By 2030, the minimal qualification for a person to become a teacher will be the 4 Year integrated B.Ed. degree. • The 2 Year B.Ed. program will also be offered only for those who have already obtained Bachelor's Degrees in other specialized subjects and the 1 Year B.Ed. program for those who have completed the equivalent of 4 Year multidisciplinary Bachelor's Degrees or who have obtained a Master's degree in a specialty and wish to become a subject teacher in that specialty. • As per provision of Section 12 of NCTE Act, 1993 it shall be the duty of the Council to take all such steps as it may think fit for ensuring planned and co-ordinated development of Teacher Education. • There are approximately 430 applications for various Teacher Education Programmes, other than Diploma level courses. pending at different stages in the RCs. • NEP 2020 has brought about a paradigm shift in the Teacher

	<p>Education Sector. Accordingly, NCTE is also revamping its various curricula of ITEP. 2 Year B.Ed., 1 Year B.Ed. and introducing new courses of 4 Year Physical Education and 4 Year Art Education in line with NEP 2020. These courses are also to be aligned to the various criteria laid down by UGC and in alignment with NHEQE. NCFSE and NCFTE However, the existing courses which are currently running are not in alignment with these various aspects e.g. Credit System. 4 Stages of School Education (5+3+3+4). Entry-exit policy, no hard separation etc. These changes in curricula would also necessitate changes in the norms, standards and regulations. The applications pending before the Regional Committees of NCTE shall not be processed further. Hence, all such pending applications before RCs at any stage of processing be returned along with the processing fee to the concerned institution(s).</i> <i>III. General Resolution

1. The SRC perused the matter pertaining to B.Ed. (ODL), which is pending for the last 2 years. It is observed even though SRC, NCTE issued Continuation of Recognition orders to some Universities, they are not able to continue the programme due to not getting clearance from the UGC (DEB). When the UGC (DEB) was contacted by few VCs of Universities offering B.Ed. (ODL) and also the SRC members, the head of the UGC (DEB) suggested that there be a joint meeting between NCTE & UGC (DEB) in order to clarify the doubts of UGC (DEB). The RD, SRC is hereby directed to convene a meeting in consultation with the UGC (DEB). Professor K. K. Shine, Chairperson, SRC and Professor Ramesh Ghanta, Member, SRC also be invited to attend the said meeting. The meeting may be scheduled at the earliest so as to clear B.Ed. (ODL) matters pending with SRC.
2. The SRC further resolved to advise the RD, to write a letter to The Secretary Education of all the States under the jurisdiction of the SRC, NCTE to provide the information of the Universities offering Teacher Education Programmes on their Campus without obtaining permission from the State Government and / or without sanction of required numbers of Teaching positions in their respective States. This information will facilitate NCTE to take appropriate measures to streamline the Teacher Education in the Country.

The meeting ended with the vote of thanks to the Chair.
