				<p>the institution is still running in a rented premises or it has constructed its own building. The reply must be supported by documentary evidence."</p> <p>The institute in its reply has submitted that the institute has land in its own name which is on a registered lease for 30 years. The institute has submitted registered lease document of the year 2012; it means the institute has acquired land & building on lease to run the institute in the year 2012. The background of the case is as follows:-</p> <p>The society applied for B.Ed. course in the year 2003. At that time NCTE Regulations 2002 was in force. According to the Regulations, a Society was eligible to start Teacher Education Course in a rental premise if it has land on its own name.</p> <p>At the time of its application, the Society had not the land in its name. The Society purchased the land measuring 0.418 Acre in the year 2004. The building was on rental basis and it was on lease from Ram Sevak Singh.</p> <p>As per Regulations 2002, the institute was allowed to run in rental building if the Society has land in its own name. As per the Regulations the society will build its own building within 3 years and shift institute from the rental building.</p> <p>On perusal of the records submitted by the institute alongwith its reply dated 21.05.2015 it has been found that the Society has acquired land in the same village with survey no. 353, 377, 351, 355 on 30 years private lease. The registered documents includes the building on survey no. 353, that was taken on rental basis in the year 2003.</p>

S. NO	CODE NO.	NAME OF THE INSTITUTION	COURSE	DECISION OF WRC
				<p>Thus, the institute is still running on a rental premises. The Society has land in its own name that was purchased in the year 2004 and it did not build its own building in the land and continued to run the institution in rental premises. Whereas, as per Regulations 2002, the Society was to construct the building and shift to its premises between 3 years of the grant of Recognition. As is clear from the above facts, the Society is running the institute in violation of the NCTE Regulations.</p> <p>The institute was also asked to introduce the benefit of CPF for the staff. In reply, the institute has submitted that the CPF amount is being deducted from the salary of the staff but it has not submitted any proof in this regard.</p> <p>Hence, Show Cause Notice u/s 17 be issued on the above grounds.</p>

The reply of the institution was examined in the context of the inspection report of the NCTE Hqrs. conducted under Section 13 of the NCTE Act, 1993.</p> <p>The institute was asked to clarify the following 2 points:-</p> <ol style="list-style-type: none"> 1. You are required to certify whether it is running only B.Ed. Programme or both B.Ed. & D.Ed. programmes. You are hereby informed that for 2 programmes the requirement of Built-up area is 3000 Sq. Mts. 2. The service conditions of staff needs to be improved by the allowing the benefits of CPF and Annual increments. <p>The institute in its reply to the point No.1 has said that it is running B.Ed. & D.Ed. programme, both in the campus and it has more than required land & built up area for running both the courses. It has stated that the 2</p>

				<p>courses are run in 2 different blocks measuring 2956.71 sq.ft. & 1832.1 sq.mt. The institution has submitted documents in support of the reply. On perusal of the documents, it has been found that the documents relating to building with constructed area 1832.1 sq.mt. relates to B.Ed. course. The document submitted for another block measuring 2956.71 sq. mt. is only the photocopy of the Building Plan which is not notarized and there are overwriting on the size of the built-up area. Thus, this document cannot be accepted. The institute has also not submitted Building Completion Certificate.</p> <p>As regards to point no. 2 that relates to allowing the benefits of CPF and annual increments, the institute has submitted that it is already paying revised pay scales and employees of the society are covered by the CPF. The institute has submitted the EPF code Registration No. alongwith the reply and bank account statements of the employees but it has not submitted any proof that substantiates that the society has separate EPF numbers of the employees.</p> <p>Hence, Show Cause Notice u/s 17 be issued on the above grounds.</p>

The reply of the institution was examined in the context of the inspection report of the NCTE Hqrs. conducted under Section 13 of the NCTE Act, 1993.</p> <p>On perusal of the reply following shortcomings have come to notice:-</p> <ol style="list-style-type: none"> 1. The institute was asked to submit the documentary evidence as regards the built up area & Building Completion Certificate to justify that the institute has required built up area for running 3 Teacher Education courses. As per VT report, the institute has 1163.69 sq.mts. built up area for

				<p>the Education Department that runs 3 programmes. On perusal of record, it is found that the institute has 2 acres of land earmarked for education department but no proof has been submitted regarding earmarked buildings for the education courses. Notarized building plan has not been submitted and Building Completion Certificates have not been presented.</p> <p>2. The institute was asked to explain why it has not provided the multipurpose hall of required size. In its reply the institute has submitted that it has requisite infrastructure but the document submitted reflects the multipurpose hall of 1234 sq.ft as against required area 2000 sq.ft.</p> <p>3. The institution was also asked to explain why it has not appointed full time Principal. The reply received from the institute in this regard is not convincing. It has appointed a retired professor on contract basis and intimated that the process of filling the post is on.</p> <p>4. The institution was also advised to improve service conditions of the staff by introducing new pay scales & other benefits like CPF. In its reply, the institution has submitted that it is providing the services like EPF, health insurance to the staff but no proof regarding the extension of the services and payment of approved pay scales to the employees has been submitted.</p> <p>Hence, Show Cause Notice u/s 17 be issued on the above grounds.</p>
