Introduction

1.1 National Council for Teacher Education has been set up by an Act of Parliament with a view to achieving planned and coordinated development of the teacher education system throughout the country, the regulation and proper maintenance of norms and standards in the teacher education system and for matters connected therewith. NCTE came into existence on 17th August, 1995. Prof. V.N. Rajsekharan Pillai, Director (NAAC) lighting the lamp at the NCTE Annual Day function, held on 17th August, 2002.

1.2 Since its inception in 1995, as a statutory organization, the National Council for Teacher Education (NCTE) has taken several initiatives, to improve the quality of teachers' pre-service education for different stages of school education, such as publication of curriculum framework for quality teacher education, development

2.4 Disposal of appeals

As per Section 18 of the NCTE Act, 1993, any person aggrieved by an order passed by the Regional Committees under Sections 14, 15 and 17 of the Act may prefer an appeal to the Council.

During the year 2002-03, the Council considered 137 appeals. Orders of the Regional Committees were confirmed in 69 cases and reversed in 9 cases. Fifty six cases were remanded to the Regional Committees with directions for further process and the remaining 3 appeals, disposed off otherwise as being withdrawn/infructuous.

2.5 Review of existing norms and standards and evolving norms and standards for new courses

NCTE continued with the task of reviewing the existing norms and standards for various teacher education courses and evolving norms and standards for new courses. As part of the process, the norms and standards for pre-primary teacher education programme (Early Childhood Care and Education) were reviewed and in its place, two separate norms – one for preparation of pre-school teachers for teaching children in the age group of 4-6 years and the other for preparation of nursery teachers for teaching in pre-school stage for children in the age group of 4-6 years followed by the first two years of formal school, i.e. children in the age group of 6-8 years – were prescribed. Further, E.Ed. and M.Ed. courses through Distance Mode were reviewed and revised norms notified.

2.6 In the initial years of establishment of NCTE, a number of Regulations and amendments thereto were issued on matters relating to form of application for recognition, time limit for submission of application, requirement of “No Objection Certificate” (NCC) to be issued by the States / UTs, norms and standards for various teacher education programmes. During 2002-03, an exercise was undertaken to consolidate all these Regulations so as to make them available at one single point of reference. These Regulations called the “NCTE (Form of application for recognition, time limit for submission of application, determination of norms and standards for recognition of teacher education programmes and permission to start new course or training) Regulations, 2002 were notified in the Gazette of India on 18.11.2002. These Regulations also list out the essential documents to be attached with each application.

- 2.7 As part of the continuing programme of reviewing the existing norms and evolving norms for new courses, NCTE has initiated action for reviewing the norms for Bachelor of Elementary Education (B.El.Ed.) and for framing norms for teachers' training programmes for Art Education. Two separate expert committees have been constituted for the purpose and the work is in progress.
- 2.8 It may be recalled that NCTE in September, 2001 had made a provision in the Regulations for State-specific relaxation for removal of any hardship caused in adhering to the norms and standards. Provision for such a clause for relaxation was necessary in view of the diversity of the situation prevailing in the country and to facilitate the states to obtain recognition for their institutions. Invoking this clause, based on requests received from the concerned state governments, certain relaxations in regard to number of teacher educators, their qualifications etc. have been allowed for the states of Gujarat, Maharashtra and West Bengal.

2.9 Teachers training through Distance Mode

While NCTE facilitates teachers' training through distance mode, in order to maintain standards of such teachers' training, NCTE has prescribed in the Regulations that apart from other conditions, B.Ed. / M.Ed. through distance mode can be offered only by open universities or Directorates of Distance / Correspondence Education of the Universities. Further B.Ed. / M.Ed. through distance mode is offered only to serving teachers / teacher educators and educational administrators in order to facilitate them for professional development. At present, B.Ed. through distance mode is offered by 13 universities with a total intake of 8800 seats. Similarly, M.Ed. through distance mode is being offered by 4 universities with an intake of 1275 seats.

2.10 Minimum Qualification for Recruitment of Teachers

In accordance with Section 12 of the Act, NCTE has issued a Regulation notified on 2nd September, 2002 laying down the minimum qualification for employment as a teacher in schools. Under these Regulations, pre-service teacher education qualification is an essential qualification for appointment as a teacher in schools. States have been advised to amend the existing recruitment rules to bring them in conformity with NCTE Recruitment Regulations and make recruitment accordingly. States have been given a time of three years, i.e. upto September, 2004 to amend their recruitment rules so as to fall in line with NCTE recruitment regulations.

2.11 Inservice training of untrained teachers

Apart from pre-service training, NCTE has been focusing its attention to providing training to serving untrained teachers in various states. The incidence of a large number of untrained teachers in North-Eastern States and Sikkim has been an area of concern for NCTE. To deal with the matter, IGNOU has developed a six month "Certificate in Primary Education" (CPE) programme. The programme has been recognized by NCTE for the purpose of regularization of service, promotion etc. within the state. The programme is under implementation in North-Eastern States and Sikkim. NCTE is also facilitating other states to come up with state-specific proposals for in-service training programme for untrained teachers of the state. NCTE has conveyed approval to in-service training programme for primary teachers of the state of Orissa being implemented by SCERT through Distance Mode with the involvement of DIETs, CTEs and IASEs. Similar proposals received from some other states like Rajasthan, Madhya Pradesh are under process.

2.12 Memorandum of Understanding between NCTE and NAAC for accreditation of recognized teacher education institutions

For monitoring and rating the performance of the recognized teacher education institutions, which is necessary for ensuring quality, the National Council for Teacher Education and the National Assessment and Accreditation Council (NAAC), an autonomous institution of the UGC, have entered into a Memorandum of Understanding on 16th August, 2002. NCTE and NAAC had mutually agreed to lay down the Accreditation Norms and Standards for Diploma / Degree / PG level pre-service courses in the field of teacher education which will be implemented by NAAC. NCTE and NAAC have also agreed to evolve mechanisms for regular follow-up of quality initiatives and schemes for quality promotion and sustenance among teacher education institutions. A manual of procedures has been designed for use by the teacher education institutions seeking accreditation from the NCTE-NAAC. The NCTE Headquarters has issued instructions to all recognized institutions making accreditation by NCTE-NAAC mandatory for continuance of recognition. A recognized institution is required to seek accreditation from NCTE-NAAC within five years of grant of recognition by the Regional Committee of NCTE.

Prof. V.N. Rajsekharan Pillai, Director (NAAC), and Shri S.K. Ray, Member Secretary (NCTE) signing a Memorandum of Understanding for accreditation of Teacher Education Institutions. NCTE Chairperson Prof. A.N. Maheshwari and Vice Chairperson Prof. R.S. Khan are looking on.

2.13 Computerized Performance Appraisal System

In accordance with the provisions of Section 12(k) of the NCTE Act, 1993, the NCTE had institutionalized Performance Appraisal System for the recognized institutions in March, 2001. Accordingly, a format for self-appraisal (PAR) by the institutions was developed. The format was designed to obtain various vital information from the recognized institutions with regard to their functioning so as to ascertain whether they are functioning in accordance with the provisions of the NCTE Act and the Regulations. The format contains sections where the institution was required to report the developmental and student welfare activities conducted by it during the academic session under report. In order to smoothen the process of annual performance appraisal of the large number of recognized institutions, the PAR format has since been digitized.

2.14 Inspection of institutions under Section 13 of the NCTE Act, 1993

As per provisions contained in Section 13 of the NCTE Act, 1993, the Council may cause inspection of any recognized institution for the purpose of ascertaining whether it is functioning in accordance with the provisions of the NCTE Act and

Regulations. Rule 8 of the NCTE Rules, 1997, lays down the procedure to be followed by the Council for causing inspection under Section 13 of the NCTE Act. NCTE has initiated inspection of recognized institutions under Section 13 of the NCTE Act as per NCTE Rules, 1997. So far, 117 number of recognized institutions have been inspected under Section 13 of the NCTE Act, 1993. During the year 2002-03, the Council has caused inspections of 40 recognized institutions. In regard to the course of action on the inspection reports, the Council in exercise of powers vested under Section 27 of the Act, decided to give directions to the Regional Committees to consider reports of inspection team set up under Section 13 of the Act as input under Section 17 of the Act for initiating action for withdrawal of recognition.

Further, Section 8 of the NCTE Rules, 1997 prescribing the manner of inspection prescribes inter-alia the composition of the inspection teams providing inter-alia the association of one of the members of the Council to be associated with such inspection. In view of availability of limited number of members of the Council to be associated with such inspection, the Council is constrained in having more number of inspection teams. Accordingly, the Council has recommended to the Government for amendment in the Rules relating to the composition of inspection teams providing for composition of the inspection teams from out of a panel of experts approved by the Council. Necessary amendment to the NCTE Rules, 1997 is awaited.
