The institution submitted reply to show cause notice on 29.04.2016 for the existing B.Ed (APS00210) course.

The SRC in its 315<sup>th</sup> meeting held on 17<sup>th</sup> & 18<sup>th</sup> June, 2016 considered the matter and decided as under:

1. The proposal now is to shift the B.Ed (2 units) to the D.El.Ed-site owned by them.
2. The related D.El.Ed case has been held in abeyance for decision in this case.
3. Inspection fee has been paid separately in the two cases.
4. Cause composite inspection.
5. Ask VT to collect all relevant documents. It is relevant here to state BP is not approved; BCC/Original FDRs/Faculty List are not give; LUC is given; EC is given.

Accordingly, as per decision of SRC, inspection intimation was sent on 13.07.2016. Inspection of the institution was conducted on 16.09.2016. VT report along with documents and CD received on 22.09.2016.

VT report is placed in 329<sup>th</sup> meeting in the existing B.Ed (APS00210) file.

**Remarks:**

SRC in its 329<sup>th</sup> meeting considered the VT report and decided to issue show cause notice for the existing B.Ed(APS00210) course. Accordingly, show cause notice was issued on 09.02.2017.

The Committee considered the above matter and decided as under:-

1. This case has already been cleared for issue of FR for D.El.Ed ( 1 unit). Only it is held in abeyance for final decision in the allied B.Ed case.
2. The B.Ed case is for shifting to the new site to provide composite

		<p>status to the D.El.Ed case.</p> <p>3. They have not yet submitted the Faculty List for B.Ed. The B.Ed case can be cleared for shifting subject to submission of a proper faculty list, latest by 15.03.2017.</p> <p>4. Based on this decision, FR for D.El.Ed ( 1 Unit) can be issued w.e.f 2017-18.</p> <p>5. If by 15.03.17, faculty list for B.Ed is not given, its recognition will be withdrawn; and, consequently the D.El.Ed course will also be derecognized as a stand-alone case.</p>

While submitting the application, it has to be ensured that the application is duly signed by the applicant on every page, including digital signature at appropriate place at the end of the application.”</i></p> <p>On careful perusal of the original file of the institution and other documents, the application of the institution was found deficient as per Regulations, 2014 as under:-</p>

1. The institution has not submitted NOC from the affiliating body along with application.
2. The application is not duly signed by the applicant on all every pages of the hard copy of the online application.

The matter was placed before SRC for in its 292<sup>nd</sup> meeting held on 29-30 Sept, 2015 and the Committee considered the matter and decided to issue show Cause Notice for rejection of application in the following ground:

- **Non Submission of NOC issued by the affiliating body along with application.**

Accordingly, Show cause notice was issued to the institution on 21.10.2015. The institution submitted written representation on 19.11.2015.

The SRC in its 295<sup>th</sup> meeting held on 28<sup>th</sup>-30<sup>th</sup> November and 01<sup>st</sup> December 2015 considered the documents submitted by the institution along with institution's reply dated 19-11-2015 to the show cause notice and decided as under:

- **The reply to the Show Cause Notice is not satisfactory. They have admitted the deficiency. We cannot wait indefinitely from them to produce the NOC. According to the Regulations it is the responsibility of the applicant to secure and attach the NOC from the affiliating body. That being so, it is decided to reject the application.**

The SRC in its 300<sup>th</sup> meeting held on 29th -30th January, 2016 decided as follows:

*"Keeping in mind the over-all public interest, the committee revised its earlier stand to reject all cases of non-submission or delayed submission of NOCs, and decided to reopen and process all such rejected cases by accepting NOCs even now irrespective of their dates of issue".*

As per the direction of SRC, application was processed and placed before SRC in its 303<sup>rd</sup> meeting held on 15<sup>th</sup> February 2016. The Committee considered the matter and decided as follows;

1. Contiguity with existing B.Ed.
2. Discrepancy in Sy.no. In land and other documents.
3. Built up area is inadequate for existing and proposed programmes
4. BCC is not approved by competent authority
5. Cause Composite Inspection
6. Ask VT to collect all relevant documents.
7. Ask whether they want BA;B.Ed or B.Sc;B.Ed

As per the decision of SRC, inspection intimation was sent to the institution and VT members on 22.02.2016. The Inspection of the institution was conducted on 20.02.2016 and VT report along with documents was received on 22.02.2016.

The SRC in its 305<sup>th</sup> meeting held on 25<sup>th</sup> & 26<sup>th</sup> February, 2016 considered the VT report and other relevant documents and decided as under:

1. Inadequate built up area
2. CD is working
3. Issue Show Cause Notice accordingly.

Before issuance of show cause notice, the institution submitted its written representation on 01.03.2016.

The SRC in its 306<sup>th</sup> meeting held on 01<sup>st</sup> - 04<sup>th</sup> March, 2016 considered the institutions written representation and decided to issue show cause notice for rejection for the following ground;

1. The time given by NCTE (HQ) till 30.05.2015 only for the existing course covered by the RPRO. We cannot take that into consideration. The built-up area available is adequate only for the existing courses. Even if they surrender 1 unit of D.El.Ed, even then,

the area available will not be adequate for the proposed courses.

2. The court order is yet to be received. In any case, in the normal course, it is reasonable to assume that the court will deal only with what is pending before it and not any new applications.
3. That being so, the two new applications-B.Sc;B.Ed and B.Ed-AI-are not maintainable.

Accordingly, show cause notice was issued to the institution on 20.05.2016. The institution has submitted its reply along with court order on 13.06.2016.

The institution submitted written representation on 12.07.2016 requesting to give three months time for conducting the required built up area for B.SC.B.Ed course.

The SRC in its 317<sup>th</sup> meeting held on 27<sup>th</sup> & 28<sup>th</sup> July, 2016 considered the show cause notice reply and decided as under;

1. They have D.El.Ed (2 units, B.Ed(2 units). They want B.Sc,B.Ed (1 unit) and B.Ed-A.I.(1 unit). The total required built-up area will be (2000+2000+500+1500) 6000 sqms. As against this they have only 3772 sqms. They want time till Sept to complete the additional area required.
2. Time is given till 30 Sept 2016.
3. Let them add the construction and approach us thereafter.

Before issuance of letter to the institution, the institution submitted written representation along with relevant documents on 05.08.2016.

The SRC in its 323<sup>rd</sup> meeting held on 16<sup>th</sup> to 18<sup>th</sup> November 2016, considered the matter and decided to issue show cause notice on the following grounds:

1. Their contentions about the built-up-area requirements are not correct.
2. They need 2000 (for D.El.Ed-2 units) + 2000 (for B.Ed-2 units) +500 (for B.Sc B.Ed-1 unit)+500 (for B.Ed-A.I-1 unit)
3. They have only 3772 sq.mtrs. This will suffice only for D.El.Ed( 2 units) +B.Ed (1 unit) or vice versa.

4. There is no scope for any new course. The existing courses themselves have to be the preuned.
5. Issue Show Cause Notice accordingly

Accordingly Show Cause Notice was issued to the institution on 30.11.2016.

The institution submitted its written representation for Show Cause Notice on 09.12.2016 and stating as under;

29.12.2012 for recognition to start a college offering B.Ed Course. The application was forwarded by NCTE to the State Government on 22.01.2013. After sending a reminder to the State Government on 22.04.2013, the NCTE pointed out certain deficiencies by their letter dated 22.04.2013.

5. Under Rule 7(1) of the NCTE regulations 2009, the Petitioner was obliged to remove the deficiencies within a period of 60 days from the date of communication of the deficiencies. This rule has also been held to be mandatory by the Supreme Court.
6. But, unfortunately, the petitioner claimed to have complied with the deficiencies, beyond the period of 60 days. Therefore, the second respondent passed an order dated 25.09.2013, rejecting the application for recognition on the ground of non-removal of deficiencies within the statutorily prescribed time limit.
7. As against the said order, the petitioner filed a statutory appeal. But, the appeal was dismissed on 21.05.2014. Therefore, the petitioner is before this Court.
8. There is no dispute about the fact that the petitioner did not inform the respondents about the removal of the deficiencies within 60 days. The petitioner claims to have removed the deficiencies only after the stipulated period. Therefore, the respondents cannot be found fault with.
9. For the academic year 2014-15, even the time for admission is now over. Therefore, if at all, the petitioner case can be considered only for the next academic year, namely, 2015-16.
10. Therefore, the writ petition is disposed of, directing the petitioner to make a fresh application online, within the due date, for consideration of their request for recognition for the academic year 2015-16. The NCTE shall process the application, conduct an inspection and pass orders sufficiently in advance, so that the last minute syndrome is avoided. No costs.

2. The institution has submitted a Building Completion Certificate dated 25.01.2017 showing a built up area of 2543.19 sq.mtrs for proposed B.A.B.Ed/B.Sc.B.Ed course is submitted.
3. The institution in its reply in respect of SRCAPP201630201 has stated that
  - (a) APS08321 and SRCAPP201630201 go together for the composite status of Ponkalamman College of Education, APS08517 and SRCAPP201630198 go together for the composite status of Arasu College of Education.
  - (b) Ponkalamman College of Education and Arasu College of Education for Women are having a separate building in the same Sy.No. 261/A22C.

**Note :**

- (1) The institution has submitted the same land documents for both Arasu College of Education for Women and Ponkalamman College of Education.
- (2) Two Building Completion Certificates submitted for Ponkalamman College of Education are similar to two Building Completion Certificates submitted in respect of Arasu College of Education for Women. The built up areas reflected are same.

A comparative statement of Show Cause Notice replies received in

respect of Arasu College of Education and Ponkalamman College of Education is enclosed

The Committee considered the above matter and decided as under:-

1. These two cases have many things in common, same location, same Sy. No.s, same type of building, the 2 units linked in a L-shaped structure, same existing courses (i.e B.Ed , 2 units), same proposed courses (i.e B.A.B.Ed 1 unit + B.Sc.B.Ed - 1 unit).
- 2.1 But, EC (dt 24.1.17) is differently shown. For one the no is 104 and for the other it is 105. Why should there be two different ECs for the same Sy.No.s, it is not clear.
- 2.2 There is one EC covering Sy.No. 867 for which there are no documents. The relevance of this EC needs to be explained.
3. The built-up area required in each case is 5000 sq.mtrs ( 2000 sq.mtrs for B.Ed 2 units + 1500 sq.mtrs for B.A.B.Ed - 1 unit + 1500 sq.mtrs for B.Sc.B.Ed - 1 unit)
- 4.1 The built-up area shown to be available for Arasu College is only 2543.19 sq.mtrs which is very inadequate. They cannot make up by additional construction because the Building Plan permits only 2543.19 sq.mtrs of built-up area.
- 4.2 The built-up-area shown to be available for the Ponkalamman case is 4560.21 sq. mtrs (2543.19 +2017.02 sq. mtrs). This is inadequate against the requirement of 5000 sq. mtrs. But, it is not clear wherefrom the extra 2017.02 sq. mtrs come since both the building units are shown to be of the same size and shape. In this case also, they cannot make up for the deficit through addl. construction because the Building Plan permits only 2543.19 sq. mtrs of built up area.
5. According to NCTE(HQ), we cannot give more than 2 units of B.Ed to a TEI since that is the stipulation in the Regulations. Both these TEIs already have 2 units of B.Ed. Whether the 2 units of B.Ed in the 2 integrated courses proposed will add to the already existing 2 units or not is not clear. We may have to seek clarification form NCTE(HQ).
- 6.1 All in all, these two cases are too complex. Various legal and

		<p>documentary issues need to be resolved. We will have to get a composite inspection organized with a detailed list of points for verification by VT.</p> <p>6.2 Cause such a composite inspection.</p> <p>7. Since the computer programme reportedly is not amenable for issuing such guidelines to VT</p> <p>members, RD is advised to write separate letter to the VT members giving guidelines strictly according to the minute of the SRC.</p>
54.	Letter from NCTE, Hqrs.	<p>NCTE Hqrs. vide letter no.No.F.63-6/2015/NCTE/Legal/45419 dt.09.11.2016 has forwarded a copy of judgment order dt. 08.09.2016 in Civil Appeal No. 9193/2016 arising out of SLP No.22637/2015 titled L.B.S B.Ed College Vs. State of Rajasthan and others passed by the Hon'ble Supreme Court of India. The concluding para of the Judgment reads as under:</p> <p><i>"As we find from the aforesaid authorities as well as the Regulations framed by the NCTE, the State has a say, may be a limited one. We are inclined to use the word 'limited' because the State's say is not binding on the NCTE. However, the NCTE is required to take the same into consideration, for the state has a vital role to offer proper comments supported by due reasoning. It needs no special emphasis to say that final authority rests with the NCTE. It is the clear legal position.</i></p> <p><i>In course of hearing, we have been apprised that the NCTE has granted recognition to some of the institutions. As the recognition has already been granted, the controversy with regard to the said institutions shall stand closed. Needless to say, in future, whenever an application is received under the Regulations and the judgments of this Court and the State shall remain bound by the principles set out herein above. Whether 4 year integrated course can be offered by a stand alone TEI, offering a single programme of teacher education, in view of the provision in the regulation that such a course can be offered only to a 'composite-institution; as per definition in clause 2(b) of the Regulation 2014.</b></li></ol> <p>The NCTE HQ. clarified that this issue needs to be resolved as per clarification given earlier vide letter dated 7<sup>th</sup> April 2016. In this letter, we clarified that in view of another provision in clause 8(1) of the Regulations that all standalone Teacher Education Institutions need to gradually move towards becoming 'composite-institution; the 4 year integrated course can also be given to a Teacher Education institution offering a single teacher education programme, provided the affiliating university agrees to regulate the BA/B.Sc./ component of the integrated programmes, as per university norms.</p> <ol style="list-style-type: none"><li><b>2. Whether application for more than one teacher programme</b></li></ol>
-----	------------------------	---

**simultaneously can be considered by RC.**

Earlier, it has been categorically clarified vide NCTE letter dated 2.2.2016 that such applications can be considered simultaneously. However, final recognition to TEI shall be issued only if both the applications meet the requirement and are approved by RC for recognition. There is no bar on simultaneous processing of the application but final recognition order shall be issued if only it results in recognition of TEI with two programmes. Thus the process should not result in creation of a stand alone TEI offering a single Teacher Education Programme.

**3. Whether expansion/additional intake may be allowed in case of DPSE D.El.Ed. and B.Ed. Programme to existing TEI's.**

The NCTE clarified vide NCTE letter dated 8.12.2016 that intake defined for B.Ed. programme under the Norms is, "there shall be a basic unit of 50 students with a maximum of two units." In view of this provision no additional intake be allowed to any TEI for B.Ed. course, beyond two units. The matter was clarified accordingly.

**However, provisions of intake for DPSE and D.El.Ed. programme is little different. In these cases only two units are allowed initially. However, Government institutions shall be sanctioned a maximum intake of four units subject to fulfillment of other requirements. No indication for a maximum number of units has been provided in the norms for these two courses for self financed institutions.**

**Hence in case of DPSE and D.El.Ed. increase in number of units beyond two basic units may be considered in a composite institution (as per clause 2(b) of NCTE Regulation, 2014) and also**

		<p>taking into account the need for additional intake in the context of overall requirement in the State, in addition to other infrastructure requirement including those for existing units as per instant regulation.</p> <p>The Committee considered the above matter and decided as under:-</p> <ol style="list-style-type: none"><li>1. placed before SRC in its 139<sup>th</sup> meeting held on 6<sup>th</sup> to 8<sup>th</sup> August 2007. The Committee decided to grant conditional recognition.

Conditional recognition letter was issued to the institution on 09.08.2007. Since the institution has not submitted any reply, one more letter was issued to the institution on 24.09.2008 the institution has not submitted written representation even after a lapse of ten months.

The matter was brought before the SRC in its 168<sup>th</sup> meeting held on 15<sup>th</sup> December, 2008. SRC decided to issue show cause notice under section 14 of NCTE Act, 1993 providing 21 days of time for submitting the written replies/compliance. Accordingly show cause notice was issued to the institution on 06.02.2009.

The institution has submitted written representation on 20.02.2009, which was placed before SRC in its 171<sup>st</sup> meeting held on 16<sup>th</sup> and 7<sup>th</sup> March, 2009. The Committee decided to issue show cause notice on the following deficiencies;

- The built up space provided for proposed course is not adequate. The details of built up space available with approved building plan, building completion to be submitted for proposed course.
- As per reply to the notice institution is not owning any building to house Teacher Training institute.
- The institution has Rs. 120 lakhs for purpose of construction of new building. As per regulations of NCTE 2007 para 8(10) states that "At the time of inspection, the building of the institution shall be complete in the form of permanent structure on the land possessed by the institution in terms of Regulation 8(7) equipped with all necessary amenities and fulfilling all such requirements as prescribed in the norms and standards. The applicant institution shall produce the original completion certificate, approved building plan in proof of completion of building and structure/asbestos roofing shall be allowed."
- The vouchers for purchases of equipment in Science, Psychology, E.T. and Library books to be submitted for verification.

Accordingly, show cause notice was sent to the institution on 09.04.2009. The institution submitted show cause notice reply along with

documents on 10.08.2009.

The SRC in its 181<sup>st</sup> meeting held on 20<sup>th</sup> – 21<sup>st</sup> August 2009 and decided to withdraw the Conditional Recognition immediately for the following reasons:

1. The institution stated in reply to show cause notice that the building to be constructed by the Panchayat body and the Secretary Rural Development Commission office informed that an estimate of Rs. 15 lakhs sanction is getting administrative and technical sanction for obtaining fund from RIDF. In view of above the Committee observed that the institution has not constructed building and in the existing building, built up space is not adequate to run the proposed TTC course.
2. The institution has not submitted Annexure-I, II and III and also the teaching regular faculty are not appointed for the proposed course.

In the view of the above, the Committee decided to withdraw the Conditional Recognition immediately.

Accordingly, withdrawal of Conditional Recognition order for TTC course was issued to the institution on 03.09.2009.

Institution has preferred an appeal against the withdrawal order dated 03.09.2010 to the Appellate authority, NCTE New Delhi the Appellate Authority considered the appeal and remanded back to the SRC for issue of revised order for withdrawing the recognition of the institution for D.Ed with prospective effect.

The SRC on careful perusal of the Appellate Authority order dated 05.01.2010 remanding back the case for issue a revised order treating the institution as recognised and withdrawing the recognition with prospective effect, the SRC decided that modification of refusal order be issued subject to condition that no fresh admissions shall be made after issuance of modification order. The withdrawal take effect from academic session 2010-11.

As per the decision of SRC modified refusal order was issued to the

institution on 04.03.2010.

On 19.07.2010, a copy of the Court order in W.P.No. 21311/2010 was received by this office from the advocate, Dr.Abraham P. Meachinkara, filed by the state of kerala before the Hon'ble High Court of Kerala at Eranakulam.

**The Court Order is as under:**

**Admit. Urgent notice. There will be an interim stay as prayed for, for two months and the petitioners are permitted to admit students for TTC Course in the Government TTI, Cheruvattoor. The petitioners will take earnest efforts to see that all the infrastructural facilities as directed by the National Council for Teacher Education are provided at the earliest.**

**post after two months**

Accordingly, brief of the case was sent to the advocate on 26.07.2010.

The institution has submitted representation on 20.06.2015 and 09.12.2015 requesting to reinstate the permanent Recognition for D.Ed (TTC) course. A letter was issued to the institution on 12.07.2016 informing the institution recognition cannot be reinstated as it has already been withdrawn by SRC vide order dated 04.03.2010.

On 07.02.2017 the office has received a court order dated 17.12.2016 in W.P(C)No.21311 of 2010 which is as under:

The Government runs a Teacher Training Institute at Cheruvattoor Post, Nellikuzhi Village, Kothamangalam, Eranakulam District. In the course of time, the National Council for Teacher Education (NCTE), the first respondent, exercising its powers under section 14(3) (b) of the National council for Teacher Education Act, 1993 ('the Act') issued Ext.P20: it withdrew the recognition granted to the petitioner Teacher Training Institute for the academic year 2010-11. It also issued consequential directions. Aggrieved, the Government filed this writ petition.

2. This court on 09.07.2010 stayed the de-recognition because the state represented that it had already allotted sufficient funds and that, within six months, it would cure the

		<p>deficiencies, if any. It would thus comply with the Act. The stay granted on 09.07.2010 has continued, &amp; continues to this day, much beyond six months, however.</p> <ol style="list-style-type: none"><li>3. The learned counsel for the respondents has fairly submitted that given the efflux of enormous time, nothing survives. Even going by the state's stance, initially it only needed six months' time to comply with the statutory conditions, avers the learned counsel, so the matter obviates any adjudication. According to him, the writ petition could be closed, leaving it open for the respondent authorities to re-inspect the institute and proceed further under law.</li><li>4. The learned Government pleader has concurred with the learned Standing counsel's Suggestion.</li><li>5. Given the passage of time and changed circumstances, I set aside Exts.P15, P19 and P20. I leave it open for the respondent officials to inspect the petitioner institute and proceed under law if any deficiencies are, still, found.</li></ol> <p>This writ petitions is disposed of as above. No order on costs.</p> <p>The Committee considered the above matter and decided as under:-</p> <ol style="list-style-type: none"><li>1. Court order is noted .</li><li>2. Cause inspection for D.El.Ed (1 unit)</li><li>3. Ensure adherence to 2014 norms and standards.</li><li>4. Ask VT to collect all relevant documents.</li><li>5. Put up in April.</li></ol>
58.	APS03122 D.Ed Al-Ameen Urdu Training Institute, Belgaum, Karnataka	<p>Al-Ameen Urdu Training Institute, 1<sup>st</sup> Cross, Azad Nagar, Belgaum District-Karnataka was granted recognition for D.Ed course on 26.12.2000 with an intake of 30 students and D.Ed-AI with an intake of 20 students on 16.12.2004. Thus making an annual intake of 50 students with a condition that the institution shall shift to its own premises/building within three years from the date of recognition ( in case the course is started in rented premises).</p>

NCTE, Hqrs vide its letter dated 30.06.2010 has forwarded a copy of the inspection report dated 22.05.2010 conducted under section 13 of NCTE Act. As there are deficiencies pointed out in the inspection report, NCTE, Hqrs has requested SRC to initiate action against the institution under section 17 of the NCTE Act immediately.

The SRC in its 194<sup>th</sup> meeting held on 21-22 July 2010 considered the report and decided to issue show cause notice. Accordingly, show cause notice was issued to the institution on 31.08.2010. The institution has submitted written representation on 27.09.2010.

The SRC in its 198<sup>th</sup> meeting held during 24<sup>th</sup> – 25<sup>th</sup> November, 2010 considered the VT report and all the relevant documentary evidence and it was decided to issue show cause notice for the following reasons:

1. The institution was granted conditional recognition in temporary premises to run D.Ed-AI course on 27.12.2004 with a condition that it should shift to its own permanent premises in 3 years. i.e. on or before 26.12.2007. The institution is still running in temporary premises and not shifted to new premises even after a lapse of stipulated 3 years i.e. after lapse of time period of more than six long years.
2. The institution was granted conditional permission on 27.12.2001 in a temporary premises with condition for the basic unit of D.Ed and hence the lapse of nine years now.
3. The above temporary premises where the management is running D.Ed (AOS00032) and D.Ed-AI (APS03122) courses has a total built up area of 3000 sq.ft which is grossly inadequate as per NCTE norms.
4. The same building is shared for PUC and High School, which is not as per NCTE norms.
5. The institution has stated that the building is still under construction.

Accordingly, show cause notice was issued to the institution on 11.01.2011. The institution has submitted its written representation on 14.02.2011.

The SRC in its 201<sup>st</sup> meeting held on 22-23 February 2011 considered the reply submitted by the institution and found the reply to be unsatisfactory and unconvincing and decided to withdraw recognition for

D.Ed (AOS00032) and D.Ed-AI (APS03122) with effect from 2012-13, in order to enable the on-going batch of students in D.Ed course, if any, to complete their course.

Accordingly, withdrawal order was issued to the institution on 31.03.2011 for D.Ed course (AOS00032) and D.Ed-AI(APS03122). The institution has filed appeal under section 18 of NCTE Act, before the Appellate Authority, NCTE, New Delhi against the withdrawal order of SRC.

The Appellate Authority in its order dated 06.07.2011 confirms the order appealed against.

The NCTE-SRC has received emergent notice in W.P.no. 65275 of 2011 filed by Al-Ameen Progressive Educational Society, Belgaum. A letter along with brief of the institution was sent to the advocate on 15.09.2011.

A letter was received from Shri.M.B.Kanavi, Advocate & Central Govt. Standing Counsel, No.55/1, 2<sup>nd</sup> Cross, Rajatagiri, Dharwad-580004, Karnataka for filing vakalath and objection statement in W.P.No.65275 of 2011 filed by Al-Ameen Progressive Educational Society, Belgaum, Karnataka against NCTE before the Hon'ble High Court of Karnataka Circuit bench at Dharwad. Accordingly a letter was addressed to the advocate on 03.01.2012.

This office letter dated 13.04.2012 has sent the affidavit and vakalath duly signed by the Regional Director and the advocate was requested to vacate the interim stay granted to the institution and defend the case in the interest of SRC, NCTE, New Delhi and Union of India.

But, so far there is no communication from the advocate regarding the action taken in the W.P.No.65275 of 2011.

In the meantime, a letter is received from the institution dated 12.05.2014 regarding the admission of students for the academic year 2013-14. Since the institution was already withdrawn recognition vide this office order dated 31.03.2011, it is noticed from the letter that the institution is functioning because of interim stay of the Hon'ble court and the application for vacation of stay signed and sent to you on 13.04.2012 has not been effected.

		<p>The advocate was also requested to bring to the notice of Hon'ble Court that the institution has not availed the opportunity of preferring appeal before the appellate authority as per section 18 of NCTE Act.</p> <p>Hence, a letter to the advocate was prepared with request to inform the action taken regarding the vacation of stay granted to the institution.</p> <p>A letter received by this office from Shri. M.B.Kanavi, Advocate &amp; Central Govt., Standing Counsel, on 13.01.2017 as under:-</p> <p style="padding-left: 40px;">“With reference to the above I write to state that, this matter has come up for hearing before the Hon'ble High Court on 06.01.2017. On 24.10.2014 a letter received from TNTEU regarding starting of new college in the name and style of Kumaran College of Education, Vellore District for the academic year 2014-2015 only.

A complaint letter dated 07.07.2015 received from Shri K. Saravanan, 260, Tajpuasalai Arcot, Vellore-632501, Tamilnadu on 10.07.2015 along with original affidavit and document. In the affidavit stating as follows:

*"I K. Saravanan, residing at No.260, Tajpurasalai, Arcot, Vellore-632501. I have written this complaint affidavit about Kumaran College of Education, functioning at Plot/Khasara No.309/13B2, Melmonavoor Village, Abdullapuram Post Office, Vellore-632010, offering Bachelor of Education (B.Ed) program. This College is not functioning in independent land and building. There are two other institutions functioning in the same land and building namely 1) Tamilaga Industrial Training Institute (ITI) approved by directorate General of Employment and Training (DGET), Ministry of skill Development and Entrepreneurship, SharmShaktiBhawan, Rafi Marg, New Delhi offering vocational programme in National Council for Vocational Training (NCVT). 2) Tamilaga Industrial School, approved by Directorate of Employment and Training, Alandur Road, Guindy, Chennai-600032 Tamilnadu. This institute also offering Vocational programs of State Council for vocational training (SCVT). These two institutes successfully functioning for the past 20 years. Every year more than 500 students are studying in these institutes. If you have any doubts in this matter you can write to the competent authorities and ask them to clarify whether the institutes have got the approval from them. Now, they use the same land and building and got the approval from you to conduct Bachelor of Education (B.ED) Programme. But there is no separate land and building to start new college of education according to the NCTE regulation 2014. This institute was not fulfill the norms and standards of NCTE. The institute is not have sufficient land to start new B.Ed College. This institute's adjacent properties are belongs to third parties. There is no single pies of vacant land belongs to the management Institute. So that is not possible to fulfill the sufficient land norms of NCTE. Then how can they got the approval from you to start new B.Ed institute. So the doubt will arise whether they shows some fabricated*

documents to get approval from you. The institute is not having proper classrooms, laboratories, infrastructure, instructional facilities and qualified faculty members. Hence I requesting you to view this matter seriously and take necessary action against the management to withdrawal of recognition of Kumaran College of Education from the academic year 2015-16. We already sent petitions along with document proof regarding in this matter to Dr. G.Viswanathan, the Vice –Chancellor, Tamilnadu Teachers Education University, Chennai, Tamilnadu, but he didn't take any action against the college .Dr.G.Viswanathan got Rs.20,00,000/- as bribe from management of the college and leave them to admit the students in to B.Ed degree course for 2014-15 year . This year 2015-16 also Dr.Viswanathan got Rs.20,00,000/- as bribe from management of the college and leave them to admit the students into B.Ed degree course. Now they are publishing advertisement in leading news papers to admit the students in vocational courses and B.Ed degree in same campus. That's why we are forward this petition to you. Herewith we enclosed the original newspaper as proof. We hope you to view this matter seriously and take necessary action against the management to withdraw of recognition of Kumaran College of Education from the academic year 2015-16 at your earliest".

The institution has filed court case in WP.No.22782 of 2015 in the Honorable High Court of Tamilnadu. It is prayed that

*"..this Honb'le court may be pleased to issue a Writ of Declaration or any other appropriate writ, order or direction in the nature of a writ of Declaration declaring Clauses 2(b), 8(1), 8(11), 9, 10 and 11 of National Council for Teacher Education (Recognition, Norms and Procedure) Regulations, 2014 and Clauses 1,2,1, 3.1, 4.1,5.1,5.2,6 of Appendix-IV of National Council for Teacher Education (Recognition, norms and Procedures) Regulations 2014 as null and void unenforceable, invalid arbitrary unconstitutional and pass any such further or other order or orders as this Honb'le Court may deem fit and proper in the circumstances of the case and thus render justice".*

The SRC in its 292<sup>nd</sup> meeting held on 29<sup>th</sup> -30<sup>th</sup> September, 2015

considered the complaint letter dated 07.07.2015 and advised Southern Regional Office to

- **Send the complaint to the TNTEU for comments.**

The institution addresses a letter 07.08.2015 to the Registrar, TNTEU was received by SRC on 10.08.2015 along with documents regarding explanation for action initiated towards non grant of continuation of affiliation for the academic year 2015-2016 for Kumaran College of Education, Abdullapuram, Vellore District-grievance.

In the meantime, a court notice in WP.No. 32707 of 2015 received from Hon'ble High court of judicature at Madras on 24.10.2015. Accordingly, a letter along with brief of the case was sent to the advocate on 13.11.2015. A letter was received from advocate Shri. K Ramakrishna Reddy on 23.11.2015 with request to correspond with Mr. P.R Gopinath, regarding WP.No.No.32707 of 201.

As per the decision of SRC, a letter to the Registrar, TNTEU was sent on 17.11.2015. The University has submitted its comments on 27.11.2015 along with documents. The letter stated as follows:

*"Southern Regional Committee, NCTE, Bangalore has sought the comments from this university on the petition dated 07.07.2015 received from Shri.K. Saravanan, 260, Tajpuasalai, Arcot,Vellore-632501. As the copy of the same petition was already received by this University and actions were already initiated on the said complaint along with two other complaints with the similar subjects, the details of the same are now furnished below.*

*2. Based on the recognition granted to the Kumaran College of Education, Vellore District by the SRC-NCTE on 21.02.2014, this University has granted a conditional affiliation for the academic year 2014-2015 along with three conditions. Out of three conditions the said college has fulfilled only one but not fulfilled the remaining two for the past one year.*

*3. Under the above condition, a complaint dated 01.04.2015 was received in this office on 05.05.2015 from the '2014-2015 batch B.Ed Students' of the said college. The copy of the similar complaint sent to*

the Government of Tamilnadu by the petitioner was also received in this office through the Government. The abstract of the complaint is:

- a. Kumaran College of education is functioning in the industrial Training Institute (ITI) building and there is no separate land and buildings for Kumaran College of education.
- b. Laboratory and other facilities are meant only for ITI courses and not for B.Ed degree programme.
- c. Inadequate infrastructure for conducting B.Ed degree programme.
- d. Complainant has attached a Photograph as evidences for their complaint that both the ITI and Kumaran College of Education are functioning in the same land and building.

4. This university has issued show cause notice on 07.05.2015 to the Kumaran College of Education, Vellore District by enclosing the copy of the complaint to offer their explanation on the said complaint. In turn, the said Kumaran College of Education has submitted their explanation on 13.05.2015. in which the Chairman of the said college has attached the copy of the recognition granted by the NCTE and the copy of the conditional affiliation granted by this University and stated that they are having recognition from the government of India and affiliation from the Government of Tamilnadu for Kumaran College of Education in the same land and Buildings. Further stated that the complaints made in the petition are totally false and requested to close the petition. But, later, in the reference 5<sup>th</sup> cited the same college has agreed that both the college of education and it is are functioning in the same building. Hence, there is a contradiction in the explanation offered by the college in different dates.

5. This University has confused a two member's surprise visit commission to ascertain the factual position of the complaint against the said college. Accordingly, the surprise visit commission their report to the university as detailed below.

"The management is running two of their institutions in the same land and building, namely Tamilnadu industrial Training Institute and Tamilaga Industrial School. The management has used the land and building for the B.Ed degree Programme also. Further, it is observed that the Kumaran College of Education is

*lacking the basic infrastructure facilities including class rooms, laboratories and library which are essential for running the B.Ed programme.*

*The inspection commission has enquired in to the complaint lodged by the B.Ed student of the academic year 2014-2015 and found that the complaint is true by considering above observations and the inspection commission suggest the university authorities to initiate suitable action against the Kumaran College of Education, Vellore District.*

*6. The copy of the complaint against the said college dated 07.07.2015, on which the SRC is now seeking comments from this university was received from Mr.K. Saravanan, 260, Tajpurasalai, Arcot Vellore-632501 on 10.07.2015. The content of the complaint in the previous petition dated 01.04.2015 and in the present petition dated 07.07.2015 are almost same. The highlights of the complaint dated 07.07.2015 are as follows:*

- a. Kumaran College of Education is functioning along with two more ITI institutions approved by NCVT, Guindy in the same building and land.*
- b. Including B.Ed two more institution functioning in the same building and land, but got approval from the authorities.*
- c. This institute has not fulfilled the norms and standards of the NCTE, particularly no sufficient land.*
- d. Doubt raised that the college has got approved by producing fabricated documents.*
- e. Request to withdraw recognition from the academic year 2015-16.*
- f. Petitioner has stated that the he has already made complaint to the university, but the university has not taken action by receiving bribe.*

*7.The allegation of the petitioner, Mr. Saravanan in "6-f" supra that he has already mad complaint against the said college to this University, but the University has not taken any action by receiving bribe, is totally false and fabricated, since the University has not received anu such petition from Mr. Saravanan prior to his petition dated 07.07.2015*

instead, a systematic process has already been initiated against the said college by this university based on the petition dated 01.04.2015 received in this office on 05.05.2015. Actually, the surprise inspection commission caused inspection at the said college prior to the petition received from Mr.K.Saravanan . Hence, the allegations of Mr.K.Saravanan that this university has not taken any action by receiving bribe is utter false, baseless and motivated.

8. Based on the findings of the surprise inspection commission held on 06.07.2015, the remaining allegations listed above are found to be true. Further,, the news paper cutting in respect of the advertisement given by the Kumaran College of Education calling for applications to B.Ed degree programme and also for admission to various ITI courses in ggteh same premises confirmed the above allegation. Apart from this, the photograph of the college building clearly confirms that the B.Ed degree programme is being offered along with ITI courses in the same building and land.

9. Hence, as said college is functioning in the same building where industrial training are functioning in violation of clause 8(4) (ii) of the NCTEC Regulations, this University has addressed the Kumaran College of Education, Vellore District again on 08.10.2015 and requested them to submit the relevant documents issued by appropriate authorities in respect of land & buildings used for offering B.Ed degree programme and also land & buildings used for industrial Training Institutes separately.

10.In response to this University letter dated 08.10.2015, the said college has submitted a reply letter dated 23.10.2015, in which, the management has stated that the NCTE Regulations does not restrict to function college of Education and Industrial Training in the same building. The relevant portion of their letter reproduced below:

*"the NCTE regulations does not forebear or especially restrict the functioning of other Educational Institution of a different programme being conducted simultaneously in the premises where the B.Ed Training course are conducted"*.

Further, the said college has not submitted any documents in respect of

well demarcated land used for offering B.Ed degree programmes as given in clause 8(4) (ii) of the NCTE Regulations. But the a copy of the building plan was submitted. This building plan was signed by the Engineer on 11.07.2007 and the plan was approved by the authority on 13.12.2006. Actually, the society was registered on 18.07.2011 and the sale deeds for the land was registered on 13.12.2012. As per the documents produced by the said college, the building plan was approved by the competent authority before purchasing the land.

11. As explained above, the said college is functioning in the building where the Industrial Training Institute are functioning. Further, as the contradictions existed in the documents submitted by the said college, in respect of date of registration of Society, date of sale deed for land, date of preparation of building plan and the date of approval of the plan by the authority, this University is not able to process the application of the said college for grant of continuation of provisional affiliation from the academic year 2015-16.

12. In the meantime, the management of the said college has approached the Hon'ble High court with writ petition No:32707 of 2015 against the University's letter dated 25.07.2015, in which the NCTE, new Delhi and SRC /NCTE, Bangalore are 1<sup>st</sup> and 2<sup>nd</sup> respondent respectively. Further, the said college has already filed a writ petition no.22782 of 2015 challenging certain clauses of new regulations,2014. Both the writ petitions are pending before the Hon'ble High court Chennai.

Under the above circumstances, it obviously appears that the said college is not functioning in accordance with the Clause 8(4) (ii) of the NCTE's Regulations, 2014, since both the Kumaran College of Education and two more ITI institutions are functioning in the same building as per the two members inspection committee report followed by the letter dated 23.10.2015 of the said College. However, this subject matter is submitted to the SRC/NCTE to take final decision and based on the final decision of the SRC-NCTE, the pending application of the said college in this University for grant of continuation of Provision application will be taken up for disposal.

The SRC in its 297<sup>th</sup> meeting held on 27<sup>th</sup> – 28<sup>th</sup> December, 2015 considered the complaint matter and it has decided as under:

		<p>Obtain specific information on the following points:</p> <ol style="list-style-type: none"><li>Sy.Nos involved.</li><li>Area of the land in reference.</li><li>Does it meet the requirement of the T.E.I.</li><li>Is it clearly earmarked for the B.Ed programme.</li><li>Does the Society / College have clear title to the land in reference.</li></ol> <p>As per the decision of SRC, a letter was sent to the institution on 20.01.2016.</p> <p>In the meantime, the complainant has submitted written representation/ (complaint letter) through affidavit on 13.01.2016 along with relevant documents.</p> <p>The matter was placed before SRC in its 299<sup>th</sup> meeting held on 20-21<sup>st</sup> January, 2015 and the committee considered the matter and decided that</p> <ol style="list-style-type: none"><li>The institution has to submit properly land details. Remind them.</li><li>Forward a copy of the supplementary complaint to the Institution for comments.</li></ol> <p>Meantime the institution has submitted a copy of the Court order dated 09.12.2015 in W.P.No.32707 of 2015 and M.P.No.1 of 2015 filed by Kumaran College of Education, Vellore. The court order stated as follows:</p> <p><i>The petitioner, which is a Teacher Training Institute has come forward to file this writ petition challenging the order dated 15.07.2015, passed by the fourth respondent to show cause as to why appropriate action shall not be initiated based upon the prime-facie findings mentioned therein.</i></p> <ol style="list-style-type: none"><li><i>Heard the learned counsel appearing for the petitioner and the learned counsel appearing for the respondents 1 to 4.</i></li><li><i>The learned counsel for the petitioner submitted that anonymous complaints have been given by the fifth respondent to the respondents 1 and 2, who in turn directed the fourth</i></li></ol>

respondent to look into the matter and take appropriate action. After considering the letter of the fifth respondent dated 07.07.2014, an order was passed by the first respondent on 28.10.2015 treating the complaint as closed and therefore, no further action is required in the matter.

4. The learned counsel for the respondents 1 & 2 submitted that after the letter dated 28.10.2015 another communication has been sent by the second respondent to the respondents 3 and 4 dated 12.11.2015 seeking comments about the said complaints.

5. The learned counsel for the respondents 3 and 4 submitted that prima-facie case is made out on the alleged irregularities. He submitted that the reply given by the petitioner would be considered in a proper perspective while passing the final order. He further submitted that particulars have been sought for by letter dated 08.10.2015 from the petitioner in respect of details of land and buildings under use for offering B.Ed Degree programme, apart from other documents pertaining to the Industrial Training Institute.

6. By way of reply, the learned counsel for the petitioner submitted that letter of the respondent dated 08.10.2015 has also been replied on 23.10.2015 along with the relevant documents.

7. Admittedly, the order impugned is only a show cause notice and the petitioner is stated to have given its reply. Thus, it is for the respondents 3 and 4 to take appropriate decision by considering the relevant materials. While doing so, the scope and applicability of the letter of the first respondent dated 28.10.2015 has to be taken into consideration by the respondents 3 and 4 and also, the communication of the second respondent dated 12.11.2015.

8. Accordingly, the respondents 3 and 4 are directed to pass appropriate orders after considering the above said correspondences and other relevant materials if any, within a period of six weeks from the date of receipt of a copy of this order.

9. *The writ petition stands disposed of accordingly, Consequently, connected Miscellaneous petition is also closed.*

*No costs.*

The SRC in its 301<sup>st</sup> meeting held on 05<sup>th</sup> -06<sup>th</sup> February, 2016 considered the court order and **noted the matter.**

A letter was sent to the institution on 04.02.2016 regarding decision of SRC 299<sup>th</sup> meeting along with a copy of supplementary complaint. The institution has submitted its written representation on 17.03.2016 along with documents.

*"1. In continuation to the above subject matter if Ref. (i) communication calling for explanation enclosing copy of the supplementary complaint dated 06.01.2016. of Mr.K.Saravanam, I have perused the contents of the notice and the enclosed text of the letter forwarded by Mr.K.Saravanan.*

*2. At the outset, I submit that the contents of the affidavit of Mr.K.Saravanan is imaginative and exhibits the intent of the individual, only to tarnish the image of the institute, when the terms of the norms governing the grant of recognition by the NCTE, and land requirements has been satisfied by the Management at the time of making an application for recognition before the authority.*

*3. However, on the basis of an anonymous complaint made by one Mr.K.Saravanan whose existing is unknown to this Management seems to be make wild and imaginative allegations which do not bear even an iota of truth which could be inferred by common prudence, particulars, when the management had taken sufficient care to comply with the norms of the NCTE as well as the concerned University to have the affiliation for administration of the B.Ed Course of study, pursuant to which recognition of affiliation was grant by the authorities concerned for the years 2014-2015.*

*4. An anonymous complaint had been made out presumably by a competitor of the B.Ed College of Education by using a fictitious name and address, only to create a doubt and disturb the*

process of conditional affiliation and the recognition enjoyed by the Management. It is seen from the contents of the affidavit that the said complaint contains all wrong information which are thoroughly imaginative and bereft of an element of truth.

5. We kindly inform the authority that the affidavits made by K.Saravanan were not notarized. Also the proof of the return of speed post sent to K.Saravanan is enclosed for your kind understanding that there is no such person.

6. We kindly inform that NCTE head quarters, New Delhi was closed the complaint made by K.Saravanan. The closing letter given by NCTE head quarters is again enclosed herewith for your kind understanding.

7. All of sudden, now I received a copy of complaint on dated 06.01.2016 in the name of one K.Saravanan in the mode of affidavit to your authority calling for acting to the complaint made then.

8. As I have lodged a complaint against the letter which had been made in a fictitious person named K.Saravanan in Arcot Taluk police station on 04.03.2016 which is under investigation for further criminal action under the provisions of law.

Hence, the same is prayed to be ignored and the authorities may grant the benefit of appropriate consideration on the basis of the explanation made by the authority at the time of grant of approval.

So, I humbly request the honorable authority not proceed further in the matter on the basis of the false contents said affidavit."

The SRC in its 309<sup>th</sup> meeting held on 12<sup>th</sup> -14<sup>th</sup> April, 2016 considered the institution reply and it has decided that **"Please ask the institution to specifically reply to the queries raised in SRC letter dated 20.01.2016"**.

As per the decision of SRC, a letter was issued to the institution on 20.05.2016.

In the meantime, the complainant (Shri K. Saravanan) has submitted written representation along with original affidavit of Rs.20- and relevant documents. The affidavit stating as follows:

*".....Now I enclosed herewith an true copy of the sale deed No: 14882/2012, 14884/2012, parent sale deed No. 46/1996, copy of the encumbrance certificate as proof of fabricated sale deed of Kumaran College of Education. Here I came to mention the following deficiencies also you have to take in to the count to withdrawal of recognition of Kumaran College of Education from the academic year 2015-16.*

1. *In the true Copy of the sale deed No. 46/1996, page No. 2 row No: 1 to 6 says the sale deed executed on 15.03.1996 between 1) K. Thamilarasi, W/O, N. Krishnamoorthy residing at 3/316, maraimalai adigal street, Gandhinagar East, Katpadi Town Extension, Vellore District and 2) C. Arjunan, s/o CHINNAPPA (late) residing at Pillaiyar Koil street, Shenbakkam Village, Vellore District. Page No. 3 row no. 1 to 7 says C. Arjunan was sold his property to K. Thamilarasi Sy.No. 309/13 extent 0.11.1/4 cents (or) 4905 sq.ft) (or)455.68 sq.mts. So K. Thamilarasi purchased Sy.No. 309/13 extent 0.11.1/4 cents (or) 4905 sq.ft (or) 455.68 sq.mts only by means of sale deed 46/1996/*
2. *In the true copy of the sale deed No. 14882/2012 page no. 2, para 1 & 2 says the sale deed executed on 13<sup>th</sup> day of December 2012 (13.12.2012) between 1) K. Thamilarasi,, W/O, N. Krishnamoorthy residing at 535, maraimalai adigal street, Gandhinagar East, Katpadi Taluk, Vellore District and 2) Sarabar Educational Trust represented by its founder and chairman K. Ezhil Mohan Raj S/o N. Krishnamoorthy residing at 535, maraimalai adigal street, Gandhinagar East, Katpadi Taluk, Vellore District in this deed page no. 5 Schedule of Property K. Thamilarasi was sold her entire property Sy.No. 309/13 extent 0.11.1/4 cents (or) 4905 sq.ft (or) 455.68 sq.mtr which she was purchased from C. Arjunan by a sale deed 46/1996. So she doesn't have single cent of land in her hand.*
3. *On the same day 13<sup>th</sup> day of December, 2012 (13.12.2012) one more sale deed No. 14884/2012, page No. 2, para 1 & 2 was executed between 1) K. Thamilarasi, W/O, N.*

Krishnamoorthy residing at. 535, maraimalai adigal street, Gandhinagar East, Katpadi Taluk, Vellore District and 2) Sarabar Educational Trust represented by its founder and chairman K. Ezhil Mohan Raj S/o N. Krishnamoorthy residing at 535, Maraimalai adigal street, Gandhinagar East, Katpadi Taluk, Vellore District, in this deed page no:8 Schedule of Property K. Thamarasi was sold her property Sy.No. 309/13 extent 0.21 (or) 9156 sq.ft (or) 850.61 sq.mts here she said in the same deed No. 14884/2012 page no. 4 para 2 she selling the property which purchased from C. Arjunan by sale deed dated 21.12.1995 registered as documents NO. 46/ 1996 of Book1, on 15.03.1996 in the office of the District registrar, Vellore. K. Thamarasi was sold her entire property sy.no. 309/13 extent of 0.11.1/4 cents (or) 4905 sq.ft (or) 455.68 sq.mtr which she was purchased from C. Arjunan by a sale deed 46/ 1996. So she doesn't have single cent of land in her hand then how she can able to sale another 0.21 (or) 9156 sq.ft (or) 850.61 sq.mtr in the same Sy.No. 309/13 shown same sale deed 46/1996 as parent document.

4. Hence in view of the above its clearly states that sale deed No. 14884/2012 dated 13.12.2012 was fabricated one. If you want to clarity, you can write to the District Registrar, District Registrar Office, Veppamara Street, Velappadi, Vellore Dt-632004. He will tell you the truth about the sale deed.
5. Here the management fails to fulfill the land requirement as per the NCTE regulation 2014 for Kumaran College of Education. So how can they able to show separate land for 1) Tamilga ITC, 2) Tamilaga Industrial School which is running in the same land and building.
6. The Kumaran College of Education and the tamilaga ITC institutes are publishing combined advertisement in the daily news papers to admit the students for this academic year 2016-17. So they accept themselves the both institutes are running in the same land and building. I request you don't allow the management to admit the students in Kumaran College of Education in to B.Ed degree program for this academic year 2016-17. Herewith I enclosed the advertisement new paper as proof.
7. I was sent a complaint petition on 19.05.2016 to 1) the

  
(S. Sathyam)  
Chairman

District Collector, Vellore District Collector Office, Sathuvachari, Vellore-632009. 2) the District Registrar, District Register office, Veppamara Street, Velappadi, Vellore Dt.-632004 to verify the grounds of registered sale deed No. 14884/2012 and also I asked them take necessary action as per law. That petition is under processing with above two officers.

The above said information is clearly stated that the management was cheated the NCTE and TNTEU to get approval to start new B.Ed degree program in the name of Kumaran College of Education. Hence I request you to stop the admission and withdraw the recognition of Kumaran College of Education from the academic year 2016-17.

The SRC in its 315<sup>th</sup> meeting held on 17<sup>th</sup>-18<sup>th</sup> June, 2016 the deferred the matter.

Meantime, in response to this office letter dated 20.05.2016 the institution has submitted its reply on 21.06.2016.

your goodself accepted our request and directed to continue with two basic units during 2015-16 only, based on your order dated 20.05.2015, the CAC has allotted 34 candidates under the government quota and 42 students took admission under the management quota and college started functioning from 22.02.2016.

In view of the facts explained above I request you kindly to order for two basic units of B.Ed programme during this academic year ( 2015-16) only and from next academic year (2016-17) we will opt for ONE basic unit. The corrigendum dated 05.04.2016 issued from your office allowing ONE basic unit in B.Ed course during this academic year will adversely effect the students who have already admitted in the college based on your order dated 20.05.2015. **(b) Failure to submit print out of the applications made online along with the land documents as required under sub-regulation (4) of Regulation 5 within fifteen days of the submission of the online application. "**

Sub-regulation (4) of Regulation 5 reads as under:-

*"While submitting the application online a copy of the registered land document issued by the competent authority, indicating that the society or institution applying for the programme possesses land on the date of application, shall be attached along with the application."*

The appellant also furnished a copy of sale deed registered in year 2001 to prove that the appellant society held the land on ownership basis as on the date of application. Appeal committee observed that language used by SRC Bangalore in the refusal order dated 20.10.2015 was suggestive for the appellant institution to submit original registered land documents whereas NCTE Regulations, 2014 prescribe that copy of registered land documents are to be submitted. appeal committee therefore, decided to remand back the case to SRC for acceptance of the copy of registered land documents and further process the application. Appellant is required to submit authenticated copy of registered land documents to SRC within 15 days of the receipt of Appeal orders.</i></p> <p><i>AND WHEREAS, after perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the committee concluded that the appeal deserves to be remanded to SRC Bangalore for acceptance of the copy of registered land documents, translation of which is already available. *The college is running in Leased accommodation due to financial implications, the society could complete only half of the building and promise you that the college will be shifted into permanent buildings during 2015-16 academic year. The Mahathma Gandhi University has denied affiliation to our college i.e, Kavitha Memorial College of Education, Devarakonda, Nalgonda District, Telangana State for the academic year 2015-16 vide reference 1<sup>st</sup> cited though the NCTE has granted recognition to the college for the academic year 2015-16 for an intake of 100 students of two basic units of 50 vide reference 3<sup>rd</sup> cited, for that we are always thankful to the NCTE.*

*In view of the above circumstances, we request you to kindly intimate /advise Mahathma Gandhi University, Nalgonda district that the NCTE has already granted permission to Kavitha Memorial College of Education, Devarakonda, Nalgonda District for the academic year 2015-16 in leased accommodation with a condition that college has to shift to the permanent buildings in 2015-16 academic year itself, hence, the Mahathma Gandhi University may issue provisional affiliation to the college only for the academic year 2015-16 by taking and affidavit from the college.*

*We request you to advise the Mahathma Gandhi University to issue provisional affiliation to Kavitha Memorial College of Education, Devarakonda, Nalgonda District for the academic year 2015-16 as the NCTE has already granted permission to the college for the academic year 2015-16 in lease accommodation.*

The SRC in its 292<sup>nd</sup> meeting held on 29<sup>th</sup> – 30<sup>th</sup> September, 2015 considered the matter and decided as under:

1. The legal position is that so long as NCTE recognition exists, Universities shall give affiliation to the institutions. It is our responsibility to get conditions like 'shifting' implemented. We are taking appropriate action to enforce the conditionalities until action in such cases is completed,

Universities may be requested to continue to affiliate the institutions.

2. In all conditional recognition cases, we should issue Show Cause Notice for de-recognition for non-observance of conditionalities. The concerned affiliating Universities may be informed that we are taking action to enforce the conditionalities.

Meantime, the institution submitted representation on 24.09.2015 regarding change of the society (Management) along with original DD of Rs. 1,50,000/- bearing No.964296 dated 06.08.2015 and documents, it stated as follows:

*"With reference to the subject and reference cited, this is to bring to your kind notice that the two letters dispatched to you vide reference 1<sup>st</sup> and 2<sup>nd</sup> cited have returned to the college by the courier due to wrong address written on the envelope by our office administrative assistant. I express my regrets for mistake caused in this regard and apologies for the same.*

*Once again I am forwarding the above two letters to you along with the same DD of Rs.1,50,000 towards change of the management from Kavitha Memorial Educational Society, Khammam to Uday Sai Educational Society, Devarakonda, Nalgonda District and also shifting of premises from temporary accommodation to the permanent buildings in Devarakonda, Nalgonda itself vide block No.20, H.No.288/914.*

*Submission of online application in NCTE web portal for change of management under column e-governance is not getting up opened and the same issue was brought to the notice of NCTE Bangalore & New delhi (Mr.Pawan Bairagi) and we were advised to bring it to the notice of Member Secretary, New Delhi to modify the website. Hence, we hereby submitting the application in hard copy along with land documents, building Plan, staff approval list for 2014-15 and we request the NCTE, Bangalore for approval of change of management and shifting of premises".*

A letter was sent to the institution conveying decision of 292<sup>nd</sup> meeting, on 06.10.2015.

The documents were processed and agenda was placed before SRC in its 315<sup>th</sup> meeting held on 17<sup>th</sup> to 18<sup>th</sup> June, 2016 and the committee considered the matter and decided as under:

  
(S. Sathyam)  
Chairman

1. *They have to shift premises.*

The matter was placed before SRC in its 317<sup>th</sup> meeting held on 28<sup>th</sup> and 29<sup>th</sup> July, 2016 and the committee considered the matter and decided as under:

2. In the circumstances of the case, for us, this is an unimplementable order.
3. Unless the formalities relating to change of management are completed, there can be no VT inspection because all documents are in favour of the new society.
- 4.1. The 'peculiar circumstances' cited by the Counsel are of his own creation.
- 4.2. If he cannot approach the court again on this matter, he should held us to get it done by another Lawyer.

The SRC in its 321<sup>st</sup> meeting held on 28<sup>th</sup> & 29<sup>th</sup> September, 2016 considered the show cause notice reply and decided as under:

**This case is needlessly getting complicated. Two issues are involved;**

- (i) Change of management; and, (ii) permission to shift.

We have been insisting on completion of formalities relating to (i) because permission to shift can be issued only thereafter since the title to properties at the new site belongs to the new society.

Instructions issued by the NCTE(HQ) clearly stipulate that RCs should obtain the following documents before permitting change of management : (i) Resolutions of two societies involved (ii) NOC of the Registrar of Societies ( of the State Govt. concerned); and,(iii) NOC from the affiliating body .Accordingly, we had issued notice to the applicant.

The applicant has now drawn our attention to the Court-

order dated 04.08.2016 which specifically directs us not to insist on NOC from the State Government (i.e Registrar of Societies) and the affiliating body. In view of this specific direction from the Court, let us not insist on the instruction received from NCTE(HQ).

In the result, and for the reasons given above, permit change of management from Kavitha Memorial Educational Society to Udai Sai Educational Society.

Thereafter, for processing further the case for shifting issue a Notice to the new society (with a copy to the old society) for submission of original FDRs in joint account with R.D (SRO) and for the latest approved Faculty List.

**Keep our lawyer informed for purposes of Court Case.**

Accordingly, as per decision of SRC change of Management Order, show cause notice and letter to the Advocate were sent on 19.10.2016.

In the mean time, Court Order was received from the Hon'ble High Court of Andhra Pradesh, SUO MOTU CC No. 1525 of 2016 and W.P.No. 23473 of 2016 dated 29.09.2016 received on 18.10.2016 stating as under:

**"Heard counsel for the petitioner and Sri. K.Ramakanth Reddy, counsel for respondent No.1.**

Having regard to the minutes of the 321<sup>st</sup> meeting of the Southern Regional Committee of the first respondent held on 28.09.2016 and 30.09.2016, subject to the petitioner furnishing FDRs by the new society and the latest approved list, the first respondent shall grant recognition to the petitioner No.2-College at its next meeting whenever it is held.

**Post on 21.10.2016 in the Motion list".**

The Society submitted another representation along with FDR of Rs. 7 lakhs.
