If the inspection has been conducted at a new place, you are required to intimate whether permission had been obtained from WRC for shifting of premises." The institution in its reply submitted that the special inspection was carried out at the premises where it was conducted prior to grant of Recognition. However, to remove the doubt of VT regarding functioning of the institute at the premises inspected prior to grant of recognition in the year 2005, it is necessary to obtain a verification report from the District Administration. The copies of the letter received from NCTE and the land documents submitted by the institution at the time of Recognition should be sent alongwith the letter. Rest of the minutes are confirmed.

The SWAMI VIVEKANAND SIKSHA COLLEGE, Ambah was inspected by a visiting team u/s 13 of the NCTE Act, 1993 as a follow up action of the order dated 12.05.2014 of the Hon'ble High Court in the W.P. No.2730/2012 (PIL). The institution was inspected on 06.09.2014. Vide letter dated 13.04.2015, the NCTE hqrs. informed the institution through The Principal, Swami Vivekanand Siksha College about the contraventions of the institution. The reply from the institution dated 29.06.2015 was examined.</p> <p>The point made by the inspection Committee was that the institution was conducting the B.Ed. course from the building for which the WRC had given recognition for D.Ed. course only, and that, the institution hid this fact from the Central Visiting team. This is proved from the fact that on after the day of visit, the institution submitted building completion certificate which reflects that the</p>

				<p>institution does not possess building with 3000 sq.mts. built up area required for D.El.Ed. and B.Ed. course together. The institution in its reply submitted a new building completion certificate issued on 17.12.2014. The area of the building in this certificate has been shown as 3005.70 sq.mts (32521.6 sq.ft. as shown in the BCC dated 17.12.2014). The reply of the institution itself is admission of the fact that the institution continues to run B.Ed. in the building recognized for the D.El.Ed. course, and it got additional built up area constructed after the visit of the inspection team on 06.09.2014. The institution has also informed that the construction work is going on and it will be completed by October, 2015. The above narration proves that the institution has conducted a B.Ed. course from a building which was recognized for D.El.Ed. course only. It is a serious contravention that the institution does^{did} not fulfill the NCTE norms regarding built up area for two courses.</p> <p>Hence, Show Cause Notice u/s 17 be issued on the above grounds.</p>
