The Society has also submitted another application for B.Ed. course (APP3021). Thus, the two cases - B.A.B.Ed.(APP3020) and B.Ed. (APP3021) are considered together.</p> <p>The VT was constituted for B.A.B.Ed. (APP3020) course. The VT has recommended for Recognition and based on the recommendation LOI was issued to the institution. The Regional Director, in the meeting, informed that VT for B.Ed. course is yet to be constituted. Since, the two institutions are established on the same land and are in the same building, the Committee considered the VT Report for both the institutions. The two institutions are being run by the same Society. On perusal of the records and the VT report, it has been found that the composite building has built up area of 3090 sq. mtrs. The Society has land area of 4300 sq. mtrs. Thus, the Society has required land area and built up area, for the two courses. The Committee viewed the CD again and found that the institutions have required infrastructural and instructional facilities.</p> <p>Keeping the above facts in view, the Committee decided to issue LOI in APP3021/223.</p> <p><b>In the case of B.A.B.Ed. course (APP3020), LO I was issued to the institution. The Recognition for this institution can only be considered, if it becomes a Composite institution. Hence, the response against the LOI submitted by the institution for course B.A.B.Ed. (APP3020) will be considered after submission of response to LOI issued in B.Ed. course (APP3021).</b></p> <p><b>Thus, after the receipt of the reply of case (APP3021), the two cases be put together up for consideration.</b></p>
