1. **Background and Objective of Project for 700 model TEIs**
   The National Council for Teacher Education (NCTE) is the apex body which has been entrusted the role of undertaking planned and coordinated development of teacher education in the country. Under this role NCTE is responsible for maintaining and raising standards of teacher education so that the school system has good teacher. Teacher education is the most important aspect responsible for raising the standards of education in any country. Though the Indian teacher education system has more than 19000 TEIs, there have been serious concerns regarding the quality of teacher education being imparted in the country. There is pressing need for undertaking reformatory steps so as to ensure a high quality teacher education IN THE COUNTRY. While the demand supply analysis being undertaken by NCTE hqrs bought to light that excess capacity has already been created in the form of such huge number of TEIs in the country, moreover, where the country needs about 3 lakh teachers on an annual basis, we have more than 19 lakhs seats sanctions for the 15 teacher education programmes (TEPs) currently operative in the country (apart from the two integrated programmes yet to commence the academic sessions). Hence, it is proposed to initiate a project (named Light House) to identify and develop 700 TEIs, one from every district, as a MODEL institute which will become leading institutions who shall set examples for emulation by other TEIs in the areas of curriculum, pedagogy and internship.

2. **Terms of Reference**
   NCTE is looking for a media agency which is expected to develop a strategy for effective adoption of different media options, media tools and media content in the background of the information provided in para 1.0 and also as will be provided after the agency is engaged. The objective would be to maximize the exposure for the project LIGHT HOUSE in the country using print, electronic, outdoor and social media, highlight its programs and achievements effectively and secure continuous coverage for the benefit of the citizens. In this context, NCTE requires an experienced advertising and public image management organization to effectively propagate and publicize its activities and initiatives. It will be the advertising and PR Agency’s role to provide and ensure the objectives spelt out in the above paragraph.

3. **Definitions**
   a) **Applicant** means and includes Advertising and publicity, being both creative agency and implementation agency.
