1. This is a shifting case of B.Ed (2 units) & D.El.Ed (1 unit).
2. Originally they wanted to shift to the outskirts of Duddeda. Now they want to shift both the programmes to a locality in Narayanked.
3. The title deed is only a photo copy. At least the certification by the Sub-Registrar should be in ink in original.
4. LUC & EC are in order.
5. BP & BCC are in order. Built up area of 3600 sq mts is adequate for B.Ed (2 units) and D.El.Ed (1 unit).
6. FDRs are required in original, in joint account, with a 5 year validity @ Rs 12 lakhs for each programme.
7. Faculty lists are seen.

**B.Ed (2 units)**

7.1. (i) They have not given a new list giving the latest position. They have just given a copy of the old list.

(ii) For B.Ed (2 units) we need a list of 1 +15. They have given a list of only 1 +6.

D.El.Ed (1 unit)

7.2. (i) We need 1 +8. But, they have given a list of 1 +7.

(ii) Principal is shown to take classes as Lect (Political Science) in Pedagogy Group. This is not acceptable because as Lect (Political Sci.) he will be required to Supervise Practice Teaching which he may not be able to do.

(iii) The Lect (Maths) must have MSc., M.Ed. The qualification proposed of MSc+B.Ed + 5 year experience is not acceptable. Such an arrangement is allowed only in the Pers. Group. Therefore, the Lect. 1. This is a case of shifting B.Ed (2 units).
2. The deficiencies in the Faculty list have been removed.
3. We had pointed out the deficiencies in Oct.17. At that time, we were not aware of the 9.6.17 amendment. All cases of Faculty recruitment were cleared without reference to any amendment. That being so, it is not being raised here also. Otherwise, hundreds of cases will have to be reopened giving rise to endless litigation.
4. Issue Ratification for shifting without permission.
5. Issue a fresh FR for B.Ed (2 units) at the new address.
6. Inform the University.

Corporation Bank has not been satisfactorily explained. They have explained it away by saying that they have acquired title through a third party. But, it is not clear how the third party acquired title to the land that was mortgaged with the Corporation Bank. They should explain the whole process more clearly.

8. Issue SCN accordingly.

1. This is a RPRO case of B.Ed (2 Units).

2.1. Records show that the lands are leased to Shri. A.M. Gopalan. There is no provision for Sub-leasing. It has to be explained how Shri. Gopalan has sub-leased it to the College.

2.2. The lease is specifically for the period of Sh. Gopalan’s life-time or till he cases to be the Trust’s representative. How does the college say that the Trust will continue to retain lease hold right is not clear.

3. It is not correct to say that after 2008 the Trust has title to the land. Shri. Gopalan had no authority to sub-lease the land. In other words, even today, the Trust or the College does not have title to the land. But, what is relevant is whether on the date of application they had the title. The answer is ‘No’.

4. LUC & EC are given.

5. BP is not legible. Obtain a legible copy. Not

approved by Competent authority.

6. BCC is given. It is in order. The tin-roof area falls outside the area earmarked for the College.

7. The possession Certificate issued by the Tahsildar is not relevant. The focus is on 'title'.

8. The built-up area position will be cross-checked with BCC and BP after presentation of a legible copy of BP.

9. Faculty list is still to be submitted. Draw their attention to the 9.6.17 amendment to the Regulations.

10. Issue SCN accordingly.

1. This is a RPRO case of B.Ed (2 units).
2. LUC is still not given. Even Urban areas have Master Plans segregating areas for different purposes like Residential, Commercial, Industrial, etc. The Municipal Commissioner will ordinarily give this certification and approve the BP.
3.1. Faculty list is given. We need a list of 1+15. They have given a list of 1+15.
3.2. Principal, appointed in 2002, is qualified.
3.3. They have not shown the Faculty Groupwise. Although they have the total number of 1+15, in the absence of Groupwise segregation, it is not possible to conclude where is the excess and where is the shortage. They should clarify.
