satisfactory. They have admitted the deficiency. We cannot wait indefinitely from them to produce the NOC. According to the Regulations it is the responsibility of the applicant to secure and attach the NOC from the affiliating body. That being so, it is decided to reject the application.

The SRC minutes dated 30.01.2016 decided as follows:

"Keeping in mind the over-all public interest, the committee revised its earlier stand to reject all cases of non-submission or delayed submission of NOCs, and decided to reopen and process all such rejected cases by accepting NOCs even now irrespective of their dates of issue".

As per the direction of SRC application was processing and placed before SRC in its 303rd meeting held on 15th February 2016, the committee considered the matter and decided as follows:

1. Contiguity with existing B.Ed.
2. Discrepancy in Sy.no. in land and other documents.
3. Built up area is inadequate for existing and proposed programmes
4. BCC is not approved by competent authority
5. Cause Composite Inspection
6. Ask VT to collect all relevant documents.
7. Ask whether they want BA.B.Ed or B.Sc:B.Ed

As per the decision of SRC inspection intimation was sent to the institution and VT members on 22.02.2016. The Inspection of the institution was conducted on 20.02.2016 and VT report along with documents received on 22.02.2016.

The SRC in its 305th meeting held on 25th & 26th February, 2016 considered the VT report and other relevant documents and it has decided as under:

1. Inadequate built up area
2. CD is working
3. Issue SCN accordingly.

Before issuance of show cause notice the institution submitted its written representation on 01.03.2016.

The SRC in its 306th meeting held on 01st – 04th March, 2016 considered the institutions written representation and it has decided to issue show cause notice for rejection for the following ground:

1. The time given by NCTE (HQ) till 30.05.2015 only for the existing course covered by the RPRO. We cannot take that into consideration. The built-up area available is adequate only for the existing courses. Even if they surrender 1 unit of D.El.Ed, even then, the area available will not be

adequate for the proposed courses.

2. The court order is yet to be received. In any case, in the normal course, it is reasonable to assume that the court will deal only with what is pending before it and not any new applications.
3. That being so, the two new applications-B.Sc:B.Ed and B.Ed-AI-are not maintainable.

Accordingly, show cause notice was issued to the institution on 20.05.2016. The institution has submitted its reply along with court order on 13.06.2016.

In the mean time the institution has submitted its written representation on 12.07.2016.

The SRC in its 317th meeting held on 27th & 28th July, 2016 considered the show cause notice reply and it has decided as under;

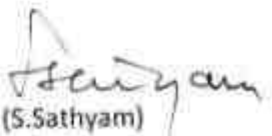

1. They have D.El.Ed (2 units, B.Ed(2 units). They want B.Sc,B.Ed (1 unit) and B.Ed-A.I.(1 unit). The total required built-up area will be (2000+2000+500+1500) 6000 sqms. As against this they have only 3772 sqms. They want time till Sept to complete to complete the additional area required.
2. Time is given till 30 Sept 2016.
3. Let them add the construction and approach us thereafter.

Before issuance of intimation to the institution, the institution has submitted written representation along with relevant documents on 05.08.2016 and stating as follows:

".....I am to refer to your decision of our college in the meeting cited at sl.no.4 above, and we thank the Regional Director, SRC, Bangalore and other officers and officials of the NCTE, Bangalore for having permitted two months time for additional construction.

Kindly reconsider our request on the following reasons:

1. As per 2014 Regulations we are given to understand that BSc.B.Ed programme does not require any additional built up area in addition to the existing programmes. Please refer page no. 118 of regulation 2014 (6.2).

(S.Sathyam)

2. As per the present order dated 23.02.2016 of the Honourable High Court at Madras (copy enclosed for ready reference). As per the assurances mentioned at Para 4, Para 5, Para 7 and other assurances given by the learned advocate of NCTE, in the Honourable High Court at Madras. We request you not to insist additional constructed area and give us sufficient time to fulfil the requirements.

3. Almost, in all the appendixes contain the permission of using the auditorium, LIBRARY, all laboratories, (Psychology, Physical Science, Biological Science, ICT Lab, Health and Physical Education, Computer Science, Canteen, Art and Work Experience, Health Room of the Doctor) could be used for all the educational courses run in the same institution. Approximately, the total area of the constructed place of the above said places along with other common places will be more than 2000 Sq.mts of constructed area. As such additional constructed area may be required only 228 Sq.mts.

In the above circumstances stated above, kindly grant recognition, with some conditions, to all the additional courses required with a request to the University of Pondicherry to consider our application and also your recognition order to start the additional courses for the academic year 2016-17 onwards."

The Committee considered the matter, written representation along with relevant documents on 05.08.2016 from the institution, and decided as under:

1. Their contentions about the built-up-area requirements are not correct.
2. They need 2000 (for D.El.Ed – 2 units) + 2000 (for B.Ed- 2 units)+500 (for B.Sc B.Ed- 1 unit)+ 500 (for B.Ed.-A.I – 1 unit)
3. They have only 3772 sq.mtrs. This will suffice only for D.El.Ed(2 units) +B.Ed (1 unit) or vice versa.
4. There is no scope for any new course. The existing courses themselves have to be the pruned.
5. Issue SCN accordingly.

1. The 317th Meeting of SRC held on 28th to 30th July, 2016 has mentioned certain confusion with regard to the functioning of D.El.Ed course of our society.

It is clarified that the above programme is conducted in a separate building and it is continued based on the interim stay order issued by the Hon'ble High Court at Chennai, copy of which is enclosed for perusal. It is also granted permission by the examination Board, Govt. of Kerala.

(S.Sathyam)
Chairman

2. Our B.Ed programme is conducted in a separate new building where we have suggested for M.Ed programme also. It is quite sufficient to conduct both B.Ed and M.Ed programme in the same campus which is sufficient as per the NCTE guidelines.

3. When the Visiting Team came for inspection we have informed them that the society has a D.El.Ed course functioning in a separate building. They might have mistaken while preparing the report that the D.El.Ed is also conducted along with B.Ed programme.

So, this confusion is hereby clarified and the society has already submitted the details of documents pertaining to the D.El.Ed course functioning in a separate building.

Hence, it is requested your good self to issue recognition order for M.Ed programme for the academic year 2016-17 at the earliest."

No. 266/4, 5th Street, MPR Dam Village and Post Office, Garladinne Taluk, Ananthapuramu Town, Anantapur District - 515731, Andhra Pradesh for offering **B.P.Ed** course for **two** years duration for the academic year 2016-17 under Section 14/15 of the NCTE Act, 1993 to the Southern Regional Committee, NCTE through online on **30.05.2015**. The institution submitted the hard copy of the application on **09.06.2015**.

The application was processed as per NCTE (Recognition Norms and Procedures) Regulations, 2014 notified by NCTE on 01.12.2014.

The sub clause (3) of clause 5 of Regulations, 2014 under manner of making application and time limit stipulates as under :-

The "(3) the application shall be submitted online electronically along with the processing fee and scanned copies of required documents such as No Objection Certificate issued by the concerned affiliating body. While submitting the application, it has to be ensured that the application is duly signed by the applicant on every page, including digital signature at appropriate place at the end of the application"

On careful perusal of the original file of the institution and other documents, the application of the institution was found deficient as under:-

"The application is not duly signed by the applicant on all pages as per Sub-Section (3) of Section 5 of Regulations, 2014"

SRC in its 292nd Meeting held during 29th to 30th September, 2015 considered the matter and decided as under:-

" The 1128 cases, in which digital signature is not available on each page in the applications received online, have to be seen as violating Regulations 5.3 of the 2014 Regulations. But, it has to be recognized in this context that the said omission was due to a technical difficulty of there not being a provision in the on-line application system to upload digital signatures. In our opinion, it will not be correct to hold them responsible for not uploading digital signatures when the system had no scope for such uploading because of a technical snag. Accordingly, we condone this omission and admit the applications for processing"

As per the decision of SRC, the application was processed and letter to the State Government sent on 24.06.2015 followed by Reminder I on 14.10.2015 and letter to institution for furnishing information of 'Composite' character" on 14.10.2015.

From the records, it was observed that as per the data submitted in the online application the institution is not conducting any teacher education or UG/PG programmes referred to in Regulation 2(b) of Regulations, 2014.

The institution did not submit reply to the letter dated 14.10.2015 sent for furnishing information in support of its composite character.

Hence, this is a 'Stand-alone' institution and therefore may not be processed as per regulation 3 & 8(1).

1. Regulation 3 reads as under:

"These regulations shall be applicable to all matters relating to teacher education programmes for preparing norms and standards and procedures for recognition of institutions, commencement of new programmes and addition to sanctioned intake in the existing programmes including the following, namely:-

The SRC in its 297th Meeting held during 27th & 28th December, 2015 considered the matter, documents submitted by the institution along with hard copy of application and decided as under :-

2. FDRs in Joint account should be furnished.

"As per ref (1), (Decision of 305th meeting of SRC-NCTE regarding application No. SRCAPP3454), We are informed that FDRs in Joint account should be furnished on or before 3.3.16 for issuing Formal Recognition of M.Ed course w.e.f 2016-17 academic year.

We are pleased to seek your attention to ref (2) (NCTE New Delhi Notification dt 28th November, 2014) stating that only self financing institutions including Government or Government –Aided institutions running a programme on self financing basis, there shall be an endowment fund of Rs. 5 lakhs per programme per unit and a reserve fund of Rs. 7 lakh per programme per unit of approved intake."

But as per ref (3) and ref (4) our college is having the status of Government College as per the prevailing norms of the state, where the rules regulations, staff appointment, placement and promotion, payment of salary etc are in accordance with University, Government and UGC norms.

As per ref (5). Government has given sanction to start the M.Ed course in the Government- aided stream where the appointment and salary payment of the staff is done by the Government

Since the proposed course is intended to start in the Government-aided stream, please let us know whether we need to submit the FDRs further.

As per ref (6) , this fact has been verified by the NCTE appellate authority while appearing for an appeal at NCTE Head Quarters, New Delhi that our institution need not remit the FDRs towards the endowment and reserve fund.

Hence we plead to accord sanction for issuing Formal Recognition of M.Ed course w.e.f 2016-17 academic year even in the absence of FDRs considering the above facts. Anticipating your favorable response.

The institution submitted reply to the LOI on 02.03.2016.

- 2. The staff list is also not as per norms.*
- 3. They can have 2 months time for getting the staff list approved Only beyond 05.02.2016, they will lose a whole academic year. Advise them accordingly.*
- 4. For exemption of FDRs they have to submit proof of grant-in-aid for infrastructure and staff.*

A deficiency letter was issued to the institution on 22.04.2013. The institution replied to the deficiency letter on 19.06.2013.</p> <p>The reply of the institution vide letter dated 19-06-2013 to the deficiency letter was</p>

duly considered and the committee observed that the reply is unconvincing and not satisfactory, deficiencies still persist as under:

1. As per Non-encumbrance certificate, land is on lease basis, which is not permissible as per NCTE Regulations 2009.
2. The institution has not submitted building plan duly issued by the competent authority.
3. The Building Completion Certificate approved from the competent Government Engineer is not submitted.
4. In the land usage certificate submitted, conversion from agriculture to non-agriculture is not mentioned.

Under the above grounds and with reference to the totality of information collected & based on a collective application of mind, the SRC in its 249th meeting held on 24th-26th July 2013 decided as per NCTE Regulations 2009, to reject the application of the institution for recognition of B.Ed course.

Accordingly, rejection order was issued to the institution on 05.09.2013.

Aggrieved by the rejection order of SRC, the institution preferred an appeal to NCTE-Hqrs.

The appellate authority vide order No. F.No.89-694/2013 Appeal/4th Meeting-2014 dated 28.04.2014 remanded the case to SRC as follows:-

"Committee noted that appellant institution had submitted online application on 31.12.2012. Deficiency letter dated 22.04.2013 was issued to the appellant institution pointing out eight deficiencies one of which related to submission of a non encumbrance certificate issued by sub-registrar. The appellant furnished a reply dated 17.06.2013 enclosing therewith a copy of non-encumbrance certificate.

From the relevant entries in this encumbrance certificate it was revealed that the land on which the course is proposed to be run is on lease for 29 years. As this fact was revealed only through the entries in one furnished by the appellant institution in reply to deficiency letter dated 22.04.2013 and this could not have been a point in the deficiency letter. It is however, noticed that before finally refusing the application, no show cause notice under section 14/15 3(b) of the Act was issued to the appellant institution. The Council therefore, concluded to remand back the case to SRC with a direction to issue a show cause notice.

After perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Council concluded that the appeal deserves to be remanded to SRC with a direction to issue a show cause notice."

The office memorandum (directive) from the NCTE Hqrs dated 25.04.2014 is as under:

'The appeal Committee is in agreement with the advice of the legal Counsel about continued consideration of the appeals received so far as also those to be received in future, in accordance with law and procedure. However, in cases where the Appeal Committee decided to remand them to the Regional Committees for such actions like re-issue of deficiency letter/show cause notice or to consider the submissions of the appellant etc. it is felt that it would suffice from the point of view of the committee to state in their minutes that the suggested actions are taken in accordance with the NCTE Regulations.

Since the revised Regulations are yet to be notified, it would be appropriate if the NCTE administratively informs all the Regional committees that further action on the appellate order in case of 'remand' should be taken only in the light of the revised regulations to be notified.'

In view of the above legal opinion and Appeal Committee's decision, all the Regional Offices/Committees are directed to act upon the Appellate orders of remanded back cases accordingly.

The SRC in its 268th meeting held on 04th 05th June 2014 considered the office memorandum (directive) from the NCTE Hqrs dated 25.04.2014, decided and advised Southern Regional Office to process the said application after notification of new Regulations as per NCTE (H.Q) instruction.

The SRC in its 195th meeting held on 17th -18th August 2010, considered the report of the institution and decided to issue Show Cause Notice. Accordingly, a Show Cause Notice was issued to the institution on 27.09.2010. The institution submitted its written representation on 25.10.2010.

The SRC in its 198th meeting held on 24th -26th November 2010 considered the written representation of the institution and decided to cause inspection under section 17 of NCTE Act.

The inspection was carried out on 6th April, 2011. The SRC in its 204th meeting held on 27th-28th April 2011 considered the VT report and decided to issue Show Cause Notice. Accordingly, Show Cause Notice was issued to the institution on 02.06.2011. The institution submitted its written representation on 11.07.2011. The SRC in its 210th meeting held on 22nd and 23rd August, 2011 considered the written reply of the institution dated 11.07.2011 and also the relevant documents and decided to withdraw recognition for the following reasons:-

- The total built up area earmarked for the D.Ed (APS00027) & D.Ed-AI (APS03115) is only 4512.6 Sq.ft. Which is grossly inadequate for the Teacher Education Programme being run as per NCTE norms. The same is also corroborated by the management by affixing signature of the management representative in the essential data.
- In the Building plan the built up area, and Sy.nos are not mentioned.
- Notarized copy of Land usage certificate issued by competent authority is not submitted.
- Non- Encumbrance Certificate from the competent Government Authorized person / Authorities not submitted.
- Science lab, Psychology lab & Educational Technology lab needs to be strengthened.
- Physical Education lab & Language learning lab not available.

Based on the above points, the Committee decided to withdraw recognition of D.Ed (APS00027) & D.Ed-AI (APS03115) run by the Annai Fathima Teacher Training Institute, Hirebidanur Gouribidanur Taluk, Kolar District-561208, Karnataka from the academic year 2013-14, in order to enable the ongoing batch of students in D.Ed, course, if any, to complete their course.

Accordingly, a withdrawal order was issued to the institution on 04/10/2011. Aggrieved by withdrawal order, the institution preferred an appeal before NCTE, Hqrs. and the appellate authority vide order dated 15/02/2012 decided to cause re-inspection of the institution after obtaining a payment of Rs.40, 000/- from the institution and for taking decision thereafter.

Accordingly, the re-inspection of the institution was carried out on 10.07.2012.

The Southern Regional Committee in its 230th meeting held on 16th – 17th August 2012 considered the VT report, VCD and all the relevant documentary evidences and it was decided to serve Show cause Notice under NCTE Act.

Accordingly, a show case notice was issued to the institution on 31.8.2012. The institution submitted a written representation on 27.9.2012.

The SRC in its 237th meeting held on 05th – 06th January, 2013 considered the matter and decided as under:

- * 1. As per the notarized copy of land documents submitted (for site no.37 and Sy.No. 222/1) lands are at different places one at Gauribidanur town and the other at Madanahalli Village.
2. Land documents are not in the name of Trust/Society/Institution as per NCTE regulations 2009. Land documents are not certified.
1. The land area of 10,980+6000 sq.ft is not as per NCTE norms. As per NCTE norms 2500 sq.mts and 1500 sq.mts of built up area is required for offering D.Ed Programme.
2. As per affidavit, the built up area and land area is less as per NCTE regulations 2009.
3. Building plan submitted for Sy.No 37, 38 and 50 is for school building and not for teacher education programme.
4. No documentary proof has been submitted regarding extension of size of Multi Purpose Hall
5. Approved staff list is not submitted.
6. As per Bank statement, 1+5 lecturer(s) are inadequate against the requirement of 1+6 lecturer(s)

The reply to the SCN is not satisfactory and unconvincing.

Based on the above points, the Committee decided to withdraw recognition of D.Ed (AOS00027) and D.Ed-AL(APS03115) run by the Annai Fatima Teacher Training Institute Gauribidanur Taluk, Kolar District, Karnataka from the academic year 2013-14, in order to enable the ongoing batch of students in both D.Ed & D.Ed-Al courses, if any, to complete their course.

But it is made clear that the institution is debarred from making any further admission subsequent to the date of issue of this order. The Affiliating body /

Examining board / body be informed accordingly. Further decided to return Endowment funds and Reserve fund deposited with SRC NCTE, Bangalore if any, subject to submission of letter from affiliating body that no admission are made by the institution further and no due certificate from the staff of the institution regarding payment of salary."

As per the decision of SRC, withdrawal order was issued to the institution vide this office letter No F.SRO/NCTE/AOSO0027-D.Ed/APSO3115-D.Ed(AI)/2013-14/49129 dated 14/02/2013.

Aggrieved by the Withdrawal Order, the institution filed an appeal before appellate authority, NCTE, New Delhi under Section 18 of the NCTE act. The appellate authority vide order No F.No.89-189/2013 Appeal/9th Meeting -2013 dated 25/07/2013 confirmed SRC order.

The appellate authority order was placed before SRC in its 251st meeting held during 25-27 August, 2013 and the Committee has noted the matter.

A court order was received on 6.9.2013 from the Hon'ble High Court of Karnataka in W.P. No. 37464 of 2013(End-Reg-P) and 38541-28560/2013 filed by Annai Fathima Teachers Training Institute(Sri S.S.S Education Trust), Kolar District, Karnataka dated 29.8.2013. The Hon'ble High court had directed as follows; "Learned AGA is directed to take notice for R1, R4 & R5, M/s. Harnahalli and Patil, Learned Advocates are directed to take notice for R2 & R3.

Interim stay of Annexures 'M' and 'K' for a period of three months from today.

Petitioner-Institute is directed to implead twenty(20) students said to be pursuing their studies in D.Ed course in its college within two weeks from today.

Post again on 17.9.2013".

The court order was placed before SRC in its 25-27 October, 2013 and the Committee decided to ask our Lawyer to defend and to get the 'Stay Vacated'.

Accordingly, as per the decision of SRC, a letter was sent to Sri. Ashok Haranahalli, advocate on 5.11.2013.

An interim order was received from the Hon'ble High Court of Karnataka on 22.11.2013 in W.P. No. 37464/2013(Edn-Reg-P) & 385541-38560/2013 dated 6.11.2013.

A letter was received from the Government of Karnataka on 2.12.2013 enclosing a copy of the letter received by them from the advocate, stating that "the petitioner has sought for quashing the order dated 25.7.2013 passed by 2nd respondent in F.No.89-189/2013 Appeal/9th meeting-2013 vide Annexure-M, to the Writ Petition, and for other consequential reliefs. The above writ petition was posted for hearing

before C.H.No.19 on 22.10.2013. The Hon'ble Court has directed the undersigned to take notice on behalf of respondents and further directed to file statement of objections. Therefore, I hereby request you to direct the concerned officer to come along with the parawise remarks and other connected records related to the above case immediately on receipt of this letter, so as to enable us to prepare and file the statement of objections".

Accordingly, a letter was addressed to Shri. D. Ashwathappa, Hon'ble High Court of Government Advocate on 3.12.2013 with the request to vacate the interim stay granted to the institution.

A letter was received from DSERT, Bangalore informing that they have submitted parawise replies to the Govt. Advocate.

A letter was sent to Shri P.S Dinesh Kumar, Advocate with a request to file Counter Affidavit in W.P. No. 37464 of 2013.

A letter dated 3.6.2014 was received from Government of Karnataka directing SRC to take necessary action on the court case filed by the institution. Brief of the case was sent to the advocate on 4.7.2014 with the request to provide the latest position of the court case.

Now, Shri P.S. Dinesh Kumar, Advocate forwarded Hon'ble High court order in W.P. Nos. 37464/2013 & 38541-560/2013(DEN-REG-P) dated 4/6/2014 filed by Annai Fathima Teachers Training Institute, Kolar District, Karnataka on 9.7.2014.

The Hon'ble Court ordered as follows: *"The petitioner-Teacher Training Institute is before this court assailing the order dtd 25.7.2013 passed by the second respondent impugned at Annexure-M and the order dated 14.2.2013 passed by the third respondent impugned at Annexure-K to the petition. The petitioner is also seeking for issue of mandamus to direct the respondents to give recognition to the petitioner-institution to run D.Ed course.*

The brief facts are that the petitioner is running a teacher training institute for which it had secured recognition to conduct D.Ed course. The second respondent had granted the recognition on 6.2.1996 and the same was renewed from time to time. The permission granted on 13.12.2004 was for the intake of 50 students. The institution is being run in the building that has been constructed in the land purchased by the petitioner in Sy.no. 222/1 of Madanahalli Village, Gauribidanur Taluk. The petitioner contends that the said land along with the adjacent site bearing Sy.No.s 37 and 38 forms a compact block meeting the prescribed norms of the required land and the building being possessed by the petitioner. The documents to substantiate the same has been relied on. When this was the position, pursuant to the inspection conducted, it was decided by the second respondent that the petitioner does not possess the requisite infrastructure and therefore the recognition granted to the petitioner by the impugned order dated 14.2.2013 has been withdrawn. The petitioner assailed the same in an appeal and the matter had been remitted. On adverse order, the appeal once again filed

(S.Sathyam)

by the petitioner has been dismissed by the order dated 25.7.2013. It is in that circumstance, the petitioner is before this court.

3. Heard the Learned Counsel for the parties and perused the petition papers.

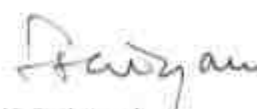

4. The order impugned would indicate that primarily, the respondents have arrived at the conclusion that the petitioner does not possess the requisite infrastructure, more particularly with regard to the land and building that is contemplated under the Regulations. Learned Counsel for the petitioner would however make a detailed reference to the inspection conducted by the Southern Regional Committee (SRC for short). With reference to the report that is at Annexure-G to the petition, the learned counsel would point out that the built up area of 12160 sq.ft. that is available has been noticed by the Committee. Further, indication is also with regard to other infrastructure and the overall estimation of the institution as contained therein, holding that the infrastructure is sufficient for running D.Ed. Course. In that view, it is contended that despite there being such observation by the Inspection Committee, the same has not been considered by the Appellate Authority in its correct perspective.

5. Learned counsel for the respondents would however seek to sustain the order contending that the requirement as provided under the Regulations has not been satisfied and this aspect of the matter in fact has been noticed by the Appellate Authority. In that regard, it is contended that the Appellate Authority has taken note of the fact that though the availability of the land has been stated, it is not a compact block and therefore the same cannot be considered as satisfying the requirement. It is also the case of the learned counsel for the second respondent that the property wherein the infrastructure is provided does not stand in the name of the Institution.

6. In the light of the rival contentions, a perusal of the order dated 25.07.2013 would indicate that the Appellate Authority in fact has referred to the sequence of events including the initial order of remand that had been made and the inspection that was carried out. The conclusion reached by the Appellate Authority to come to a decision that the built up area is not sufficient is mainly based on the observation that the building is not in a compact block, but is separated by a road. There is no material indicated by the Appellate Authority to arrive at such conclusion.

7. Further except for the said observation and the contentions being noticed, the Appellate Authority has not made any appropriate consideration with regard to the report submitted by the SRC wherein the infrastructure possessed by the petitioner was shown to be sufficient. In fact, the Appellate Authority should have taken note of the same and thereafter keeping in view the other materials on record should have arrived at the conclusion as to whether the report submitted by the Committee is contrary to the materials available on record and in that circumstance, a conclusion ought to have been reached.

8. In the instant case, since the same has not been done, the order of the

(S.Sathyam)
Chairman

Appellate Authority would indicate that there is no application of mind to the facts in issue. Therefore, the order dated 25.07.2013 which does not refer to in detail and has not discussed the report of the SRC which indicates that the infrastructure is sufficient cannot be sustained. The matter would require reconsideration by the Appellate Authority.

9. In that view, the order dated 25.07.2013 is set-aside. The matter stands remitted to the second respondent-Appellate Authority to reconsider the matter afresh in the light of the above.

10. Needless to mention that it would be open for the second respondent-Appellate Authority to require a further inspection of the premises to come to a conclusion as to whether the infrastructure possessed by the petitioner is sufficient. If any other request is made by the petitioner before it with regard to the reduction of the intake capacity inconsonance with the infrastructure available, the same may also be looked into by the Appellate Authority keeping in view the Regulations with regard to the Course. The validity of the order dated 14.02.2013 in any event would have to be considered by the Appellate Authority and therefore, to the said extent, the same is kept open.

11. At this juncture, it is also necessary to notice that pursuant to the interim order granted by this Court, the petitioner-Institution has been carrying on its activities after making admissions for the academic year 2013-14. The said position shall remain so and the further process would yield to the decision that would be taken by the Appellate Authority.

In terms of the above these petitions stand disposed of".

The Committee considered the matter, Hon'ble High order of Karnataka, dated 4/6/2014, and took note of the matter. It was decided by the Committee that it is for the appellate authority to take action on the Court Order.

As per the decision of SRC, a letter to the NCTE-Hqrs was sent on 08.09.2014 enclosing a copy of court order.

The appellate authority vide order No. F.No.89-189/2013 Appeal/12th Meeting 2016/43724 dated 26.09.2016 received by SRC on 03.10.2016 has confirmed SRC order as under:-

"Keeping in view the directions of Hon'ble High Court, the appellant was given three opportunities to present its case before the Appellate Authority on 13.01.2015, 15.04.2015 and 29.06.2015. The appellant did not appear before the Appellate Authority. To arrive at a fair conclusion, Appellate Authority thereafter opted to get the premises of appellant institution inspected. Inspection of the institution was conducted on 05.04.2016. Analysis of the Inspection report revealed following points:

1. Correct address of the institution is 4th Cross, Maneswara Layout, Gowribidanur, Chikkaballapur, Dist, Karnataka.
2. The institution is not functional as it has been derecognized by S.R.C.
3. Land possessed by the institution is adequate though it is separated by a 20 feet wide road.
4. The built up area as per plan is 12160 sq.feet which is not sufficient as per NCTE norms.
5. Construction of 4th Floor is carried out to provide multipurpose hall but roofing of multipurpose hall is made of asbestos sheet which is not permissible under NCTE norms.
6. Two classrooms are of the size of 400 sq.feet and two classrooms of the size of 180 sq.feet. The size of classrooms is not as per NCTE norms.
7. Library, Common Room for Boys/Girls, Art and Work Experience Rooms are not furnished.
8. No information regarding staff position was provided to the Inspection Team.

Appeal Committee has in view that appellant institution was recognized in 1996 under the category of existing institutions. Appeal Committee noted following regulatory provisions which existed in NCTE Regulations, 2009 and have been repeated in NCTE Regulations, 2014 as follows:-

8(11) (Regulations, 2014)

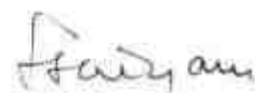

"Wherever there are changes in the norms and standards for a programme in teacher education the institution shall comply with the requirements laid down in the revised norms and standards immediately. However, the revised land area related norms shall not be applicable to the existing institution, but the required built up area shall have to be increased by existing institutions to conform to the revised norms."

8(7) (Regulations, 2014)

"No temporary structure or asbestos roofing shall be allowed in the institution, even if it is in addition to the prescribed built up area."

Appeal Committee after discussing the findings of the Inspection report and having regard to the fact that appellant institution is non-functional for the last couple of years, lacking sufficient built-up area as per norms and is without proper academic support, decided to confirm withdrawal of recognition.

After perusal of the memorandum of appeal, affidavit, the documents

Accordingly, rejection order issued to the institution on 19.04.2013,

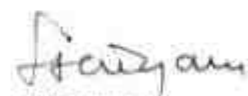

Aggrieved by rejection order of SRC, the institution preferred an appeal with NCTE-Hqrs and the NCTE Appellate Authority in its order No. F.No.89-160/2015 Appeal/11th Meeting-2016 dated: 02.09.2016 received by this office on 03.10.2016 stated as follows:

"...appeal Committee noted that appellant society applied for recognition of a D.El.Ed. course in year 2011 and the impugned refusal order dated 19.04.2013 was on the ground that (i) Building Plan approved by Competent authority was not submitted and (ii) total built up area shown in the building plan is 1036 sq. Meters, Building Completion Certificate is for 1504 sq. Meters which is not tallying.

Appeal Committee noted that appellant institution in reply to a Show Cause Notice (S.C.N) dated 16.05.2012 submitted copy of a building plan which shows the proposed plinth area of 1036 sq. Meters plus a corridor area of 468 M2. The stamp and signatures of approving authority is very faint and not legible. Appellant alongwith its appeal memoranda submitted copy of building plan which is relatively more legible and its shows the plinth area as 1036 m2 plus corridor area of 468 m2 (Total 1504 m2). The S.R.C., therefore, should have verified the assertions of the appellant institution by getting a physical verification done.

Appeal Committee further noted that appellant institution is already recognised for HPT (Hindi Pandit) course since 2002. The recognition order dated 30.08.2002 issued by S.R.C. indicated that previous recognition was given at the address where society's office is located. So if both the courses are not located at one place it cannot be treated to be a composite institution and if both the institutions are proposed at one place, the appellant will have to show evidence of adequate built up space for the two courses.

(S.Sathyam)
Chairman

management of AVR & SVR College of Education (B.Ed), Mannur, Kurnool District, Andhra Pradesh bearing No.SRCAPP14167 beg your goodness to consider the following request.

After seeing the particulars of 291st meeting of the Committee, SRC-NCTE Bangalore on 20th and 21st august, 2015 on online, we the management know that our college is summarily rejected and approached RD-SRC –NCTE, Bangalore and the cause of rejection is that the institution has not submitted the copy of the land document on the name of Lavanya Chairta Educational Society. This is a mistake and the institution has not done it intentionally.

Hence, we humbly request the Regional Director and Committee–SRC-NCTE, Bangalore to kindly excuse this mistake for first time and grant permission to the institution to proceed further as we are submitting herewith original land documents on the name of the Society and Xerox copies as well.

Remarks :

The institution submitted certified photocopy of the sale deed dated 26.12.2007 in favour of 'Lavanya Charita Educational Society on 23.09.2015.

The SRC in its 292nd meeting held during 29th to 30th September, 2015 considered the matter, request of the institution vide letter dated 23.09.2015 and decided as under:

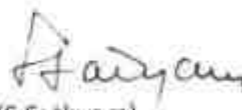

- Earlier decision to reject summarily was correct.

As per the decision of SRC, a rejection order was issued to the institution on 31.10.2015.

Aggrieved by the rejection order of SRC, the institution filed an appeal before the appellate authority NCTE Hqrs.

The appellate authority vide order F.No.89-343/2015 Appeal/3rd Meeting 2016 dated 18.04.2016 remanded the case to SRC as under:-

"The Committee noted that the SRC on finding that the land document submitted with the application was in the name of an individual, in their 291st meeting held on 20-21 August, 2015, decided to reject the application on the ground that the land is in the name of the individual. The appellant seeing the decision online, sent a letter, which was received in SRC on 23.09.2015. In that letter, the appellant admitting that by mistake they did not submit the land document in the name of Lavanya Charitha Educational Society, enclosed original and Xerox copies of the said land documents. The Committee also noted that the SRC

(S.Sathyam)
Chairman

thereafter considered the matter again in their 292nd meeting held on 29-30 Sept., 2015 and concluded that the earlier decision to reject summarily was correct and issued the rejection order on 31.10.2015.

The committee noted that a copy of the land document submitted with the application was a sale deed in the name of an individual registered on 25.04.2007. The committee also noted that the appellant has submitted to SRC on 23.09.2015 a copy of the land sale deed registered in the name of the society on 26.12.2007, admitting his mistake in not submitting the same along with the application since the land stood registered in the name of the society on 26.12.2007, and the sale deed mentioned that the earlier sale of this land was done on 25.04.2007 in favour of the vendor. The non-submission of the document registered on 26.12.2007 initially appears to be a bone-fide mistake on the part of the appellant. In view of this, the committee concluded that the matter deserved to be remanded to the SRC for processing the application further on the basis of the land document registered in the name of the society as per the Regulations.

After perusal of the memorandum of appeal, affidavit, documents available on records and considering the oral arguments advanced during the hearing the committee concluded that the appeal deserved to be remanded to SRC for processing the application further on the basis of the land documents registered in the name of the society as per the Regulations.

The Council hereby remands back the case of AVR & SVR College of Education, Nannur, Kurnool, Andhra Pradesh to the SRC, NCTE, for necessary action as indicated above."

"The CSI college of Education, Parassala owned by CSI South Kerala diocese is maintained Reserve Fund (A/c No.32315965364) for Principal amount of Rs.4,51,279/- and Endowment Fund (A/C No.32316184674) for an amount of Rs.7,52,132/- together exceeding Rs.12 lakhs for M.Ed course both Jointly with the Treasurer, South Kerala Diocese and The Regional Director, NCTE, Bangalore.

In the Letter of Intent (LOI) issued to the institution vide, letter cited above as reference (requirement No.5) we were asked to convert Endowment Fund to five lakhs and Reserve fund to seven lakhs.

This can be done only by closing both the fixed deposits. As the date of maturity reaches only on 26.04.2017 this will be treated by the bank as premature closure leading to a loss of nearly Rs.1.75 lakhs to the institute.

As per information received from the bank the latest amount including interest upto date has reached Rs.6,30,702/- for Reserve Fund and Rs.10,51,170/- for Endowment fund together exceeding 16 lakhs

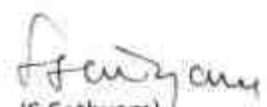

Hence I request you good self to permit us either to continue the FDs as it is till the date of maturity or to close both the FDs and to start new FDs as indicated in the LOI issued for M.Ed course."

The institution submitted reply to the LOI on 28.06.2016 as under:-

"As per our application for M.Ed Course (Application ID: SRCAPP2589) an inspection team visited our college during 1st week of February and based on the VT report a Letter of Intent Prior to grant of recognition was issued subject to the appointment of qualified staff. For staff appointment a selection committee was constituted with Dr.G.R.Santhosh Kumar, Chairman, Board of Studies (Education), University of Kerala as University Nominee, Rev.D. The list of selected candidates was forwarded to the University of Kerala along with their original documents for Approval/Endorsement which is being processed by the university.

All the other conditions from 3 to 7 as specified in the letter of intent are being fulfilled by us and is ready for your kind perusal. It is known from the University that the Process of Approval/ Endorsement of staff appointment may take nearly 2 months.

Since the institution has fulfilled all the requirements of LOI except approved staff list which is only due to the delay in processing by the university, I humbly request your good self to be kind enough to extend the date of submission of approved staff list at least to 2 months from this date enabling us to obtain recognition to start the course during the academic year 2017-2018."

2. Clarify who will be the Principal.

Accordingly, a letter was sent to the institution on 01.09.2016.

" In obedience to the ref cited above (291st meeting of SRC), we the management of AVR & SVR College of Education (B.Ed), Mannur , Kurnool District ,Andhra Pradesh bearing No.SRCAPP14167 beg your goodness to consider the following request .

After seeing the particulars of 291st meeting of the Committee, SRC-NCTE Bangalore on 20th and 21st august, 2015 on online, we the management know that our college is summarily rejected and approached RD-SRC -NCTE, Bangalore and the cause of rejection is that the institution has not submitted the copy of the land document on the name of Lavanya Chairta Educational Society. This is a mistake and the institution has not done it intentionally.

Hence, we humbly request the Regional Director and Committee-SRC-NCTE, Bangalore to kindly excuse this mistake for first time and grant permission to the institution to proceed further as we are submitting herewith original land documents on the name of the Society and Xerox copies as well.

Remarks :

The institution submitted certified photocopy of the sale deed dated 26.12.2007 in favour of 'Lavanya Charita Educational Society on 23.09.2015.

The SRC in its 292nd meeting held during 29th to 30th September,2015 considered the matter, request of the institution vide letter dated 23.09.2015 and decided as under:

- Earlier decision to reject summarily was correct.

(S.Sathyam)
Chairman

As per the decision of SRC, a rejection order was issued to the institution on 31.10.2015.

Aggrieved by the rejection order of SRC, the institution filed an appeal before the appellate authority NCTE Hqrs.

The appellate authority vide order F.No.89-343/2015 Appeal/3rd Meeting 2016 dated 18.04.2016 remanded the case to SRC as under:-

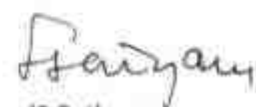

"The Committee noted that the SRC on finding that the land document submitted with the application was in the name of an individual, in their 291st meeting held on 20-21 August, 2015, decided to reject the application on the ground that the land is in the name of the individual. The appellant seeing the decision online, sent a letter, which was received in SRC on 23.09.2015. In that letter, the appellant admitting that by mistake they did not submit the land document in the name of Lavanya Charitha Educational Society, enclosed original and Xerox copies of the said land documents. The Committee also noted that the SRC thereafter considered the matter again in their 292nd meeting held on 29-30 Sept., 2015 and concluded that the earlier decision to reject summarily was correct and issued the rejection order on 31.10.2015.

The committee noted that a copy of the land document submitted with the application was a sale deed in the name of an individual registered on 25.04.2007. The committee also noted that the appellant has submitted to SRC on 23.09.2015 a copy of the land sale deed registered in the name of the society on 26.12.2007, admitting his mistake in not submitting the same along with the application since the land stood registered in the name of the society on 26.12.2007, and the sale deed mentioned that the earlier sale of this land was done on 25.04.2007 in favour of the vendor. The non-submission of the document registered on 26.12.2007 initially appears to be a bone-fide mistake on the part of the appellant. In view of this, the committee concluded that the matter deserved to be remanded to the SRC for processing the application further on the basis of the land document registered in the name of the society as per the Regulations.

After perusal of the memorandum of appeal, affidavit, documents available on records and considering the oral arguments advanced during the hearing the committee concluded that the appeal deserved to be remanded to SRC for processing the application further on the basis of the land documents registered in the name of the society as per the Regulations.

The Council hereby remands back the case of AVR & SVR College of Education, Nannur, Kurnool, Andhra Pradesh to the SRC, NCTE, for necessary action as indicated above."

The institution has submitted its written representation on 31.10.2015 along with some relevant documents.

The SRC in its 315th meeting held on 17th & 18th June, 2016 considered the shifting case and decided to issue show cause notice for the following ground;

1. Original approval was in 2002 with a shifting condition because of a 3-year lease-deed.
2. There were 3 deficiencies then:
 - (i).the land was on short-lease,
 - (ii).the structure was a temporary shed; and,
 - (iii).asbestos-sheets had been used.
3. The Institution did not take any action to approach SRC for remedial action.
4. Even now they have only produced a lease-deed for the same land, though for a longer-lease. There is no reference to change in the structures and removal of the prohibited asbestos sheets. This attitude on their part is highly irresponsible.

Accordingly, show cause notice was issued on 12.07.2016. Now, the institution submitted its reply along with documents on 17.08.2016 and stated as follows:

".....in view of the above deficiency here I am submitting for your consideration that we require some more time to fulfill the above deficiencies.

The permanent New RCC building is been under construction for Azeezia College of Education and will be completed shortly then the college will be shifted in the permanent building."

The Committee considered the matter, reply from the institution dated 17.08.2016 to the show cause notice dated 12.07.2016 sent from this office, and decided as under:

1. They have too many deficiencies. They have violated the shifting condition since 2005.
2. Their request for more time after 11 years is quite unjustified. We cannot agree
3. They have asbestos roofing also at the old site. That is highly objectionable as it is a banned item.
4. Issue SCN for withdrawal of recognition.
5. Give time till 20.12.2016 for reply.

(S.Sathyam)
Chairman

- In view of the NCTE (HQ) advice, we may hold up issue of our decision in reference. But, on the operational front we cannot exercise any regulatory role until the Regulations are emended. Mere development of norms & standards by a Committee can not alter the basic legal position.

NCTE Hqrs. Vide letter dated 29.06.2015 had informed that the recognition granted for the LPT courses may not be withdrawn. The questions regarding course content, duration, Intake, faculty requirements etc. will be taken care while norms and standards for these programmes will be framed. Till then the recognition of these programmes will continue on the terms and conditions under which recognition was granted.

Based on the decision of SRC taken in 284th meeting, the conduct of Entrance Test for LPT examinations for 2015-16 was put on hold by the State Government.

In the meantime, one institution, Vikas Telugu Pandit Training college filed W.P. No.23311 of 2016 & WPMP.No.28714 of 2016, in High Court of Hyderabad wherein the Hon'ble court has directed the State Government to conduct the LPT common entrance test within six weeks from the date of receipt of order.

Now the State Government has sent the above referred letter seeking advice from SRC on further course of action with regard to the orders of the Hon'ble court vis-a-vis.

- i) the decision of the 284th meeting of SRC;
- ii) the communication received from the NCTE Hqrs; and
- iii) submission of the Legal Counsel before the Honorable Court only of the status of continuation of Recognitions but not of the subsequent letters received from NCTE Hqrs informing that Norms and Standards would be communicated so that the programme can be started by July, 2016, awaiting which the Telangana Government has kept the conduct of entrance and admission pending.

A letter was sent to the Member Secretary, NCTE, Hqrs on 10.11.2016 requesting for furnishing of information regarding framing of Norms and standards, curriculum/syllabus for 2 years Language Pandit Training programmes.

The Committee considered the matter along with the letter received from NCTE-Hqrs and decided that the letter may be sent to the State Government for appropriate action.
