The Council, after consideration of Agenda placed before the Council and detailed discussion and deliberation, as below, observed the following: -

- The NEP 2020 lays down that teacher education institutions will be gradually moved into multidisciplinary colleges and universities by 2030. By 2030, the minimal qualification for a person to become a teacher will be the 4 Year integrated B.Ed. degree.
- The 2 Year B.Ed. program will also be offered only for those who have already obtained Bachelor's Degrees in other specialized subjects and the 1 Year B.Ed. program for those who have completed the equivalent of 4 Year multidisciplinary Bachelor's Degrees or who have obtained a Master's degree in a specialty and wish to become a subject teacher in that specialty.
- As per provision of Section 12 of NCTE Act, 1993 it shall be the duty of the Council to take all such steps as it may think fit for ensuring planned and co-ordinated development of Teacher Education.
- There are approximately 430 applications for various Teacher Education Programmes, other than Diploma level courses. pending at different stages in the RCs.
- NEP 2020 has brought about a paradigm shift in the Teacher Education Sector. Accordingly, NCTE is also revamping its various curricula of ITEP. 2 Year B.Ed., 1 Year B.Ed. and introducing new courses of 4 Year Physical Education and 4 Year Art Education in line with NEP 2020. These courses are also to be aligned to the various criteria laid down by UGC and in alignment with NHEQE. NCFSE and NCFTE However, the existing courses which are currently running are not in alignment with these various aspects e.g. Credit System. 4 Stages of School Education (5+3+3+4). Entry- exit policy, no hard separation etc. These changes in curricula would also necessitate changes in the norms, standards and regulations. For the reasons aforementioned, it is not feasible to process any pending applications.

In light of the above, the Council members unanimously decided the following:

- I. At present, there are several institutions which have been recognised by the Regional Committees of NCTE wherein courses/ programme, other than diploma level courses, are running. An Expert Committee be constituted to devise the modalities for conversion of these recognised institutions into multidisciplinary institutions in line with NEP 2020.***
- II. The applications pending before the Regional Committees of NCTE shall not be processed further. Hence, all such pending applications before RCs at any stage of processing be***

	<p><i>returned along with the processing fee to the concerned institution(s).</i></p> <p>III. In the cases where the applications are being processed/ reopened as per the directions of the Hon'ble Court (s), the concerned Regional Committee shall file a review/appeal before the Hon'ble Court(s) alongwith stay application against the order passed by the Hon'ble Court(s) for processing of application(s) in view of the decision of the Council as taken in II above.</p> <p>Keeping in view the above decision of General Body of the NCTE, the Regional Committee, NCTE advice the Regional Director, SRC to close the file of Davangere University College of Physical Education, Plot No. 1, 26 & 27, Tholahunase, Davangere-577002, Davangere, Karnataka for B.P.Ed. & M.P.Ed programme and inform them accordingly.</p>

Resolutions passed by the SRC, NCTE: -

1. While perusing the Court cases, the Committee observed that the delay at Appeal Committee is compelling the institutions to approach the Hon'ble High Courts for relief on the decision taken by the SRC. Therefore, a request is made to the NCTE Hqrs./Appeal Division to ensure the institutions who approached the Appellate Committee, their plea be addressed within the time frame in order to discourage the institutions approaching the Hon'ble Courts.
2. The Committee is in receipt of several complaints against the TEIs affiliated to Nagarjuna University, Andhra Pradesh. In this regard already a letter has been addressed to the Registrar, Nagarjuna University to ensure compliance of the NCTE Regulations at the time of extending affiliation. It is also observed whenever the Regional Committee identify the short comings and other irregularities by the institutions in the jurisdictional area of Nagarjuna University, Andhra Pradesh, though it is brought to the notice of the Registrar, Nagarjuna University, Andhra Pradesh no action has been initiated. To ensure quality in teacher education is the collective responsibility of the NCTE, affiliating University and the State Govt. In this regard the Committee advice the RD, SRC to apprise the Registrar, Nagarjuna University accordingly.
3. The office of the RD, SRC is receiving number of correspondences, calls etc. to clarify about the recognition/continuation/withdrawal of recognition status of the TEIs from the Universities, State Govts and other stake holders. In this regard the Committee is of the view the State Govt/affiliating Universities may authenticate the order presented by the institutions, cross verifying the minutes of the meeting stated in the order and also the Website of the SRC, NCTE and act accordingly. Still if they have any doubts about the orders, they are advised to seek the clarification from the RD, SRC till then affiliation should not be extended and not to allow the institutions to make any admissions. The sole responsibility of any misrepresentation made by any institution shall be of the concerned affiliating University.

4. The Committee observed that the affiliating Universities are not extending affiliation to some of the institutions having the recognition of the NCTE may be because of non-compliance of norms and standards. In such cases the Registrars of the affiliating Universities are requested to forward the details of such TEIs to whom the affiliation is not extended immediately to the RD, SRC after the affiliation process is completed for that academic year. This will enable the office of the Regional Director to initiate action against such institutions including the withdrawal of the recognition.
5. The Committee advice the Regional Director, SRC to address a letter to all the Registrars of the affiliating Universities in the jurisdictional area of the SRC to forward the list of colleges of teacher education in their jurisdictional area who have not yet obtained the continuation of recognition order from the SRC, NCTE at the earliest.

The meeting ended with the vote of thanks to the Chair.
