Note: A complaint was received from Godam Nagesh Member of Parliament (Lok Sabha) on 01.03.2016 and 14.03.2016. The letter stated as follows:

**Adverting to the subject cited that, Sri Sai Vidhyarthi Educational Society, Adilabad has made an application with SRC-NCTE with bogus and improper documents which is highly objectionable. The Kakatiya University authorities initially rejected the NOC on the grounds that the land documents have no mention of Survey Number. Further the applicant approached Revenue Divisional Officer, Adilabad for mentioning Survey Number.*

The RDO has given a clever clarification saying that H.No. 2-234/1 & 2-234/2, is in the survey no. 170/41. The management has not made any amendments in the documents which are submitted to SRC. Sri B. Prabhakarreddy has purchased another piece of land in his name instead of society in 2013 which is in survey no. 170/41. Showing this document he has obtained a certificate from RDO Adilabad which cannot condone the disputed documents.

Hence, it is requested to probe into the matter and take necessary action immediately.

The copies of documents submitted along with application and other document where in the survey number is mentioned (purchased in personal capacity) is also enclosed herewith for your examination.

- The hard copy of application is not duly signed by the applicant on every page as per Sub-section (3) of Section 5 of Regulations, 2014.

The SRC in its 291st meeting held on 20 & 21st August, 2015 considered the matter and decided to "Summarily reject for the deficiency cited in the agenda".

A letter received from the NCTE Hqrs on 14.09.2015 which was placed before SRC for reconsideration of application for the session 2016-17 submitted online and hard copy received 15 day of the online application.

The SRC in its 292nd meeting held on 29 & 30th September 2015 considered the matter and decided that "Calculation in accordance with the guideline given by NCTE (Hq) shows that it was received on the 14th day and not 15th day. Accept and process" and the committee also considered the matter of applications submitted without NOC from the affiliating body and applications submitted with NOC obtained after 15.07.2015 and decided as under:

- Issue show cause notice for rejection in both the cases where NOC is not submitted and also where the NOC submitted is issued by the affiliating body after 15.07.2015.

Accordingly, show cause notice was issued to the institution on 21.10.2015.

On 30.12.2015, a letter has been received from the advocate Shri.K.Ramakrishna Reddy along with Court Order in W.P.No. 38550, 38551 & 38899 of 2015 and M.P.Nos.1, 1 and 1 of 2015 filed by Krishnamoorthy Educational Trust, Vellore District, Tamilnadu, K.T Educational Trust, Vellore District, Tamilnadu and Sri Venkateswara Educational Trust Madurai District, Tamilnadu.

1. Cases of 3 applications.
2. NOC is not furnished even after the extended time given by court.
3. Reject

Accordingly, Rejection order was issued to the institution on 19.02.2016.

Meantime, a court order received from the Hon'ble High Court of Judicature at Madras in W.P.No. 6897 of 2016 and W.M.P. No. 5936 of 2016 dated 29.02.2016 received in this office of SRC-NCTE on 12.03.2016.

The same court order was placed before SRC in its 308th Meeting held on 28th-30th March, 2016 and the committee considered the court order and it has noted the matter.

(S. Sathyam)
Chairman

Before issuance of show cause notice the institution has submitted written representation based on website information on 28.04.2016.

The SRC in its 311th Meeting held on 28th April, 2016 considered the show cause notice reply and it was decided as under:

1. The B.Ed case has been revived by the Court order
2. the D.El.Ed case, rejected earlier on 'stand alone' condition is not being revived since SCERT refuses to give NOC
3. The SCERT contention is that 'D.El.Ed' is banned by a State Government order. It is relevant here to recognize that, under law, only NCTE Notification can 'ban' courses. State Governments Cannot. The Court also has directed the SCERT to issue NOC
4. The request of the applicant for change of course in the application cannot be considered. They must force the 'SCERT' to issue NOC or approach the Appellate Authority against our rejection order
5. Process the revived B.Ed case

As per the decision of SRC, the application was processed

Note:

- A letter dated 14.04.2016 stating as follows,

"with reference to High Court of Madras order dated 29.02.2016, we have resubmitted our application with the documents to concerned authorities. The same has been considered by the concerned University and No Objection Certificates have been issued to us. The same we are submitting to your honorable authority.

Whereas the concerned authority for D.El.Ed programme is SCERT, now SCERT is not in a position to grant NOC for the applicant college for D.El.Ed programme due to Government Policy. It may be considered our decided only after the Tamilnadu state Election.

Subsequently, we have applied for " College of Arts and Science" to Tamilnadu Government in the name of 'Jai Sairam College of Arts and Science' which is under process for grant of recognition.

Hence, we kindly request you to consider our documents for recognition process and grant your valuable order for the academic year 2016-17 for our application SRCAPP14716 (B.Ed) and SRCAPP14761 (D.El.Ed).

3. FDRs in Joint account should be furnished
- 4.

Accordingly, Letter of Intent was issued to the institution for both B.Ed and D.El.Ed on 02.02.2016.

The institution has submitted written representation on 09.02.2015 and stating as follows:

"Our society applied for recognition to NCTE to start new Institutions D.Ed & B.Ed colleges by name Sri Krishna D.Ed & B.Ed colleges vise application Nos. SRCAPP3152 & SRCAPP3155 in the process of grant of recognition the NCTE conducted inspection and submitted VT report to NCTE. The NCTE granted LOI to our Institutes with each 1Unit on its 300th meeting of SRC conducted from 29th Jan to 31st Jan 2016.

Originally society have 1.51 Acres Land and 2 Blocks of buildings Block-1 with 3181.56 Sqmtrs built up area and Block-2 with 1447.86 Sqmtrs. Totally 4629.42 Sqmtrs Built up area. As per 2014 regulations of NCTE, the society have sufficient building and infrastructure to start 1 Unit B.Ed & 2 Units of D.El.Ed course and we hope that they recommended in the same.

Unfortunately we not submitted the Block - 2 building plane and building completion certificate to VT members, but they have inspected and mentioned as additional accommodation and staff Residence in their report.

In respect days Establishment of New Educational institutions is very difficult task and the institutions are establishment in Rural backward area of Vizianagram District of Andhra Pradesh. When the society having 1.51 Acres of land, 4629.42 Sqmtrs built up area and providing all the facilities as per NCTE Norms and also the VT members satisfied and conducted inspection for 1 Unit of B.Ed and and 2 Units of D.El.Ed courses, it is our humble request for consideration of our proposal.

Hence we request you to please consider our proposal, re verify the facts and grant Recognition for 1 Unit to B.Ed course and 2 Units to D.El.Ed cours. All the documents are enclosed for your verification."

The SRC in its 302nd meeting held on 09th - 11th February, 2016 the committee considered the matter and decided as under:

1. LOI has been issued for D.El.Ed (1 Unit)
2. The Additional built up area available has to be inspected if their request for increase of the D.El.Ed intake to 2 units is to be considered.
3. Cause inspection after collecting fee.

Accordingly, as per the decision of SRC the inspection intimation was sent to the institution on 20.02.2016. The VT members have submitted a letter on 24.02.2016 stating as follows:

"I the undersigned would like to bring to your kind notice that the Sri Krishna B.Ed college & Sri Krishna D.Ed college (SRCAPP3155-B.Ed & SRCAPP3152-D.El.Ed) are already completed with the inspection and have received the LOI and they do not want further inspection for additional intake."

The SRC in its 305th meeting held on 25th-27th February, 2016 considered the matter and it has decided that "Since the institution is not pressing for the additional unit. Close the case"

The institution has submitted its LOI reply and written representation along with relevant documents on 03.03.2016.

The SRC in its 306th meeting held on 01st-04th March, 2016 directly considered the matter and it has decided as under:

For D.El.Ed

- Eligible for recognition but, since the other BEd case is not yet decided for want of LOI reply, this D.El.Ed also has to be held in abeyance on

For B.Ed Await LOI reply

The institution has submitted its written representation on 15.03.2016. SRC in its 308th meeting held on 28th to 30th March, 2016 considered the matter and decided as under:

Their contention is not acceptable. The first VT had very clearly reported that they had inspected the built up area of 3181 sq.m. that was why a second VT was proposed to inspect any additional area built-up. Unfortunately, the second VT was not allowed to inspect. In the event their representation is rejected and the request for a 2nd unit is turned down

Now, the institution has submitted written representation on 11.04.2016 stated as follows:

The society already submitted our representations in the above dtas i.e on 07.02.2016 & 18.02.2016 along with all the documentary evidences for your kind consideration to sanction the 2nd Unit. The society have 4629.42 Sq.Mts

built-up area and the satisfied report and recommendation of VT members for 2 units of D.El.Ed and 1 Unit B.Ed in this regard once again I am herewith submitting my proposal for your approval.

1. It is bringing to your kind notice that it is not our contention, it is only a request. The society is new to this teacher education programme and we are unknown that at a time 2 units will be sanctioned. The VT members which reported that they inspected 3181 Sq mts built up area the same VT members only informed that the society have good infrastructure and facilities we are recommending for 2 units for D.El.Ed and one unit B.Ed course.

2. Regarding the second VT inspection we have no information either from NCTE or VT members. There will be no question of not allowing VT members because you are the approving authority and you have every right to inspect the institution when ever you want.

3. The society submitted documentary evidence for additional built up area.

4. When our co institutions are getting 2 units and the society having land and buildings and one more important point that there will be no application process for D.El.Ed course in Andhra Pradesh from 2017-18 onwards we are once again request for consideration of our application and we are ready for inspection when ever you conduct.

5. In present days establishment of New Educational institutions is very difficult task and the institutions are established in Rural backward area of Vizianagaram District of AP. When the society having 1.51 Acres land, 4629.42 Sq mts built up area and providing all the facilities as per NCTE norms, it is our humble request for consideration of our proposal.

Hence we request you to please consider our proposal, re verify the facts and grant recognition for 2 units to D.El.Ed course.

The Committee considered the matter, written representation from the institution dated 11.04.2016, all other relevant documents of the institutin, and decided as under:

Composite inspection for additional unit

According to the time-limit extended by the Supreme Court, 2 May 2016 is the last date for issue of Formal Recognition w.e.f. 2016-17. All concerned should be advised of this position so that they can take advantage of the extended time-limit even if necessary by foregoing normal 'notice periods'.

The Committee considered the matter, LOI reply from the institution and decided as under

1. No reply to LOI about D.El.Ed (2nd unit) has been received.
2. Issue Formal Recognition for D.El.Ed (1 unit), that is held in abeyance, w.e.f. 2016-17

Built up area adequate for one unit each of D.El.Ed & B.Ed

Accordingly, Letter of Intent was issued to the institution for both B.Ed and D.El.Ed on 02.02.2016.

In the meantime the institution has submitted its written representation along with relevant documents on 09.02.2016 and stating as follows:

**...we are here with bring the following few lines for your kind consideration and approval.*

1. Our society applied for recognition to NCTE to start new institutions D.Ed& B.Ed colleges (Composite) by name Acharya D.Ed& Acharya B.Ed colleges vide application Nos: SRCAPP3135 & SRCAPP3144. In the process of grant of Recognition by NCTE. On the basis of VT report the NCTE granted LOI (Letter of Intent) to our institution with each 1 unit on its 300th meeting of SRC conducted from 29th Jan to 31st Jan 2016.
2. Originally society have 1.09 Acres Land and Building with 3660 sq.mtrs Built up area. As per 2014 regulations of NCTE, the society have sufficient building and infrastructure to start 1 unit B.Ed & 2 Units D.El.Ed courses. With request of our society the VT members also conducted inspection for 1 Unit B.Ed and 2 Units D.El.Ed course and we hope that they recommended the same.
3. Unfortunately in the Building plan & Building completion certificate it is shown as 3050 sq.mtrs instead of 3660 sq.mtrs which is initially taken by society to start the course with each one unit which is sufficient as per 2014 norms. Originally the building have 3 Floors with 1220 sq.mtrs of each ground, First & Second Floors with Total 3660 sq.mtrs. Initially the society taken approval for 2nd Floor 610 sq.mtrs which is later revised to 1220 sq.mtrs with same old date and approval number, the same was shown to VT members, but by mistake we enclosed the old plan and completion certificates.
4. In present days Establishment of New Educational institutions is very difficult task and the institutions are established in Tribal backward area of Visakhapatnam District of Andhra Pradesh. When the society having 1.09 Acres Land, 3660 Sq.mtrs built up area and providing all the facilities as per NCTE norms and also the VT members satisfied and conducted

inspection for 1 unit of B.Ed and 2 units of D.El.Ed courses. It is our humble request for consideration of our proposal.

Hence, we request you to please consider our proposal, re verify the facts and grant recognition for 1 unit to B.Ed course and 2 units to D.El.Ed course. All the documents are enclosed for your verification."

The SRC in its 302nd meeting held on 09th – 11th February, 2016 considered the matter and decided as under:

- The old BCC and VT inspection entries tally at 3050 sqmts.
- Their claim about additional built-up area is based on a BCC produced after VT inspection.
- Removal of deficiencies after VT inspections is not permissible.
- They will have to make a fresh application for increasing the intake.

Accordingly, as directed inspection intimation was sent to the institution on 22.02.2016.

The VT members have submitted a letter on 24.02.2016 stating as follows:

"I the undersigned would like to bring to your kind notice that the Acharya B.Ed college & Acharya D.El.Ed college (SRCAPP3144-B Ed & SRCAPP3135-D.El.Ed) are already completed with the inspection and have received the LOI and they do not want further inspection for additional intake."

The institution has submitted its LOI reply on 28.03.2016 along with relevant documents.

The institution has submitted hard copy of the application on 08.06.2015.

The institution has submitted reply to the Composite letter on 21.10.2015. Followed reminder letter to the State Government sent on 03.11.2015.

The application was processed and placed before SRC in its 297th meeting held on 27-28 Dec, 2015. The committee considered the proposed SRCAPP2959-D.El.Ed.-AI, Existing APS07179-B.Ed, SRCAPP620-D.El.Ed and decided as under:

1. Cause composite inspection for D.El.Ed, D.El.Ed (A.I.) and B.Ed,
2. VT to collect in particular EC and original FDRS.

Note: In both the applications the institution shown in support of Composite Character are APS07179-B.Ed and SRCAPP620-D.El.Ed.

As directed, again the matter was placed before SRC in its 299th meeting held on 20 – 21st January 2016 for reconsideration, the committee considered the matter and decided as under:

1. This is a case of one Society having two institutions at the same place, Re., Chaitanya & Vinayaka in vizianagaram.
2. They have B.Ed and D.El.Ed under Chaitanya. They have applied for D.El.Ed-A.I. there
3. Citing the same B.Ed & D.El.Ed of Chaitanya, they have asked for D.El.Ed under Vinayaka
4. This would amount to one society having two basic units of one course at the same place. It cannot be allowed
5. Only the application for D.El.Ed-AI should be pursued.
Cause Composite Inspection.

As per the decision of SRC inspection intimation was sent to the institution and VT members on 16.01.2016. The inspection of the institution was conducted on 23.01.2016 and VT report along with documents received on 27.01.2016.

but, land usage certificate and land documents reflect different survey Nos.

Accordingly, a final show cause notice was issued to the institution on 09.06.2012. The institution has submitted its written representation on 22.06.2012.

The reply of the institution to the show cause notice was duly considered by SRC in its 225th Meeting held on 25 - 26 June, 2012 and the reply is unconvincing and not satisfactory, deficiencies still persist as under:

- The institution is running TPT course since 2009, for which proof of affiliation orders for completion of 3 academic sessions at the time of on-line application is not submitted.

As per Regulations 2009:

8 (2) of NCTE Regulations states that In the first instance, an institution shall be considered for grant of recognition of only one course for the basic unit as prescribed in the norms and standards for the particular teacher education programme.

8 (3) of NCTE Regulations states that "An institution can apply for one basic unit only of an additional course or for an additional unit of the existing recognized course after completion of three academic sessions of the respective course, for which the institution shall submit application before the cutoff date prescribed for submission of applications in the year succeeding the completion of three academic sessions. Maximum intake capacity of an institution taking into consideration of all courses, along with additional intake, in any case, shall not exceed 300".

- Sy.Nos of building plan 103, 125 & 128 are not matching with land documents, with the Sy.Nos given as 125/37, 103/9, 103/10 & 117/20.

Under the above grounds and with reference to the totality of information collected & based on a collective application of mind, the committee decided as per NCTE Regulations 2009, to refuse and reject the application of the institution for recognition of D.El.Ed course.

Accordingly, rejection order was issued to the Institution on 23.07.2012.

Aggrieved by the rejection order of SRC, the institution preferred an appeal to NCTE-Hqrs vide the appellate authority No.F.No.89-658/2013 Appeal/2nd Meeting-2014 dated 25.02.2014 stating that, "Shri Y.V.V. Viawanath, Chairman, Yalamarty College of Diploma Education, Visakhapatnam, Andhra Pradesh presented the case of the appellant institution on 04-02-2014. In the appeal and during personal presentation it was submitted that "the course of TPT has commenced in the year 2009 and has finished three academic years with batches for 2009-10, 2010-11, and 2011-12. the current batch has completed the course and results are awaited. For the proof of affiliation they are herewith attaching the counseling lists of the three academic years along with the results received from the State Government. Hence, three academic years have been completed. The appellant has not made any submission to the second ground of rejection relating to discrepancy in land documents".

AND WHEREAS the submission of the appeal has been delayed by one year and 29 days beyond the prescribed period of 60 days. The appellant has not given any reasons for the delay. The Council therefore decided not to condone the delay. The appeal is not admitted.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, documents available on records and considering the oral arguments advanced during the hearing, the Council decided not to condone the delay and therefore, the appeal is not admitted."

A Court order has been received from the Hon'ble High Court of Andhra Pradesh at Hyderabad on 12.05.2014. The Court order in WP MP No. 14288 of 2014 in WP.No. 11324 of 2014 is stating as follows:

"The case of the petitioners is that an appeal has been preferred to the 1st respondent on 23.08.2012 by adopting the online mode. Subsequently, the hard copy of the memorandum of appeal enclosing thereto the demand draft drawn in a sum of Rs.10,000/- on Indian Overseas Bank, Kayyapalem Branch, dated 16.08.2012, has also been made available, towards appeal processing fee. On 11.06.2013,

the 1st respondent referred to the appeal dated 24.08.2012, but stated that the appeal has not been submitted through online module in the prescribed format, which is mandatory, as per the Appeal Rules, 2012, and hence, the appeal is returned in original and the appeal fee has also been sent through a cheque drawn on 11.06.2013 for a sum of Rs. 10,000/-. It is obvious from this communication that the 1st respondent has encased the appeal processing fee remitted by the petitioner through the demand draft drawn on Indian Overseas Bank on 16.08.2012, submitted along with the hand copy of the Appeal. On one hand, it is stated that the appeal has been submitted on 24.08.2012. But however, the claim is that it is not submitted through online module. The National Council for Teacher Education Rules, 1997 have been framed in exercise of the power available under Section 31 of the Act. Rule 10 sets out that any person aggrieved by an order made under Section 14, 15 or Section 17 of the Act may prefer an appeal in Form-I appended to these Rules. However, it appears Sub-Rule 2 has been added to Rule 10, which sets out that the appeal may be submitted electronically through online mode on the website of the NCTE along with the processing fee of Rs. 10,000/-. It is, therefore, clear that preferring an appeal through electronic mode is one of the options. It is not the only option. If appeal in hard copy is submitted, it is not liable to be rejected only on that ground.

Hence, the respondents are directed to reconsider the appeal of the petitioner and communicate the decision taken thereon, as expeditiously as possible, preferably within six (6) weeks from today."

The Court order was forwarded to B.P. Pandey Under Secretary NCTE-Hqrs on 20.05.2014 (since the first respondent is NCTE-Hqrs) for taking necessary action. On 29.05.2014, copy of the letter dated 24.05.2014 addressed to the Hqrs with a request for reconsideration of appeal application is received by this office.

A court notice in W.P. No. 11324 of 2014 dated 22.04.2014 has been received from Hon'ble High Court of Andhra Pradesh on 30.05.2014.

A letter was sent to Advocate Sri. K. Ramakanth Reddy on 10.06.2014 along with court notice to defend the case.

Meanwhile, a letter has been received on 02.06.2014 from Mr. B. P. Pandey, US (Legal), NCTE Hqrs, New Delhi vide letter No. F.64-208/2012/NCTE/Legal/A88128 dated 26.05.2014 (copy enclosed) which is as under:-

"I am directed to refer to the notice dated 27.04.2014 received from Hon'ble High Court Andhra Pradesh at Hyderabad along with in the matter mentioned above. The operative part of the Court order is as under:-

"The National Council for Teacher Education Rules, 1997 have been framed in exercise of the power available under Section 31 of the Act. Rules 10 sets out that any person aggrieved by an order made under Section 14, 15 or Section 17 of the Act may prefer an appeal in Form-I appended to these Rules. However, it appears Sub-Rule 2 has been added to Rule 10, which sets out that the appeal may be submitted electronically through online mode on the website of the ncte along with the processing fee of Rs. 10,000/-. It is, therefore, clear that preferring an appeal through electronic mode is one of the options. It is not the only option. If appeal in hard copy is submitted, it is not liable to be rejected only on that ground.

Hence, the respondents are directed to reconsider the appeal of the petitioner and communicate the decision taken thereon, as expeditiously as possible, preferable within six (6) weeks from today."

2. The NCTE (Third Amend ment) Rules, 2011 come into force w.e.f. 01.04.2012

by which Rule 10 has been submitted as under:-

10(1) Any person aggrieved by a refusal order made under Section 14 or Section 15 or withdrawal order made under Section 17 of NCTE Act, may prefer an appeal in Form I or Form II appended to these Rules, to the Council within Sixty days of issue of such orders, along with a fee of Rs. 10,000/- payable on line with the submission of appeal.

Provided that an appeal may be admitted after the expiry of the said period of sixty days, if the appellant satisfies the Council that he had sufficient cause for not preferring the appeal with the period of limitation of sixty days.

10(2) The appeal may be submitted electronically through online mode on the website of National Council for Teacher Education along with processing fee of Rs. 10,000/-. The appellant shall download the filled in online application and post two sets of hard copies accompanied with the requisite documents, to the Member Secretary, NCTE, New Delhi within two days of online submission of the appeal.

3. It is therefore, apparent that the case has not been contested properly by the Legal Counsel of NCTE of Hyderabad High Court as "preferring an appeal through electronic mode is not one of the options" rather it is only the option to prefer an appeal. The Legal Counsel could not explain the above rule in correct prospect to the Hon'ble High Court therefore, the above order deserves to be challenged before the Division bench by filing Letter Patent Appeal (LPA) / Writ Appeal.

4. It is therefore, requested to file the LPA/AP against the order dated 27.05.2014 immediately, under intimation to this office, in order to avoid any contempt proceedings."

The SRC in its 268th meeting held on 4-5th June, 2014 considered the matter, letter dated 26.05.2014 from NCTE (H'qrs) New Delhi advising SRC/NCTE to file the LPA/AP against the order dated 27.05.2014 immediately. The Committee decided and directed Southern Regional Office to ask our Lawyer to file an appeal before the Division Bench as advised by NCTE (H.Q).

As per the decision of SRC a letter was addressed to Sri. K. Ramakanth Reddy, Advocate on 16.06.2014 requesting him to file an appeal before the division bench.

Aggrieved by the rejection order of SRC, the Institution prepared an appeal to NCTE-Hqrs vide the appellate authority No.F.No.89-658/2013 Appeal/6th Meeting-2015 dated 07.08.2015 stating as follows:

"The appeal of Yalamarty College of Education, Visakhapatnam, Andhra Pradesh dt.24.08.2012 against the order of the SRC dt.23.07.2012 refusing recognition for conducting D.El.Ed course was returned to the appellant on 11.06.2013 on the ground that it was not filed through online mode in the prescribed format. The appellant filed another appeal dt.14.03.2013 online against the same order of the SRC, which was received in the Council on 20.10.2013 with a forwarding letter dt.20.10.2013. This appeal was considered by the Appeal Committee on 04.02.2014 and finding that no reasons for the delay in appeal, which is more than one year and 29 days beyond the prescribed period of 60 days, were given by the appellant, decided not to condone the delay. Therefore the appeal was not admitted and necessary order issued on 25.02.2014.

2. Sh.Y.V.V. Vishwanath, Chairman, Yalamarty College of Education, Visakhapatnam, Andhra Pradesh presented the case of the appellant institution on 27.06.2014. The Committee noted that the appellant filed a WPMP no.14288 of 2014 in WP no.11324 of 2014 before the Hon'ble High Court of Judicature of Andhra Pradesh at Hyderabad and the Hon'ble High Court in their order

dt.22.04.2015, on the basis of the submissions of the petitioner regarding the returning of the appeal dt.24.08.2012 not submitted through online, holding that an appeal submitted in hard copy is not liable to be rejected only on that ground, directed re-consideration of the appeal and communication of the decision preferably within six weeks from 22.04.2014.

3. The Committee noted the NCTE finding that the appellant/petitioner had concealed the fact that another appeal submitted by him in March/ Oct. 2013, had not been admitted by the Council in their order dt.25.02.2014 on account of delay, has asked the SRC on 28.05.2014 and 13.06.2014 to challenge the Hon'ble High Court's order dt. 22.04.2014 placing all the facts including the fact that submission of online appeal is not one of the options, rather it is the only option before them.

4. As on today there is no appeal either online or offline pending before the Council. On the other hand the matter is sub-judice. Therefore the Committee decided to await the outcome of the application to be filed by the SRC challenging the Hon'ble High Court's order dt.22.04.2014.

5. A letter dated 20.04.2015 of S.R.C. addressed to NCTE was brought to the notice of Appeal Committee where S.R.C. requested NCTE to return the original file pertaining to the institution along with instruction regarding further course of actions to be taken by S.R.C. Committee has already decided that there is no appeal either on-line or offline pending before the Council. As such there are no further direction/orders from the Committee. However, a copy of the minutes of meeting is enclosed herewith for your reference and necessary action.

In view of the above it is requested to furnish required information as indicated above within 10 days time enabling appeal committee to dispose of the appeal of the appellant institution accordingly.

The SRC in its 292nd meeting held on 29-30th Sept, 2015 the Committee considered the Court matter, Appellate Authority order dated 29.06.2015, and decided as under:

"Await further orders of the Court"

Now, the institution forwarded a copy of Hon'ble High Court order in W.P. No. 11324 of 2014 dated 13.09.2015 filed by Yalamarty College of Diploma Education, Suryabagh, Visakhapatnam-530020 stating as follows:-

The said orders are questioned in this writ petition, primarily, in view of the directions of the Hon'ble Supreme Court in Special Leave to Appeal (Civil) Nos.4247-4248 of 2009, vide order dated 10.09.2013. The society have 4629.42 Sq.Mts built-up area and the VT members Dr. Haseen Taj & Dr. A.K Trivedi submitted their satisfied report and recommended for 2 units of D.El.Ed and 1 unit B.Ed. In this regard once again I am herewith submitting my proposal for your approval.

1. *Earlier we have already submitted that originally the society have 1.51 Acres Land and 2 Blocks of buildings. Block-1 with 3181.56 Sq.Mts built-up area and Block-2 with 1447.86 Sq.Mts Totally 4629.42 Sq.Mts Built-up area. As per 2014 Regulations of NCTE, the society have sufficient building and infrastructure to start 1 unit B.Ed & 2 units D.El.Ed courses.*
2. *We are also herewith submitting the VT members are already inspected the additional built-up area, mentioned in the VT report that additional accommodation is available, and recommended for 1 unit B.Ed and 2 units D.El.Ed courses.*
3. *For technical support we submitted the building plan, certificate of Registered Architect with measurements and BCC by Govt. Engineer in NCTE Format.*

4. As new institution and unknown to NCTE rules and Regulations we thought that 3000 Sq.Mts are sufficient for 1 Unit B.Ed and 2 units of D.El.Ed Courses. In present days establishment of New Educational institutions is very difficult task and The institutions are established in Rural backward area of Vizianagaram District of Andhra Pradesh. When the society having 1.51 Acres Land, 4629.42 Sq.Mts built-up area and providing all the facilities as per NCTE norms and also the VT members conducted inspection for 1 unit of B.Ed and 2 units of D.El.Ed courses, satisfied and recommended the same, it is our humble request for consideration of our proposal.

Hence we request you to please consider our proposal, re verify the facts and grant recognition for 1 unit to B.Ed course and 2 units to D.El.Ed course. All the documents are enclosed for your verification.
This is for your kind consideration and approval"

Note: The institution has not submitted LOI reply for SRCAPP3155 B.Ed course.

The committee considered the matter, written reply from the institution vide letter dated 15.03.2016, all other relevant documents of the institution and decided as under

Their contention is not acceptable. The first VT had very clearly reported that they had inspected the built up area of 3181 sq.m. that was why a second VT was proposed to inspect any additional area built-up. Unfortunately, the second VT was not allowed to inspect. In the event their representation is rejected and the request for a 2nd unit is turned down.

1. Cases of 3 applications.
2. NOC is not furnished even after the extended time given by court.
3. Reject

Accordingly, Rejection order was issued to the institution on 19.02.2016.

Now, a court order received from the Hon'ble High court of Madras dated 29.02.2016 in W.P.No. 7169 of 2016 and W.M.P.No.6368 of 2016 filed by Sri Venkateswara Educational Trust. The court order stated as follows:

Order:

The present writ petition has been filed by the petitioner praying for issuance of a writ of Certiorarified Mandamus, to call for the records of the 3rd respondent culminating into the order dated 08.02.2016 made in No.TNTEU/R/CC/NOC/Syn.Feb1-item9/2016/172 and to quash the same and consequently, to direct the 3rd respondent to grant No Objection Certificate to the petitioner to establish a B.Ed, College of Education in the name and style of "Jai Sai Ram College of Education" for the academic year 2016-17 by considering the representation of the petitioner Management dated 18.02.2016.

2.In the affidavit filed in support of the writ petition, it has been averred by the petitioner as follows:-

2-1. The petitioner-Trust has submitted an application online on 30.06.2015 for establishment of a new college of education for B.Ed. Programme in the name of Jai Sai Ram College of Education. As far as the establishment and running of Teacher Education institutions are concerned, after the enactment of the National Council for Teacher Education Act (in short 'NCTE Act'), the powers to grant recognition to Teacher Education Institutions are vested with the concerned, Regional Committees of the NCTE. Insofar as it relates to the State of Tamilnadu, the educational institutions imparting Teacher Education are to be recognized by the NCTE-SRC located at Bengaluru. For recognition of B.Ed programme, No Objection Certificate has to be obtained from the affiliating body.

2-2. The NCTE at New Delhi, under the NCTE Act had framed regulations prescribing norms and standards as well as procedure for grant of recognition to various kinds of Teacher Education Institutions. The NCTE, New Delhi, in supersession of the NCTE Regulations , 2009, has framed National Council for Teacher Education (Recognition Norms and procedure) Regulations, 2014 on 28.11.2014 and the same was notified in the official gazette of Government of India and the new Regulations have come into effect from 01.12.2014. According to the NCTE Regulations, 2014 every institution, desirous of running Teacher Education programme, may apply to the concerned Regional Committee online between 1st March and 31st May of the proceeding year from the academic session for which the recognition is sought. The prescribed fee for making application is Rs.1,50,000/- per each programme and along with application online, it should also submit the scanned copy of Land documents relating to the institution and thereafter, hard copy of various documents including NOC from the affiliating body shall be submitted to the NCTE-SRC for further processing of application. On receipt of the application, the Regional Committee i.e NCTE-SRC would forward a copy of the applications submitted in triplicate, to the State Government or Union Territory administration, within 30 days in chronological order. On receipt of the said communication from the NCTE-SRC, the State

(Prof. Sandeep Ponnala)
Chairman - I/c

Government/Union Territory administration shall furnish its recommendation of comments to the NCTE-SRC within 45 days. Only thereafter either on receipt of such recommendations or comments from the State Government or otherwise, the Regional Committee going in to the merits of the application concerned, shall decide that the institution to be inspected by a team of experts and thereafter, based on the inspection committee report, a further decision would be taken by the NCTE-SRC for grant of recognition to the institution/course concerned. The above referred procedure has been given in detail in the NCTE Regulation 2014. As per the above procedure, it becomes crystal clear that the submission of application to the NCTE Regulation, 2014. As per the above procedure, it becomes crystal clear that the submission of application to the NCTE would be the first step followed by the documents to be submitted by the way of hard copy and thereafter, the state government or affiliating body's recommendations/comments would be obtained by the Regional Committee of the NCTE and even if the same is not received from the State government or affiliating body within a time-frame as prescribed under the Regulations, then the application would be processed on its own merits by the Regional Committee of the NCTE and a final decision either to grant recognition or otherwise would be taken thereafter.

2-3. However, in the Regulations, 2014 a further requirement has also been indicated under Regulation (5), according to which the institutions while making applications to the Regional Committee of the NCTE also have to submit scanned copies of the documents such as, NOC issued by the concerned affiliating body. As far as the institutions imparting B.Ed or M.Ed, courses are concerned, the affiliating body in the State of Tamilnadu is the 3rd respondent herein.

2-4. In order to get No Objection Certificate from the affiliating body (3rd respondent herein) the petitioner has submitted an application on 29.06.2015 to the 3rd respondent requesting to grant No Objection Certificate, so as to enable the petitioner to submit the same to the NCTE-SRC for consideration of their application for grant of recognition for the B.Ed course of study. But, no order granting NOC was passed by the 3rd respondent. Since there was no response from the 3rd respondent, the petitioner had filed a writ petition in W.P.No.38899 of 2015 before this court seeking a direction to the respondents to process the application submitted by the petitioner-Trust. This court by order dated 22.12.2015 directed the petitioner to submit their explanation to the show cause notice issued by the 2nd respondent on 21.10.2015 thereupon, directed the 3rd respondent to consider the request of the petitioner for grant of NOC from 29.06.2015. Pursuant to the orders of this court dated 22.12.2015, the petitioner has submitted its explanation on 07.01.2015. In spite of the submission of records by the petitioner, Surprisingly, the 3rd respondent has passed the impugned order dated 08.02.2016 rejecting the application of the petitioner, stating that applications were processed and found that no documents were furnished, which is an utter falsity. Hence, the petitioner has come forward with the present writ petition before this court.

3. Heard the submissions made on either side and perused the materials available on record.

4. Considering the facts and circumstances of the case and taking note of the fact that the application of the petitioner was rejected by the 3rd respondent only on the ground that no documents were submitted along with application for No Objection Certificate, this court is of the opinion in the interest of justice, it would be appropriate to direct the petitioner to resubmit its application along with all necessary documents to the 3rd respondent for issuance of No Objection Certificate to establish a new college of education and on receipt of the same, the 3rd

respondent could be directed to consider the same.

The petitioner is directed to resubmit its application, with all necessary documents, to the 3rd respondent, for issuance of No Objection Certificate, for establishing a new college of Education for B.Ed in the name of Jai Sai Ram College of Education. On receipt of such application, the 3rd respondent is directed to consider the same and pass appropriate orders, on merits and in accordance with law, at the earliest.

With the above terms, the writ petition is disposed of. Consequently, connected Miscellaneous petition is closed. No costs.

- The institution has not submitted hard copy of application within 15 days from the date of online application.

A Court order in W. P. No. 38628 of 2015 dated 27.11.2015 received from the Hon'ble High Court of Hyderabad on 11.12.2015. The Court order stated as follows:

".... By order dated 15.10.2015, the NCTE rejected the petitioner college's application on the ground that it had failed to file a hardcopy of the application within the stipulated timeframe. Perusal of this order reflects that an appeal is provided there against under section 18 of the National Council for Teacher Education Act, 1993.

As an efficacious alternative remedy is provided by the statute itself, this court is of the opinion that it would not be open to the petitioner-college to invoke its extraordinary jurisdiction by way of a writ petition in the first instance.

In that view of the matter, the writ petition is disposed of permitting the petitioner-college to present an appeal in accordance with law within two weeks from the date of receipt of a copy of this order. In the event such an appeal is filed, the appellate authority shall strive to dispose of the same expeditiously and in any event, not later than four (4) weeks from the date of receipt of such appeal.

Pending miscellaneous petitions, if any, shall stand closed in the light of this order. No order as to costs."

The SRC in its 296th meeting held on 15th -16th December, 2015 considered the court order and it has noted the matter.

A letter dated 19.01.2016 received from NCTE Hqrs on 22.01.2016 with request to send original records of the institution along with your comments view on the appeal.

Now, a court order received from the Hon'ble High court of Madras dated 29.02.2016 in W.P.No. 7169 of 2016 and W.M.P.No.6368 of 2016 filed by Sri Venkateswara Educational Trust. The court order stated as follows:

Order:

The present writ petition has been filed by the petitioner praying for issuance of a writ of Certiorari Mandamus, to call for the records of the 3rd respondent culminating into the order dated 08.02.2016 made in No.TNTEU/R/CC/NOC/Syn.Feb1-item9/2016/172 and to quash the same and consequently, to direct the 3rd respondent to grant No Objection Certificate to the petitioner to establish a B.Ed. College of Education in the name and style of "Jai Sai Ram College of Education" for the academic year 2016-17 by considering the representation of the petitioner Management dated 18.02.2016.

2.In the affidavit filed in support of the writ petition, it has been averred by the petitioner as follows:-

2-1. The petitioner-Trust has submitted an application online on 30.06.2015 for establishment of a new college of education for B.Ed. Programme in the name of Jai Sai Ram College of Education. As far as the establishment and running of Teacher Education institutions are concerned, after the enactment of the National Council for Teacher Education Act (in short 'NCTE Act'), the powers to grant recognition to Teacher Education Institutions are vested with the concerned, Regional Committees of the NCTE. Insofar as it relates to the State of Tamilnadu, the educational institutions imparting Teacher Education are to be recognized by the NCTE-SRC located at Bengaluru. For recognition of B.Ed programme, No Objection Certificate has to be obtained from the affiliating body.

2-2. The NCTE at New Delhi, under the NCTE Act had framed regulations prescribing norms and standards as well as procedure for grant of recognition to various kinds of Teacher Education Institutions. The NCTE, New Delhi, in supersession of the NCTE Regulations , 2009, has framed National Council for Teacher Education (Recognition Norms and procedure) Regulations, 2014 on 28.11.2014 and the same was notified in the official gazette of Government of India and the new Regulations have come into effect from 01.12.2014. According to the NCTE Regulations, 2014 every institution, desirous of running Teacher Education programme, may apply to the concerned Regional Committee online between 1st March and 31st May of the proceeding year from the academic session for which the recognition is sought. The prescribed fee for making application is Rs.1,50,000/- per each programme and along with application online, it should also submit the scanned copy of Land documents relating to the institution and thereafter, hard copy of various documents including NOC from the affiliating body shall be submitted to the NCTE-SRC for further processing of application. On receipt of the application, the Regional Committee i.e NCTE-SRC would forward a copy of the applications submitted in triplicate, to the State Government or Union Territory administration, within 30 days in chronological order. On receipt of the said communication from the NCTE-SRC, the State Government/Union Territory administration shall furnish its recommendation of comments to the NCTE-SRC within 45 days. Only thereafter either on receipt of such recommendations or comments from the State Government or otherwise, the Regional Committee going in to the merits of the application concerned, shall decide that the institution to be inspected by a team of experts and thereafter, based on the inspection committee report, a further decision would be taken by the NCTE-SRC for grant of recognition to the institution/course concerned. The above referred procedure has been given in detail in the NCTE Regulation 2014. As per the above procedure, it becomes

crystal clear that the submission of application to the NCTE Regulation, 2014. As per the above procedure, it becomes crystal clear that the submission of application to the NCTE would be the first step followed by the documents to be submitted by the way of hard copy and thereafter, the state government or affiliating body's recommendations/comments would be obtained by the Regional Committee of the NCTE and even if the same is not received from the State government or affiliating body within a time-frame as prescribed under the Regulations, then the application would be processed on its own merits by the Regional Committee of the NCTE and a final decision either to grant recognition or otherwise would be taken thereafter.

2-3. However, in the Regulations, 2014 a further requirement has also been indicated under Regulation (5), according to which the institutions while making applications to the Regional Committee of the NCTE also have to submit scanned copies of the documents such as, NOC issued by the concerned affiliating body. As far as the institutions imparting B.Ed or M.Ed. courses are concerned, the affiliating body in the State of Tamilnadu is the 3rd respondent herein.

2-4. In order to get No Objection Certificate from the affiliating body (3rd respondent herein) the petitioner has submitted an application on 29.06.2015 to the 3rd respondent requesting to grant No Objection Certificate, so as to enable the petitioner to submit the same to the NCTE-SRC for consideration of their application for grant of recognition for the B.Ed course of study. But, no order granting NOC was passed by the 3rd respondent. Since there was no response from the 3rd respondent, the petitioner had filed a writ petition in W.P.No.38899 of 2015 before this court seeking a direction to the respondents to process the application submitted by the petitioner-Trust. This court by order dated 22.12.2015 directed the petitioner to submit their explanation to the show cause notice issued by the 2nd respondent on 21.10.2015 thereupon, directed the 3rd respondent to consider the request of the petitioner for grant of NOC from 29.06.2015. Pursuant to the orders of this court dated 22.12.2015, the petitioner has submitted its explanation on 07.01.2015. In spite of the submission of records by the petitioner, Surprisingly, the 3rd respondent has passed the impugned order dated 08.02.2016 rejecting the application of the petitioner, stating that applications were processed and found that no documents were furnished, which is an utter falsity. Hence, the petitioner has come forward with the present writ petition before this court.

3. Heard the submissions made on either side and perused the materials available on record.

4. Considering the facts and circumstances of the case and taking note of the fact that the application of the petitioner was rejected by the 3rd respondent only on the ground that no documents were submitted along with application for No Objection Certificate, this court is of the opinion in the interest of justice, it would be appropriate to direct the petitioner to resubmit its application along with all necessary documents to the 3rd respondent for issuance of No Objection Certificate to establish a new college of education and on receipt of the same, the 3rd respondent could be directed to consider the same.

5. Accordingly, the impugned order is quashed. The petitioner is directed to resubmit its application, with all necessary documents, to the 3rd respondent, for issuance of No Objection Certificate, for establishing a new college of Education for B.Ed in the name of Jai Sai Ram College of Education. On receipt of such application, the 3rd respondent is directed to consider the same and pass appropriate orders, on merits and in accordance with law, at the earliest.

With the above terms, the writ petition is disposed of. Consequently, connected Miscellaneous petition is closed. No costs.

The matter is placed before SRC for decision and
