The SRC also made the following resolutions: -

1. Non-functional institution

It has been observed that some of the institutions which have been granted recognition by SRC, NCTE have not renewed the Affiliation from the concerned affiliating Universities. Though these institutions are not offering the course but they are in the Recognized list of NCTE. Hence it has been decided to obtain list of such institutions from the Universities and in the case of D.El.Ed. programmes the information will be sought from the respective SCERT/Director of School Education so that further action on withdrawal of recognition may be initiated.

2. Return of FDRs

The return of FDRs to those institutions whose recognition has been withdrawn is considered and decided that to adopt the following procedures:-

- (i) A resolution from Management/Trust
- (ii) NOC from the affiliating University/affiliating body.
- (iii) No objection from the faculty working at time of withdrawal/closer of the teacher education programme.

3. Teacher Education Centers in Kerala offering B.Ed course without recognition from NCTE.

It has come to the notice of the Regional Committee, that some Universities in Kerala are conducting teacher education programmes in the self styled institutions "University teacher education colleges" without permission from the State Govt. and recognition from the NCTE. Taking it as a serious matter, the Committee advised the Regional Director to write to the Universities in Kerala and also to the Department of Education, Govt. of Kerala for obtaining the factual information on the matter.

The meeting ended with the vote of thanks.
