The basic requirements of preparedness like, filling up of the Format supplied by you was not done. No records, be it of the building or academic were kept ready. In short, it was the Principal expected us not to conduct any inspection and asked us to get back."

A blank inspection report and non filed questionnaire had been received by this office on 01/02/2013 along with the letter from the VT members enclosing a report and a few photographs stating that"

"We visited the Rajeev Memorial College of Teacher Education, Mattanur, Kannur District, Kerala, as reported by the Principal earlier, the college building is not completed nor the records were produced. The Southern Regional Committee in its 248th Meeting held on 13th – 15th July 2013 considered the VT report, VCD of the institution on the above matter and also the relevant documents of the institution and decided to withdraw recognition for the following reasons:-

Based on the above points the SRC decided to withdraw the recognition of the B.Ed course run by the Rajeev Memorial College of Teacher Education, Mattanur, Kannur, Kerala, from the academic year 2013-14 in order to enable the ongoing batch of students in B.Ed, course, if any, to complete their course. The Affiliating body / Examining board / body were informed accordingly. Further it was decided to return Endowment funds and Reserve fund deposited with SRC NCTE, Bangalore, if any. Accordingly, a withdrawal order was issued to the institution vide F.No.APS05561 /B.Ed /KL/2013-14/53312 dated 26.08.2013.

On 08.11.2013, an e-mail was received from K.Priyesh stating as under ;

(S. Sathyam)
Chairman

Appeal/2nd Meeting – 2014 dated 25.02.2014 remanding back the case of Rajeev Memorial College of Teacher Education, Thrissur, Kerala to the SRC, NCTE. The Council has made the following observations ;

'The Council noted that the SRC conducted an inspection of the institution on 30-05-2013 and after considering the VT report and other documents decided to withdraw recognition and issued the order dated 27-08-2013 citing the reasons therein. the Council noted that the SRC, before withdrawing recognition, has not issued any show cause notice to the institution as required under the provisions of Section 17 of the NCTE Act. In the circumstances the Council concluded that the matter deserved to be remanded to the SRC with a direction to issue a show cause notice to the appellant institution and take further action as per the provisions of the NCTE Act.

After perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Council concluded that the appeal deserves to be remanded to SRC with a direction to issue a show cause notice to the appellant institution and take further action as per the provisions of the NCTE Act.

The Council hereby remands back the case of Rajeev Memorial College of Teacher Education, Thrissur, Kerala to the SRC, NCTE, for necessary action as indicated above, The office memorandum (directive) from the NCTE Hqrs dated 25.04.2014 is as under ;

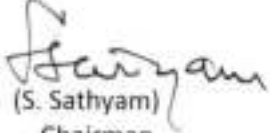

'The appeal Committee is in agreement with the advice of the legal Counsel about continued consideration of the appeals received so far as also those to be received in future, in accordance with law and procedure. However, in cases where the Appeal Committee decided to remand them to the Regional Committees for such actions like re-issue of deficiency letter/show cause notice or to consider the submissions of the appellant etc, it is felt that it would suffice from the point of view of the committee to state in their minutes that the suggested actions are taken in accordance with the NCTE Regulations. Since the revised Regulations are yet to be notified, it would be appropriate if the NCTE administratively informs all the Regional committees that further action on the appellate order in case of 'remand' should be taken only in the light of the revised regulations to be notified.'

In view of the above legal opinion and Appeal Committee's decision, all the Regional Offices/Committees are directed to act upon the Appellate orders of remanded back cases accordingly.

The above matter was placed before SRC in its 269th Meeting held on 1- 2 July,2014 and the Committee considered the appeal remand order and directed SRO to process and put up after notification of new regulations.

The writ petition is filed by the Petitioner challenging the Ext. P 15 communication of Kannur University to restrict admission in the academic year 2014 - 15. The petitioner impleaded NCTE as additional respondent as directed by the Hon'ble Court since the above said communication is based on Ext.P11 withdrawal order F.No .APS05561/B.Ed /KL/2013-14/53312 dated 26.08.2013 issued by SRC,NCTE. The above writ petition came up for impleading additional respondent (NCTE) on 29.08.2014. The advocate took notice on behalf of NCTE and has requested to forward necessary instructions in the matter for preparing Counter Affidavit.

A letter was addressed to the advocate, Shri. V. M. Kurian on 23.09.2014 with a request to file Counter Affidavit by taking the directions of the Hon'ble Supreme Court into account. On 01.10.2014, this office has received a letter dated 29.09.2014 from the advocate, Shri. V. M. Kurian regarding W.P.(C) No. 25181 of 2014 filed by the institution. The letter is as under:-

directions.

The Southern Regional Committee in its 275th meeting held during 1st and 2nd December, 2014, took note of the Interim Court order in the matter. Advised Southern Regional Office to process the said case as soon as the new Regulations are notified and put up in 277th meeting.

A letter seeking consent on the willingness of the institution for considering their application as per Regulations 2014 was sent to the institution on 19.12.2014

In response to this office letter dated 19.12.2014, the institution submitted a reply on 13.01.2015 which is as under :-

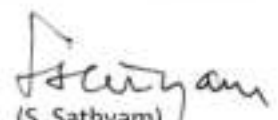

"We are in receipt of your letter referred above on 30.10.2014. It is seen from paragraph 2 of your said communication that the Regional Office of NCTE, Bangalore has construed to the effect that we have submitted application for the grant of recognition for conducting the B.Ed course. It appears that the said communication was given on a wrong factual premise. As such we are giving the following clarifications for your kind consideration.

We were given recognition by NCTE in the year 2007 by order dated 07.01.2007 copy enclosed for ready reference. Thereafter the recognition given was withdrawn by SRC, Bangalore by communication dated 26.08.2013. As the action was against law, we had no other option than to challenge the same before the appellate authority. The appellate authority through their dated 25.02.2014 was pleased to set aside the order of SRC Bangalore for the reasons stated in the appellate order. It is thereafter another communication was given to the effect that processing of the application can be made after notification of the new regulation. That Communication is on a wrong legal premise. The question which ought to have been considered was whether there are sufficient reasons for withdrawal of the recognition granted in 2007. Therefore there is no justification in adopting a different yardstick in our case. Further the legality of the communication given on 19.09.2014 pursuant to the decision of SRC, Bangalore dated 01.08.2014 is under challenge before the High Court in W.P.C.No. 25181/ 2014. As such there is no justification in considering our case of all other B.Ed Colleges. There is no justification for the selective action as well. Therefore, you are requested to give us hearing before a decision is taken in this regard."

The institution submitted staff list comprising of a principal and seven lecturers.

The SRC in its 278th meeting held during 25th January, 2015 considered the matter, reply of the institution letter dated 13.01.2015 and all the relevant documentary evidence and decided to serve Show cause Notice under NCTE act. For the following deficiencies:-

- The Institution has not submitted certified copy of the land documents.
- Building plan submitted by the institution is not approved by the competent authority. In the building plan submitted, Sy, no, site area, built up area, room and lab specifications are not mentioned.
- The institution has not submitted Building Completion Certificate duly approved by the

(S. Sathyam)
Chairman

competent authority.

- Non- encumbrance certificate not submitted.
- Fixed receipts in original are not submitted.

On 30.03.2015, the institution submitted an affidavit affirming adherence to Regulations, 2014.

On 15.06.2015, a letter dated 10.06.2015 was received from the President Rajeev Memorial Charitable Society, is as under:-

"We are in receipt of the show cause notice and the communication referred above. In view of various earlier proceedings in relation to the matter in issue and the pendency of several writ petitions before the High Court, time is required in preparing a reply in consultation with our counsel. As such you are requested to grant us time till 30th of June by which time a detailed reply will be given with reference to the matter in issue. Inconvenience caused is regretted."

As per the decision of SRC, a Show Cause Notice was issued to institution on 13.05.2015.

The institution submitted written representation on 29.06.2015 as under:-

"We are in receipt of the show cause notice dated 13.05.2015. On receipt of the said notice we have requested time to give the reply to the show cause notice till 30.06.2015. Accordingly we are giving the present reply."

In the show cause notice given to us, in paragraph 3 it is stated that the complaint given by Sri. Rajesh P.V, given to the University and the NCTE is enclosed. Unfortunately that is seen enclosed along with the show cause notice. Therefore we are deprived of our valuable right to respond to the show cause notice after knowing the contents of the allegations.

In this connection I would like to bring to your notice that by the proceedings dated 25.02.2014, the appeal preferred by us was allowed by the Appellate Committee and the matter is issue as it then stood was remanded to the Regional Committee for fresh decision. After the said order of the Appellate Committee, the Regulations were amended and the steps to be taken thereafter can only be in terms of the amended Regulations as now in force. You are also aware of the fact that the college was shifted to the new building and the Inspectors deputed by your office had conducted their inspection. The report of that inspection also is available with the Regional Committee. In terms of the amendment of the Regulations, which was carried out in the year 2014 we were called up on to give our affidavit by the Southern Regional Committee to the effect that the institution will fulfill the Norms and Regulations of 2014 as amended. The affidavit was accordingly given as early as on 26.03.2015. A copy of the affidavit given is enclosed for ready reference. In view of the above the matter in issue is required to be considered under the amended Regulations for which the affidavit was given on 26.03.2015.

It is seen from the show cause notice that the same has been issued based on the meeting of the Southern Regional Committee which was held on 25.01.2015. In view of the substantial changes that have take place, it is requested that the relevancy of the

(S. Sathyam)
Chairman

proceedings initiated is lost by passage of time and the amendment of the Regulations.

In the show cause notice issued by you, you have mentioned about the non-submission of documents. While appeal was preferred against your earlier decision to withdraw the recognition, all the documents were produced in original before the Appellate Committee. Those documents are still with the Appellate Committee as the same were not returned at that stage. It is therefore submitted that I am unable to produce the original documents as of now since those documents are before the Appellate Committee. It is therefore requested that steps may be taken to call for the entire records leading to the appeal based on which the Appellate Committee decided our appeal through their order dated 25.02.2014. Those documents will clearly show that even the basis of the proceedings are based on misconception. However I am enclosing herewith the attested photocopies of the documents about which reference is made in your show cause notice.

In view of the change in the Regulations and in view of the affidavit filed by us accepting the compliance of the stipulations contained in the Regulations as amended in 2014 you are requested to issue the necessary order for the further continuance of the course in our college."

The SRC in its 290th meeting held during 10th and 11th July, 2015 considered the matter, written reply from the institution vide letter dated 29.06.2015, and all the relevant documentary evidences and it was decided to serve Notice Under Section 17 of NCTE Act for the following :

- (i) English version of land document.*
- (ii) BP & EC issued by competent authority.*
- (iii) Approved staff list as per 2014 Regulations.*

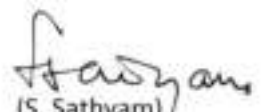

As per the decision of SRC, a Show Cause Notice was issued to the institution on 23.09.2015.

The institution submitted a reply on 26.10.2015.

On 28.12.2015, the Registrar, Kannur University submitted a representation regarding admissions made by Rajeev Memorial College of Teacher Education, Kannur for the year 2015-17 without the revised recognition order which is as under :-

"With reference to the above, I am to inform you that Rajeev Memorial College of Teacher Education, Mattanur, Kannur has admitted students to 2015-17 batch of B.Ed course without the revised recognition order issued by you.

Subsequent to the withdrawal of recognition granted to Rajeev Memorial College of Teacher Education, Mattanur, Kannur, the University granted continuation of provisional affiliation to B.Ed course offered from the college during 2012-13 considering the future of the ongoing batch of students. Further, the University also granted continuation of affiliation to B.Ed course conducted in Rajeev Memorial College of Teacher Education, Mattanur, Kannur on the basis of the interim order of the Hon'ble High Court and the syndicate decision (copy of both enclosed). The continuation of affiliation to B.Ed

course in Rajeev Memorial College of Teacher Education, Mattanur, Kannur during 2014-15 is under processing. Now it has also come to the notice of the University that the College has admitted students to 2015-17 batch of B.Ed course in Rajeev Memorial College of Teacher Education, Mattanur Kannur on receiving on receiving the application for 1st Semester Examination of B.Ed course.

The matter is hereby informed for further necessary action in this regard

The University submitted a copy of the Court order dated 14.10.2014 in W.P.No. 25181 of 2014 which is as under:-

"The petitioner pressed for an order, in so far as seeking inclusion of their name for allotment of students for B.Ed course, enabling the candidates to exercise an option to the petitioner college. The principal of the petitioner college file application for continuation of affiliation for the year 2013-14. In the mean time, the recognition of the petitioner college was withdrawn by the NCTE as per Ext.P11 order. The petitioner filed an appeal against Ext.P11 order before the Appellate Authority constituted under Section 18 of the NCTE Act. Copy of the order passed by the Appellate authority is produced as Ext P14.

2. The Appellate authority remanded the matter especially finding violation of principles of natural justice and the earlier having been issued without Show Cause Notice being served on the petitioner. The matter is said to be pending before the NCTE Regional Branch and the NCTE has issued Ext.P18 order after remand. The NCTE, after remand will only be after notification of the new regulations and hence, advised the Southern Regional Officer regarding the modalities to be resorted for completing the process and not to allow admission at this stage.
3. When a withdrawal of recognition has been challenged in appeal and the same has been remanded, it cannot be said that the withdrawal continues unless a fresh consideration is made on the basis of existing regulations or on the basis of the new regulations. The authority cannot keep the petitioner and the students in limbo and continue operation of withdrawal, on the ground that new regulations are to be framed. Remand having been made, withdrawal is no more applicable and hence the petitioner's recognition would continue unless withdrawal after due service of notice. No Show Cause Notice has also been issued to the petitioner till date. In such circumstances, the 2nd respondent shall allot students to the petitioner including the name of the college in the list and allot students from the list prepared by the 2nd respondent.

The University has submitted another Court order dated 03.09.2014 in W.P.No. 21785 of 2014 which is as under:-

"The learned counsel for the petitioner presses for an interim order. The interim relief sought for as follows:

Pass an order staying the operation of the condition contained in Ext.P. 15 to obtain explicit order for making admission and further directing the petitioner not to make admission for the academic year 2014-15., pending disposal of the writ petition"

2. Despite impleading NCTE in the party array as per order dated 29.08.2014 in I.A No. 1170 of 2014 and in spite of the appearance made on last occasion, there is no representation when the case is taken up today. The learned counsel for the petitioner points out, withdrawal of recognition by the additional 2nd respondent as per Ext.P11 is no longer in existence, as the same has been intercepted by the appellate authority vide Ext .P14, directing the competent authority to issue a proper Show Cause Notice and to proceed with further steps. No such notice has ever been issued to the petitioner so far, submits the learned counsel for the petitioner.
3. Since the factual position as on date is not brought to the notice of this Court by the additional 2nd respondent, there will be an interim order as prayed for. In so far as the recognition of the petitioner (originally ordered as per Ext.P1) continues by virtue of Ext P1. passed by the appellate authority, However, admission of students, if any, shall be at the sole risk of the petitioner and the concerned students shall be informed as to the pendency of the proceedings before this Court.

Post after vacation for filing counter affidavit, if any."

- All other formalities relating to shifting have been completed albeit belatedly. Only, submission of a Faculty list in the prescribed format and approved by the competent authority is required.
- Issue Show Cause Notice accordingly.

The subject writ petition is filed by Rajeev Memorial Charitable Society, Mattannur, Kannur seeking direction to the University for conduct of B.Ed Course in the college. The University is not permitting conduct of course on the ground that the college does not have recognition from NCTE. The Hon'ble Court has directed us to find out as to whether the College is recognized by NCTE or not. Please furnish instructions immediately. The case is posted tomorrow (23.11.2016)

On 03.12.2016, a letter dated 25.11.2016 was received from Kannur University, Thavakkar, Civil Station P.O, Kannur stating as under :-

"Please recall the office letter cited as Ist above. It has been informed that through Rajeev memorial College of Teacher Education, Mattanur, Kannur affiliated to this University, the same is not seen included in the list of colleges for which recognition have been granted by your institution for the academic year 2015-16.

As per the judgment in WPC No 25181/14 (w) of the Hon'ble High Court of Kerala, students were allotted to the college for 2014-15 However, the College has admitted students for 2015-17 batch also.

I am therefore to request you to look into the matter urgently and intimate the position".

On 08.12.2016, a letter dated 02.12.2016 was received from advocate Shri.V.M.Kurian regarding the W.P.(C) No. 36495 of 2016 in the High Court of Kerala filed by Rajeev Memorial Charitable Society, Kannur stating as under :-

1. *Petitioner has approached this Court inter alia seeking for a direction to the University to publish the results of the First Semester Examination to the Course of B.Ed undertaken by the student of the college for the academic year 2015-16 and to permit those students to appear for the 3rd Semester practical Examination notified in terms of Ext.P13 and further to permit the students admitted during the academic year 2016-17 to appear for the First Semester B.Ed Degree Examination, November, 2016.*
2. *The short facts involved in the writ petition would disclose that the petitioner Society is running a B.Ed College. They had recognition from the National Council for Teacher Education (NCTE) for conducting the said course of one year duration with annual intake of 100 student. Ext.P1 is the NCTE order dated 07.12.2007. Affiliation also granted by the University as per notification dated 08.10.2010, Ext.P3, thereafter the petitioner applied for continuation of affiliation for the year 2013-14, which was granted as per University notification dated 24.08.2013. in the meantime, NCTE issued order dated 26.08.2013 withdrawing the recognition granted to the College for the academic session 2013-14. Petitioner challenged the same before the appellate authority. Which consider the matter and remitted the matter back to the NCTE for fresh consideration. In the meantime, when the University did not permit allotment of student for the academic year 2013-14, writ petition was filed as WP(C) No.25181/14 in which this Court observed that in so far as the matter is now pending before the NCTE, recognition continues unless a fresh consideration is made by the NCTE. In said circumstances, direction was issued to allot student for the academic year 2013-14. It is submitted by*

(S. Sathyam)

the petitioners that pursuant to the appellate order, Ex.P12 Show Cause Notice dated 27.09.2016 was issued by the NCTE in which the petitioner had filed a reply and the matter is now pending before the NCTE. In the meantime, result of the semesters in the various academic years are not being published and the students are not permitted to write the examination. It is at this stage that this writ petition is filed.

3. Learned counsel appearing for the NCTE submits that an enquiry into the Show Cause Notice is still pending consideration. So far no order had been passed in the matter learned counsel appearing for the University submits that the order in WP (C) No.25181/14 was with respect to the allotment of students during the academic year 2013-14. It is submitted that after the said academic year. There is no recognition for admitting students or for allotment of students in the said College According to them, the entire admission of the students after the academic year 2013-14 is without recognition and therefore the students of the petitioner are not entitled to have the results declared or to write the semester examinations.
4. But. It is relevant to note that when in the appellate order, the order withdrawing the recognition had been set aside and the matter was directed to be considered afresh. It has to be assumed that the recognition is still in force. Learned counsel for the NCTE also submits that as matters stand now, there is recognition for conducting the B.Ed course However, the same will be subject to further orders to be passed after conducting enquiry into the Show Cause Notice issued by the NCTE. Having regard to the aforesaid factual situation, I am of the view that there is no reason to detain the students by withholding the result and not permitting them to write the examination until a final decision is taken by NCTE in the matter.
Accordingly, this writ petition is disposed of as under:-
 - a) The University shall declare the result of the examination undertaken by the student of the petitioner.
 - b) It shall also permit the students to write the examination in the various academic years subject of course to the final decision to be taken by the NCTE in this regard.

The SRC in its 326th meeting held on 04th to 05th January, 2017 the committee consider the matter and decided as under:-

1. This is a case in which RPRO should have issued. It did not happen. We cannot issue RPRO at this stage. We have to finally decide the issue of recognition under the 2014 Regulations. The Court order has taken care of the interim periods.
- 2.1 Ask the institution to submit the faculty list by 31.1.2017.

(S. Sathyam)
Chairman

"The above writ petition came up for hearing today. The Hon'ble Court disposed the matter directing SRC, NCTE to consider the explanation submitted by petitioner to the SCN dated 16.06.2017 within 2 weeks and to pass final orders thereon. Certified copy of judgment will be sent on receipt".

A court Judgment dated 03.07.2017 received by this office on 14.07.2017 from the Hon'ble High Court of Kerala in W.P.(C) No. 19596 of 2017.

The concluding paras of the Judgment are as under:

"This writ petition is filed by the petitioner, a Charitable Society, complaining that now the 2nd respondent University has issued Ext.P16 notification scheduling allotment of students to the B.Ed. course in various colleges affiliated to it, however, the petitioner's college is excluded on the ground that it does not have affiliation. Material facts for the disposal of the writ petition are as follows:

2. Recognition was granted by the 1st respondent to the college vide Ext.P1 order dated 07.12.2007 to conduct B.Ed. course of one year duration with an annual intake of 100 students. The said course was converted into a two year course by the 1st respondent with effect from the academic year 2015-16 onwards. Thereafter, as per Ext.P2, 2nd respondent made the provisional affiliation absolute. However, despite granting regular affiliation, University continued with its earlier practice of granting "continuation of provisional affiliation" and the petitioner was required to remit the annual administration fee as well as the affiliation fee, evident from Ext.P3. According to the petitioner, the said directives were complied with. Likewise, the demands raised for the successive years were also complied with by the petitioner. As per Ext.P4 dated 24.08.2013, University granted permission to shift the college to its permanent building at Thillenkeri.
3. Matters being so, 1st respondent issued Ext.P5 order, withdrawing the recognition granted to the college. Accordingly, as per Ext.P6 order dated 05.02.2014, the Syndicate of the University decided to dis-affiliate the college. Ext.P5 order passed by the 1st respondent was challenged before the National Council for Teacher Education, New Delhi, and the order passed by the Regional Director was set aside as per Ext.P7 order dated 25.02.2014. Thereupon, the University granted affiliation for the academic year 2013-14, evident from Ext.P8, however, with a rider not to effect any further admissions till explicit orders in this regard are given by the University. Ext.P8 order was challenged before this Court and as per Ext.P9 interim order dated 03.09.2014, this Court permitted the petitioner to admit students. However, the Southern Regional Committee of the National Council by Ext.P10 communication dated 18.09.2014 required the 2nd respondent not to allow admissions of students to the college without prior approval. Ext.P10 order was challenged before this Court and vide Ext.P11 order dated 14.10.2014, permitted allotment of students to the college for the academic year 2014-15.
4. Meanwhile, NCTE issued Ext.P12 show cause notice dated 27.09.2016, notifying a defect to be cured by the petitioner in respect of submission of a faculty list in the prescribed format as approved by the competent authority. According to the petitioner, the faculty list was produced. The students admitted pursuant to Ext.P11 during the academic year 2014-15 passed out from the college. Since the duration of the course

(S. Sathyam)
Chairman

having been extended to two years, the students had to complete the course during the academic year 2016-17. They participated in their examination for the second year, however, the results of these students for the 1st Semester examinations were not declared. In the said commotion, the University refused to permit the students to appear for third semester practical examinations as well as the first semester B.Ed degree examinations. Thereupon, petitioner filed W.P.(C) No.36495 of 2016 before this Court, and as per Ext.P13 judgment, the University was directed to declare the results of the examination undertaken by the students and further to permit the students to write the examinations of various years subject to final decision to be taken by the NCTE.

5. However, again, as per Ext.P14 show cause notice dated 09.05.2017, NCTE directed the petitioner to rectify the defects and submit the faculty list in the prescribed format. According to the petitioner, as per Ext.P15 covering letter, the faculty list was submitted. While so, 2nd respondent vide Ext.P16 notification dated 29.05.2017, invited applications for admission to B.Ed. course in the colleges affiliated to it.

However, the petitioner college was excluded, and it is thus challenging the said action of the 2nd respondent University, this writ petition is filed.

6. First respondent has filed a detailed counter affidavit, refuting the allegations and claims and demands raised by the petitioner. Among other contentions, it is stated that as per Ext.R1(a) dated 16.06.2017, petitioner was directed to show cause providing opportunity to make written representation along with necessary certificates or documents in order to take a final decision in the matter including withdrawal of recognition, within 21 days in respect of the following matters enumerated:

1. The revised list is still not in full conformity with the prescribed NCTE format. Pl. ask them to give it in our format with approval by the Registrar in every page. Send a blank form as model.
2. For B.Ed. (2 units) they should have 1+15 Faculty; they have proposed only 1+7.
3. Principal has the required qualification and experience.
4. There is no Asst. Prof. to teach Perspective subjects. There should be 4.
5. In Pedagogy Group there is no Asst. Prof. for Mathematics and Regional Language. They should appoint.
6. One Asst. Prof. each in Phy.Ed., Fine Arts & Pert. Arts are required.
7. Issue SCN accordingly."

7. Therefore, according to the 1st respondent, the irregularities noted are serious in nature, and without being the same rectified, the continuance of recognition cannot be permitted. Learned counsel appearing for the University submitted that if the recognition is continued by the 1st respondent, the 2nd respondent will consider the continuance of affiliation of the petitioner college.

8. Heard learned counsel for the petitioner and the learned Standing Counsel appearing for the 1st and 2nd respondents. Perused the documents on record and the pleadings put forth by the respective parties.

(S. Sathyam)
Chairman

9. The fact discussion made above would make it clear that several irregularities are noted by the 1st respondent as enumerated above. Since a show cause notice, Ext.R1(a), is issued, it is for the petitioner to satisfy the said requirements as are required there under. Even though petitioner has a case that petitioner is entitled to continue with the admission process consequent to the observations made in Exts.P11 and P13 judgments, I am of the considered opinion that the fact situation differs from the facts and circumstances considered by this court in the earlier judgments, since the petitioner is served with Ext.R1(a) notice.

10. In that view of the matter, I am of the considered opinion that the petitioner has to rectify the defects enumerated in Ext.R1(a) and submit appropriate reply to the show cause notice in accordance with law, enabling the 1st respondent to consider the issue. Therefore, the 1st respondent is directed to take into account the reply proposed to be submitted by the petitioner to the said show cause notice, and attain finality to the same within two weeks from the date of receipt of reply from the petitioner. If the petitioner is able to secure necessary orders from the 1st respondent, the 2nd respondent shall consider the continuance of the affiliation and permit the petitioner to go ahead with the admissions for the ensuing academic year, at the earliest possible time.

The writ petition is disposed of accordingly.

The institution has submitted (in its 340th meeting) Show cause Notice reply on 24.07.2017.

A letter dated 25.07.2017 received by this office on 28.07.2017 from the institution regarding request you to sanction only one unit with retrospective effect from 2015 academic year onwards.

The SRC in its 343rd meeting held on 1st to 2nd August, 2017 considered the matter and decided as under:-

1. The Court order is noted.
- 2.1 The NCTE Regulations prescribe time-limits for rectification of deficiencies.
- 2.2 But, in this case, the SCN was issued in compliance of a Court order. The replies of the applicant are, therefore, admitted for substantive consideration of 'removal of deficiencies'.
3. The Faculty list is approved. But, the 3 members: Asst. Prof.(Perf. Arts); Asst. Prof.(Fine Arts); and, Asst. Prof.(Phy.Ed.) have been included without approval.
- 3.1 All 4 positions in Perspectives are vacant. But, one Asst. Prof. in Pedagogy is eligible to be shown under Perspectives.
- 3.2 Under Pedagogy 8 Asst. Profs. are required. But, out of them 3 are deficient: There is no Asst. Prof.(Maths); there is no Asst. Prof.(Regional Lang.); and, the Asst. Prof.(Pol. Sc.) has got less than 55% in his P.G.(Soc. Sc.) course.
- 3.3 One Asst. Prof. is qualified in Commerce which is not a recognized school subject. He is, therefore, not qualified to be a Faculty in the Pedagogy group of this programme.
4. In the result, and for the reasons given above, their reply is held to be unsatisfactory. And, accordingly, their application is rejected. And, the recognition granted by us for their B.Ed.(2 units) programme is withdrawn w.e.f. 2017-18.

(S. Sathyam)
Chairman

- 5.1 Students in the 2nd year will, however, be allowed to complete their course in 2017-18.
- 5.2 There will be no new admissions in 2017-18.
6. In view of this development, there is no need to consider their request for reduction from 2 units to 1 unit.
7. Inform the affiliating University accordingly also.

Accordingly, as per the decision of the SRC, withdrawal order was issued to the institution on 10.08.2017.

An email was received on 07.08.2017 and hardcopy received by this office on 16.08.2017 from the Rajeev Memorial College of Education regarding Revision petition - 343rd meeting decision.

A letter dated 19.09.2017 received by this office on 04.10.2017 from the Kannur University and stating as under :-

"Please recall the letters cited (i) above. Even though the recognition granted to Rajeev Memorial College of Teacher Education, Mattannur, Kannur, affiliated this University, was Withdrawn with effect from 2013-14 by NCTE as per F. No. APS05561/B.Ed/KL/2013-14/53312 dated 26.08.2013, the college authorities have been admitting students without obtaining affiliation order from the University. It may be noted that, Continuation of Provisional Affiliation was granted to the college only upto the academic year 2013-14.

As per the reference cited (ii) above, the NCTE states that the recognition granted for B Ed (2 units) programme is withdrawn w.e.f 2017-18 and the students in the 2nd year will however be allowed to complete their course in 2017-18.

From this order it is not clear whether the recognition withdrawn from 2013-14 has been reinstated upto 2016-17. The University has not received any order regarding the same so far. The University has granted Continuation of Provisional Affiliation on the basis of the order from Hon'ble High Court of Kerala and decision of the syndicate during 2013-14 and from 2014-15 to 2016-17 Continuation of Provisional Affiliation is pending on account of non receipt of the order from NCTE regarding the recognition. The college is not seen included in the list of colleges for which recognition had been granted by NCTE for the academic year 2015-16 (2 year programme).

Hence I am to request you to look in to the matter urgently and to intimate the University whether recognition to the B Ed course in Rajeev Memorial College of Teacher Education, Mattannur, Kannur was reinstated from the academic year 2013-14 to 2016-18. An early reply is highly appreciated.

The SRC in its 347th meeting held on 16th to 17th November, 2017 the committee considered the matter and decided as under:-

1. As already decided and communicated, it may be clarified to the University that recognition is withdrawn w.e.f. 2017-18 subject to the understanding that students in the second year of the 2-year course will be allowed to complete the course the course during 2017-18.

(S. Sathyam)
Chairman

2. Only, there will be no 'fresh' admissions in 2017-18.

As per the decision of the SRC, a letter was issued to the Registrar, Kannur University on 20.11.2017.

The Office Memorandum F.No.91-22nd Mtg./2017-Appeal dated 23.11.2017 received by SF on 23.11.2017 with a request to send the original file of Rajeev Memorial College of Teacher Education, Mattanur, Kannur, Kerala.

On 24.11.2017, a letter was addressed to Shri.R.C Chopra, Section officer, NCTE, New Delhi Forwarding (Original file) of records relating to Rajeev Memorial College of Teacher Education Mattanur, Kannur, Kerala.

An email was received by this office on 24.11.2017 & Hardcopy received on 29.11.2017 from the Advocate V.M Kurian regarding W.P (C) No.37518/2017 High court of Kerala and stating under:-

Vide the telecom we had on the subject case on 23.11.2017. The matter came up for hearing today and the Hon'ble court disposed the matter recording the undertaking on behalf NCTE that the appeal filed by the petitioner will be disposed within 2 weeks after hearing the petitioner. Certified copy of Judgment will be sent on receipt.

An email was received on 01.12.2017 the institution has forwarded Judgment order dated 24.11.2017 in W.P (C) No 37518 of 2017 and stating as under:-

"Petitioner society owns and administers the Rajeev Memorial College of Teacher Education and enjoyed recognition of NCTE as per Ext.P1. This recognition was sought to be withdrawn vide Ext.P4 by the NCTE, which however, was set aside vide Ext.P6 and the matter was remanded for further consideration on appeal. In the meantime, admission continued in the college by virtue of the orders passed by this court, it is contended. The Kannur University's stand that, there is no affiliation was overruled by this court holding that, there is deemed affiliation since the rejection of affiliation was already set aside. It is also submitted that, in the light of earlier order passed by this court and in view of the deemed affiliation, admissions to 2017-2018 batch started in June, 2017.

The main grievance highlighted by the petitioner in this writ petition is, 2nd respondent by Ext.P14 order dated 16.8.2017, after a long period of three years, rejected the application for continued recognition and withdrew the recognition also. Aggrieved by the same, petitioner preferred Ext.P15 appeal, which is pending consideration before the 1st respondent. Petitioner seeks direction for early consideration of the appeal.

Heard learned counsel for petitioner, respective counsel appearing for the respondents and perused the pleadings and documents on record.

The sole grievance that is highlighted is, non-consideration of Ext.P15 appeal on an early basis taking into account the urgent circumstances that is projected in the appeal memorandum. Having regard to the facts and circumstances of the case, I think since the statutory appeal is pending before the Appellate Authority, this court is not expected to express any opinion on the merits of the matter. Therefore, there will be a direction to the appellate authority, to which the 1st respondent is the Secretary, to take a decision in the appeal as early as possible and at any rate within two weeks from today, as is undertaken by the learned standing counsel for the 1st respondent. Parties will be guided by the orders

Final show cause notice was issued to the institution on 22.07.2009. the institution has submitted reply on 04.08.2009 & 10.08.2009.

The SRC in its 181st meeting held on 20th – 21st August 2009 considered the written representation and decided to withdraw the Conditional Recognition immediately for the following reasons;

1. The institution stated in reply to show cause notice that the building to be constructed by the Panchayat body and the Secretary Rural Development Commission office informed that an estimate of Rs. 15 lakhs sanction is getting administrative and technical sanction for obtaining fund from RIDF. In view of above the Committee observed that the institution has not constructed building and in the existing building, built up space is not adequate to run the proposed TTC course.
2. The institution has not submitted Annexure-I, II and III and also the teaching regular faculty are not appointed for the proposed course.

Accordingly, withdrawal of Conditional Recognition order for TTC course was issued to the institution on 03.09.2009.

Institution preferred an appeal against the withdrawal order dated 03.09.2009 to the Appellate authority, NCTE New Delhi the Appellate Authority considered and remanded back to the SRC for issue of revised order for withdrawing the recognition of the institution for D.Ed with prospective effect.

The SRC on careful perusal of the Appellate Authority order dated 05.01.2010 received on 16.01.2010 remanding back the case for issue a revised order treating the institution as recognised and withdrawing the recognition with prospective effect,

The matter was placed before the SRC in its 188th meeting held on 28th to 29th January, 2010 and the committee decided to Refusal order be issued.

As per the decision of the SRC, modified refusal order was issued to the institution on 04.03.2010.

On 19.07.2010, a copy of the Court order in W.P.No. 21311/2010 was received by this office from the advocate, Dr.Abraham P. Meachinkara, filed by the state of kerala before the Hon'ble High Court of Kerala at Ernakulam and stating as under:-

Admit. Urgent notice. There will be an interim stay as prayed for, for two months and the petitioners are permitted to admit students for TTC Course in the Government TT1, Cheruvattoor. The petitioners will take earnest efforts to see that all the infrastructural facilities as directed by the National Council for Teacher Education are provided at the earliest.

post after two months.

Accordingly, brief of the case was sent to the advocate on 26.07.2010.

The institution has submitted representation on 20.06.2015 and 09.12.2015 requesting to reinstate the permanent Recognition for D.Ed (TTC) course.

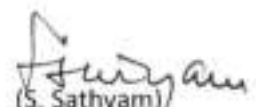

A letter was issued to the institution on 12.07.2016 informing the institution recognition cannot be reinstated as it has already been withdrawn by SRC vide order dated 04.03.2010.

On 07.02.2017 the office has received a court order dated 17.12.2016 in W.P(C) No.21311 of 2010 which is as under:

"The Government runs a Teacher Training Institute at Cheruvattoor Post, Nellikuzhi Village, Kothamangalam, Ernakulam District. In the course of time, the National Council for Teacher Education (NCTE), the first respondent, exercising its powers under section 14(3) (b) of the National council for Teacher Education Act, 1993 ('the Act') issued Ext.P20: it withdrew the recognition granted to the petitioner Teacher Training Institute for the academic year 2010-11. It also issued consequential directions. Aggrieved, the Government filed this writ petition.

2. This court on 09.07.2010 stayed the de-recognition because the state represented that it had already allotted sufficient funds and that, within six months, it would cure the deficiencies, if any. It would thus comply with the Act. The stay granted on 09.07.2010 has continued, & continues to this day, much beyond six months, however,

3. The learned counsel for the respondents has fairly submitted that given the efflux of

enormous time, nothing survives. Even going by the state's stance, initially it only needed six months' time to comply with the statutory conditions, avers the learned counsel, so the matter obviates any adjudication. According to him, the writ petition could be closed, leaving it open for the respondent authorities to re-inspect the institute and proceed further under law.

4. The learned Government pleader has concurred with the learned Standing counsel's Suggestion.
5. Given the passage of time and changed circumstances, I set aside Exts.P15, P19 and P20. I leave it open for the respondent officials to inspect the petitioner institute and proceed under law if any deficiencies are, still, found.

This writ petitions is disposed of as above. No order on costs*.

The SRC in its 330th meeting held on 12th & 13th February, 2017 the committee considered the matter and decided as under:-

1. Court order is noted .
2. Cause inspection for D.El.Ed (1 unit)
3. Ensure adherence to 2014 norms and standards.
4. Ask VT to collect all relevant documents.
5. Put up in April.

As per the decision of SRC and as per Regulations 2014 inspection of the institution was scheduled through online mode. VT Members names were generated through On-line VT module for inspection during the period on 02.03.2017 to 22.03.2017.

Visiting Team Report was received on 14.03.2017.

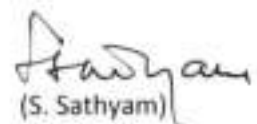

The institution has submitted representation on 02.08.2017 regarding re-instate the permanent Recognition for D.Ed (TTC) course.

The SRC in its 346th meeting held on 24th to 25th October, 2017 the committee considered the matter and decided as under:-

1. In deference to the Court order, we had caused VT Inspection.
2. The VTI Report clearly points out that the built up area is hopelessly inadequate. The requirement is 1500 sq mts ; whereas they have only 817 sq mts.
3. Issue SCN accordingly.

As per the decision of the SRC, show cause notice was issued to the institution on 31.10.2017.

The institution has submitted reply to the Show cause notice on 14.11.2017.

		<p>The Committee considered the show cause notice reply of the institution and decided as under:-</p> <ol style="list-style-type: none"> 1. The Court has given SRC the liberty to inspect the premises and decide accordingly to law. 2. The VT Inspection has clearly established that the built up area is only 817 sq mts. 3. Incidentally, they have in their reply admitted it. They have incredibly, argued that even the 817 sq mts are more than what is required : the regulations prescribe the norm for 100 students since the enrolment has been only 44 (i.e., 22 + 22) the built-up area required will be only 44% of the norm/there is no need for us to argue the point that built-up area can not fluctuate with ref to the enrolment. 4.1. They have taken the stand that they will continue to be governed by the 1995 norms. This is not correct. Every time the Regulations are revised, a one-year transition time is given to the institutions to come under the new Regulations. 4.2 In the case of the 2014 Regulations even this transition period was not allowed. 4.3 The Supreme Court had categorically stated that after Nov, 2014, no institutions case can be processed under any other Regulations. 5. In the result, and for the reasons given above, their reply to the SCN is found to be unacceptable. 6.1 The recognition granted to their D.El.Ed (1 unit) course is withdrawn w.e.f. end of the academic year 2017-18. But, the students in the first year will be allowed to complete their second year during 2018-19. 6.2 There will be no new admissions in 2018-19.

Accordingly, Notice was issued to the institution on 14.03.2012. The institution submitted reply vide letter dated 16.04.2012.

The SRC in its 224th meeting held on 14-17 June 2012 considered the written reply of the institution on the above matter and also the relevant documents of the institution and decided to withdraw recognition for the following reasons:-

- The total built up area earmarked for the D.Ed programme is only 10907 sq.ft. which is grossly inadequate for the Teacher Education Programme as per NCTE norms, the management also corroborates the same by affixing signature of the management representative in the essential data. In reply to this, the management is requesting for further extension of two years time to construct additional building of 500 sq.mtrs, which is not permissible as per NCTE norms.
As per 8 (13) of NCTE regulations 2009,
"Whenever there are changes in the norms and standards for a course or training programme in teacher education, the institution shall comply with the requirements laid down in the revised norms and standards immediately but not later than one year from the date of effect of the revised norms. However, the revised land area related norms shall not be applicable to the existing institutions' if the same is not possible. But the required built up area shall have to be increased by them to conform to the revised norms. However, such institutions not having land area as per the revised norms, shall not be allowed to expand by way of additional courses or additional intake".
- The institution has shifted to another building without the permission of SRC, which is in violation of NCTE Regulations 2009, and the built up area of this building is less than requirement as per NCTE norms.
- The land documents submitted is in individual name, which is not permissible as per NCTE Regulations 2009, further the institution is requesting SRC to permit one year time for change of land document in Society's name, which is not permissible as per NCTE regulations.
- As per BCC submitted total built up area available is only 10507 sq.ft, which is grossly inadequate and less than the requirement of 16000 sq.ft. as per NCTE norms.
- The Secretary of the institution is requesting 1 year time to submit land usage certificate, which is not permissible as per NCTE norms.
- The Secretary of the institution is requesting 1 year time to submit encumbrance certificate in favour of Society/institution.
- Original FDRs of Rs. 5 & 3 lacs towards endowment and reserve fund from a Nationalised Bank in favour of Society/college/institution name if not given.
- The institution was granted recognition in the 27.9.1996 and institution requested for shifting premises after 15 years and again requesting extension time for submission records, which is not permissible as per regulations.

The reply submitted by the institution on 16.04.2010 for the above queries, has not given proper genuine reasons.

Accordingly, withdrawal order was issued to the institution on 23.07.2012.

Aggrieved by the withdrawal order, the institution filed a writ petition vide W.P. No.27839-27840 of 2012 in the Hon'ble High Court of Karnataka at Bangalore. Another Order dated 3.4.2013 was received by this office on 22.4.2013 from the Hon'ble High Court of Karnataka extending the interim order till the next date of hearing and granting a weeks time to file objections.

The advocate was requested to defend the matter in the light of the interim order granted by the Hon'ble Court to file objections vide letter Nos. 51338 and 51339 dated 29.4.2013.

After the returning of files and petitions from the Ex-advocate M/s. Haranahalli&Patil Associates, and appointment of Legal Counsel, Mr. P.S. Dinesh Kumar for defending the cases of NCTE in the Hon'ble High Court of Karnataka at Bangalore, a list of pending cases

was provided to him on 1.1.2014.

In the meantime on 20.1.2014, this office received a Court order dated 8.1.2014 in W.P.No.27839-27840/2012 from the Hon'ble High Court of Karnataka at Bangalore to delete the name of Sri. SaneepPatil and Vinayaka and directed Sri. P.S. Again, on 26.2.2014, this office received an order stating that the Counsel seeks time and the interim order granted on 13.8.2012 was extended further.

On 13.3.2014, this office has received another Court order from the Hon'ble High Court of Karnataka dated 1.3.2014 (copy enclosed) which is as under:-

"I.A.No.4/13 is in fact, an application seeking amendment of the writ petition. Though the application is filed as early as 28.10.2013, no objections are filed to the same by the learned counsel for the respondent. Accordingly, the same is allowed, treating the same as an application for amendment of the pleadings. The counsel for the petitioner to amend the petition and produce the documents so put forth, as additional annexures, within a week.

Interim order granted earlier, stands extended until further orders."

Hence, the legal counsel is requested to file objections and vacate the interim stay granted to the institution since 13.8.2012.

A letter was addressed to the advocate on 25/04/2014 with the request to vacate the interim stay granted to the institution.

The institution submitted its written representation on 31.10.2014 along with court order in W.P.No.27839-27840 of 2012 (EDN-REG-P) dated 04.04.2014. The court order stating as follows:-

"....the learned counsel for the petitioners would however make two submissions. Firstly that insofar as the students strength is concerned, there is no demand for the subjects and the students opting for the said subjects have dwindled over the years and therefore the insistence on a particular student strength may be unrealistic and this aspect should be taken into consideration by the NCTE. Secondly, it is stated that insofar as the built up area required for classrooms and other facilities is now insisting on compliance with Regulations framed in the year 2009, which again the petitioner seeks, would require some time to comply with. These are considerations which the NCTE would take into account in taking further steps and it is clearly within its discretion. It is not for this court to direct or impose the manner in which the same shall be decided, except to request that the same be addressed, and not ignored. Since the petitioner would have to satisfy the NCTE as to the compliance

with all the requirements in order that the recognition be revived. The question of quashing the impugned annexures would not arise, in that, it is not precluded for the NCTE in taking further steps to inspect the premises and to consider the case of the petitioner for revival of recognition. Accordingly the petitions stand disposed of."

The SRC in its 275th meeting held on 1-2 December 2014 considered the matter, written representation of the institution dated 31.10.2014, Court order dated 04.04.2014, decided that:

- The High Court has not interfered with the SRC order. The High Court has not also 'directed' SRC to reconsider the case.
- The deficiencies pointed out by the SRC are basic serious and irremediable.
- The Institution can apply again, if it wishes, after notification of the new Regulations.

As per the decision of SRC, a letter was sent to the institution on 27.01.2015.

The institution preferred an appeal to NCTE Hqrs. and the NCTE Appellate Authority vide order dated – 05.05.2015 received by SRC on 20.05.2015, confirmed the order of SRC. The Order stated as follows:

".....on perusal of the Memoranda of Appeal, affidavit documents on record and oral arguments advanced during the hearing, the committee concluded to confirm the withdrawal order dated 23.07.2012 and decision conveyed by SRC to the appellant institution vide letter dated 27.01.2015.

Note: Annexure J to the writ petition is the copy of the order dated 5.5.2015 F.No.89-24/2015 Appeal/2nd meeting-2015 passed by 1st respondent.

The SRC in its 290th meeting held during 10th – 11th July, 2015 considered the matter, took note of the Court order dated 26.05.2015 about 'stay' on the appellate order.

- 1 "This case has been put up because of the reference to some SRC discussion on the subject in the 335th meeting.
- 2 Ordinarily, Regulators do not act on 'endorsed' communications. The person sending this letter, if at all, should have addressed the RD, SRO, with whatever request he had to make.
- 3 Be that as it may, three facts have to be stressed:
 - i. This matter was not on the agenda of the 335th meeting at all.
 - ii. There was no discussion on the subject in the meeting.
 - iii. No 'assurance' as claimed was given by anyone.
- 4 The letter in reference has apparently been prompted by a figment of the sender's imagination.
- 5 No action is needed on this letter. File it without any further attention.
- 6 Inform the Pondicherry University concerned with a copy to the college in Port Blair."

Accordingly, as per the decision of SRC a letter was issued to Pondicherry University on 27.04.2017.

On 22.06.2017, a letter is received from the Principal, Tagore Government College of Education, Port Blair, dated 16.06.2017 stated as under:-

"This College has been running Four Years Integrated Programme as per the recognition granted by the ERC, NCTE vide its order no. ERC/7-26/2002/2086(1) dated 17.07.2002 (copy enclosed) from the academic year 2002-03.

Later when the NCTE region was shifted to SRC, Bangalore, the SRC, NCTE has granted recognition to run Four Years Integrated Programme in B.Sc. B.ed (Maths and Computer Science) and B.A.B.Ed (English) for a total of 40 candidates vide order no. A&N/SEC/AI01/SRO/NCTE/2005-2006/1604 dated 8.7.2005 and order no. KL/SRC/NCTE/B.A.B.Ed/2006-2007/8944 dated 3.11.2006 and since then, these courses are run by this College successfully. Copies of the orders enclosed.

On the basis of this recognition and infrastructural and academic facilities available in the College, provisional affiliation was extended to run these course every year by the University. Since then these courses have been running in the College successfully. In the year 2015-16, when NCTE regulations 2014 came into effect, an Affidavit was submitted to you for both B.Ed and U.G.Ed. courses assuring you to fulfill the norms of revised regulation (copy of the affidavit enclosed).

The NCTE had issued renewal orders for the revised form of two years B.Ed courses as the previous order was meant for one year B.Ed course. However in spite of submitting affidavit for U.G.Ed course, no renewal order has been issued for U.G.Ed courses, may be because the regulations for these courses have not been amended. But these courses have been running successfully all through these years with the available academic and infrastructural facilities.

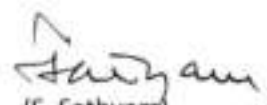

On a clarification sought by the university on the status of the NCTE Recognition for two year B.Ed and Four Year Integrated course in Tagore Government College of Education, Port Blair, the SRC, NCTE had issued a clarification vide your letter dated 17.04.2017 (copy enclosed).

Now the Pondicherry University vide letter no. PU/AW-1/22/2017-18/46 dated 7.6.2017 has asked to submit recognition orders for these courses as per the revised Regulations 2014 which has not been issued by you till date for the integrated course.

Keeping in view the circumstances mentioned above and having continuous recognition for these courses from the year 2002, it is requested to issue recognition orders for an annual intake of 40 students in integrated courses as done in the case of Two Years B.Ed course (copy enclosed) for the benefit of the islanders. Since admission for these courses are to be completed as per the University calendar, the matter may be taken up on priority basis. Copies of Affidavits submitted to you assuring you to fulfill the conditions of revised regulation 2014 is enclosed for your kind perusal.

Here it is pertinent to mention that being a Govt. institution, the College has taken all efforts for creating required infrastructure, filling up the vacant posts and creation of more post to ensure and strengthen the quality teacher education as mandated by the NCTE and Pondicherry University. The College is putting all efforts to further strengthen its academic and infrastructure facilities and being a Government institution, it is assured that all the norms of NCTE and Pondicherry University shall be fulfilled."

The SRC in its 345th meeting held during 21st – 22nd September, 2017 considered the request of the institution and decided as under:-

(S. Sathyam)
Chairman

- 1.1 In view of the clarification issued by the NCTE (HQ), recognition of the Institution / courses is cleared to have continued from 2005-06 for BSc.B.Ed (Maths) and from 2007-08 for BA.B.Ed.
- 1.2 This decision will also govern the BSc.B.Ed course started with approval of the Pondicherry Univw.e.f. 2002-03.
- 2 These will, therefore, be treated as RPRO cases. But, it will be too late now to issue a RPRO.
- 3 Going by the existing enrolment position, they will have only 1 unit in each course.
- 4 That being so, there will be no need to inspect.
- 5 They have given the Affidavit to come under the NCTE Regulations, 2014.
- 6.1 We have to issue fresh FR for B.Sc.B.Ed (Maths) and BSc.B.Ed (Comp. Sc) as one merged course of BSC.B.Edw.e.f. 2018-19 only. The nomenclature must change to omit the mention of subjects. There will be no new admissions specifically for BSc.B.Ed in Maths, English, Computer Sc., etc.
- 6.2 Likewise, we will have to issue fresh FR for BA.B.Ed (Eng) Only, the nomenclature must change to omit the mention of the subject.
- 6.3 But, we can issue these only when they submit the latest approved Faculty list in accordance with the 2014 Regulations for the 2 courses.
- 6.4 They are separately operating a B.Ed course (2 units). While submitting the Faculty lists for the other 2 courses, therefore, they should submit the Faculty list for B.Ed also.
7. Issue SCN accordingly
8. Inform the Affiliating University.

Accordingly, as per the decision of SRC, a show cause notice was issued to the institution on 28.09.2017.

A copy of the letter dated 16.10.2017 is received by this office on 20.10.2017 from Dean (I/c), CDC, Pondicherry University addressed to The Principal, Tagore Government College of Education is stated as under:-

On 17.11.2017 and 20.11.2017, a letter along with revised staff list is received by this office.

"About the 2 year B.Ed (Secondary) programme started by you in 1999-2000. The SRC had granted recognition vide order No.F.KR/78/SRO/NCTE/2000-2001/7438 dated 8.8.2001 for offering the 2 year – 4 Semester B.Ed (Secondary). This recognition has not been withdrawn. According to advice given by the NCTE (Council) in other similar cases, the recognition so given has to be deemed to have continued.

Therefore, the recognition granted to the institution vide order dated 8.8.2001 survives. That being so, there should be no difficulty for the institute to continue to run the course as hitherto.

As regards starting a new B.Ed programme under the 2014 Regulations, the institution will have to file a fresh application whenever the NCTE invites applications for new programmes."

Further, an e-mail was received by this office from the Principal, RIE, Mysore on 01.11.2017 requesting for continuation of the 2 year B.Ed programme and reply was sent through e-mail to institution on 01.11.2017 as detailed below:

"Further to this office letter No: F.SRO/APS03503/NCTE/2017/94445 dated 30.10.2017, it is to inform that your application received by this office on 3.10.2017 requesting for continuation of the 2 year B.Ed programme was placed before the 346th meeting of SRC held on 24-25 October, 2017. Due to the lengthy discussion to take decision on the Court matters, the Committee could not be able to take up your case.

However, the agenda will be placed before the 347th meeting of SRC scheduled during 16-17 November, 2017 and the decision of the SRC will be intimated in due course of time."

The SRC in its 347th meeting held during 16th-17th November, 2017 considered the written representation from the institution for revival of 2-year B.Ed programme from 2017-18 and decided as under:-

2. Fresh FR under the 2014 Regulations can be issued only after verification of adherence to the new norms and standards.

3. Collect all relevant documents and prepare for causing V.T. Inspection."

Accordingly, as per the decision of SRC, a letter was issued to the institution on 20.11.2017.

An e-mail along with a copy of the letter of Under Secretary (Regulation), Hqrs, New Delhi is received by this office on 23.11.2017 stated as under:-

"I am directed to refer to your letter dated 30.10.2017, 20.11.2017 and the letter dated 21.11.2017 received for Director NCERT on the subject noted above and to say that since RIE Mysore is already a recognized institution for running B.Ed 2 years programme, SRC NCTE may consider for issuance of a revised provisional recognition order to the institution as per the NCTE Regulations 2014."

On 24.11.2017, an e-mail was received by this office from the Principal, RIE, Mysore is as under:-

"We thank the Chairman, the committee members and you for placing the RIE, Mysore two year B.Ed course in the 347th SRC meeting. Further, the course has been treated on par with the ones in Puducherry and A.N.Islands for the purpose of issue of RPRO.

We have approached the University of Mysore with this letter and the letters issued earlier by SRC. However, since RPRO has been issued for all the institutions, the University of Mysore is not ready to accept our request without the RPRO. As a result, the B.Ed first semester examinations could not be held from today, along with other courses.

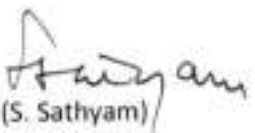

There is huge resentment from students and their parents, as the exams are not conducted for B.Ed (first semester). Our Director is also concerned about this and hence has written to NCTE headquarters. In view of this and as the matter has already been placed before the SRC, now I request you to issue the orders by consulting the Chairman, SRC, instead of placing it again in the next SRC.

I hope you understand our concerns and do the needful."

During the visit of the Chairman, to SRC, NCTE on 24.11.2017 considered the letter received from the NCTE, Hqrs and Principal, RIE, Mysore directed to issue RPRO with a condition to submit documents before 31.03.2018.

As per the direction, a revised order was issued to the institution on 24.11.2017 with an intake of 100 students.

The committee considered the above matter and decided that action taken by the Chairman, in accordance with the advice of the NCTE (HQ), is ratified.

2. The SRC has to function strictly under the NCTE Regulations. It has no power or discretion to relax the Regulations. Only the Council has that power.
3. The Azim Premji University may approach the NCTE (HQ) for obtaining the relaxation required by them. Thereafter, they can approach the SRC appropriate further attention/action."

Accordingly, as per the decision of SRC a letter was issued to the institution on 25.01.2017.

But till date the institution has not submitted any reply for further action.

The SRC in its 335th meeting held during 11th – 12th April, 2017 considered the matter of non submission of reply of the institution and decided as under:-

1. "There are too many deficiencies in this case.
2. They have not cared to address any one of them substantively.
3. Reject the application.
4. Return FDRs, if any.
5. Close the file. "

The SRC in its 336th meeting held during 19th – 20th April, 2017 reconsidered the matter and decided as under:-

1. "The communication of the NCTE (HQ) about the proposed amendment to
2. the Regulations is seen. Circulate copies to all the Members. We can discuss
3. in the next meeting.
4. SRO has brought up the case of Azim Premji University for consideration towards possible review w.r.t. the proposed amendment.
5. We find it difficult to accept this agenda item for consideration. There is no error apparent on the face of the record to warrant review. There is no other justification to reopen a decision taken by us on 11.4.2017. That the SRO has not yet issued the order is not relevant for our consideration."

As per the decision of SRC a rejection order was issued to the institution vide order No: F.No./NCTE/SRC/SRCAPP201630034/M.Ed/B.A.B.Ed./B.Sc.B.Ed/KA/2017-18/92951, dated 24.04.2017.

Aggrieved by the rejection order of SRC, the institution filed an appeal before the appellate authority, NCTE Hqrs.

The appellate authority vide order F.No. 89/221/2017Appeal/7th Meeting-2017 dated 01.05.2017 has remand back the case of Azim Premji University, Anekal, Karnataka.

The SRC in its 338th meeting held during 1st – 3rd May, 2017 considered the matter and decided as under:-

- "1. As described our SCN on 08.12.2016, there are four main entities in this case: Azim Premji University; Premji Foundation for Development; Azim Premji Trust; and peoples Education Society.
2. documents given show that all land dealings (sale or lease) are between

E.S. and A.P. Trust.

3.1 The A.P. Foundation is the promoter Society. They have no title (freehold or lease).

3.2 The A.P. University is the institution concerned. They have no title (freehold or leasehold)

4.1 NCTE (Council) has amended the Regulation to relax the norms relating to land area requirement in hill-areas and urban areas; even 'lease ' has been allowed.

4.2 That being so, the earlier considerations relating to land-holding need not anymore be a hurdle to further processing this case.

4.3 Availability of 1000 sq.mts of land for supporting a super-structure of built-up area is the minimum requirement indicated.

5.1 We can now get the VT inspection done.

5.2 Cause composite inspection for M.Ed (1 unit) and B.A.B.Ed / B.Sc.B.Ed (2 units).

5.3 Ask the V.T. to collect all relevant documents. Title-deeds (if any); LUC & EC for the Sy. Nos. involved; and B.P.and BCC;"

VT members names were generated through online VT module for inspection during the period 14.05.2017 to 03.06.2017. Inspection of the institution was conducted on 30.05.2017 and 31.05.2017 and the VT report along with documents received on 02.06.2017.

The SRC in its 342nd meeting held during 05th – 06th July, 2017 considered the VT report and decided as under:-

1. "The Composite VT Inspection report is exhaustive and gives many details.
2. The (recently) amended Regulations have raised many new conditions.
3. SRO should list the various issues/ conditions in a tabular format and give against each the correct factual position relating to the Azim Premji University."

Further, an e-mail received by this office from the Under Secretary (Regulations), NCTE, Hqr on 08.09.2017 stated as under:-

"I am directed to refer to your email letter dated 09.08.2017 on the subject noted above and to say that through the NCTE Notification dated 28.04.2017. It is hereby clarified that an exemption has been carved out to the main existing provision 8(4) in Regulation. Thus the provisios mentioned below 8 (4) pertain to different situations where either a teacher education institution is running or proposed to be run on land which is not owned by it or even where the land area is less than required as per the main provision. Thus each provision indicates different situations for which specific prescriptions have been given for relaxing the land area requirement or even the land ownership norms. The amended part of sub regulation (4) is stated below:

"No institution shall be granted recognition under these regulations unless the institution or society sponsoring the institution is in possession of required land free from all encumbrances on the date of application and the said land shall be either on ownership basis or on lease from the Government or Government institutions for a

period of not less than thirty years subject to the relevant laws of the concerned State Union Territory.

Provided that in cases of Central or State Government Institutions Universities, recognition may be accorded for a period of five years on land premises, which is leased to them.

Provided further that such institution shall be required to shift to premises with own land and building thereon, in conformity with the specification in these regulations within a period of five years from the date of recognition.

Provided also that in case of Central or State Government Institutions Universities, recognition may be accorded on land or premises, which is leased them for a period of thirty year or more.

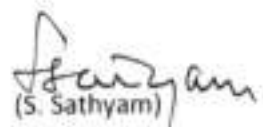

Provided also that in cases of Cities notified as Category X and Y by the Government of India for the purposes of house rent allowance, any University College which has been in existence for the last ten academic years on the date application and not in possession of land as per National Council for Teacher Education norms, be allowed to apply for new Teacher Education Programmes additional Intake exclusively on the basis of the availability of built up area per National Council for Teacher Education Norms, if the institution has least one thousand sq. meter of land area on which the required infrastructure is built up."

2. The case under reference pertain to the first proviso and the requirement here would be that it shall be a State Central Govt. institution or a University which is proposing to run a teacher education programme from land/premises which are leased to it. The approval by RC is to be given for five years and within five years the said institution is expected to move to its own premises. The proviso is specific and is on standalone basis for facilitating a TEI which propose to be run from premises which are not owned by it.

3. Needless to say, all other norms pertaining to building size, teaching faculty etc. will be required as per the existing regulations in this regard. Therefore Regional Director advised to keep the above discussion in mind while processing the case under consideration."

The SRC in its 345th meeting held during 21st – 22nd September, 2017 considered the decision of 342nd meeting and Reply from the Hqrs. and decided to issue Show Cause Notice for the following deficiencies:

- "1. The NCTE (HQ) has sent a clarification regarding the recently amended regulation. The effective position is that govt institutions/Univs can be given recognition for 5 years even on leased land or premises.
2. The V.T.I report is examined.
- 3.1 Azim premji Univ is not a govt institution. Therefore, the recent amendment is

(S. Sathyam)

- not relevant to them.
- 3.2 Also, the lease period is only 3 years whereas the amendment talks of an interim recognition for 5 years within which time the applicant is expected to develop own facilities and shift into them.
- 4 In the result, and for the reasons given above, the Azim Premji Univ does not qualify for consideration at all.
- 5 Issue SCN accordingly."

As per the decision of SRC, a Show Cause Notice was issued to the institution on 27.09.2017

An e-mail received from Mr. R.C.Chopra, Section Officer on 27.09.2017 requesting to send the original records with brief of the institution. Hence, the original file with brief of the institution is forwarded herewith.

A reply of the NCTE, Hqrs dated 03.10.2017 is received by this office on 06.10.2017 is as under:-

"I am directed to refer to the representation dated 28.09.2017 of Azim Premji University with reference to the show cause notice decided by the Southern Regional Committee in its 345th meeting held on 21-22 September 2017 and to say that legal opinion on the following issues have been obtained from the NCTE panelled legal Counsel of Hon'ble Supreme Court which are stated below:-

- i) Representation dated 28.09.2017 received from Azim Premji University.
- ii) NCTE clarification vide letter no. NCTE Reg. 1/6/2017 -US (Reg)-HQ dated 07.09.2017.
- iii) SCN by the SRC in its 345th meeting dated 21 and 22 Sept. 2017.
- iv) Letter No. PRS/PS/60/2016 date 25th May, 2016 received from Mr. Ajay Seth, IAS, Principal Secretary to Govt. Education Department (Primary and Secondary Education), Govt. of Karnataka.
- v) NCTE Agenda item No. 8 related to "Flexibility in requirement of and for new TEIs in Hilly, Metropolitan / Urban Areas" and approved minutes thereof.
- vi) NCTE Amendment notification dated 28th April, 2017 The representation received from the Institution along with above references has been examined and it is observed that the two issues raised by the SRC, while contemplating a show cause notice, are as under:-

- i) Azim Premji University is not govt. institution. Therefore, the recent amendment is not relevant to them.
- ii) Also, the lease period is only 3 years whereas the amendment talks of an interim recognition for 5 years within which time the applicant is expected to develop own facilities and shift into them". As regards issue No. (i) the representation of the Azim Premji University dated 28.09.2017 and letter of the Principal Secretary, Education Department, Govt. of Karnataka dated 25th May, 2016 (copy enclosed) mentions that Azim Premji University is philanthropic private University established in 2010 under the Government of Karnataka Act, 2010. The first proviso of the NCTE notification dated 28th

- iv)

(S. Sathyam)
Chairman

April, 2017 states that "Provided that in case of Central or State Government Institutions or Universities, recognition may be accorded for a period of five years, on land or premises, which is leased to them."

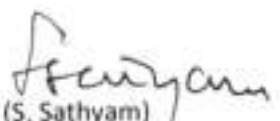

The definition of "University" as per Section 2 (n) of the NCTE Act, 1993 provides that "University means a University defined under clause (f) of section 2 of the University Grants Commission Act, 1956 and includes an institution deemed to be a University under Section 32 of that Act." As per Section 2(f) of the UGC Act, "University means a University established or incorporated by or under a Central Act, a Provincial Act or a State Act, and includes any such institution as may, in consultation with the University concerned, be recognized by the Commission in accordance with the regulations made in this behalf under this Act".

Taking into account definitions referred in under the NCTE Act and UGC Act, provisions under first proviso of the NCTE Amendment Regulation, 2014 vide notification dated 28th April, 2017 and representation of the Azim Premji University dated 28.09.2017 and letter of the Principal Secretary, Education Department, Govt. of Karnataka dated 25th May, 2016, it is clear that the first proviso makes the amendment applicable to State and Central Government Institutions and Universities. (University referred in under the definition of the NCTE & UGC Act). Further the same is evidently clear from the Agenda placed and approved by the Council which deliberated the point that "Also certain category of institutions i.e. Universities, State & Central Govt. Institutions are at items unable to obtain recognition because their land is on lease." Thus the status of Azim Premji University falls under the category of first proviso for consideration.

As regards issue No. (ii) the first proviso of the NCTE notification dated 28th April, 2017 provides that "Provided that in case of Central or State Government Institutions or Universities, recognition may be accorded for a period of five years, on land or premises, which is leased to them," and the second proviso of the NCTE Notification dated 28.4.2017 provides that "Provided further that such institutions shall be required to shift to premises with own land and building thereon, in conformity with the specifications in these regulations within period of five years from the date of recognition." From the above provisions, it does not make mandatory that the leased premises should be necessarily leased for 5 years. It is merely mandated that the recognition should not be for more than 5 years on such leased premises. In fact the intention behind such an amendment is revealed in the second proviso which makes it clear that such an institution having been recognized would necessarily shift to owned premises within 5 years of such recognition. Thus in the case of the applicant, M/s. Azim Premji University, if the lease itself is for 3 years then it could be directed that either they shift owned premises within 3 years or they will provide evidence of lease beyond 3 years in case they are intending to shift to owned premises after a period of 3 years from the recognition, but in any case before 5 years from recognition. Hence as per the legal opinion and the clarification given above, you are requested to place this clarification before the Chairperson, SRC for consideration."

On 12.10.2017, a reply to show cause notice dated 10.10.2017 is received by this office from the institution is as under:-

"We refer to the above show cause notice. The SRC in its 345th meeting held on

(S. Sathyam)
Chairman

September 21-22, 2017 had decided to issue the show cause notice based primarily on two points cited as 3.1 and 3.2 in page 5 of the notice. These are (i) The amendments mentioned in the NCTE gazette notification dated April 28, 2017 is not relevant to the case of Azim Premji University since it is not a state or central government institution and (2) That the lease period is only for 3 years whereas the amendment talks of an interim recognition for a period of 5 years.

The minutes of the meeting citing the above points were uploaded on the SRC website. Our interpretation was that the amendment (specified in the NCTE gazette notification dated April, 28, 2017) was applicable to all Universities (under the NCTE ACT and UGC ACT) and not restricted to state or central government institutions. In fact the Visiting Team Inspection was conducted with the full knowledge that Azim Premji University is a Private University is a Private University formed under the Azim Premji University Act, 2010 of the Government of Karnataka.

In line with this, we had immediately requested the NCTE HQ for a clarification vide letter to NCTE HQ dated September 29, 2017 (Attached as Annexure 1).

The NCTE HQ vide their letter to the Regional Director, SRC, NCTE copied to Azim Premji University (Reference-Reg 1/6/2017-US (Regulations) HQ / 58368 dated October, 3, 2010. Attached as Annexure-2) has clarified that

1. The amendment is applicable to State and Centre government Institutions and Universities. The clarifications also clearly specifies Azim Premji University falls under the category of Universities as referred in the amendment.
2. That the amendment does not specify that the lease should not be more than 5 years on such leased premises.

Given the above unambiguous clarification, it is clear that the Azim Premji University may be considered for recognition to offer the Teacher Education programs from leased premises as prescribed in the NCTE notification dated April 28, 2017.

We request you to please consider our application and accord recognition."

The SRC in its 347th meeting held during 16th – 17th November, 2017 considered the Show Cause Notice Reply, Hqrs clarification and decided as under:-

1. NCTE (HQ) have clarified that all Univs., whether Central govt or state govt owned or not are eligible to benefit under the new amendment.
2. The lease clause refers to 5-years as the upper limit. A 3-year lease will therefore, suffice. Only, the interim recognition will only be for 3 years within that period they should shift to their own premises.
3. They satisfy the other requirements.
4. Issue LOI for B.A.B.Ed (1 Unit) BSc.B.Ed (1 unit) and M.Ed (1 unit).

As per the online application received on 30.05.2016 and VT Report received on 02.06.2017, the institution has requested for B.A.B.Ed/B.Sc.B.Ed for one unit and M.Ed course for one unit. But as per the decision of SRC, during its 347th meeting, LOI is to be issued for B.A.B.Ed

6. If this happens, the built-up area required will only be 2000 for B.Ed.(2 units) and 500 for M.Ed.(1 unit); i.e., a total of 2500 sq.mts.
7. Issue LOI for M.Ed.(1 unit)
8. Withdraw recognition for D.El.Ed.(1 unit) w.e.f. 2016-17.
9. FDRs should be given in original in joint account, with a 5 year validity @ 7+5 lakhs for each unit of each course.

The institution has submitted written representation on 26.04.2017.

The SRC in its 337th meeting held on 25th & 26th April, 2017 the committee considered the matter and decided as under:-

1. Their letter makes 2 requests:
2. (i). Recognise M.Ed.(1 unit).
3. (ii). Do not withdraw the recognition given to D.El.Ed.(1 unit).
4. M.Ed.(1 unit) is possible only if D.El.Ed.(1 unit) is cancelled.
5. It is not possible to take note of the additional built-up area of 943.24 sq.mts. without a VT inspection. If we choose to go in for a fresh VT inspection, we cannot consider this case for 2017-18 because of the Supreme Court prescribed time-limit of 2.5.17 for issue of FRs for 2017-18.
6. It was for this reason that we issued LOI for M.Ed.(1 unit) keeping their best interest in view.
7. If they do not approve of this approach, they may return the LOI; and, we will order a VT inspection.
8. D.El.Ed. (1 unit) was cancelled because admittedly they have not been running it for

want of enrolment.

9. It is not open to them to keep recognized courses in abeyance. They have to ensure uninterrupted operation. The SRC has no authority to allow temporary suspension of courses.
10. Issue a letter accordingly.

Accordingly, as per the decision of SRC, a letter was sent to the institution on 27.04.2017. The institution has submitted representation on 29.04.2017 along with Copy of the Management Quota- Admission list for D.El.Ed.

The SRC in its 338th meeting held on 1st to 3rd May, 2017 the committee considered the matter and decide as under:-

1. Their reply is seen. Their contention is accepted.
- 2.1 The statement made in the decisions of the 337th meeting. They say, they have not been running D.El.Ed. for want of enrolment "is modified now to read. They say, they have been running D.El.Ed. only with partial enrolment."
- 2.2 That being so, the earlier decision to withdraw recognition for D.El.Ed.(1 unit) w.e.f. 2016-17 is reviewed and cancelled. Let the recognition continue.
- 2.3 Inform the SCERT also.
- 3.1 The M.ed.(1 unit) case is now ready for VT inspection. Cause VT inspection of the additional built-up area reported.
- 3.2 Since the 2nd inspection is necessitated by their stand, they have to pay the fee again.
4. The decision taken in the 337th meeting to issue LOI for M.Ed.(1 unit) is reviewed and withdrawn.

As per the decision of the SRC and as per Regulations, 2014 inspection of the institution was scheduled through online mode. VT Members names were generated through On-line VT module for inspection during the period on 16.05.2017 to 05.06.2017.

The Visiting Team report was received on 13.06.2017.

The SRC in its 342nd meeting held on 05th to 06th July, 2017 the committee considered the matter and decided as under:-

1. Three courses are concerned D.E.Ed.(1 unit), B.Ed. (2 units) and M.Ed.(1 unit).
2. As required by them, D.el.Ed.(1 unit) has been retained.
3. B.Ed.(2 units) – also continues.
4. A second VTI was conducted to check adequacy of built up area to accommodate the new M.Ed.(1 unit) course.
5. In the documents submitted all the documents (i.e., LUC, EC, BP and BCC) refer to Sy.No.136/1B; but, the title deed does not cover it at all.

		<p>6. They have to explain this discrepancy. 7. Issue SCN accordingly.</p> <p>Accordingly, as per the decision of the SRC, Show Cause Notice was issued to the institution on 12.07.2017. "...9. The NCTE is therefore directed to consider the additional materials produced by the petitioner and thereafter pass fresh orders in accordance with law. Consequent thereto, on such order being passed by the NCTE, Bangalore University shall also take note of the same and appropriate orders be passed with regard to the affiliation.

10. To enable such process to be completed, the order dated 17.05.2013 and 30.10.2013 passed by the NCTE and its Appellate Authority as also the order dated 29.10.2013 passed by the Bangalore University stands quashed. The matter stands remitted to the NCTE to reconsider the matter afresh and in accordance with law.

In terms of the above, the writ petition stands disposed of."

The SRC in its 273rd meeting held on 30th September & 1st October, 2014 considered the matter, Hon'ble High Court, Karnataka, order dated 19.08.2014 and decided that, this is a case of shifting of premises. In accordance with the Supreme Court Orders, this can be processed only after notification of the new Regulations. Advised Southern Regional Office to Inform the Institution and the University accordingly.

The institution submitted a letter on 30.10.2014 on the basis of minutes uploaded on SRC website stating, as follows:

"...you have wrongly mentioned in your website NCTE.ORG. this is a case of shifting of premises. In accordance with the Supreme Court Order, this can be processed only after notification of the New Regulations. Inform the institution and the University accordingly. So this is not applicable to our college.

Hence, we already have given information to NCTE that we have constructed new

building in the year 2008 in the same premises exclusively for B.Ed., course according to NCTE norms. We are running B.Ed., course in separate building at the same address i.e. Vivekananda College of Education, Rajajinagar II stage, Dr. Rajkumar Road, Bangalore-560055."

The petitioner prayer is " 10.....since the respondents have not complied the court order passed in the above writ petition and the new academic year has commenced and the petitioner started issuing application for admission to the B.Ed course for the academic year 2014-15. Hence, the writ petition to declare that petitioner institution is entitled to admit the students for B.Ed course of the academic year 2014-15 and for further direction directing the 5th respondent to send the list of Government quota students till the respondents consider the case of petitioner as directed by this Hon'ble court in W.P.No.51932/2013.

An interim order was received from the Hon'ble High Court of Karnataka in W.P.No.54769/2014 dated 02.12.2014 received by SRC on 12.12.2014 stating as follows:- "...Prima facie, it is seen that this court by the earlier order dated 19.08.2014, had set aside the earlier order passed by respondent No.1 withdrawing the affiliation and had directed them to reconsider the matter in view of the additional materials. The petitioner asserts that no such consideration has been made by providing opportunity to the petitioner.

In that light, the order impugned at Annexure-Q indicating the reasons for non-consideration of the application of the petitioner for affiliation without reference to the earlier proceedings does not seem justified.

For the said reasons, there shall be interim order as prayed with the clarification that the respondent No.5 would send the students to the petitioner institute subject to the students concerned opting for the petitioner's college. For the said purpose, 5th respondent shall notify the petitioner's college indicating therein that they have been included based on the interim order of this court."

The SRC in its 315th meeting held during 12th – 13th December, 2011 considered the VT report of the institution, VCD and other related documents, clarification from the institution vide letter the 11.11.2011 & 23.11.2011, along with the original file of the institution and decided to continue recognition accorded to the institution.

On 14.01.2015, the institution had submitted an affidavit for offering B.Ed course with an intake of 100 students. The revised order issued to the institution on 16.05.2015 with an annual intake of 100 students (two basic units of 50 each). The institution submitted reply to the revised order on 30.10.2015.

The SRC in its 314th meeting held during 27th & 28th may, 2016 had considered the reply to the revised order and decided as under:-

"For cases of B.Ed (2 units) in the existing institution, where RPRO, had been issued. We have to cause inspection to check adherence to the 2014 Regulations. This action will have to be completed by July, 2016 so that revised Formal Recognition can be issue w.e.f. 2016-17 to enable them to make admissions in time.

Action to check the documents in these cases (about 1885 in number) will take time. Instead of waiting for that action to be complete for placing them before the SRC, to save time, VT inspection can straightaway be ordered. VT inspection Reports can be considered along with examination of the documents.

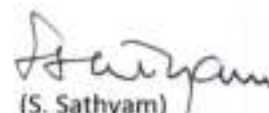

Regional Director is authorized to initiate action accordingly. The institutions concerned may be alerted about such action so that they will be prepared to receive the visiting team they may also be advised to keep in readiness latest approved faculty lists for submission to the VTs.

As per the decision of SRC a letter to the institution was issued on 14.06.2016. The institution has submitted inspection fees of Rs. 1,50,000/- on 04.07.2016.

Inspection of the institution was conducted on 16th & 17th November, 2016 and the VT report along with documents received on 18.11.2016.

The Committee considered the VT report of the institution and decided as under:

1. In this case, 4 programmes are involved M.Ed (1 Unit) : B.Ed (2 units), D.El.Ed (1 unit) and D.El.Ed-AI (1 unit).
2. These were recognized in 2004. The Regulations then allowed for setting up Institutions on leased land. The lease period of 30 years goes up to 2036. They can run the courses on the leased land till the leased period runs out.
- 3.1 In 2010 the recognition given to these programmes was withdrawn.
- 3.2 In 2011, the Appellate authority reverses the SRC order. Accordingly, SRC restored recognition. The applicant did not want to continue with D.El.Ed -AI (1 unit). Therefore only M.Ed (1 unit) B.Ed (2 units) and D.El.Ed (1 unit) were restored with recognition.
- 4.1 VT Inspection was ordered in 2016. The VT along with its report submitted a copy of an unregistered Sale Deed given by the college.
- 4.2. We will rely on the registered lease deed and Not on the unregistered Sale Deed.
5. The College now wants the D.El.Ed-AI case to be revived. If it is to be so, it will be a new case under the 2014 Regulations. Apart from other infirmities like not applying in time in response to a NCTE Notification, this request will also be hit by the deficiency of not having clear title to the land That being so their request for revival of D.El.Ed-AI can not now be considered.
6. For M.Ed & B.Ed and D.El.Ed cases, only the RPRO processing remains. The RPRO inspection conducted in 2016 shows that all facilities are available in

4. Issue the formal order in writing only after collecting the Faculty list in original and getting the deficiencies therein rectified:-
The certified copy of the original, submitted in 2015, shows the following position:
 - (i) Principal is qualified.
 - (ii) There is no faculty in Perspectives. Two Asst. Profs are required.
 - (iii) In the Pedagogy Group, one Asst. Prof (Maths) and one Asst. Prof (Reg. Lang.) are required.
 - (iv) Asst. Prof (Phy.Ed.) is required to be appointed.

- 1.1 When the prescribed Faculty strength for D.El.Ed. (2 units) is halved for D.El.Ed.(1 unit), the resultant figures have to be rounded off to the nearest level. For perspectives 1 ½ can be rounded off to 1.
- 1.2 For Languages 1 ½ can be made into 2 (i.e., one for English and one for Regional language).
- 1.3 This way, it will work out to 1+8.
- 1.4 They have only 1+7, which is 1 short.
- 2.1 They have nobody for Perspectives. That should be filled up.
- 2.2 They have not indicated the professional qualifications of any faculty Members.
3. Issue SCN accordingly for removal of deficiency so that new R.O. at the new address can be issued.

1. This is a RPRO case involving 'shifting'.
2. 'Shifting' was permitted and completed.
3. Only the RPRO aspect remains. A new FR, at the new address., under the 2014 Regulations can be issued once the Faculty issues are settled.
4. The Faculty issues remaining to be settled are:

		<p>(i) Faculty strength for D.El.Ed (1 unit)</p> <p>(ii) Scope for appointment of a principal to take class-room teaching also.</p> <p>(iii) Disclosing 'Professional' qualification details of the Faculty Members.</p> <p>5. (i) According to our calculation, the Faculty strength for D.El.Ed (1 unit) is 1+8. This calculation was explained in our decision taken in the 343rd meeting. The explanation was included in our notice dt: 09.08.2017. They have not challenged the general calculation. They have only argued that it can be 1+7 where a Principal is counted also as a Lecturer.</p> <p>(ii) As regards appointment of a Principal also as a class- room teacher, they have cited in support a G.O. issued by the State Govt. of Telangana. We can accept this flexibility wherever the Principal is qualified to teach the subject. In this case, the principal is qualified to teach the subject. In this case, the Principal is expected to teach Perspectives. Being a subject teacher in Zoology, this principal can not be held to be eligible to teach Perspectives. In this case, therefore, the overall strength will have to be 1+8.</p> <p>As regards the eligibility of a Principal to officiate also as a lecturer, it can be argued that, because of the nature of work involved, it may not be appropriate to burden a Principal with such Peripatetic work. The intention here is not to go into an extensive narration of the pros and cons of the proposition. The idea is only to emphasise the point that resort to this flexibility will have to be decided on a case-by-case basis with reference to individual capabilities.</p> <p>(iii) The third issue is about 'details professional qualifications' For example, Scores in B.Ed and/or M.Ed ; M.Ed being equal to M.A. (Ed.) + B.Ed and not just M.A.Ed., etc.</p> <p>6. With reference to the detailed description given above, the applicant Institution may be asked to give a specific response so that this case can reach its conclusion.</p> <p>7. Issue Notice accordingly.</p> <p>Accordingly, as per decision of SRC show cause notice was sent on 12.10.2017.</p> <p>The institution submitted its reply along with documents on 15.11.2017.</p> <p>The Committee considered the show cause notice reply of the institution and decided as under:</p> <ol style="list-style-type: none"> 1. The institute has replied to our SCN. 2. They have accepted all our contentions and taken the necessary corrective action. 3. Issue a fresh FR for M.Ed (1 unit), B.Ed (2 units) and D.El.Ed (1 unit) under the 2014 Regulations after collecting FDRs in original, in joint account, with a 5 year validity, @ 7 + 5 lakhs for each programme. 4. Inform the affiliating bodies. 5. Close the file thereafter.

Further, SRC decided to serve notice under section 17 of NCTE Act for violating NCTE Norms.</p> <p>Accordingly, as per the decision of SRC, a Notice was issued to the institution on 23.12.2003.</p> <p>A letter No. KSOU/EDU/2009-10 dated 30.12.2009 was received from the Registrar of Karnataka State Open University, Manasagangotri, Mysore stating that there is a huge demand for B.Ed programme and the University receives over 10,000 applications as against 500 seats. University has also stated that it is having adequate infrastructure in respect of the Academic staff, library facility, computer Lab, Network of branches of study centers, Audio Visual aids, Examination Centres, on the job training etc. Further, the University had requested for increase of intake from 500 seats to 1500 seats for B.Ed course through Distance Education Mode.</p> <p>The matter was placed before SRC in its 189th meeting held on 25th – 26th February, 2010 and it was decided to refer the matter to NCTE-Hqrs for guidance as there is a ban in Karnataka for B.Ed course. Accordingly, a letter was sent to NCTE-Hqrs on 06.04.2010.</p>

A letter dated 08.07.2010 was received by this office from the NCTE-Hqrs on 12.07.2010 was as under:-

"I am directed to refer to your letter No. F.SRO/NCTE/2010-2011/18221 dt. 06.04.2010 on the subject mentioned above and to say that the matter has been examined in the NCTE Hqrs in the light of the ban imposed by the NCTE for establishment of new teacher training institutions and grant of additional intake in the existing courses in certain states including Karnataka, which was also notified by NCTE vide Public Notice dt. 28.07.2009. The ban was imposed by NCTE, inter alia, on the Govt. of Karnataka. The proposal received from the Karnataka State Open University (KSOU), Mysore for further increased in the intake to B.Ed course is against that policy decision and therefore cannot be considered."

SRC in its 194th meeting held on 21st – 22nd July, 2010 considered the letter of the NCTE-Hqrs and it was decided that the University be informed about the policy decision of NCTE, Head Quarters not to permit increase in the intake of B.Ed Distance Education, from the present strength of 500 students.

As per the decision of SRC, a letter was sent to the Registrar, KSOU about the policy decision of NCTE on 31.08.2010.

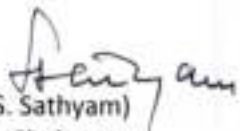

Further, the institution had submitted a letter dated 27.08.2010 and had enclosed an approval letter dated 19.08.2009 received from Government of Karnataka regarding enhancement of seats for B.Ed course from 500 to 1500 seats.

SRC in its 196th meeting held on 15th – 16th September 2010, considered the representation submitted by KSOU and had decided that the University be informed about the general ban against sanction of new or additional B.Ed programmes in the State of Karnataka. The NOC issued by the Government is subject to the overriding general ban orders in existence in this regard.

As per the decision of SRC, a letter was addressed to the Registrar, KSOU, Mysore on 27.10.2010 about the decision of SRC, not permitting the increase of intake of B.Ed Distance Education from the present strength of 500 seats to 1500 seats.

Again on 07.10.2011, the University has requested for increase of intake from 500 to 1500 seats in B.Ed course in KSOU and has referred the SRC's letter dated 31.08.2010 and has stated that "the admissions to B.Ed course in open University Distance Education mode are not being restricted to the students of Karnataka state only, but students from all over the country are likely to join the course and as such the ban in Karnataka for B.Ed course mentioned in your above letter, may not come in the way to increase the intake for the said course particularly in Distance Education system. Apart from the policy decision of NCTE, if there are any hurdles under the provisions of NCTE Act, 1993 in the matter of fixing for B.Ed course in Universities, particularly in the Open University system, the same may kindly be informed specifically quoting provisions of NCTE Act."

The Registrar has further stated that "in case no reply is received from you within a period of about 20 days, should we presume that there are no hurdles to go ahead with increased intake of B.Ed students in Karnataka State Open University during this Academic year,

The SRC in its 217th meeting held on 8th- 9th February 2012 considered the reply of the institution dt. 20.01.2012, VT report, VCD and all the relevant documentary evidences and it was decided to serve Final Show cause Notice under Section 17 of NCTE Act. Accordingly, Notice was issued to the institution on 14.03.2012. The institution submitted reply vide letter dated 16.04.2012.

The SRC in its 224th meeting held on 14-17 June 2012 considered the written reply of the institution on the above matter and also the relevant documents of the institution and decided to withdraw recognition for the following reasons:-

- The total built up area earmarked for the D.Ed programme is only 10907 sq.ft. which is grossly inadequate for the Teacher Education Programme as per NCTE norms, the management also corroborates the same by affixing signature of the management representative in the essential data. In reply to this, the management is requesting for further extension of two years time to construct additional building of 500 sq.mtrs, which is not permissible as per NCTE norms.
As per 8 (13) of NCTE regulations 2009,
"Whenever there are changes in the norms and standards for a course or training programme in teacher education, the institution shall comply with the requirements laid down in the revised norms and standards immediately but not later than one year from the date of effect of the revised norms. However, the revised land area related norms shall not be applicable to the existing institutions' if the same is not possible. But the required built up area shall have to be increased by them to conform to the revised norms. However, such institutions not having land area as per the revised norms, shall not be allowed to expand by way of additional courses or additional intake".
- The institution has shifted to another building without the permission of SRC, which is in violation of NCTE Regulations 2009, and the built up area of this building is less than requirement as per NCTE norms.
- The land documents submitted is in individual name, which is not permissible as per NCTE Regulations 2009, further the institution is requesting SRC to permit one year time for change of land document in Society's name, which is not permissible as per NCTE regulations.
- As per BCC submitted total built up area available is only 10507 sq.ft, which is grossly inadequate and less than the requirement of 16000 sq.ft. as per NCTE norms.
- The Secretary of the institution is requesting 1 year time to submit land usage certificate, which is not permissible as per NCTE norms.
- The Secretary of the institution is requesting 1 year time to submit encumbrance certificate in favour of Society/institution.
- Original FDRs of Rs. 5 & 3 lacs towards endowment and reserve fund from a Nationalised Bank in favour of Society/college/institution name if not given.
- The institution was granted recognition in the 27.9.1996 and institution requested for shifting premises after 15 years and again requesting extension time for submission records, which is not permissible as per regulations.

The reply submitted by the institution on 16.04.2010 for the above queries, has not given proper genuine reasons.

"....the learned counsel for the petitioners would however make two submissions. Firstly that insofar as the students strength is concerned, there is no demand for the subjects and the students opting for the said subjects have dwindled over the years and therefore the insistence on a particular student strength may be unrealistic and this aspect should be taken into consideration by the NCTE. Secondly, it is stated that insofar as the built up area required for classrooms and other facilities is now insisting on compliance with Regulations framed in the year 2009, which again the petitioner seeks, would require some time to comply with. These are considerations which the NCTE would take into account in taking further steps and it is clearly within its discretion. It is not for this court to direct or impose the manner in which the same shall be decided, except to request that the same be addressed, and not ignored. Since the petitioner would have to satisfy the NCTE as to the compliance with all the requirements in order that the recognition be revived. The question of quashing the impugned annexures would not arise, in that, it is not precluded for the

So we are unable to run the college with meagre students i.e. 10 to 15 (list enclosed for ready reference) from these students we are getting only a little amount through fee. Staff salaries and establishment charges are very high. So, what we are requesting to you sir kindly may delete our college name in the B.Ed counselling list for the academic year 2017-2018. This is for your kind information".

Based on some of the interested students, we are taking this decision. Because we have already dropped a copy of letter dated 8.8.2017 to you sir that we don't want admission during this year i.e. 2017-18, the said above cause we want your permission to take admissions into B.Ed course. If you give us NO OBJECTION CERTIFICATE, we will go to the S.K. University for ratification of the staff members on 17.10.2017. The University authorities will have asked us to get a NO OBJECTION CERTIFICATE from NCTE. Then they can give us permission to take admissions into this course. Hence, our humble request is to accord NOC to joining the students into B.Ed course during academic year 2017-2018. This is for your kind information. | | <ol style="list-style-type: none">1. This college was given FR for B.Ed (100 students) in 2000. After Notification of the 2014 Regulations, they agreed to abide by the new Regulations and were given a RPRO for B.Ed (2 units). Subsequently, at their request, in 2015 this was reduced to B.Ed (1 unit).2. In August 2017 they gave a letter to the effect that, because of poor enrolment, they would not like to run the programme during 2017-18. It has been the consistent stand of this committee that Institutions should either run the recognized programme or close them down. They can not have the discretion to unilaterally run or temporarily shut down recognized programmes. But, no response was given to them because of pressure of other urgent cases.3. They have now approached to say that, because of improvement in the enrolment portion, they would like to run the programme during 2017-18. Since this revised stand of theirs is in line with the system envisaged in the Regulations, they are allowed to withdraw their earlier letter of Aug 2017. They can enroll students and run their B.Ed (1 unit) programme without any disruption during 2017-18 |
