PREAMBLE:

Annai Sampoorani Ammal Charitable Trust, Namakkal District has submitted an application for seeking grant of recognition for D.T.Ed course on 15.12.1999 without the processing fee and NOC/Endorsement from the State Government of Tamilnadu and the application was returned back on 23.6.2000.

However, consequent to Hon'ble High Court of Madras in W.P. No. 19337 of 2005 directing "the SRC-NCTE to process the application of the petitioner dated 15.12.1999 with regard to its two year D.T.Ed programme for the academic years 2005-06 by conducting proper inspection of the petitioner's institution and considering only the report of the inspection team of the SRC, Bangalore", as per the directions of Hon'ble High Court of Madras in the Contempt Petition No. 1003 of 2005, an inspection of the institution was carried out on 8.9.2006 to verify the essential documents as per Appendix-1B of NCTE Regulation, human Resources, infrastructural and instructional facilities provided by the institution for elementary course.

The visiting team report was placed before SRC in its 117th meeting held on 13, 14th and 19th September, 2006.

And whereas upon consideration of the inspection team report submitted by the visiting team and other documents furnished by the institution along with the application, the Regional Committee, observed that the institution prima facie, does not fulfill the requirements, the norms and standards laid down by the NCTE in accordance with the provisions of the NCTE Act, 1993.

Accordingly a notice was issued to the institution on 10.10.2006. The written representation dated 18.10.2006 submitted by the institution was placed in the 120th SRC meeting held on 3-4th November, 2006 and the matter was deferred. Subsequently, the proposal was considered in 122nd SRC meeting held on 4-5th December, 2006.

SRC considered the written representation submitted by the institution and also examined the documents available in the original file related to the above institution and found that the infrastructural and instructional facilities are provided satisfactorily and decided to accord recognition for starting D.T.Ed course with an intake of 50 students.

Hence the order.
