El.Ed programme will become no use. Our each application cost of Rs. 1,50,000 will also be lost. We sought for immediate relief or compensation for this unforeseen situation.

To overcome this unforeseen condition the management has opted to change the programme from D.El.Ed to B.Sc.B.Ed/BA.B.Ed as a composite along with B.Ed programme in order to utilize all the available infrastructure facilities.

So we kindly request your honorable authority to change the programme from D.El.Ed to B.Sc.B.Ed/BA.B.Ed for our application SRCAPP14782 and enable us to use all the infrastructure facilities effectively by this academic year 2016-17 itself. If you do the favor for us, we will immediately get NOC from TNTEU and submit it to your authority for B.Sc.B.Ed programme which will the conditions for composite institution for our B.Ed programme application SRCAPP14771.

Hence we kindly request you to consider our proposal for recognition process for the academic year 2016-17 for our application SRCAPP14771(B.Ed) & SRCAPP14782(D.El.Ed) to B.Sc.B.Ed/BA.B.Ed

The Committee considered the matter, reply from the institution dated 28.04.2016, from the institution, all other relevant documents of the institution, and decided as under:

1. The B.Ed case has been revived by the Court order
2. The D.El.Ed case, rejected earlier on 'stand alone' condition is not being revived since SCERT refuses to give NOC.
3. The SCERT contention is that 'D.El.Ed' is banned by a State Government order. It is

		<p>relevant here to recognize that, under law, only NCTE Notification can 'ban' courses. State Governments Cannot. The Court also has directed the SCERT to issue NOC</p> <p>4. The request of the applicant for change of course in the application cannot be considered. They must force the 'SCERT' to issue NOC or approach the Appellate Authority against our rejection order.</p> <p>5. Process the revived B.Ed case</p>

The appellate authority vide order F.No.89-329/2015 Appeal/3rd Meeting-2016/170942 dated 18.04.2016 stated as under:-

"Appeal Committee noted that appellant institution submitted online application for B.Ed course on 27.06.2015 and hard copy thereof was submitted on 30.07.2015. The council hereby confirms the orders appealed against."

The Committee took note of the matter.

University, within the stipulated date, 01.07.2015.

Perusal of Regulation 5(3) of the National Council for Teacher Education (Recognition Norms and Procedure) Regulations, 2014, reflects that an application to be submitted has to be accompanied with the 'No Objection Certificate' issued by the concerned affiliating body. Regulation 5(6) further stipulates that all applications received online from 1st March to 31st May of the year shall be processed for the next academic session and the final decision, either recognition granted or refused, shall be communicated to the applicant on or before the 3rd day of March of the succeeding year.

Sri Ramakanth Reddy, learned Standing Counsel for the National Council for Teacher Education, the second respondent, fairly stated that in so far as the academic year 2016-17 is concerned, the cut-off date stipulated under Regulation 5(6) was relaxed in exercise of the power of relaxation granted by Regulation 12 of the aforesaid Regulations and the last date for submission of the NOC was extended up to 15.07.2015.

Admittedly, all the petitioner colleges produced 'No Objection Certificates' issued by the affiliating body only after the aforesaid cut-off date.

Sri Satyam Reddy, learned Senior Counsel appearing for the petitioner colleges, would however submit that the National Council for Teacher Education is yet to consider the applications received for the academic year 2016-17 and therefore, it would be hyper-technical on its part to object as to the cut-off date and shut out the petitioner colleges from consideration though they have now procured the requisite NOCs.

Significantly, the educational society sponsoring the first and second petitioner colleges made a representation on 10.12.2015 to the Regional Director of the Southern Regional Committee of the National Council for Teacher Education at Bangalore seeking reconsideration of the two applications in the light of the subsequently issued NOCs. This representation is stated to be pending consideration.

In that view of the matter, as a representation has been made on behalf of two of the petitioner colleges and the third petitioner college is also stated to have made a similar representation, the writ petition is disposed of permitting the petitioner colleges to supplement their written representations with fresh representations, if so advised, and the second respondent shall consider the said representations in the light of the peculiar facts obtaining and take a decision as to whether reconsideration of the petitioners' applications is warranted and if so, take recourse to the power of relaxation vested in it under Regulation 12 of the aforesaid Regulations and take appropriate action in the matter. This exercise shall be completed expeditiously.

Pending miscellaneous petitions shall also stand closed in the light of this final order. No order as to costs.

The SRC in its 298th meeting held on 08th -10th January, 2015 considered the Court order dated 04.01.2016 and decided as under:

1. As directed by the court the case is reconsidered.
2. Regulation 12 empowers the 'Council' to relax the Regulations. Regional Committees do not have that power. We cannot therefore take recourse to that for admitting the out-dated NOC.
3. The NOC is clearly dated as 5.12.2015. The University cannot give it retrospective effect or ask us to consider it as such.

4. The decision taken earlier in this case is reconfirmed.
5. Reject.

Accordingly, rejection order was issued to the institution on 30.01.2016.

The SRC minutes dated 31.01.2016 decided as follows:

"...keeping in mind the over-all public interest, the committee revised its earlier stand to reject all cases of non-submission or delayed submission of NOC's and decided to reopen and process all such rejected cases by accepting NOCs even now irrespective of their dates of issue"

The application was processed and placed before SRC in its 303rd meeting held on 15th February 2016 the committee considered the matter and decided as follows:

1. NOC for both B.Ed and D.El.Ed are there.
2. BP submitted is not legible.
3. Blue print of BP to be submitted.
4. Cause composite inspection for 14802 B.Ed and 14737 D.El.Ed.
5. Ask VT to collect all relevant documents.

Accordingly, inspection of the institution intimation was sent to the institution on 22.02.2016.

As per the direction of SRC, the inspection of the institution was conducted on 21.02.2016 and the VT Report along with documents received in the office of SRC on 24.02.2016.

The SRC in its 305th meeting held on 25th to 27th February 2016 the committee considered the VT report and decided as follows:

1. Issue LOI for B.Ed (1 Unit)
2. FDRs in Joint account should be furnished.
3. Only if these are given on or before 3.3.16 can issue of Formal Recognition w.e.f.2016-17 academic year is possible.

Accordingly, as per the decision of SRC a Letter of Intent was issued to the institution on 26.02.2016.

Now the institution has submitted its written representation on 26.04.2016 stated as follows:

".....we the management of Sri Sai Balaji College of Education, Yeleswaram, East Godavari Dist., Andhra Pradesh, brings to your kind notice that as per reference cited above SRC, NCTE issued LOI for starting B.Ed programme of two years with annual intake of 50 students from the academic year 2016-17. In this regard we applied to concerned affiliating body for ratification of staff by paying prescribed fee. The affiliating authorities not yet constituted committee for staff approval. Hence we request you to give us one month time for submission of Annexure I, II & III for issuance of Formal Recognition."

The Committee considered the matter, written representation dated 26.04.2016, from the institution, all other relevant documents of the institution, and decided as under:

1. Cases of 3 applications.

2. NOC is not furnished even after the extended time given by court.

Accordingly, Rejection order was issued to the institution on 19.02.2016.

Meantime, a court order received from the Hon'ble High Court of Judicature at Madras in W.P.No. 6697 of 2016 and W.M.P. No. 5936 of 2016 dated 29.02.2016 received in this office of SRC-NCTE on 12.03.2016.

The same court order was placed before SRC in its 308th Meeting held on 28th-30th March, 2016 and the committee considered the court order and it has noted the matter.

The institution has submitted a letter along with NOC on 14.04.2016.

Accordingly, the application was processed and placed before SRC in its 309th meeting held on 12th to 14th April, 2016 and the committee decided as under:

Show Cause Notice for 'stand alone'

As per website information the institution has submitted written representation on 28.04.2016. The letter stated as follows:

Sl. No.	Deficiency pointed by SRC	Institution written representation	Remarks
1	stand alone	<p>The institution in its reply stated that "... We got NOC from TNTEU for B.Ed programme and the same has been submitted to your authority on 14.04.2016. Also we have applied for D.El.Ed programme as a composite for B.Ed programme.</p> <p>But as far as D.El.Ed programmes concerned, the affiliating body SCERT has not obeyed High Court Order dated 22.12.2015. So we filed the contempt petition Cont.P.1267, 1270, 1271/2016 against SCERT for not giving the NOC. But the SCERT has submitted G.O of Tamilnadu Government cited 4, <u>which states that the Government had decided from 2006-2007 onwards No Objection Certificates</u></p>	<p>The institution has submitted photocopy of Tamilnadu Govt order dated 29.11.2006 and NCTE Public Notice</p>

/Notifications/Recommendations would not be given to NCTE to start D.El.Ed programme by any self financing institutes.

This information by SCERT to High Court of Madras shocked us. As we have applied the D.El.Ed programme as a composite purpose as per NCTE public notice for session 2016-17 where that notification did not talk about any ban for D.El.Ed programme in Tamilnadu, but the SCERT statement is contradictory to your public notification 2016-17 which is totally against nature of justice.

As there was confusion between the authorities at basic level itself for starting the D.El.Ed programme in Tamilnadu, we have suffered a lot because we are unable to establish either B.Ed as stand alone or B.Ed & D.El.Ed as composite institution for the academic year 2016-17.

Since the SCERT is not given NOC for starting the D.El.Ed programme, all our infrastructure facilities and financial investments made for B.Ed & D.El.Ed programme will become no use. Our each application cost of Rs. 1,50,000 will also be lost. We sought for immediate relief or compensation for this unforeseen situation.

To overcome this unforeseen condition the management has opted to change the programme from D.El.Ed to B.Sc.B.Ed/BA.B.Ed as a composite along with B.Ed programme in order to utilize all the available infrastructure facilities.

So we kindly request your honorable authority to change the programme from D.El.Ed to B.Sc.B.Ed/BA.B.Ed for our application SRCAPP14782 and enable us to use all the infrastructure facilities effectively by this academic year 2016-17 itself. If you do the favor for us, we will immediately get NOC from TNTEU and submit it to your authority for B.Sc.B.Ed programme which will the conditions for composite institution for our B.Ed programme application SRCAPP14716.

Hence we kindly request you to consider our proposal for recognition process for the academic year 2016-17 for our application SRCAPP14716 (B.Ed) & SRCAPP14761 (D.El.Ed) to B.Sc.B.Ed/B.AB.Ed"

The Committee considered the matter, written representation dated 28.04.2016, from the institution, all other relevant documents of the institution, and decided as under:

1. The B.Ed case has been revived by the Court order
2. The D.El.Ed case, rejected earlier on 'stand alone' condition is not being revived since SCERT refuses to give NOC.
- 3, The SCERT contention is that 'D.El.Ed' is banned by a State Government order .It is relevant here to recognize that, under law, only NCTE Notification can 'ban' courses. State Governments Cannot. The Court also has directed the SCERT to issue NOC
4. The request of the applicant for change of course in the application cannot be considered. They must force the 'SCERT' to issue NOC or approach the Appellate Authority against our rejection order.
5. Process the revived B.Ed case

The SRC in its 291st meeting held on 20th & 21st August 2015 considered the matter and decided to "Summarily rejected for the deficiency cited in the agenda.

A letter received from the NCTE Hqrs on 14.09.2015 which was placed before SRC for reconsideration of application for the session 2016-17 submitted online and hard copy received 15 days of the online application.

The SRC in its 292nd meeting held on 29th & 30th September 2015 considered the matter and decided that " Calculation in accordance with the guideline given by NCTE (Hq) shows that it was received on the 14th day and not 15th day. Accept and process" and the committee also considered the matter of applications submitted with NOC obtained after 15.07.2015 and decided as under:

Issue show cause notice for rejection in both the cases where NOC is not submitted and also where the NOC submitted is issued by the affiliating body after 15.07.2015.

Accordingly, as directed a show cause notice was issued to the institution on 21.10.2015. The institution has not submitted SCN reply even after 21 days of stipulated period.

The SRC in its 298th meeting held on 08th & 09th January, 2016 considered the letter from the advocate and non reply from the institution to the show cause notice issued on 21.10.2015 and it has decided as under:

1. Cases of 3 applications.

2. Noc is not furnished even after the extended time given by court.

Accordingly rejection order was issued to the institution on 19.02.2016.

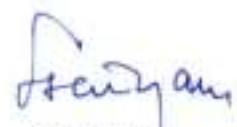

Now, the institution has submitted written representation on 28.04.2016 and stated as follows:

But as far as D.El.Ed programmes concerned, the affiliating body SCERT has not obeyed High Court Order dated 22.12.2015. So we filed the contempt petition Cont.P.1267, 1270, 1271/2016 against SCERT for not giving the NOC. But the SCERT has submitted G.O of Tamilnadu Government cited 4, which states that the Government had decided from 2006-2007 onwards No Objection Certificates /Notifications/Recommendations would not be given to NCTE to start D.El.Ed programme by any self financing institutes.

This information by SCERT to High Court of Madras shocked us. As we have applied the D.El.Ed programme as a composite purpose as per NCTE public notice for session 2016-17 where that notification did not talk about any ban for D.El.Ed programme in Tamilnadu, but the SCERT statement is contradictory to your public notification 2016-17 which is totally against nature of justice.

As there was confusion between the authorities at basic level itself for starting the D.El.Ed programme in Tamilnadu, we have suffered a lot because we are unable to establish either B.Ed as stand alone or B.Ed & D.El.Ed as composite institution for the academic year 2016-17.

Since the SCERT is not given NOC for starting the D.El.Ed programme, all our infrastructure facilities and financial investments made for B.Ed & D.El.Ed programme will become no use. Our

(S.Sathyam)

each application cost of Rs. 1,50,000 will also be lost. We sought for immediate relief or compensation for this unforeseen situation.

To overcome this unforeseen condition the management has opted to change the programme from D.El.Ed to B.Sc.B.Ed/BA.B.Ed as a composite along with B.Ed programme in order to utilize all the available infrastructure facilities.

So we kindly request your honorable authority to change the programme from D.El.Ed to B.Sc.B.Ed/BA.B.Ed for our application SRCAPP14782 and enable us to use all the infrastructure facilities effectively by this academic year 2016-17 itself. If you do the favor for us, we will immediately get NOC from TNTEU and submit it to your authority for B.Sc.B.Ed programme which will the conditions for composite institution for our B.Ed programme application SRCAPP14931.

Hence we kindly request you to consider our proposal for recognition process for the academic year 2016-17 for our application SRCAPP14931 (B.Ed) & SRCAPP14940 (D.El.Ed) to B.Sc.B.Ed/B.AB.Ed"

Note: SRC in its 312th meeting held on 28th April 2016 considered the BEd SRCAPP14931 and decided to issue LOI for B.Ed 2 units.

The Committee considered the matter, written representation dated 28.04.2016, all other relevant documents of the institution, and decided as under:

1. The B.Ed case has been revived by the Court order
2. The D.El.Ed case, rejected earlier on 'stand alone' condition is not being revived since SCERT refuses to give NOC.
3. The SCERT contention is that 'D.El.Ed' is banned by a State Government order. It is relevant here to recognize that, under law, only NCTE Notification can 'ban' courses. State Governments Cannot. The Court also has directed the SCERT to issue NOC
4. The request of the applicant for change of course in the application cannot be considered. They must force the 'SCERT' to issue NOC or approach the Appellate Authority against our rejection order.
5. Process the revived B.Ed case
