The two cases APP3442 and APP3445 were taken together. VT visited the institution on 16/04/2016. VT report was perused and CD was viewed. The VT has made the following observations :-</p> <ul style="list-style-type: none"> i) As per the direction of the WRC Bhopal, VT was asked for a copy of the approved building plan with demarcated area for the proposed B.Ed. 2 units (100 students). In spite of our insistence, the management did not provide us with a plan with demarcation of area for each course including the proposed B.Ed. (2 units) programme. ii) Due to non demarcated area in the building for each course, we have apprehension about running two units of the proposed B.Ed. and two units of the proposed D.El.Ed. courses in the same building. iii) The approved building plan does not match with the existing building. <p>Hence, Show Cause Notice be issued on the above grounds.</p>
