Total ..4000 sq mts.

4.2. B.Ed-Al (1 unit) will require another 500 sq mts.

5.1. As against this total requirement of 4500 sq mts, they have only 4162.50 sq mts as per the latest VT Inspection Report and only 3263 sq mts (as per the BCC dated 31.07.13).

5.2. The BCC is very old. They should be asked to file a new BP and a new BCC duly approved by the Competent authority.

5.3. Based on available information about built up area, we had taken a unilateral decision to reduce the B.Ed intake strength from 2 units to 1 unit. The applicant had not made any request for such reduction. Fortunately, no formal order was issued in this regard. Our decision in reference may, therefore, be ignored as infructuous.

6.1. They should also clearly explain the built-up area position. Either it should be augmented to accommodate all the courses in reference or, they should indicate which courses they wish to retain and which they wish to wind up.

6.2. The faulty requirement will be as follows:

B.Ed (2 units)...1+4+8+3.

- **M.Ed (1 unit)...2+2+6.**
- **D.El.Ed (1 unit)...1 + 8.**
- **B.Ed-AI (1 unit)...8.**

6.3. With reference to the built-up area availability, they should decide on which courses they wish to continue and, accordingly, decide on the faculty required; and accordingly submit fresh Faculty lists duly approved by the Competent authority.

7. Please issue a composite SCN accordingly covering all the four courses. Draw their attention to the Supreme Court prescribed time-limit of 3.3.18 for issue of FRs w.e.f.2018-19. They should, therefore, speed up their response.

1. Their reply does not meet our requirements.

2.1. Their reply to our LOI is incomplete without the approved faculty list.

2.2. In view of the Supreme Court prescribed dateline of 3.3.18, for issue of FRs w.e.f. 2018-19, we can not indefinitely wait for the approved faculty list.

3. The faculty list must come by 31.1.18 so that we will have time to process the case and consider issue of FR w.e.f. 2018-19.

4. Issue SCN accordingly.
