				<p>All these documents should be examined in the light of the withdrawal order of the WRC dated 19.10.2016. Any development regarding the college building after this date should not be taken into account.</p> <p>(b) Regarding the inspection report dated 31.05.2017 u/s 13, there is no substantive data regarding the condition of the building except that "building of the college was found to be under construction with different types of materials lying aside and college is not conducting any programme". Further as per section 13 of the NCTE Act, 1993, inspection is conducted on recognized institutions only, whereas in this case, recognition has already been withdrawn vide order dated 19.10.2016. So it is not possible for NCTE to take cognizance of this VT report unless directed by the NCTE hqrs. Reference is made to the report of the two-man committee consisting of Professor R.S. Khan (former Vice-Chairperson, NCTE) and Shri S.K. Ray (former Additional Secretary and Financial Advisor of MHRD) dated 27.04.2015 which has also concurred with the view point written here.</p> <p>(c) Regarding the position of the building, the WRC had already taken into cognizance the photographs submitted by the Tehsildaar during its fact finding enquiry subsequent to the complaint received that there is no building on Khasra No.297/1 & 297/2.</p> <p>(d) The WRC viewed the two CDs and found that there is no resemblance between the two buildings.</p> <p>The WRC is inclined to accept the report of the Tehsildaar with photograph of that time and the endorsement of the Collector dated 07.07.2016. However, since all the relevant documents are referred to the Collector for verification, final decision of WRC will be taken after the receipt of the report of the Collector.</p>
