1. In this case, the SRC took a decision in the 355th Meeting on 31st January, 2018 to issue FR for BSc.B.Ed (1 Unit) w.e.f. 2018-19. This decision in a Summary form was uploaded in the SRO website on...... for public information.

2. But, the formal order communicating this decision and issuing the FR to the applicant-Institution concerned and the relevant affiliating bodies was not issued by the SRO.

3. In the 357th meeting today (on 24th February 2018) this case has been brought back to the SRC for reconsideration. This request is pressed on two grounds:
   (i) The SRC’s decision in reference has not yet been given effect to formally.
   (ii) It is now seen that the decision suffers from a basic legal infirmity. The Regulations were amended and given effect to on 9 June 2017 to prescribe that all Faculty members shall have the NET qualification. Unfortunately, this amendment was not communicated to the SRO before 21 Feb 2018 and to the SRC before 23 Feb 2018. As a result, the SRO/SRC did not apply this requirement while clearing any case for issue of FR before 23 Feb 2018.

4. The Strict legal position, however, is that any legal prescription becomes effective from the date of notification in the Govt gazette. That being so, lack of information to the SRO/SRC can not be cited to override this standard legal practice.

5. Accordingly, the SRC applied this (amended) requirement to all cases decided on 23 Feb 18. Even cases which were otherwise
eligible for issue of FR w.e.f. 2018-19, which in earlier times would have been cleared by the SRC, were kept back for issue of SCN to the applicants.

6.1. This case, although it pertains to a period prior to 23 Feb 2018, will still fall in the ‘post 23 Feb 2018’ category, since as explained in paragraph-3 above, the SRC’s decision has not been given effect to formally. And, to clear this case for issue of FR today i.e., after being specifically informed about the said amendment to the Regulations, will be irregular.

6.2. In the result, and for the reasons given above, the decision dt 31st January, 2018 clearing this case for issue of FR for BSc.B.Ed (1 Unit) w.e.f. 2018-19 is reviewed and rescinded.

7. SRO is directed to issue a SCN to the applicant-Institution accordingly for rejection.

8. There will be many other such cases between 9 June 17 and 23 Feb 18 in which FRs have been issued without taking this (amended) requirement into consideration. NCTE (HQ) may be requested to advise on how to rectify the orders passed therein.
