**Direction to the WRO:-**

The WRC requests the WRO to prepare the agenda for the WRC meetings in the old format for easy understanding and transactions in the meetings. This does not prevent the WRC from recording data online in the new format. Further, the WRO should prepare separate files of applications for multiple courses submitted by the same Society online. While the application number remains one, the differentiation should be indicated by suffixing 'A', 'B', 'C'. This should take effect from the next meeting.

Meeting ended with a vote of thanks.
