The original files of the Institution alongwith other related documents, NCTE Act, 1993, Regulations Guidelines issued by NCTE from time to time and documents furnished by the institution were carefully considered by the SRC and the following observations were made: -

In compliance of order passed by Hon'ble High Court of Telangana at Hyderabad in W.P. No. 22284/2019, the SRC, NCTE, the SRC constituted a sub-committee to visit the institution alongwith a Senior Professor from Osmania University and also the Registrar of Telangana Univesity. The Sub-Committee visited the institution on 16.09.2021 and found that it's a big fraud committed by the management and running the institution by furnishing all false information and causing great damage to the students and their future. The Sub Committee noticed the following deficiencies:-

1. The institution was granted recognition vide order dt. 23.03.2005 in a rented premise with the condition that the institution shall shift to its own premise / building within three years from the date of recognition. On physical verification carried out on 16.09.2021 it was found that the institution is still running in a rented premise in House No. 6-2-157/28, Subhash Nagar, Nizamabad and the land is on leased basis. Further, vide letter dt. 15.09.2021 the institution requested that they could not construct own building due to Corona. The plea taken by the institution is not a valid ground that they had not constructed their own building since 2005 till date.
2. It is reported by the visiting team that the college name board is not seen but in the same campus Ravi Publis Chool is running. Hence, there is no accommodation available exclusively to run the B.Ed. course.
3. The VT Team also reported that there is no proper infrastructure and instructional facilities for B.Ed. course.
4. At the time of inspection, exept one lecturer no other staff member and no students were present in the campus.
5. All labs are ill equipped.
6. Sports facilities are not available.
7. The institution is not having sufficient number of faculty for B.Ed. course duly approved by the affiliating University.
8. FDRs towards Endowment and Reserve Funds are not being maintained as required under NCTE Regulations, 2014.
9. The website of the institution is not functional and not uploaded with the information required to be uploaded under NCTE Regulations, 2014.
10. The management given in writing confirming the above shortcomings observed by the Sub-Committee.

	<p>After careful consideration of the report given by the Sub-Committee, the SRC resolved that the institution do not deserve merit for grant of fresh recognition.</p> <p>Further, the SRC advised the Regional Director, SRC to immediately write a letter to the Secretary, Chairman, Telangana State Council of Higher Education, Hyderabad and Registrar, Telangana University, Nizamabad, Telangana not to allow the institution to admit any students for the academic year 2021-22.</p>

On the request of college management the university team has made a list to their newly constructed building. It was said by the college that they have submitted a file to NCTE for Shifting of College to new premises. The original files of the Institution alongwith other related documents, NCTE Act, 1993, Regulations Guidelines issued by NCTE from time to time and documents furnished by the institution were carefully considered by the SRC and the following observations were made: -

The SRC constituted a sub-committee headed by the Prof. K.K.Shine, Chairman, SRC. The Sub-Committee visited the instititon on 30.09.2021 and found that the management obtained recognition to B.Ed., D.El.Ed., additional intake in D.El.Ed. and B.P.Ed. courses without adhering any of the norms & standards prescribed by the NCTE for example as per NCTE norms to run a B.P.Ed. course minimum 5 acres of land alongwith playgrounds, indoor stadium and many other facilities. To the surprise of the committee there is no playground nor any facility for offering B.P.Ed. course as such to escape from the fraud committed by the management they have given a letter on the spot that they are willing to close down the B.P.Ed. course. It means they are running this programme without any facility for the last couple of years. Even no facilities are made available for other programmes too. It is a clear case of fraud committed by the institution colluding with the VT Team Members from NCTE and also misled the University and other authorities and running the institution. Therefore, the committee on the basis of observations of sub-committee decided to direct the RD, SRC to either handover the case to the Vigilance and NCTE Hqrs. with a recommendation to black-list the VT Team Members and also inform the respective institution for the indulgence.

212.	<p>Repalle Christian College of Education, Reppalle, Guntur-522265, Andhra Pradesh</p> <p>File No. – APSO0016, Course - B.Ed.</p> <p>The original files of the Institution alongwith other related documents, NCTE Act, 1993, Regulations Guidelines issued by NCTE from time to time and documents furnished by the institution were carefully considered by the SRC and the following observations were made: -</p> <p>The institution was issued a Show Cause Notice (SCN). The institution has submitted its reply on 04.12.2021. The Committee observed the reply submitted by the institution and found the following deficiencies.</p> <ul style="list-style-type: none">1. The institution has produced false statement that it has two storied building having 2040 sq.mtrs. of area of each floor. The Visiting Team in its physical verification of the instituton reported				

- the reality that it had only 2040 sq.mtrs. area which is not sufficient to run B.Ed. course alongwith a school as per the minimum requirement laid down under Appendix 4 of NCTE Regulations, 2014.
2. The institution in its reply submitted that that total 4040 sq.mtrs. build up area on first and second floor are only for B.Ed. course. It is totally contradictory statement that the institution has ground first and second floor (as per the building plan submitted by the institution itself) and according to that school being run by the institution on ground floor (2040 sq.mtrs.) is not at all sufficient to run the school. All three floors are certainly being used for both the courses.
 3. Vide Show Cause Notice the institution was informed that facilities for physical & health education, art & craft, work experience and IT Literacy are not available, equipments for the curriculum laboratory area not available, facilities in the ICT Resource Centre and Health and Physical Resource Centre are not available, facilities in the Health and Physical Resource Centre are not available, Education Journals are not provided in the library, only 1 Encyclopedia is provided in the library which is not sufficient, online resources are not available in the library and details regarding practice teaching and finances, FDRs are not provided to the Committee. These observations have been made on the basis of physical verification of the institution followed by the remarks of Visiting Team that no single record has been maintained in the institution. Now mere submission of Xerox copies of bills made on the previous dates is not a satisfactory ground to relax the institution from the action of withdrawal of recognition.
 4. Vide Show Cause Notice the institution was informred the deficiency that the website of the institution is not functional. The institution submitted its reply but in actuality the website of the institution is still non-functional and is not uploaded with the information required under clauses 7(14)(i), 8(14) and 10(3) of NCTE Regulations, 2014.
 5. The institution did not produce the record to the Visiting Team at the time of inspection and the same is a serious violation of provisions of NCTE Regulations, 2014 and liable to withdrawal of recognition.
 6. The Committee is not at all satisfied with the reply and submissions alongwith documentary evidences regarding removal of deficiencies.

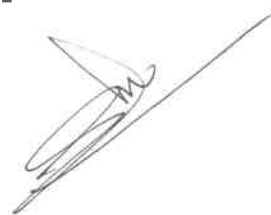

Keeping in view the report of the Sub-Committee and reply submitted by the institution, the Committee resolved that the institution do not deserve merit for reconsider the mater and accordingly the withdrawal order dated 7.9.2020 stands confirmed

	on the grounds deficiencies mentioned above.
