NCTE-Hqrs in its letter dated 29.08.2016 received on 06.09.2016 enclosed a written representation dated 18.06.2016 along with a court order in W.P. No. 18301 of 2016 & W.M.P. No. 16008 of 2016 with a requesting to take necessary action.

The institution submitted a letter dated 27.10.2016, received on 01.11.2016 along with a copy of the Government of Puducherry letter dated 26.05.2016. The State Government vide this letter informed that it has already conveyed vide its letter dated 26.03.2015 not to grant recognition for 2017-2018 for the four TEIs as indicated above.

It was observed from the file that,

1. There is contradiction in letter of the State govt. i.e vide letter dated 26.05.2016. It has mentioned not to grant recognition for B.El.Ed, B.Ed(ODL), B.Ed-M.Ed integrated and B.Ed(Part-time), whereas vide letter dated 27.07.2015 the State Govt. while quoting about its letter dated 26.05.2016 has conveyed not to grant recognition for B.A.B.Ed/B.Sc.B.Ed to the institution.
2. The institution submitted application online on 30.05.2016 and hard copy received on 16.06.2016, which is after 15 days from the date of online submission of application. However, NCTE vide letter No.F.49-4/2014/NCTE/N&S dated 22.08.2016 conveyed the direction that 15th July, 2016 shall be the last date for receipt of hard copy irrespective of online submission.
3. As per the Public Notice issued on 09.03.2016 for inviting applications for 2017-2018, there is a ban for D.El.Ed, B.Ed and B.P.Ed courses only.
4. As per application, the institution is a non-minority institution.

SRC in its 324th meeting held during 7th to 8th December, 2016 considered the matter and decided as under:-

(S. Sathyam)
Chairman

1. The U.T. Admn's reply to our letter is in 2 parts. The first part is about 4 courses not cited by us. We cannot, therefore, take that into account. The second part of their reply is specifically about this case, this applicant and, the 2 courses proposed by them. We have, therefore, to take them into consideration as their objection.
2. In terms of the Supreme Court order, in the L.B.S. B.Ed College case, RCs are not bound by the observations of the State Govt / U.T. Admn. But, RCs are expected to pass a speaking order why they accept or not accept the objection of the State Govt. / U.T. Admn.
3. Please request the Puducherry govt. to disclose the reason for their objection to our considering this application.

As per the decision of SRC, a letter was addressed to the Under Secretary to Govt., Higher and Technical Education, Government of Puducherry on 22.12.2016 requesting to disclose the reason for objection to SRC for considering the application.

Since reply had not been received from the State Government, the matter was placed before

SRC in its 328th meeting held on 31st January, 2016 and the Committee decided as under :-

1. The Puducherry Govt.'s objection is in general terms. It is with reference to 4 other courses not cited by us.
2. They have not given reasons for extending the objection to B.A.B.Ed./B.Sc.B.Ed. also.
3. They have not cared to respond to our letter requesting for clarification.
4. We, therefore, treat the objection as unacceptable.
5. Process the case and put up.

As per the decision of SRC, the application was processed and placed before SRC in its 329th meeting held on 06th to 07th February, 2017 the committee considered and matter and decided as under:-

1. Title is clear. Land area of 5246 sq.mts. is adequate.

As per the decision of SRC and as per Regulations 2014 inspection of the institution was scheduled through online mode during 01.02.2017 to 21.02.2017. The visiting Team Members Dr. Jayashree K Kundapur and Annasaheb Linganaaguda Patil gave their acceptance for the visit in online mode on 21.01.2017.

Inspection of the institution was conducted on 18.02.2017 and the **hard copy of the VT Report was received on 27.02.2017.**

The SRC in its 332nd meeting held on 28th February to 3rd March, 2017 the Committee considered the matter and decided as under:-

1. The Sy.Nos. in land documents LUC/EC, BCC & BP are not tallying. There seems to be some mix-up between the different courses.
2. In the case relating to B.Sc.B.Ed.(30167) we had asked for a clear copy of BP. That has not come.
3. In this case also we cannot proceed without proper clarification. Ask them to clarify the details course wise.
4. Issue SCN accordingly.

Decision of SRC, could not communicate to the institution through On-line since there technical error. As per website information, the institution has submitted SCN reply **20.03.2017** for both courses.

The SRC in its 333rd meeting held on 30th & 31st March, 2017 the Committee considered the matter and decided as under:-

1. All requirements are met.
2. Only, built-up area is inadequate.
D.El.Ed.(1 unit)+B.Ed.(1 unit)+

B.A.B.Ed.(1 unit).....	3000 sq.mts.
D.El.Ed. (2 nd unit).....	500 sq.mts.
B.Ed.(2 nd unit).....	500 sq.mts.
M.Ed.(2 nd unit).....	500 sq.mts.
B.Sc.B.Ed.(1 unit).....	1500 sq.mts.

6000 sq.mts.

3. According to BCC they will have a total of 5300 sq.mts. which will fall short by 700 sq.mts.
4. But, the latest BCC states, only Ground Floor has been completed. In other words, they have only 1530.74 sq.mts. which can cover only one unit of any one of the 5 courses in reference.
5. They should clarify the discrepancy.
6. They should also indicate which courses they may have to forego for accommodating the total requirement.

Based on the website information of the SRC decision, the institution has

(S. Sathyan)
Chairman

submitted representation through e-mail on 31.03.2017.

The SRC in its 333rd meeting held on 30th & 31st March, 2017 the Committee considered the matter and decided as under:-

1. The replies given and the details furnished are seen.
2. All formalities are completed.
3. The built-up area now shown is adequate.
Block 'A' for existing courses has ... 5537 sq.mts.
Block 'B' for new courses (only Ground Floor)....1483 sq.mts.
Total – 7020 sq.mts.
4. In Block 'B' they have claimed all areas for GF/FF/SF/TF. But, the BCC (dt. 10.2.17) clearly states that only Ground Floor has been completed. Their representation is misleading.
5. They have categorically stated that Block 'B' is for the proposed courses. Even if we take the Ground Floor area alone in Block 'B' (i.e., 1483 sq.mts.), only one unit of one course can be accommodated.
6. Accordingly, proposal for B.Sc.B.Ed.(2 units), made in application no.SRCAPP201630166, is cleared for LOI for B.Sc.B.Ed.(1 unit). Issue LOI accordingly.
7. The proposal for B.A.B.Ed.(2 units), made in application No.SRCAPP201630167, is rejected for want of adequate built-up area.
8. Issue Rejection order accordingly.

As per the decision of SRC, rejection order for B.A.B.Ed (2 Units) was rejected on 07.04.2016.

Accordingly, as per the decision of SRC, LOI was issued to the institution on 07.04.2017 for B.Sc.B.Ed (1 Unit).

Now, the institution has submitted the written representation through e-mail on 06.04.2017, hard copy received on 10.04.2017 and stated as under:-

With reference to the subject cited above, I am to state that we have been granted Recognition for 2014-15

Basing on the report submitted by DSE , Telangana, Show cause notice has been issued (318th meeting) to us. We have submitted our reply along with reliable and required documents on 09-06-2016 for your kind consideration. Our reply was addressed to DSE, TS for

their comments about the validity and genuineness of the land documents.

In view of the above circumstances , I wish to bring to your kind notice that the reply of Medha College of Elementary Teacher Education (SRCAPP1125), Medak , Telangana is considered at SRC Level as they have filed land documents to prove genuineness of their Title. Their case has been closed and the same has been informed to the institution with copy to the DSE, Telangana. This decision has been taken by SRC in its 322nd Meeting. It will be very fortune to us, if our case is also pursued as per the documents in response to the show cause notice issued by the SRC, NCTE on the same ground as of Medha College of Elementary Teacher Education. In this regard, with a humble request, I am to say that Medha College of Elementary Teacher Education is also One among the list of 37 Colleges out of 76 sent by DSE, TS.

In this regard , I wish to bring to your kind notice that the authorities of DSE, TS has completed the process of verification of land and other related documents enclosed with our replies to the SRC in response to the Show cause notice. But they are not interested to send the status report. Moreover, as a oral comment , they are saying that they are not sub-ordinates to NCTE. It is very clear that they are neglecting the instructions of SRC, NCTE in regard to this issue. We met the authorities of DSE , TS and requested them to send the status report at the earliest. Moreover, they are saying that the same case (Medha college) as of you is pursued and settled at SRC Level and their case is closed at SRC Level. They are also saying that the concerned file of verification is under missing. Due to that, we have lost two academic years. i.e. 2015-16 and 2016-17. The Renewal of affiliation has been held up since, 2015-16 to our college as our case is pending at SRC, NCTE level.

Hence, I request you kindly to consider our case at the earliest at SRC Level as the cut off date for seeking Renewal of Affiliation is fixed as 10-05-2017 for the session 2017-18. Moreover, we have submitted our shifting proposal along with required Land Document Vide Document No: 2050/2016 and Demand drafts on 23-12-2015 For your kind consideration. We have resubmitted our proposal for shifting for shifting on 11-03-2016 but, we have not yet received any communication from SRC, NCTE Bangalore.

Hence, I humbly request you kindly to take decision on the basis of submission of land documents as of Medha college and give direction to SCERT for issuing Renewal of Affiliation for the academic year 2017-2018, as we have lost two academic years 2015-16 and 2016-17.

We need to be sure about what is what. Also, we have not received any reply yet to the communication we had addressed to Director of School Education., Telangana.
2. The institution has not also submitted a fresh approved Faculty list as required by us in our letter to them on 29.1.2016.

have been granted Recognition for 2012-13

Basing on the report submitted by DSE, Telangana, Show cause notice has been issued (318th Meeting) to us. We have submitted our reply along with reliable and required documents on 09-06-2016 for your kind consideration .Our reply was addressed to DSE, TS for their comments about the validity and genuineness of the land documents.

In view of the above circumstances, I wish to bring to your kind notice that the reply of Medha Coll"With reference to the subject cited above, I am to state that we have been granted Recognition ege of Elementary Teacher Education (SRCAPP 1125), Medak, Telangana is considered at SRC Level as they have filed land documents to prove informed to the institution with copy to the DSE, Telangana. This decision has been taken by SRC in its 322nd Meeting. It will be very fortunate to us, if our case is also pursued as per the documents submitted by us to prove genuineness of genuineness of their Title. Their case has been closed and the same has been the Title of our land documents in response to the show cause notice issued by the SRC, NCTE on the same ground as of Medha College of Elementary Teacher Education . In this regard, with a humble request, I am to say that Medha College of Elementary Teacher Education is also One among the list of 37 Colleges out of 76 sent by DSE, TS.

In this regard, I wish to bring to your kind notice that the authorities of DSE, TS has completed the process of verification of land and other related documents enclosed with our replies to the SRC in response to the Show cause notice. But they are not interested to send the status report. Moreover, as a oral comment, they are saying that they are not sub-ordinates to NCTE. It is very clear that they are neglecting the instructions of SRC, NCTE in regard to this issue. We met the authorities of DSE, TS and requested them to send the status report at the earliest. Moreover, they are saying that the same case (Medha College) as of you is pursued and settled at SRC Level and their case is closed at SRC Level. They are also saying that the concerned file of verification is under missing. Due to that, we have lost two academic years i.e.2015-2016 and 2016-2017. The

The institution has submitted the reply on 13.02.2016.
An e-mail received from Ibrahim Islam on 14.02.2017. It stated as under:

"One of the issue discussed on the 9th Feb, 2017 meeting was to provide a feature for NCTE Users to upload the SCN Replies-Post Preliminary Scrutiny. It was understood that because of Institutes being unaware of submission of SCN Replies through online mode many of them has submitted their responses in the form of hard copies. In order to handle such applications we have added functionality to the Section Officer Role using which the concern section officer can upload the scan copy of the replies received online and process the application to next stage. Following para describes the steps on how to process such cases.

1. When an SCN is issued post completion of Preliminary Scrutiny, the application status is set to **501- Issue SCN - Preliminary Scrutiny**. Under this stage the applicants get an option to respond to the SCN through online mode and upload their replies using the Institute dashboard. Once the applicant submits their reply from the institute dashboard the application status gets change to **502- SCN Reply for Preliminary Scrutiny Submitted**. The application then gets visible under RD Dashboard for further processing **503- Processing of SCN Status for Preliminary Scrutiny**.
2. As per rule an applicant is given 21 days to submit their responses. In case the applicant has not responded within 21-days the application status gets automatically set to **5011-SCN Reply for Preliminary Scrutiny Pending**.
3. Now we have two sets of applicants (a) one for which is reply is due [within 21 days timeline] and the other (b) for which reply is pending [have crossed the 21-days response time]. For both the cases, if Regional Offices has received the response in the form of a hard copy [offline mode] then the replies can be uploaded at the Regional Offices and process the application further. It is important to note that if the applicant has already used the online mode to reply then this new functionality will not be applicable for such applications.
4. To use the functionality respective section officer has to login using their credentials and select application having status – **Issue SCN-Preliminary Scrutiny** or **SCN Reply for Preliminary Scrutiny Pending**.

(S. Sathyam)
Chairman

5. After selecting an application, open the application from the dashboard and move to the action panel. In the action panel select **SCN Reply for Preliminary Scrutiny Submitted** from the drop down menu. Type in other details of the reply(if any) including received such as date etc in the comment box. Upload the scan copy of the reply received using the document upload function and then click Submit Button.
6. Once the Submit button is clicked the application status will get changed to **SCN Reply for Preliminary Scrutiny Submitted** and will be visible under RD Dashboard for processing it further.
7. Kindly note that you need to upload the complete reply received in hard copy form. Avoid uploading one or two pages. The reply received has to be scanned at Regional Offices before processing the application further. Would suggest to have all the soft copies of the SCN replies ready before processing it.
8. In case the submit button is not visible in your dashboard you need to refresh your online app by pressing CTRL+SHIFT+R

Would also like to inform that this is an interim arrangement made to take care of the replies received in the form of hard copies. But we should encourage Institutes to submit their replies online to reduce our workload at Regional Offices."

As per the instructions the hard copy of the SCN reply scanned and uploaded in the PDF format in the Section dash board & technical problem is solved.

The SRC in its 331st meeting held on 22nd February, 2017 considered the matter and decided as under:

After completion of video-graphy and inspection, we started uploading inspection Report from my Dashboard. But due to some unavoidable error we could not complete it. so we sent a mail seeking help to solve the problem to ncr-support@xchanging.com and waited for the reply till evening. But we did not get any reply. So we prepared a hard-copy of the report manually and sent it through speed-post along with essential data sheet prepared by the institute.

A copy of the receipt of speed-post and soft copy of the report in PDF are attached herewith. Kindly find it and do needful.

Visiting Team report was received on 21.03.2017. The matter was placed before SRC in its 333rd meeting held on 24th March, 2017 and the Committee considered the VT report and decided as under:-

1. VT inspection report is examined.
2. All details are in order.
3. Only, they have temporary structures with asbestos & G.I. sheet roofing.
4. Issue SCN accordingly for rejection.

As per the decision of SRC, a Show Cause Notice was issued to the institution on 06.04.2017 and the SCN reply was received on 10.04.2017.

The SRC in its 335th meeting held on 11th to 12th April, 2017 the committee considered the matter and decided as under:-

1. The reply given satisfactorily meets the arithmetic of area requirements. But, it sidetracks the more important point of health-hazard.
2. It may be that asbestos sheets are used only in the Yoga Centre are also outside the total built-up area required for B.P.Ed./M.P.Ed. But, it must be recognized that Yoga centre and Indoor Stadium constitute important activity centres for B.P.Ed./M.P.Ed. courses also. It will not, therefore, be possible for us to ignore the fact that asbestos sheets are used in adjoining areas which will be required to be used by students of B.P.Ed. and M.P.Ed.
3. The Bharathidasan University may, please also note that asbestos sheeting is considered to cause cancer and is, therefore, banned. Even if they are used only in Yoga centre and Indoor stadium, they will still be harmful to the users of those areas. It will, therefore, be in the overall interest of everyone if the Asbestos sheets are removed without any loss

The institution has submitted representation on 11.04.2017 regarding the permission for the processing of the application of Pachamuthu college of Arts & Science for women (SRCAPP3550) for the academic year 2017-18.

Court order dated 04.04.2017 received by this office on 17.04.2017 in WP No.4428 of 2017 in the High court of Madras and stating as under:-

"..... This writ petition has been preferred seeking issuance of a writ of mandamus directing the respondents to consider the petitioner's representation dated 15.02.2017 for the academic year 2017-2018.

The petitioner-college, seeking to start B.Sc., B.Ed. and B.A., B.Ed. courses, applied online on 23.06.2015 and also submitted a hard copy of the same to the first respondent on 26.06.2015, pursuant to which the first respondent issued a notice to the petitioner-college on the ground that the petitioner-college has not submitted No Objection Certificate from the affiliating university. In response, the petitioner-college addressed a representation to the first respondent on

02.11.2015 seeking time for furnishing No Objection Certificate from the second respondent University. After receipt of No Objection Certificate from the second respondent University, enclosing a copy of the same, the petitioner-college addressed a representation to the first respondent seeking to consider their application for the academic year 2017-2018. Finding no response, the petitioner addressed another representation dated 17.02.2017 to the first respondent requesting processing of their application. Since no orders have been passed on the aforesaid representations, the instant writ petition has been preferred seeking the aforesaid relief.

4. With the above direction, this writ petition stands disposed of. Costs wade easy".

The Committee considered the court matter and has decided as under:-

1. In compliance of the Court order, the case is reopened for consideration of their representations dated 2.11.15 and 16.2.17.
- 2.1 The representation dated 2.11.15 was considered before rejection of the application on 15-16 December, 2015. The consideration was that NOC from the affiliating body, which according to the Regulations is required to accompany the application, was not so submitted. Since the Regulation in reference has not been altered by the NCTE(Council), even on reconsideration (in compliance of the Court order), we are not able to change our earlier decision.
- 2.2.1 Their representation dated 16.2.17 was received on 20.2.17. Since by then the application had been rejected (on 15-16 Dec. 16), no action was taken thereon by the office.
- 2.2.2 Their representation dated 16.2.17 had an enclosure of a

The Southern Regional Committee in its 245th Meeting held on 19th – 21st May, 2013 considered the reply of the institution and decided to reject the proposal of the institution for shifting vide their letter dated 08.08.2012.

Further the Committee considered the written reply of the institution vide their letter dt. 01.04.2013 on the above matter and also the relevant documents of the institution and decided to withdraw recognition for the following reasons:-

- 1) As per Sale Deed the name of the Society is Karnataka Jesuit Educational Society whereas as per recognition order, the Society name is Mangalore Jesuit Educational Society. As per NCTE regulations, 2009, the land and building should be registered in the name of the Society/Trust/institution.
- 2) In the reply, to the M.P.hall having 1530 sq.ft instead of 2000 sq.ft. as per regulations, the institution has submitted a photocopy of the building plan of St. Aloysius Higher Primary school at Sy. No/ 210/P2 RS.No.269. From the documents submitted, it is observed that B.Ed College is offered in a building where many other courses are offered. As per NCTE regulations 2009, the Teacher Education Course shall not be allowed to have any other institution, within its demarcated area or building and shall not have any other courses in

the building.

As per NCTE regulations, 2009, One Principal and 7 lecturers should be appointed as per NCTE regulations, 2009 for offering B.Ed. course.
- 5) Lecturer in Fine Arts is not approved by Mangalore University.

Based on the above points the committee decided to withdraw the recognition of the B.Ed course run by the St. Aloysius Institute of Education, P B No. 720, Kudumal Ranga Rao Road, Kodiyalball, Mangalore-560 003, Karnataka from the academic year 2013-14, in order to enable the ongoing batch of students in B.Ed course, if any, to complete their course.

But it is made clear that the institution is debarred from making any further admission subsequent to the date of issue of this order.

The Affiliating body / Examining board / body be informed accordingly.

Further decided to return Endowment funds and Reserve fund deposited with SRC NCTE, Bangalore, if any.

As per the decision of SRC, the recognition of the institution was withdrawn vide order no. F.No.APS06049/B.Ed/KA.2013-14/52656 dated 10.07.2013.

In the Meantime the institution had filed an appeal under Section 18 of NCTE Act, before the appellate Authority, NCTE, New Delhi against the With drawl order of SRC.

The appellate authority vide order No.F.No.89- 555/2013/Appeal/16th Meeting-2013 dated 13.11.2013 has made the following observations :-

"The Council noted that St. Aloysius Institute of Education, Dakshina Kannada, Karnataka was granted recognition for conducting B.Ed. course in the year 2007 with the condition to shift to Its own premises/building within three years from the date of recognition. The Mangalore Jesuit Educational Society which is the appellant society submitted a proposal for shifting of the premises in 2012. SRC on receiving the proposal caused a composite inspection on 19-

10-2012. Based on the deficiencies reported by the Visiting Team, deficiency letter and Show Cause Notice were issued to the institution. Finally, it was observed that title of the land documents of the proposed land & building, are not in favour of the applicant society. The appellant has admitted that the multipurpose hall is being constructed and is likely to ready in September, 2013 whereas inspection was conducted in December, 2012 and withdrawal order was issued in July, 2013. The appointment of principal and 6 faculties were approved by Mangalore University on 29-08-2013 which is also subsequent to the refusal orders. The appellant apprised the Council that it had applied to NCTE for relaxation of the land & building norms for the intuition. The Council concluded that the grounds on which SRC has withdrawn the recognition are justified and accordingly the withdrawal order dated 10-07-2013 is confirmed.

After perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Council concluded that the SRC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the SRC is confirmed.

The Council hereby confirms the Order appealed against "

to our utter surprise the SRC. Again issued a SCN for the same point which was taken in the 329th meeting of SRC.

Due to the political instability and unrest in Tamil Nadu and also the non-available of vice Chancellor of TNTEU Chennai, the University has not issued the NOC in time. There is no fault and no delay from our side. Hence, I kindly request you to consider our application and grant the recognition for the additional intake in B.Ed course.

The Committee considered the Show Cause Notice reply of the institution and has decided as under:-

1. This is an unfortunate case - haunted by the NOC problem.
2. The application is for 2017-18. But, the NOC is given for 2016-17. Even for 2016-17, it was not valid in the sense it was issued only in Nov. 2016 when, in fact, it should have come along with the application on 30.5.2016.
3. We did add to the confusion by erroneously ordering VT inspection in March 17. This has obviously raised expectations. We can only express regret for the inconvenience caused. But, we cannot override the infirmity governing the NOC.
4. Issue SCN accordingly.
