#### **Decision of NRC**

The online file of the institution along with other related documents, NCTE Act 1993, Rules, NCTE Regulations 2014, SOP, guidelines issued from time to time along with the order passed by the Appellate Authority were placed before the Northern Regional Committee. As per the decision of the NRC during its 432<sup>nd</sup> meeting, the institution's application was refused through an order dated 20/01/2025 based on the following reasons:

- The institution has submitted a NAAC certificate with a Grade of "B," which is valid until 28.02.2026, earning 4 points in this regard.
- The institution has been offering multidisciplinary courses since 19.12.2024, thus securing 1 point for this aspect.
- The institution has provided the recognition order for its B.Ed. program, which is acknowledged by the NCTE, resulting in an additional 2 points.
- According to the data submitted by the institution, the University has only accumulated 7 points. Given that a minimum of 10 points is necessary according to the shortlisting criteria for processing ITEP applications for the 2025-2026 session, the University's application is therefore ineligible to apply for the 4<sup>th</sup> phase of ITEP as per the Public Notice F. No. NCTE-Reg1012/1/2024-Reg.Sec-HQ dated 22.04.2024 issued by NCTE (HQ).
