Minutes of 383rd Meeting of the SRC held from 07th to 09th January 2020

The secretary/correspondent of the college then deputed Mr. Shamee Ur Rahman, lecturer in Mathematics to attend the team members.

On reaching the institution, the team members were greeted by Mr. Rahman who informed that he does not have the keys of classrooms and labs in the institution and has got key of the Principal's room only. He also introduced two other lecturers Mr. Shankaraiah Goud and Mr. M. Kuru Murthy who were present in the institution at the time of the visit of the team. Except these three lecture and two class four attendants, no other staff member or student was present in the institution. Mr. Rahman informed that the Secretary/correspondent of the institution has gone to Tirupathi with his family and the Principal, Dr. y. Vara Prasada Reddy has gone to the affiliating (Palamuru) University at Mahabubnagar – 509 001 for attending a meeting and the rest of the faculty and students have gone to various schools for teaching observations. The team video graphed with their mobile phone, the outside of the institution along with the inside of the Principal's room and one classroom of which the backdoor was open. The records pertaining to the land and building, student's admission, fee paid, teaching and non-teaching staff appointments and attendance, their salary payments, purchase bills and stock records of books, journals and equipment etc., were not produced at the time of inspection.

However, in the evening, Mr. Rahman brought the following records to the place where the team has been staying for verification.

2. Government Order issued by State Government on 01-10-2019
3. Provisional affiliation given by the Palamuru University, Mahabubnagar.
4. Approval given by NCTE-SRC, along with some other records pertaining to purchasing of books and equipment.

However, none of the materials have been shown to the committee at the time of inspection. Based on the above observation of the visiting team, the team could make a conclusion that the building is being currently used for running a school and as per the version given by Mr. Rahman the first and second floor of the building is being used for B.Ed Classes, but that part (first and second floor) of the building was closed and team could not visit those floors.

In the light of the above observation the visiting team suggests the NCTE-SRC to initiate action against the institution as per NCTE Act and rules.”
