enable the ongoing batch of students in B.Ed course, if any, to complete their course.

It was made clear that the institution is debarred from making any further admission subsequent to the date of this order. The affiliating body/examining board/body be informed accordingly.

Accordingly, withdrawal order was issued to the institution on 11.03.2011.

Aggrieved by the withdrawal order of SRC, the institution preferred an appeal to NCTE-Hqrs., and the appellate authority vide Order No. F.No.89-110/2011 Appeal/3rd Mtg -2011 A.36887 confirmed SRC's decision and rejected the appeal.

The institution approached Hon'ble High Court of Karnataka vide W.P.No. 23299 of 2011 wherein the 1st respondent is the Member Secretary, NCTE, New Delhi and 2nd respondent is SRC, NCTE, Bangalore.

In the Court order dated 23.8.2011 in W.P.No 23299/2011 filed by the institution, wherein the 1st respondent is the Member Secretary, NCTE, New Delhi and the 2nd respondent is RD, SRC, NCTE, the Honble Court ordered that

1. The Order passed by the 1st respondent (NCTE, New Delhi) dated 26.5.2011 is quashed.
2. The second respondent is directed to send a visiting team to the petitioner college for inspection of the land and building made available to the B.Ed. College.
3. The petitioners are directed to deposit the prescribed fee for re-inspection as above within a period of two weeks from today with the 2nd respondent.
4. The second respondent is directed to send a visiting team to the petitioner college for inspection of the land and building made available to the B.Ed. College and submit its report to the first respondent within a period of four weeks from the date of deposit of the amount as above.
5. The first respondent is directed to reconsider the matter afresh in accordance with law after taking into consideration the materials placed by the petitioners along with the memorandum of appeal as also the report of the visiting team as above and pass appropriate orders thereon in accordance with law within a period of six weeks from the date of receipt of the report.
6. The petitioners are permitted to admit the students for the current academic year for the study of B.Ed. course subject to the result of the order, which may be passed by the first respondent.
7. It is hereby clarified that in case the first respondent takes a view that the petitioners have not provided necessary land and building as above, the second respondent has to transfer the students so admitted to some other B.Ed. Colleges.
8. Writ petition is disposed of accordingly. NO costs.

The Hon'ble Court vide order dated 23.8.2011 had quashed the appellate authority order and directed SRC to conduct inspection of the land and building made available to the B.Ed. College and submit its report to the institution within a period of four weeks from the date of deposit of the prescribed fee for re-inspection. The Hon'ble Court had directed the SRC to reconsider the matter afresh in accordance with law after taking into consideration the materials placed by the petitioners along with the Memorandum of appeal as also the

report of the visiting team as above and pass appropriate orders thereon in accordance with law within a period of six weeks from the date of receipt of the report.

As per the orders of Hon'ble Court, re-inspection was conducted to the institution on 14.10.2011.

The re-inspection report was inadvertently placed before the SRC in its 212th meeting and the committee decided to withdraw recognition to the institution and withdrawal order was issued to the institution on 14.12.2011 w.e.f. 2011-12.

As per directions of Hon'ble Court in W.P. No. 23299 of 2011, SRC conducted inspection of the institution on 14.10.2011. Inadvertently, the inspection report was placed before 212th SRC meeting held on 24th October, 2011, instead of forwarding the VT report to the NCTE, HQ for placing before the appellate authority.

SRC based on the inspection report, took a decision withdraw the recognition of the B.Ed course run by the B.T.L. College of Education, 259/B, Bommasandra Industrial Area, Hosur Main Road, Bangalore-560 009, Karnataka from the academic year 2011-12. Accordingly, withdrawal order was issued to the institution vide this office Order No.F.SRO/NCTE/B.ED/2011-12/33865 dated 14.12.2011.

On 10th January, 2012, as per the discussions held with Smt. Subbalakshmi, Under Secretary, NCTE, New Delhi who informed that this case is being listed before the appeal committee and that the file had to be forwarded to NCTE, New Delhi. The original file was forwarded to NCTE, New Delhi on 10th January, 2012 along with the VT report. Legal advice was also sought from the Advocate, Sri. Ashok Harnahalli vide this office letter No.36046 dated 10th January, 2012.

Since the matter was coming up before the Hon'ble Court on 18th January, 2012. As per HQ letter No.89-110/2011-Appeal dated 17.1.2012 which is received by fax on 17th January, 2012, the matter is listed before the Appeal Committee in its 1st Meeting/2012 held on 18th January, 2012. The same was informed to the Advocate, Sri. Ashok Harnahalli on 17.01.2012.

The Withdrawal order inadvertently issued vide order No.F.SRO/NCTE/B.ED/2011-2012/33865 dated 14.12.2011 was cancelled vide office order No.F.SRO/NCTE/B.Ed./2011-12/36044 dated 17th January, 2012 based on the legal advice received from Shri. Ashok Harnahalli.

The SRC in its 217th meeting held on 8-9 February, 2013 considered the matter and decided to ratify the decision already taken regarding the withdrawal order issued to the said institution vide order No.F.SRO/NCTE/B.ED/2011-2012/33865 dated 14.12.2011 is cancelled vide this office order No.F.SRO/NCTE/B.Ed./2011-12/36044 dated 17th January, 2012 based on the legal advice received from Shri. Ashok Harnahalli and the same is to be informed to NCTE (HQ).

In the meanwhile, the institution filed another W.P. No.46873-74/2011 against, 1. MS, NCTE, New Delhi 2. RD, SRC, NCTE and 3. The Registrar, Bangalore University. The Hon'ble Court vide order dated 18.1.2012 had ordered "Keeping open all the contentions urged by the petitioners, these writ petitions are disposed of reserving liberty to the

petitioners to avail the opportunity before the appellate authority and canvas all the contentions that are available to them under law."

The appellate authority considered the report of the institution and noted that there is no land exclusively allotted for the B.Ed. programme. A mere declaration that 2716 sq.mtrs has been earmarked for construction of an independent building cannot be taken as a substitute for a formal and legally binding document. In the circumstances, the Council concluded that the withdrawal of recognition is justified and therefore it is upheld. The appellate authority vide order No.F.No.89-110/2011 Appeal dated 18.6.2012 confirmed the orders of SRC dated 11.3.2011.

Aggrieved by the appellate authority order dated 18.6.2012, the institution filed another W.P. No. 43577-78/2011 wherein the institution had prayed for an interim order to stay the operation of orders of Appeal Annexure T.No. F.No.89-110/2011 Appeal dated 18.6.2012 and Annexure P. No.APS03719 dated 4.10.2011 approving the report dated 14.10.2011 in its 212th meeting passed by the 2nd respondent (SRC, NCTE) recommending to the 1st respondent and Annexure E order passed by the SRC withdrawing the recognition invoking Section 14(1) of the NCTE Act 1993 by its order No.F.SRO/NCTE/2010-2011 27586 Code APS03719-B.Ed. dated 11.3.2011 all consequential orders. The Hon'ble Court granted the interim order of stay to the institution on 13.12.2012 for a period of eight weeks which was further extended until further orders on 5.2.2013.

The advocate was requested to vacate the interim stay granted to the institution by this office letters dated 21.2.2013 and 10.1.2013.

On 18.3.2013, the institution submitted a copy of the order dated 28.2.2013 in W.P. No.43577-578/2012 and had requested to cancel the order of withdrawal of recognition to the institution.

The order dated 28.2.2013 of Hon'ble High Court of Karnataka at Bangalore reads as under:- "The impugned orders passed by the respondent - authority appears to be without taking into consideration the compliance report submitted and also certain of the documents produced. In that view of the matter, the impugned orders at Annexures -'P', 'T' and 'E' are quashed. However, it is hereby directed to the 3rd respondent to secure any further documents, if need be and accord permission to admit the students for the academic year 2012-13. Ordered accordingly."

As per the Order dated 28.2.2013, the direction is for the 3rd respondent to admit the students for the academic year 2012-13.

The following orders are quashed:-

Annexure T. No. F.No.89-110/2011 Appeal dated 18.6.2012 confirming the order of SRC dated 11.3.2011 &

Annexure P. Finding of the VT dated 24.10.2011 and SRC recommendation in its 212th meeting passed by the 2nd respondent (SRC, NCTE) recommending to the 1st respondent & Annexure E order passed by the SRC withdrawing the recognition vide No.F.SRO/NCTE/2010-2011/ 27586 dated 11.3.2011.

But, as per the Order of Hon'ble HC of Karnataka in W.P.No.23299/2011 dated 23.8.2011 filed by the institution, wherein the 1st respondent is the Member Secretary, NCTE, New

Delhi and the 2nd respondent is RD, SRC, NCTE, the Hon'ble Court had ordered that

- The first respondent is directed to reconsider the matter afresh in accordance with law after taking into consideration the materials placed by the petitioners along with the memorandum of appeal as also the report of the visiting team as above and pass appropriate orders thereon in accordance with law within a period of six weeks from the date of receipt of the report.
- The petitioners are permitted to admit the students for the current academic year for the study of B.Ed. course subject to the result of the order, which may be passed by the first respondent (MS, NCTE, ND).
- It is hereby clarified that in case the first respondent takes a view that the petitioners have not provided necessary land and building as above, the second respondent (SRC, NCTE) has to transfer the students so admitted to some other B.Ed. Colleges.

The SRC in its 242nd meeting held on 14-16 April 2013 considered the matter and noted that, the Hon'ble High Court of Karnataka, vide order dt. 28.02.2013 has quashed the following orders:

1. Withdrawing the recognition of the institution by SRC vide order dt. 11.03.2011.
2. Finding of the VT report dt. 24.10.2011 and SRC's recommendation in its 212th SRC meeting, passed by the 2nd respondent (SRC-NCTE) recommending to the 1st respondent.
3. Confirming the order of SRC by appellate authority vide order dt. 18.06.2012.

And further, the Hon'ble High Court has given direction to the Appellate authority Petitioner No.1, i.e., Member Secretary, NCTE, New Delhi to consider the matter afresh and pass appropriate order with law within a period of six weeks from the date of receipt of the Court order. In view of the above, the committee further decided and advised Southern Regional Office to reiterate SRC's position to the Appellate authority and await decision in the appeal.

In the meanwhile, on 03.05.2013, this office has received a letter dated 26.04.2013 from the Research Office, NCTE, New Delhi regarding W.P.No.23299/2011 filed by the institution and the HQ has stated that as per the Hon'ble High Court's direction dated 06.01.2012, it is clearly observed that no interim prayer for admitting students shall be entertained by the High Court in the absence of recognition granted by NCTE.

Further, as per NCTE Act, Rules and Regulations, no recognition can be granted to any institution for the session 2012-2013 after 31.08.2012.

It is again informed that Hon'ble Supreme Court in its order dated 13.12.2012 has ordered that no recognition can be granted for the session 2013-2014 after 3rd March 2013 and has requested this office to file an appeal before the Division bench immediately in the light of NCTE Act, Rules regulations and various judgments of Hon'ble Supreme Court.

Letter of AH dated 08.04.2013 stated that the court has observed that withholding of the results of the students is not fare on the part of the Bangalore University and is not in the interest of the students. The court has directed the NCTE to pass an appropriate order with regard to the recognition of the petitioner institution and the admission of the students therein. Court did not fail to observe that the students must not suffer because of the

	<p>NCTE or of the University. The matter was disposed of in above terms.</p> <p>Accordingly, a letter was sent to advocate Sri.Ashok Haranahalli on 03.05.2013 requested to file an appeal before the Hon'ble court on behalf of SRC-NCTE. NCTE-Hqrs</p> <p>A letter was received from Advocate on 03.06.2013 stating that requested to make available all the papers pertaining to the writ petition and the certified copy of the final order dated 28.02.2013 so as to enable us to prepare the appeal.</p> <p>Accordingly, a letter was sent to advocate on 10.07.2013 along with brief of the case and relevant documents.</p> <p>The SRC-NCTE is in receipt of NCTE-Hqrs letter on 04.11.2013 along with a court order in W.P. Nos 14783-14784/ 2013 & W.P. Nos 15417-15434 of 2013 dated 08.04.2013 received from Hon'ble High Court of Karnataka at Bangalore. The court order stated as follows:-</p> <p style="padding-left: 40px;">*.....NCTE shall take immediate action to consider the materials placed before it and pass necessary orders regarding the existence of infrastructure for continuing the recognition granted to the petitioner- college. The respondent – University has to necessarily await the communication from the NCTE to pass appropriate orders regarding renewal of affiliation as the students admitted for the year 2011-12 have to pursue and continue their studies. It is made clear that further studies of these students shall not be affected and the same will be subject to the result of the orders to be passed by the NCTE and the consequential orders that the respondent-University has to pass. It is further made clear that the petitioner-colleges shall not make fresh admission without obtaining clearance from the NCTE and the consequential renewal of affiliation by the 1st respondent – University. It is necessary to observe that the NCTE and the respondent-University shall take expeditious step to put the matter at rest, as otherwise it will have serious effect on the students studying and as also on the college for its future programmes. Writ petitions are accordingly disposed of.</p> <p>The institution has submitted its written representation on 03.02.2015 stated as follows:</p> <p style="padding-left: 40px;">* ... 1. BTL College of Education has been given approval to start B.Ed course and it stated admitting students from 2006. The course was being imparted successfully till then. On 22.04.2010 there was an inspection by your team and certain deficiencies were pointed out. Since rectification took some time, the college was derecognized.</p> <p style="padding-left: 40px;">2. The College prayed to the Hon'ble High Court and it heard our petition and given stay</p> <p style="padding-left: 40px;">3. Since the college was given no admission status and disaffiliated, admission was not made.</p> <p style="padding-left: 40px;">4. Since the college is located in rural area, the mass would be immensely benefitted by the course and it would enable many of the rural women to get gainful employment.</p>
--	--

Hence we request you to kindly accord your approval for renewing the B.Ed course from the academic year 2015-16. I wish to submit that all necessary infrastructure is available and it would be a waste of national resource if we do not utilize it fully.

We seek your advice to enable us to get the renewal of the B.Ed course."

The SRC in its 281st meeting held on 19 February 2015 considered the matter and decided to put up with a more detailed note in the next meeting.

Note:

1. Aggrieved by withdrawal order of SRC and confirming the SRC's order by appeal committee, institution filed a court case in W.P.No.23299/2011.
2. Based on court direction, re-inspection was conducted to the institution on 14.10.2011. VT report was inadvertently placed before SRC in its 212th meeting instead of forwarding to NCTE-Hqrs for taking further necessary action (as per court order), the committee decided to withdraw recognition. Accordingly, withdrawal order was issued to the institution on 14.12.2011.

The SRC in its 283rd meeting held on 2-3 March 2015 considered the matter, court directions, and all other relevant documents of the institution and decided as under:

Accordingly, a letter was sent to institution on 21.04.2015 to submit all the documents along with approved staff list.

The institution has submitted its written representation on 26.05.2015 along with documents.

The Southern Regional Committee in its 290th meeting held during 10th & 11th July 2015 considered the matter, written representation from the institution vide letter dated 26.05.2015 and all the relevant documentary evidences and it was decided to serve Show Cause Notice Under Section 17 of NCTE Act for the following :

On 24.10.2014 a letter received from TNTEU regarding starting of new college in the name and style of Kumaran College of Education, Vellore District for the academic year 2014-2015 only.

A complaint letter dated 07.07.2015 received from Shri K. Saravanan, 260, Tajpuasalai Arcot, Vellore-632501, Tamilnadu on 10.07.2015 along with original affidavit and document. In the affidavit stating as follows:

"I K. Saravanan, residing at No.260, Tajpurasalai, Arcot, Vellore-632501. I have written this complaint affidavit about Kumaran College of Education, functioning at Plot/Khasara No.309/13B2, Melmonavoor Village, Abdullapuram Post Office, Vellore-632010, offering Bachelor of Education (B.Ed) program. This College is not functioning in independent land and building. There are two other institutions functioning in the same land and building namely 1) Tamilaga Industrial Training Institute (ITI) approved by directorate General of Employment and Training (DGET), Ministry of skill Development and Entrepreneurship, SharmShaktiBhawan, Rafi Marg, New Delhi offering vocational programme in National Council for Vocational Training (NCVT). 2) Tamilaga Industrial School, approved by Directorate of Employment and Training, Alandur Road, Guindy, Chennai-600032 Tamilnadu. This institute also offering Vocational programs of State Council for vocational training (SCVT). These two institutes successfully functioning for the past 20 years. Every year more than 500 students are studying in these institutes. If you have any doubts in this matter you can write to the competent authorities and ask them to clarify whether the institutes have got the approval from them. Now, they use the same land and building and got the approval from you to conduct Bachelor of Education (B.ED) Programme. But there is no separate land and building to start new college of education according to the NCTE regulation 2014. This institute was not fulfill the norms and standards of NCTE. The institute is not have sufficient land to start new B.Ed College. This institute's adjacent properties are belongs to third parties. There is no single pie of vacant land belongs to the management institute. So that is not possible to fulfill the sufficient land norms of NCTE. Then how can they got the approval from you to start new B.Ed institute. So the doubt will arise whether they shows some fabricated documents to get approval from you. The institute is not having proper classrooms, laboratories, infrastructure, instructional facilities and qualified faculty members. Hence I requesting you to view this matter seriously and take necessary action against the management to withdrawal of recognition of Kumaran College of Education from the academic year 2015-16. We already sent petitions along with document proof regarding in this matter to Dr. G.Viswanathan, the Vice -Chancellor, Tamilnadu Teachers Education University, Chennai, Tamilnadu, but he didn't take any action against the college. Dr.G.Viswanathan got Rs.20,00,000/- as bribe from management of the college and leave them to admit the students in to B Ed degree course for 2014-15 year. This year 2015-16 also Dr.Viswanathan got Rs.20,00,000/- as bribe from management of the college and leave them to admit the students into B.Ed degree course. Now they are publishing advertisement in leading news papers to admit the students in vocational courses and B.Ed degree in same campus. That's why we are forward this petition to you. Herewith we enclosed the original newspaper as proof. We hope you to view this matter seriously and take

necessary action against the management to withdraw of recognition of Kumaran College of Education from the academic year 2015-16 at your earliest"

The institution has filed court case in WP.No.22782 of 2015 in the Honorable High Court of Tamilnadu. It is prayed that

The SRC in its 292nd meeting held on 29th -30th September, 2015 considered the complaint letter dated 07.07.2015 and advised Southern Regional Office to

- **Send the complaint to the TNTEU for comments.**

The institution addresses a letter 07.08.2015 to the Registrar, TNTEU was received by SRC on 10.08.2015 along with documents regarding explanation for action initiated towards non grant of continuation of affiliation for the academic year 2015-2016 for Kumaran College of Education, Abdullapuram, Vellore District-grievance.

In the meantime, a court notice in WP.No. 32707 of 2015 received from Hon'ble High court of judicature at Madras on 24.10.2015. Accordingly, a letter along with brief of the case was sent to the advocate on 13.11.2015. A letter was received from advocate Shri. K Ramakrishna Reddy on 23.11.2015 with request to correspond with Mr. P.R Gopinath, regarding WP.No.No.32707 of 201.

As per the decision of SRC, a letter to the Registrar, TNTEU was sent on 17.11.2015. The University has submitted its comments on 27.11.2015 along with documents. The letter stated as follows:

"... Southern Regional Committee, NCTE, Bangalore has sought the comments from this university on the petition dated 07.07.2015 received from Shri.K. Saravanan, 260, Tajpuasalai, Arcot,Vellore-632501. As the copy of the same petition was already received by this University and actions were already initiated on the said complaint along with two other complaints with the similar subjects, the details of the same are now furnished below

2. Based on the recognition granted to the Kumaran College of Education, Vellore District by the SRC-NCTE on 21.02.2014, this University has granted a conditional affiliation for the academic year 2014-2015 along with three conditions. Out of three conditions the said college has fulfilled only one but not fulfilled the remaining two for the past one year.

3. Under the above condition, a complaint dated 01.04.2015 was received in this office on 05.05.2015 from the '2014-2015 batch B Ed Students' of the said college. The copy of the similar complaint sent to the Government of Tamilnadu by the petitioner was also received

in this office through the Government. The abstract of the complaint is:

- a. Kumaran College of education is functioning in the industrial Training Institute (ITI) building and there is no separate land and buildings for Kumaran College of education
- b. Laboratory and other facilities are meant only for ITI courses and not for B.Ed degree programme.
- c. Inadequate infrastructure for conducting B.Ed degree programme.
- d. Complainant has attached a Photograph as evidences for their complaint that both the ITI and Kumaran College of Education are functioning in the same land and building.

4. This university has issued show cause notice on 07.05.2015 to the Kumaran College of Education, Vellore District by enclosing the copy of the complaint to offer their explanation on the said complaint. In turn, the said Kumaran College of Education has submitted their explanation on 13.05.2015, in which the Chairman of the said college has attached the copy of the recognition granted by the NCTE and the copy of the conditional affiliation granted by this University and stated that they are having recognition from the government of India and affiliation from the Government of Tamilnadu for Kumaran College of Education in the same land and Buildings. Further stated that the complaints made in the petition are totally false and requested to close the petition. But, later, in the reference 5th cited the same college has agreed that both the college of education and it is are functioning in the same building. Hence, there is a contradiction in the explanation offered by the college in different dates.

5. This University has confused a two member's surprise visit commission to ascertain the factual position of the complaint against the said college. Accordingly, the surprise visit commission their report to the university as detailed below.

"The management is running two of their institutions in the same land and building, namely Tamilnadu Industrial Training Institute and Tamilaga Industrial School. The management has used the land and building for the B.Ed degree Programme also. Further, it is observed that the Kumaran College of Education is lacking the basic infrastructure facilities including class rooms, laboratories and library which are essential for running the B.Ed programme.

The inspection commission has enquired in to the complaint lodged by the B.Ed student of the academic year 2014-2015 and found that the complaint is true by considering above observation s and the inspection commission suggest the university authorities to initiate suitable action against the Kumaran College of Education, Vellore District.

6. The copy of the complaint against the said college dated 07.07.2015, on which the SRC is now seeking comments from this university was received from Mr.K. Saravanan, 260, Tajpurasalai, Arcot Vellore-632501 on 10.07.2015. The content of the complaint in the previous petition dated 01.04.2015 and in the present petition dated 07.07.2015 are almost same. The highlights of the complaint dated 07.07.2015 are as follows:

- a. Kumaran College of Education is functioning along with two more ITI institutions approved by NCVT, Guindy in the same building and land
- b. Including B.Ed two more institution functioning in the same building and land, but

- got approval from the authorities.
- c. This institute has not fulfilled the norms and standards of the NCTE, particularly no sufficient land.
 - d. Doubt raised that the college has got approved by producing fabricated documents.
 - e. Request to withdraw recognition from the academic year 2015-16.
 - f. Petitioner has stated that he has already made complaint to the university, but the university has not taken action by receiving bribe.

7. The allegation of the petitioner, Mr. Saravanan in "6-f" supra that he has already made complaint against the said college to this University, but the University has not taken any action by receiving bribe, is totally false and fabricated, since the University has not received any such petition from Mr. Saravanan prior to his petition dated 07.07.2015. Instead, a systematic process has already been initiated against the said college by this university based on the petition dated 01.04.2015 received in this office on 05.05.2015. Actually, the surprise inspection commission caused inspection at the said college prior to the petition received from Mr. K. Saravanan. Hence, the allegations of Mr. K. Saravanan that this university has not taken any action by receiving bribe is utter false, baseless and motivated.

8. Based on the findings of the surprise inspection commission held on 06.07.2015, the remaining allegations listed above are found to be true. Further, the news paper cutting in respect of the advertisement given by the Kumaran College of Education calling for applications to B.Ed degree programme and also for admission to various ITI courses in the same premises confirmed the above allegation. Apart from this, the photograph of the college building clearly confirms that the B.Ed degree programme is being offered along with ITI courses in the same building and land.

9. Hence, as said college is functioning in the same building where industrial training are functioning in violation of clause 8(4) (ii) of the NCTEC Regulations, this University has addressed the Kumaran College of Education, Vellore District again on 08.10.2015 and requested them to submit the relevant documents issued by appropriate authorities in respect of land & buildings used for offering B.Ed degree programme and also land & buildings used for industrial Training Institutes separately.

10. In response to this University letter dated 08.10.2015, the said college has submitted a reply letter dated 23.10.2015, in which, the management has stated that the NCTE Regulations does not restrict to function college of Education and Industrial Training in the same building. The relevant portion of their letter reproduced below:

"the NCTE regulations does not forebear or especially restrict the functioning of other Educational Institution of a different programme being conducted simultaneously in the premises where the B.Ed Training course are conducted".

Further, the said college has not submitted any documents in respect of well demarcated land used for offering B.Ed degree programmes as given in clause 8(4) (ii) of the NCTE Regulations. But the a copy of the building plan was submitted. This building plan was signed by the Engineer on 11.07.2007 and the plan was approved by the authority on 13.12.2006. Actually, the society was registered on 18.07.2011 and the sale deeds for the land was registered on 13.12.2012. As per the documents produced by the said college,

the building plan was approved by the competent authority before purchasing the land.

11. As explained above, the said college is functioning in the building where the Industrial Training Institute are functioning. Further, as the contradictions existed in the documents submitted by the said college, in respect of date of registration of Society, date of sale deed for land, date of preparation of building plan and the date of approval of the plan by the authority, this University is not able to process the application of the said college for grant of continuation of provisional affiliation from the academic year 2015-16.

12. In the meantime, the management of the said college has approached the Hon'ble High court with writ petition No.32707 of 2015 against the University's letter dated 25.07.2015, in which the NCTE, New Delhi and SRC /NCTE, Bangalore are 1st and 2nd respondent respectively. Further, the said college has already filed a writ petition no.22782 of 2015 challenging certain clauses of new regulations, 2014. Both the writ petitions are pending before the Hon'ble High court Chennai.

Under the above circumstances, it obviously appears that the said college is not functioning in accordance with the Clause 8(4) (ii) of the NCTE's Regulations, 2014, since both the Kumaran College of Education and two more ITI institutions are functioning in the same building as per the two members inspection committee report followed by the letter dated 23.10.2015 of the said College. However, this subject matter is submitted to the SRC/NCTE to take final decision and based on the final decision of the SRC-NCTE, the pending application of the said college in this University for grant of continuation of Provision application will be taken up for disposal.

The SRC in its 297th meeting held on 27th - 28th December, 2015 considered the complaint matter and it has decided as under:

Obtain specific information on the following points:

- a. Sy.Nos involved.
- b. Area of the land in reference.
- c. Does it meet the requirement of the T.E.I.
- d. Is it clearly earmarked for the B.Ed programme.
- e. Does the Society / College have clear title to the land in reference.

As per the decision of SRC, a letter was sent to the institution on 20.01.2016.

In the meantime, the complainant has submitted written representation/ (complaint letter) through affidavit on 13.01.2016 along with relevant documents.

The matter was placed before SRC in its 299th meeting held on 20-21st January, 2015 and the committee considered the matter and decided that

1. The institution has to submit properly land details. Remind them.
2. Forward a copy of the supplementary complaint to the Institution for comments.

Meantime the institution has submitted a copy of the Court order dated 09.12.2015 in W.P.No.32707 of 2015 and M.P.No.1 of 2015 filed by Kumaran College of Education, Vellore. The court order stated as follows:

The petitioner, which is a Teacher Training Institute has come forward to file this writ petition challenging the order dated 15.07.2015, passed by the fourth respondent to show cause as to why appropriate action shall not be initiated based upon the prime-facie findings mentioned therein.

2. Heard the learned counsel appearing for the petitioner and the learned counsel appearing for the respondents 1 to 4.

3. The learned counsel for the petitioner submitted that anonymous complaints have been given by the fifth respondent to the respondents 1 and 2, who in turn directed the fourth respondent to look into the matter and take appropriate action. After considering the letter of the fifth respondent dated 07.07.2014, an order was passed by the first respondent on 28.10.2015 treating the complaint as closed and therefore, no further action is required in the matter.

4. The learned counsel for the respondents 1 & 2 submitted that after the letter dated 28.10.2015 another communication has been sent by the second respondent to the respondents 3 and 4 dated 12.11.2015 seeking comments about the said complaints.

5. The learned counsel for the respondents 3 and 4 submitted that prima-facie case is made out on the alleged irregularities. He submitted that the reply given by the petitioner would be considered in a proper perspective while passing the final order. He further submitted that particulars have been sought for by letter dated 08.10.2015 from the petitioner in respect of details of land and buildings under use for offering B.Ed Degree programme, apart from other documents pertaining to the Industrial Training Institute.

6. By way of reply, the learned counsel for the petitioner submitted that letter of the respondent dated 08.10.2015 has also been replied on 23.10.2015 along with the relevant documents.

7. Admittedly, the order impugned is only a show cause notice and the petitioner is stated to have given its reply. Thus, it is for the respondents 3 and 4 to take appropriate decision by considering the relevant materials. While doing so, the scope and applicability of the letter of the first respondent dated 28.10.2015 has to be taken into consideration by the respondents 3 and 4 and also, the communication of the second respondent dated 12.11.2015.

8. Accordingly, the respondents 3 and 4 are directed to pass appropriate orders after considering the above said correspondences and other relevant materials if any, within a period of six weeks from the date of receipt of a copy of this order.

9. The writ petition stands disposed of accordingly. Consequently, connected Miscellaneous petition is also closed.
No costs.

The SRC in its 301st meeting held on 05th -06th February, 2016 considered the court order and **noted the matter**.

A letter was sent to the institution on 04.02.2016 regarding decision of SRC 299th meeting

along with a copy of supplementary complaint. The institution has submitted its written representation on 17.03.2016 along with documents.

"1. In continuation to the above subject matter if Ref. (i) communication calling for explanation enclosing copy of the supplementary complaint dated 06.01.2016 of Mr.K.Saravanam, I have perused the contents of the notice and the enclosed text of the letter forwarded by Mr.K.Saravanam.

2. At the outset, I submit that the contents of the affidavit of Mr.K.Saravanam is imaginative and exhibits the intent of the individual, only to tarnish the image of the institute, when the terms of the norms governing the grant of recognition by the NCTE, and land requirements has been satisfied by the Management at the time of making an application for recognition before the authority.

3. However, on the basis of an anonymous complaint made by one Mr.K.Saravanam whose existing is unknown to this Management seems to be make wild and imaginative allegations which do not bear even an iota of truth which could be inferred by common prudence. particulars, when the management had taken sufficient care to comply with the norms of the NCTE as well as the concerned University to have the affiliation for administration of the B.Ed Course of study, pursuant to which recognition of affiliation was grant by the authorities concerned for the years 2014-2015.

4. An anonymous complaint had been made out presumably by a competitor of the B.Ed College of Education by using a fictitious name and address, only to create a doubt and disturb the process of conditional affiliation and the recognition enjoyed by the Management. It is seen from the contents of the affidavit that the said complaint contains all wrong information which are thoroughly imaginative and bereft of an element of truth.

5. We kindly inform the authority that the affidavits made by K.Saravanam were not notarized. Also the proof of the return of speed post sent to K.Saravanam is enclosed for your kind understanding that there is no such person.

6. We kindly inform that NCTE head quarters, New Delhi was closed the complaint made by K.Saravanam. The closing letter given by NCTE head quarters is again enclosed herewith for your kind understanding.

7. All of sudden, now I received a copy of complaint on dated 06.01.2016 in the name of one K.Saravanam in the mode of affidavit to your authority calling for acting to the complaint made then.

8. As I have lodged a complaint against the letter which had been made in a fictitious person named K.Saravanam in Arcot Taluk police station on 04.03.2016 which is under investigation for further criminal action under the provisions of law.

Hence, the same is prayed to be ignored and the authorities may grant the benefit of appropriate consideration on the basis of the explanation made by the authority at the time of grant of approval.

So, I humbly request the honorable authority not proceed further in the matter on

the basis of the false contents said affidavit."

The SRC in its 309th meeting held on 12th -14th April, 2016 considered the institution reply and it has decided that "Please ask the institution to specifically reply to the queries raised in SRC letter dated 20.01.2016".

As per the decision of SRC, a letter was issued to the institution on 20.05.2016.

In the meantime, the complainant (Shri K. Saravanan) has submitted written representation along with original affidavit of Rs.20- and relevant documents. The affidavit stating as follows:

".....Now I enclosed herewith an true copy of the sale deed No: 14882/2012, 14884/2012, parent sale deed No. 46/1996, copy of the encumbrance certificate as proof of fabricated sale deed of Kumaran College of Education. Here I came to mention the following deficiencies also you have to take in to the count to withdrawal of recognition of Kumaran College of Education from the academic year 2015-16.

1. In the true Copy of the sale deed No. 46/1996, page No. 2 row No: 1 to 6 says the sale deed executed on 15.03.1996 between 1) K. Thamilarasi, W/O, N. Krishnamoorthy residing at 3/316, maraimalai adigal street, Gandhinagar East, Katpadi Town Extension, Vellore District and 2) C. Arjunan, s/o CHINNAPPA (late) residing at Pillaiyar Koil street, Shenbakkam Village, Vellore District. Page No. 3 row no. 1 to 7 says C. Arjunan was sold his property to K. Thamilarasi Sy.No. 309/13 extent 0.11.1/4 cents (or) 4905 sq.ft) (or)455.68 sq.mts. So K. Thamilarasi purchased Sy.No. 309/13 extent 0.11.1/4 cents (or) 4905 sq.ft (or) 455.68 sq.mts only by means of sale deed 46/1996/
2. In the true copy of the sale deed No. 14882/2012 page no. 2, para 1 & 2 says the sale deed executed on 13th day of December 2012 (13.12.2012) between 1) K. Thamilarasi,, W/O, N. Krishnamoorthy residing at 535, maraimalai adigal street, Gandhinagar East, Katpadi Taluk, Vellore District and 2) Sarabar Educational Trust represented by its founder and chairman K. Ezhil Mohan Raj S/o N. Krishnamoorthy residing at 535, maraimalai adigal street, Gandhinagar East, Katpadi Taluk, Vellore District in this deed page no. 5 Schedule of Property K. Thamilarasi was sold her entire property Sy.No. 309/13 extent 0.11.1/4 cents (or) 4905 sq.ft (or) 455.68 sq.mtr which she was purchased from C. Arjunan by a sale deed 46/1996. So she doesn't have single cent of land in her hand.
3. On the same day 13th day of December, 2012 (13.12.2012) one more sale deed No. 14884/2012, page No. 2, para 1 & 2 was executed between 1) K. Thamilarasi, W/O, N. Krishnamoorthy residing at. 535, maraimalai adigal street, Gandhinagar East, Katpadi Taluk, Vellore District and 2) Sarabar Educational Trust represented by its founder and chairman K. Ezhil Mohan Raj S/o N. Krishnamoorthy residing at 535, Maraimalai adigal street, Gandhinagar East, Katpadi Taluk, Vellore District, in this deed page no:8 Schedule of Property K. Thamilarasi was sold her property Sy.No. 309/13 extetn 0.21 (or) 9156 sq.ft (or) 850.61 sq.mts here she said in the same deed

No. 14884/2012 page no. 4 para 2 she selling the property which purchased from C. Arjunan by sale deed dated 21.12.1995 registered as documents NO. 46/ 1996 of Book1, on 15.03.1996 in the office of the District registrar, Vellore. K. Thamilarasi was sold her entire property sy.no. 309/13 extent of 0.11.1/4 cents (or) 4905 sq.ft (or) 455.68 sq.mtr which she was purchased from C. Arjunan by a sale deed 46/ 1996. So she doesn't have single cent of land in her hand then how she can able to sale another 0.21 (or) 9156 sq.ft (or) 850.61 sq.mtr in the same Sy.No. 309/13 shown same sale deed 46/1996 as parent document.

4. Hence in view of the above its clearly states that sale deed No. 14884/2012 dated 13.12.2012 was fabricated one. If you want to clarity, you can write to the District Registrar, District Registrar Office, Veppamara Street, Velappadi, Vellore Dt-632004. He will tell you the truth about the sale deed.
5. Here the management fails to fulfill the land requirement as per the NCTE regulation 2014 for Kumaran College of Education. So how can they able to show separate land for 1) Tamilga ITC, 2) Tamilaga Industrial School which is running in the same land and building.
6. The Kumaran College of Education and the tamilaga ITC institutes are publishing combined advertisement in the daily news papers to admit the students for this academic year 2016-17. So they accept themselves the both institutes are running in the same land and building. I request you don't allow the management to admit the students in Kumaran College of Education in to B.Ed degree program for this academic year 2016-17. Herewith I enclosed the advertisement new paper as proof.
7. I was sent a complaint petition on 19.05.2016 to 1) the District Collector, Vellore District Collector Office, Sathuvachari, Vellore-632009. 2) the District Registrar, District Register office, Veppamara Street, Velappadi, Vellore Dt.-632004 to verify the grounds of registered sale deed No. 14884/2012 and also I asked them take necessary action as per law. That petition is under processing with above two officers.

The above said information is clearly stated that the management was cheated the NCTE and TNTEU to get approval to start new B.Ed degree program in the name of Kumaran College of Education. Hence I request you to stop the admission and withdraw the recognition of Kumaran College of Education from the academic year 2016-17.

The SRC in its 315th meeting held on 17th-18th June, 2016 the deferred the matter. Meantime, in response to this office letter dated 20.05.2016 the institution has submitted its reply on 21.06.2016.

The Committee considered the matter, reply of the institution to this office letter dated 20.05.2016 and decided as under:-

Put up in the next meeting with allegation wise comments .

The SRC in its 195th meeting held during 17-18 August, 2010 considered the matter and decided to issue Notice under section 17 of NCTE.

Accordingly, a Notice was issued to the institution on 18.11.2010. The institution submitted its written representation 21.12.2010.

The SRC in its 201st Meeting held on 22nd-23rd February, 2011 considered the reply to Show Cause Notice, VT Report, VCD and all the relevant documentary evidences and it was decided to serve Final show cause notice Under Section 17 of NCTE Act.

Accordingly, a final show cause notice was issued to the institution on 18.03.2011.

The institution submitted its written representation on 25.04.2011.

In the meantime, a letters dated 15.06.2013 & 03.07.2013 were received from the institution stating that

"...Hannamma Christian College of Education, Proddatur, Kadapa District, Andhra Pradesh, humbly submit that we have submitted the original Joint account F.D's (i.e. Endowment Fund and Reserve Fund) and obtained receipt from your office on 28.08.2009. I am herewith enclosing a copy of the said receipt for ready reference.

Now I request you Sir, the F.D. of Endowment fund for Rs. 5,00,000-00 due date is on 06.09.2012 and the said FD has to be renewed for further period of 6 months. Hence kindly arrange to sent it back the said FD for further renewal and I also request you Sir. I may kindly be permitted to withdraw the INTEREST amount, so as to enable me to utilize the same for salary purpose of the staff. Since so for the A.P. Govt. has not sanctioned reimbursement (Scholarships to the B.Ed., students, I will again re-submit the said FD immediately after done with.

Inadvertently, the reply for final show cause notice for section 17 submitted by the institution was not placed before SRC.

It is seen from the file, that after issuance of final show cause notice under section 17, reply is received and further no action has been taken and the reply has not been placed before the SRC meeting.

The Southern Regional Committee in its 257th Meeting held on 20th - 22nd December, 2013 considered the matter on the above subject, reply of the institution to the show cause notice issued to the institution vide our letter dated 24/04/2011, and also the relevant documents of the institution and decided to withdraw recognition for the following

(S.Sathyam)
Chairman

reasons:-

The institution has not submitted any documentary proof for the following documents.

- The institution has not submitted building plan duly approved by the competent civil authority.
- Building completion certificate submitted by the institution is not in proper format.
- Land usage certificate submitted by the Institution is not in proper format.

Based on the above points the Committee decided to **withdraw the recognition of the B.Ed** course run by Hannamma Christian College of Education, Y.M.R. Colony, Proddatur, Cuddapah-516361, Andhra Pradesh from the academic year **2014-15** in order to enable the ongoing batch of students in B.Ed. course, if any, to complete their course.

As per the decision of SRC, a withdrawal order was issued to the institution vide F.No. APS00049/B.Ed/AP/2013-14/50542 dated 24.01.2014

Aggrieved by the withdrawal order of SRC, the institution preferred an appeal before the Appellate authority, New Delhi and accordingly, the original file of the institution along with comments was sent to NCTE-Hqrs on 08.05.2014.

On 02.09.2014, a Court order dated 25.08.2014 issued from the Hon'ble High Court of Judicature at Hyderabad for the State of Telangana and Andhra Pradesh in W.P.No. 24738 of 2014 is received by this office. The writ petition is filed by Hannamma Christian College of Education, Proddatur, Kadapa wherein NCTE-Hqrs is the first respondent and SRC, NCTE is the second respondent.

The institution has prayed that in the circumstances stated in the Affidavit filed herein, the High Court may be pleased to call for the records relating to order bearing F.No. APS00049 B.Ed / A. P/2013-14 /56542 dated 24.01.2014 wherein the recognition granted to the petitioner college by the NCTE, Southern Region, Bangalore is withdrawn with effect from 2014-15 against which the appeal filed by the petitioner on 21.03.2014 is pending before the 1st respondent (NCTE-HQ) and consequently issue a writ of mandamus or any other appropriate writ, order or direction quashing the same with a consequential direction to continue the recognition granted by the 2nd (SRC, NCTE) respondent from the academic year 2001-2002 to the academic year 2013-14 for 2014-15 also.

The Hon'ble High Court order dated 25.08.2014 is as under :-

"By an order passed on 24.01.2014 the Southern Regional Committee, National Council for Teacher Education, Bangalore has withdrawn the recognition accorded to the writ petitioner for running B.Ed course from the academic year 2014-15.

It is not in dispute that the recognition has been accorded during the academic session 2004-05 with annual intake of 120 students by an order passed on 14.09.2004. The reasons for withdrawing the recognition are recorded as under: (1) The institution has not submitted building plan duly approved by the competent civil authority. (2) Building completion certificate submitted by the institution is not in proper format. (3) Land usage certificate submitted by the institution is not in proper format.

These reasons appear, prima-facie too technical.

The Southern Regional Committee in its 273rd meeting took note of the Court order to the University for not altering status quo ante.

As per the decision of SRC, a letter was addressed to the advocate Shri.Ramakanth Reddy on 21.11.2014 requesting to defend the case on behalf of NCTE.

On 26.11.2014, an e-mail was received from the advocate, Shri.Ramakanth Reddy enclosing a draft counter to be filed in W.P.No. 24378 of 2014 by NCTE. A duly signed Counter affidavit to be filed in W.P.No. 24378 of 2014 was sent to the advocate on 03.12.2014.

On 05.12.2014, the appellate authority order no. F.No.89-254/2014 Appeal / 12th Meeting - 2014/A 78885 dated 25.11.2014 is received by this office which is as under :-

"The Correspondent, Hannamma Christian College of Education (hereinafter referred to as the appellant), preferred an appeal dated 21.05.2014 to the National Council for Teacher Education, New Delhi (hereinafter referred to as the Council) under Section 18 of the NCTE Act, 1993 against the said Order.

Hannamma Christian College of Education, Proddatur, Kadapa, Andhra Pradesh was asked to present the case of the appellant institution on 08.09.2014 but nobody appeared. The Council decided to give the appellant another opportunity i.e. the second opportunity to present their case before the Council. Sh. Vijay Kumar, Chairman, Trust of Hannamma Christian College of Education, Kadapa appeared before the Council on 13.10.2014 and submitted that "the appellant college had constructed the building after obtaining approval of the Municipality. The construction of the building was in two stages: ground floor was completed in 1975 and first floor completed in 2009. Land use certificate was also submitted to SRC".

Appeal Committee noted that a Show Cause Notice was issued to the appellant institution on 18.03.2011 and the appellant had furnished a point wise reply dated 15.04.2011 to the SCN. Committee further noted that enclosures stated to have been enclosed with the reply to SCN, are not found available on the relevant file. The Regional Committee also did not make any effort to bring this fact to the notice of appellant institution. Committee further noted that SRC has failed to take any action for almost three years after issue of the SCN. After going through the available record, Council observed that SRC started analyzing the case on receipt of a complaint dated 05.03.2006 raising concerns over the (i) appellant's institution not having approved teaching & non-teaching staff; (ii) managing with government employees in running the college as teaching staff; (iii) filling other certificates & photos to inspire authority; (iv) not having own building registered in name of college.

The appellant during the course of appeal hearing has furnished land use certificate dated 8.12.2010 issued by Tahsildar, PRODDATUR MANDAL Y.S.R. (Dist) certifying that and in Sy 304/ 2A (0.69 acres) is under possession of Hannamma College of Education and conversion from Agriculture to Non agriculture was allowed vide certificate no R.D.S.A./597/2008 dated 04.07.2008. Certificate issued by Municipal Administrative Deptt. Proddatur indicate that Municipal taxes are being collected for building constructed bearing no.3/418. Committee also noted that the appellant institution was granted recognition in 2004 and the withdrawal of recognition in 2014 on grounds of approved building plan, building completion certificate, land use certificate is not justified unless and until the institute proposes to shift to a new premises or has inadequate instructional space as per prevalent Regulations. The more relevant point to be examined by SRC would therefore, have been that whether the institution is having adequate and professionally qualified faculty to run the course. Keeping in view the Circumstances of the case, Committee decided to remand back the case to SRC to examine the building related documents required and relevant as per NCTE Regulations prevalent at the time of grant of recognition in 2004.

On perusal of the Memoranda of Appeal, affidavit, documents on record and oral arguments advanced during the hearing, the Council concluded to remand back the case. The appellant should furnish to SRC within a period of 30 days copies of the relevant certificate of building completion and land use certificate. The withdrawal order 24.01.2014 is kept in abeyance till revised orders are issued.

Engineer's report with reference to the VT Report and place the case for consideration by the Committee.</p> <p>Accordingly, a letter dated 23.11.2011 was sent to NCTE-Hqrs. to recall the original file after receipt of Minutes of meeting.</p>

Meantime, Advocate, Shri P. Vinayaka Swamy has forwarded a fax letter dated 22.11.2011 stated that the institution has filed Contempt Case no. 1596 of 2011 in WPMP 31899 of 2011 in W.P. No. 25874 of 2011. The advocate has requested that "the above Contempt case is came up for admission before Justice Noushad Ali on 1.12.2011. The Hon'ble Court was directed to me to file a counter within 2 weeks and posted the matter on 15.12.2011. Hence, I further request you to send necessary remarks/instructions in the above matter to prepare counter affidavit"

The advocate has been informed vide letter dated 5.12.2011, the Hon'ble Court may be appraised that there is no contempt intended as the file of the institution is with NCTE-Hqrs. for considering their appeal. In the meantime without appraising the Hon'ble Court of the fact of appeal pending, the institution is pressurizing for reconsideration of its own order by SRC which is against NCTE Act 1993 provides in section 18 that "any person aggrieved by any order made under section 14 or section 17 of the Act may prefer an appeal to the council within such period as may be prescribed" as such the case may be dismissed any institution may be asked to await appellate order. Counter Affidavit in the Contempt case was filed.

The original file was received back in SRC on 13.12.2011. The agenda was prepared, however, as the 215th meeting of SRC was already over, it was decided to put up the matter in the 216th SRC meeting to be held on 11th and 12th January, 2012. The appeal decision is withheld as SRC is reconsidering on the basis of interim-order of Hon'ble Court.

This office has received Contempt notice from the Hon'ble High court of Andhra Pradesh on 3.1.2012 directing Sri. Gangadharaiah, Regional Director, National Council for Teacher Education, Southern Regional Committee, Bangalore to appear in person before the Hon'ble High Court on 19.1.2012, at 10.30 am. Regional Director has appeared on 19.1.2012.

As per perusal of the file, the institution has submitted building completion certificate vide dated 7.6.2011 wherein total built up area is 16,534 sq.ft. but the SRC has rejected the application on the basis of VCD observation and it is observed that the building is incomplete and still under construction at the time of application/inspection/visit. The SRC has already considered both building completion certificates and has not disputed building completion certificate.

As the perusal of the file the institution has not submitted any fresh VCD to establish whether the building is completed or not.

The original file along with court order dated 22/12/2011 was placed before SRC in its 216th meeting held on 11th and 12th January, 2012 and the Committee considered the matter and decided to cause re-inspection on payment of Rs. 40,000/-.

Accordingly, as per the decision of SRC, a letter was sent to the institution on 16.1.2012. The inspection was conducted on 22.1.2012. The visiting team report received on 24.1.2012.

Against our rejection order an appeal was filed. Simultaneously, the application filed a Writ petition in the High Court. The Court directed SRC to reconsider. We could not

(S. Sathyan)

comply because the records were with the Appellate Authority. The RD was called by the High Court to face contempt charge. The circumstances were explained. High Court has now directed to decide the case on merits by 10th Feb 2012. Accordingly, the case was reconsidered on 8th Feb 2012. It was decided to issue LOI. This decision effectively removes the cause of action; and, consequently, the appeal case will abate. The Appellate Authority may be apprised of the compelling circumstances in which we had to decide the case even when the appeal was still pending and requested to close the appeal case.

The High Court may be apprised of the compliance action taken by us and requested to condone the irregularity committed by us of deciding the case even when the appeal was still pending.

On careful perusal of the original file of the institution, court order and other related documents, Act of NCTE, 1993, Regulations and guidelines of NCTE published from time to time laid on the table, the Regional Committee decided to issue Letter of Intent for grant of recognition to B.Ed course of one year duration with an annual intake of 100(one hundred only)(one unit) for the academic year 2011-12 subject to the appointment of qualified staff through duly constituted selection committee as per the Norms of NCTE/State Government/Affiliating University and be given effect before the commencement of the academic session.

Accordingly, LOI was issued to the institution on 13/02/2012. It is clarified that the above programme is conducted in a separate building and it is continued based on the interim stay order issued by the Hon'ble High Court at Chennai, copy

of which is enclosed for perusal. It is also granted permission by the examination Board, Govt. of Kerala.
