A Letter dated 27.10.2016 received from Smt.Ranjeev R.Acharya, Education Department, Government of Telangana vide D.O.letter No. 7754/SE-Trg./A1/2016-2, dated: 27.10.2016 reads as under:

“...that the National Council for Teacher Education, Southern Regional Committee, Bangalore in their reminders vide reference 3rd to 9th cited, has sought the Recommendations of the Government of Telangana for granting of Recognition to the Colleges for conducting B.Ed/D.P.S.E/M.Ed Programme from the Academic Year, 2017-2018, to the following Colleges in the State of Telangana:-

2. In this context, it is to inform you that, vide reference 2nd cited (copy enclosed), Government of Telangana already informed you not to grant any Recognition to any proposal pending with the NCTE for starting New B.Ed/B.P.Ed/M.Ed/M.P.Ed Colleges which includes the Colleges specified in the reference 3rd to 9th cited duly enclosing the Director of School Education, Telangana, Hyderabad, letter mentioned in the reference 1st cited (copy enclosed) which was addressed to the NCTE, New Delhi, and a copy marked to you in the matter. The Acknowledgement of the receipt of the reference 2nd cited by the NCTE is enclosed herewith for your information.

3. In spite of the Letter 2nd cited, which was received on 27.09.2016 by you, we are still receiving reminders dated 01.10.2016 and 26.10.2016, which were received in the department on 07.10.2016 & 27.10.2016 respectively, in the cases of the Colleges mentioned in the references 3rd to 9th cited. It is not clear as to why this is happening.

4. Therefore, it is once again requested that NCTE should not grant any Recognition to any of these proposals pending with the NCTE for starting New B.Ed/B.P.Ed/M.Ed/M.P.Ed Colleges, which includes the colleges specified in the references 3rd to 9th cited, for the Academic Year 2017-2018 onwards, until specific requisition is sent from the State Government.

5. Your reply in the matter is requested at the earliest.

The SRC in its 323rd meeting held on 16th – 18th November 2016, considered the matter and decided as under:

- The SRC has no authority to recognize requests for 'banning' courses. The State Government should have taken it up at the appropriate time with the NCTE (HQ).
- The present letter also cannot be taken as a common objection to all such cases pertaining to the State. At best, we can treat it as the State Govt.'s objection to the 7 cases listed in the letter. As regards other cases, it will be necessary for the State Govt. , in response to our notice, to send specific objections in individual cases. According to the NCTE Regulations, in case of no reply (to our notice in individual cases) from the State Governments, the Regional Committees will be free to process the case further and decide it on its merits.

The State Government may be advised accordingly.

A letter sent to Dr. Prabhu Kumar Yadav, Research Officer, NCTE Hqrs regarding Clarification about Recommendation from the State Government of Telangana on 22.11.2016.

A letter received from NCTE Hqrs though email dated 19.12.2016, it stated as under:

"...It is a legally, well settled position that once applications for various courses have been invited/received, they are to be processed by the Regional Committee concerned as per the Regulation 2014 and comments of State Govt. are again sought for under NCTE Regulations (Clause 7(4) of the Regulation 2014). The comments/recommendations of the state Govt. at this stage are expected to be based on merit of the individual application, in the absence of which RC's take their own decision regarding grant of recognition/refusal. It appears that in these cases when the comments of the State Govt. were invited, the State Govt. simply gave a negative recommendation with a blanket refusal and without

assigning any reasons in each individual case. It was possible for the SRC to consider the views of the State Govt. if the recommendation would have been made available in each case on merit with adequate reason. As such, SRC has acted within its rights conferred under the provision of Section 14&15 of the NCTE Act 1993.

However, in all such cases wherever the State Govt. feels that the institution does not qualify for grant of recognition and it is aggrieved with the decision of the SRC they may file an 'Appeal' under Section 18 of the NCTE Act. Section 18(1) of the Act categorically provides that 'any person aggrieved' by an order under Section 14 or 15 or 17 can prefer an Appeal. Till date, under this category, only applicant institutions have been filing appeals and not any other 'aggrieved person'."

The SRC in its 326th meeting held on 04th – 05th January, 2017 considered and Noted the matter.

A letter was sent to Smt. Ranjeev R.Acharya, Special Chief Secretary to Govt., Education Department, Government of Telangana on 18.01.2017 regarding communicating clarification from NCTE Hqrs in this regard.

The SRC in its 327th meeting held on 19th -20th January, 2017 considered the matter and decided as under:

- 1. This was finally disposed of in the last meeting. Even NCTE (HQ) has sent a detailed reply to the State Government.**
- 2. No further action is required for correspondence with the State Government.**
- 3. The Regional Director (SRO) has confirmed that no further communication has been received from the Govt. of Telangana about their objection to these 7 cases individually. The earlier common objection letter also does not give any reasons for the objection. The NCTE letter to the State Govt. makes it very clear that a blanket refusal without giving any reasons in each individual case renders it impossible for the SRC to consider the view of the State Govt. on merit with adequate reason.**

		<p>4. <i>In the result, and for the reasons given above, it will not be possible to reject (or, even, hold up) these 7 cases. The Supreme Court prescribed dateline of 3 March 17 for issue of FR w.e.f. 2017-18 makes it imperative for us to give attention to these cases without further delay. That being so, processes these 7 cases and put them up for SRC consideration in the next meeting.</i></p> <p>As per the decision, the application has been scrutinized.</p> <p>The application has been scrutinized with reference to the agenda note, records of the case and existing rules/Regulations/Instructions on the subject issues.</p> <p>The Committee considered the scrutiny of the application for the session 2017-18 dated 2.7.2016 and observed the following:-</p> <ol style="list-style-type: none"> 1. B.Ed., M.Ed., Integrated course is a recognized course. 2.1. But, to apply for this course, they should have B.Ed. & M.Ed. as running courses for more than 5 years. 2. In this context, it is to inform you that, vide reference 2nd cited (copy enclosed), Government of Telangana already informed you not to grant ay Recognition to any proposal pending with the NCTE for starting New B.Ed/B.P.Ed/M.Ed/M.P.Ed Colleges which includes the Colleges specified in the reference 3rd to 9th cited duly enclosing the Director of School Education, Telangana, Hyderabad, letter mentioned in the reference 1st cited (copy enclosed) which was addressed to the NCTE, New Delhi, and a copy marked to you in the matter. The Acknowledgement of the receipt of the reference 2nd cited by the NCTE is enclosed herewith for your information.

3. In spite of the Letter 2nd cited, which was received on 27.09.2016 by you, we are still receiving reminders dated 01.10.2016 and 26.10.2016, which were received in the department on 07.10.2016 & 27.10.2016 respectively, in the cases of the Colleges mentioned in the references 3rd t o 9th cited. It is not clear as to why this is happening.

4. Therefore, it is once again requested that NCTE should not grant any Recognition to any of these proposals pending with the NCTE for starting New B.Ed/B.P.Ed/M.Ed/M.P.Ed Colleges, which includes the colleges specified / the references 3rd to 9th cited, for the Academic Year 2017-2018 onwards, until specific requisition is sent from the State Government.

5. Your reply in the matter is requested at the earliest.

The SRC in its 323rd meeting held on 16th – 18th November 2016, considered the matter and decided as under:

- The SRC has no authority to recognize requests for 'banning' courses. The State Government should have taken it up at the appropriate time with the NCTE (HQ).
- The present letter also cannot be taken as a common objection to all such cases pertaining to the State. At best, we can treat it as the State Govt.'s objection to the 7 cases listed in the letter. As regards other cases, it will be necessary for the State Govt. , in response to our notice, to send specific objections in individual cases. According to the NCTE Regulations, in case of no reply (to our notice in individual cases) from the State Governments, the Regional Committees will be free to process the case further and decide it on its merits.

The State Government may be advised accordingly.

A letter sent to Dr. Prabhu Kumar Yadav, Research Officer, NCTE Hqrs regarding Clarification about Recommendation from the State Government of Telangana on 22.11.2016.

A letter received from NCTE Hqrs though email dated 19.12.2016, it stated as under:

"...It is a legally, well settled position that once applications for various courses have been invited/received, they are to be processed by the Regional Committee concerned as per the

Regulation 2014 and comments of State Govt. are again sought for under NCTE Regulations (Clause 7(4) of the Regulation 2014). The comments/recommendations of the state Govt. at this stage are expected to be based on merit of the individual application, in the absence of which RC's take their own decision regarding grant of recognition/refusal. It appears that in these cases when the comments of the State Govt. were invited, the State Govt. simply gave a negative recommendation with a blanket refusal and without assigning any reasons in each individual case. It was possible for the SRC to consider the views of the State Govt. if the recommendation would have been made available in each case on merit with adequate reason. As such, SRC has acted within its rights conferred under the provision of Section 14&15 of the NCTE Act 1993.

However, in all such cases wherever the State Govt. feels that the institution does not qualify for grant of recognition and it is aggrieved with the decision of the SRC they may file an 'Appeal' under Section 18 of the NCTE Act. Section 18(1) of the Act categorically provides that 'any person aggrieved' by an order under Section 14 or 15 or 17 can prefer an Appeal. Till date, under this category, only applicant institutions have been filing appeals and not any other 'aggrieved person'."

The SRC in its 326th meeting held on 04th – 05th January, 2017 considered and Noted the matter.

A letter was sent to Smt. Ranjeev R.Acharya, Special Chief Secretary to Govt., Education Department, Government of Telangana on 18.01.2017 regarding communicating clarification from NCTE Hqrs in this regard.

The SRC in its 327th meeting held on 19th -20th January, 2017 considered the matter and decided as under:

- 1. This was finally disposed of in the last meeting. Even NCTE (HQ) has sent a detailed reply to the State Government.**

2. No further action is required for correspondence with the State Government.
3. The Regional Director (SRO) has confirmed that no further communication has been received from the Govt. of Telangana about their objection to these 7 cases individually. The earlier common objection letter also does not give any reasons for the objection. The NCTE letter to the State Govt. makes it very clear that a blanket refusal without giving any reasons in each individual case renders it impossible for the SRC to consider the view of the State Govt. on merit with adequate reason.
4. In the result, and for the reasons given above, it will not be possible to reject (or, even, hold up) these 7 cases. The Supreme Court prescribed dateline of 3 March 17 for issue of FR w.e.f. 2017-18 makes it imperative for us to give attention to these cases without further delay. That being so, processes these 7 cases and put them up for SRC consideration in the next meeting.

As per the decision, the application has been scrutinized.

The application has been scrutinized with reference to the agenda note, records of the case and existing rules/Regulations/Instructions on the subject issues.

The Committee considered the scrutiny of the application for the session 2017-18 dated 30.5.2016 and decided as under:-

1. NOC of affiliating University not given.
2. The State Govt. has not given a specific NOC in this case. They have given only a common letter of Objection for many cases. No reasons have been given. As decided already by the NCTE(HQ) this cannot be recognized as a valid NOC.
3. Title is clear. Land area is adequate.

		<p>4. LUC is given. But, there is a discrepancy in the Sy. No. This needs to be rectified.</p> <p>5. EC is in order.</p> <p>6. BP is approved. Built-up area is 3310 sq.mts.</p> <p>7.1 They have running courses of only B.Tech/ Polytech/MBA. These are not liberal Arts courses.</p> <p>7.2 They have applied for D.El.Ed. It has not yet cleared. SCN has been issued. As of now therefore, this case will be hit by the 'stand alone' clause. Both these cases have, therefore, to be linked and processed together.</p> <p>And directed to Issue SCN accordingly.</p>

The Acknowledgement of the receipt of the reference 2nd cited by the NCTE is enclosed herewith for your information.

3. In spite of the Letter 2nd cited, which was received on 27.09.2016 by you, we are still receiving reminders dated 01.10.2016 and 26.10.2016, which were received in the department on 07.10.2016 & 27.10.2016 respectively, in the cases of the Colleges mentioned in the references 3rd to 9th cited. It is not clear as to why this is happening.

4. Therefore, it is once again requested that NCTE should not grant any Recognition to any of these proposals pending with the NCTE for starting New B.Ed/B.P.Ed/M.Ed/M.P.Ed Colleges, which includes the colleges specified in the references 3rd to 9th cited, for the Academic Year 2017-2018 onwards, until specific requisition is sent from the State Government.

5. Your reply in the matter is requested at the earliest.

The SRC in its 323rd meeting held on 16th – 18th November 2016, considered the matter and decided as under:

- The SRC has no authority to recognize requests for 'banning' courses. The State Government should have taken it up at the appropriate time with the NCTE (HQ).
- The present letter also cannot be taken as a common objection to all such cases pertaining to the State. At best, we can treat it as the State Govt.'s objection to the 7 cases listed in the letter. As regards other cases, it will be necessary for the State Govt. , in response to our notice, to send specific objections in individual cases. According to the NCTE Regulations, in case of no reply (to our notice in individual cases) from the State Governments, the Regional Committees will be free to process the case further and decide it on its merits.

The State Government may be advised accordingly.

A letter sent to Dr. Prabhu Kumar Yadav, Research Officer, NCTE Hqrs regarding Clarification about Recommendation from the State Government of Telangana on 22.11.2016.

A letter received from NCTE Hqrs through email dated 19.12.2016, it stated as

under:

"...It is a legally, well settled position that once applications for various courses have been invited/received, they are to be processed by the Regional Committee concerned as per the Regulation 2014 and comments of State Govt. are again sought for under NCTE Regulations (Clause 7(4) of the Regulation 2014). The comments/recommendations of the state Govt. at this stage are expected to be based on merit of the individual application, in the absence of which RC's take their own decision regarding grant of recognition/refusal. It appears that in these cases when the comments of the State Govt. were invited, the State Govt. simply gave a negative recommendation with a blanket refusal and without assigning any reasons in each individual case. It was possible for the SRC to consider the views of the State Govt. if the recommendation would have been made available in each case on merit with adequate reason. As such, SRC has acted within its rights conferred under the provision of Section 14&15 of the NCTE Act 1993.

However, in all such cases wherever the State Govt. feels that the institution does not qualify for grant of recognition and it is aggrieved with the decision of the SRC they may file an 'Appeal' under Section 18 of the NCTE Act. Section 18(1) of the Act categorically provides that 'any person aggrieved' by an order under Section 14 or 15 or 17 can prefer an Appeal. Till date, under this category, only applicant institutions have been filing appeals and not any other 'aggrieved person'."

The SRC in its 326th meeting held on 04th – 05th January, 2017 considered and Noted the matter.

A letter was sent to Smt. Ranjeev R.Acharya, Special Chief Secretary to Govt., Education Department, Government of Telangana on 18.01.2017 regarding communicating clarification from NCTE Hqrs in this regard.

The SRC in its 327th meeting held on 19th -20th January, 2017 considered the matter and decided as under:

- 1. This was finally disposed of in the last meeting. Even NCTE (HQ) has**

sent a detailed reply to the State Government.

2. No further action is required for correspondence with the State Government.
3. The Regional Director (SRO) has confirmed that no further communication has been received from the Govt. of Telangana about their objection to these 7 cases individually. The earlier common objection letter also does not give any reasons for the objection. The NCTE letter to the State Govt. makes it very clear that a blanket refusal without giving any reasons in each individual case renders it impossible for the SRC to consider the view of the State Govt. on merit with adequate reason.
4. In the result, and for the reasons given above, it will not be possible to reject (or, even, hold up) these 7 cases. The Supreme Court prescribed dateline of 3 March 17 for issue of FR w.e.f. 2017-18 makes it imperative for us to give attention to these cases without further delay. That being so, processes these 7 cases and put them up for SRC consideration in the next meeting.

As per the decision, the application has been scrutinized.

The application has been scrutinized with reference to the agenda note, records of the case and existing rules/Regulations/Instructions on the subject issues.

The Committee considered the Scrutiny of the application for the year 2017-18 dated 30.6.2016 and observed as under:-

1. They have applied for 2 courses in one application. This is not acceptable. They can apply for only one course in one application.
2. Return the 'fee' paid for the second course.
3. They had applied for another B.Ed. course. That was rejected.
4. This application will, therefore, be hit by the 'stand alone' clause. and directed to issue Show Cause Notice accordingly.

NCTE-Hqrs in its letter dated 29.08.2016 received on 06.09.2016 enclosed a written representation dated 18.06.2016 along with a court order in W.P. No. 18301 of 2016 & W.M.P. No. 16008 of 2016 with a requesting to take necessary action.

The institution submitted a letter dated 27.10.2016, received on 01.11.2016 along with a copy of the Government of Puducherry letter dated 26.05.2016. The State Government vide this letter informed that it has already conveyed vide its letter dated 26.03.2015 not to grant recognition for 2017-2018 for the four TEIs as indicated above.

It was observed from the file that,

- 1) There is contradiction in letter of the State govt. i.e vide letter dated 26.05.2016. It has mentioned not to grant recognition for B.El.Ed, B.Ed(ODL), B.Ed-M.Ed integrated and B.Ed(Part-time), whereas vide letter dated 27.07.2015 the State Govt. while quoting about its letter dated 26.05.2016 has conveyed not to grant recognition for B.A.B.Ed/B.Sc.B.Ed to the institution.
- 2) The institution submitted application online on 30.05.2016 and hard copy received on 16.06.2016, which is after 15 days from the date of online submission of application. However, NCTE vide letter No.F.49-4/2014/NCTE/N&S dated 22.08.2016 conveyed the direction that 15th July, 2016 shall be the last date for receipt of hard copy irrespective of online submission.
- 3) As per the Public Notice issued on 09.03.2016 for inviting applications for 2017- 2018, there is a ban for D.El.Ed, B.Ed and B.P.Ed courses only.
- 4) As per application, the institution is a non-minority institution.

SRC in its 324th meeting held during 7th to 8th December, 2016 considered the matter and decided as under :-

1. The U.T. Admn's reply to our letter is in 2 parts. The first part is about 4 courses not cited by us. We can not, therefore, take that into account. The second part of their reply is specifically about

		<p>this case, this applicant and, the 2 courses proposed by them. We have, therefore, to take them into consideration as their objection.</p> <p>2. In terms of the Supreme Court order, in the L.B.S. B.Ed College case, RCs are not bound by the observations of the State Govt / U.T. Admn. But, RCs are expected to pass a speaking order why they accept or not accept the objection of the State Govt. / U.T. Admn.</p> <p>3. Please request the Puducherry govt. to disclose the reason for their objection to our considering this application.</p> <p>As per the decision of SRC, a letter was addressed to the Under Secretary to Govt., Higher and Technical Education, Government of Puducherry on 22.12.2016 requesting to disclose the reason for objection to SRC for considering the application.</p> <p>Reply is not received from the State Government, so far.</p> <p>The Committee considered the above matter and decided as under:-</p> <ol style="list-style-type: none"> 1. The Puducherry Govt.'s objection is in general terms. It is with reference to 4 other courses not cited by us. 2. They have not given reasons for extending the objection to B.A.B.Ed./B.Sc.B.Ed. also. 3. They have not cared to respond to our letter requesting for clarification. 4. We, therefore, treat the objection as unacceptable. 5. Process the case and put up.

"The Council noted that St. Aloysius Institute of Education, Dakshina Kannada, Karnataka was granted recognition for conducting B.Ed. course in the year 2007 with the condition to shift to its own premises/building within three years from the date of recognition. The Mangalore Jesuit Educational Society which is the appellant society submitted a proposal for shifting of the premises in 2012. SRC on receiving the proposal caused a composite inspection on 19-10-2012. Based on the deficiencies reported by the Visiting Team, deficiency letter and Show Cause Notice were issued to the institution. Finally, it was observed that title of the land documents of the proposed land & building, are not in favour of the applicant society. The appellant has admitted that the multipurpose hall is being constructed and is likely to ready in September, 2013 whereas inspection was conducted in December, 2012 and withdrawal order was issued in July, 2013. The appointment of principal and 6 faculties were approved by Mangalore University on 29-08-2013 which is also subsequent to the refusal orders. The appellant apprised the Council that it had applied to NCTE for relaxation of the land & building norms for the intuition. The Council concluded that the grounds

on which SRC has withdrawn the recognition are justified and accordingly the withdrawal order dated 10-07-2013 is confirmed.

After perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Council concluded that the SRC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the SRC is confirmed.

The Council hereby confirms the Order appealed against "

"We have received a mail (Ref 6) to choose one New course B.Ed (AI)/ M.Ed. We have made an online application for two courses as per the institution given in NCTE Website, under "instructions for submitting Online Application "(Ref 7). Ref 7, page No.2. Last paragraph under General instruction, indicates that "it may be noted if any prospective society/ Organization is opting for multiple Teacher Education programmes/Courses either New programmes or additional intake, the intending applicant can apply in the same application. The applicant need not submit separate applications for the same institute". Based on that Ref 7 we have made single application for both B.Ed (AI) & M.Ed.

Also Ref 7 page No. 12 paragraph 3 under Steps for General instruction of submitting online application, indicated that "in case of Applicant Organization is running multiple Teacher Education Institutes (TEIs) and intending to apply for more than one TEIs they can create separate online application, since we have only one TEI (Ref 1), and applied for two course (B.Ed-AI & M.Ed). So our institute has eligible to apply two courses under only one TEI.

Also we have send 2 communications (Ref 4&5) from our college mentioned to request for composite inspection for both B.Ed (AI) & M.Ed. we have paid fees for the two courses applied for.

Hence we request you to consider single application for both courses B.Ed (AI) & M.Ed based on Ref 7. And also we request for composite inspection for both

B.Ed (Al) & M.Ed for which we have done all preparatory works like infra and all amenities. In considered of approaching of new academic year, we request you to make efforts to accomplish our application as early as possible. (Not submitted through online).

"We already send a letter to NCTE on 24.10.2016 (Ref 6) regarding request for composite inspection for B.Ed (Additional) and M.Ed (Basic). Now we have received an E-mail communication regarding inspection for B.Ed alone. So again we request you to schedule both the inspections that are listed here on a same day like a composite inspection, so that we can start the above referred course on 2017/2018.
