

CIRCULAR

Sub: Open Educational Resources (OERs) for Professional Development of Teacher Educators/Pupil-Teachers/School Teachers: Reg.

The pandemic of Covid-19 has engulfed the entire country posing various challenges for the health, economy and education of millions of Indians. To facilitate learning even when classroom engagements are not possible, NCTE will support digital learning for Teacher- Educators, Pupil-Teacher and School Teachers.

2. The first of the resources shared by committed organizations and academics is hosted as free open education resources on the NCTE Website due to the courtesy of such organizations and academics.

3. To use these resources, please click on the links provided below:
