As per building plan, the institution has 6697.68 sq. mtrs. of built up area which is insufficient to run 11 units of the various teacher education courses as well as 29 other courses at the School, Higher Secondary and College levels;</p> <p>ii) The institution when applying online for this course, the name of the applicant was mentioned - "R.H. If this College was a constituent of the Private University, the application should have been made by the University and not by the College, as was done for the M.Ed. course (325101).</p> <p>iii) The VT has mentioned that the Library has 4672 books related to education, which is much less than what is required to run 11 teacher education courses.
