The Hon’ble High Court of Patna has disposed of the LPA with the following direction as mentioned below:

“We are, thus, of the view that the writ petitioner who, as per NCTE itself, has its own land on which it is constructing its own building and in the meantime, it was operating from a private leased premises, it ought not to have been denied the permission, moreso, when this denial was on 18.05.2009, whereafter, as noticed above, large number of other such institutions were granted permission even though they had no land of their own and were operating from private leased premises.

We therefore, set aside the orders of the Regional Director of NCTE and NCTE, New Delhi and direct the Regional Director of NCTE to take a fresh decision in this regard. If it is found that the writ petitioner is developing its own land, then recognition be granted to it, contingent to its making the permanent structure and moving therein, within a reasonable time frame so that continuity of teaching can be maintained”.

In view of the above, the committee decided as under:

“**Legal opinion on the matter be taken**”.
