

# GEOGRAPHIC LOCATION

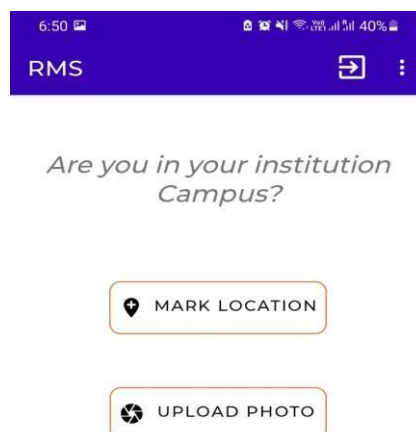

Step1: Download **NCTE ITEP App** from Google Play Store.

Step2: Login App using your Application Sequence No and your login credentials.

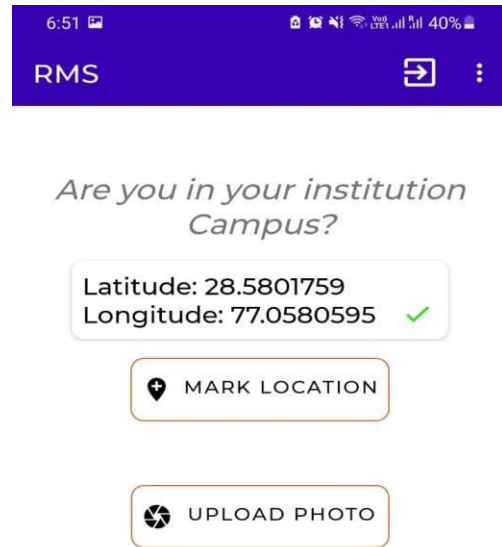

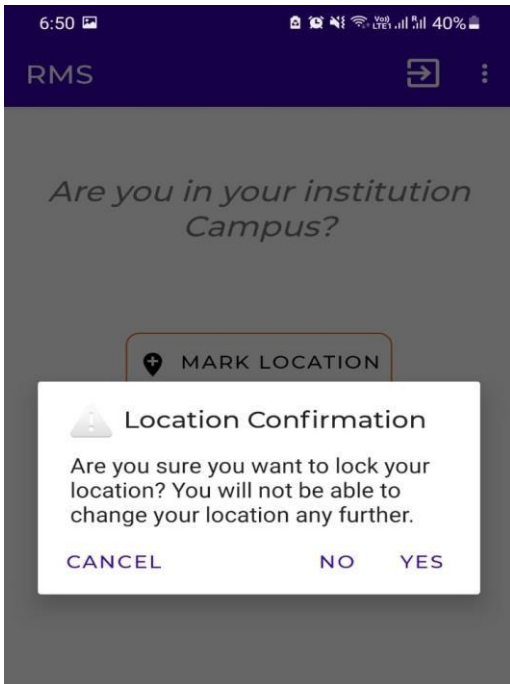

Step3: You will see the dashboard after login with two options:

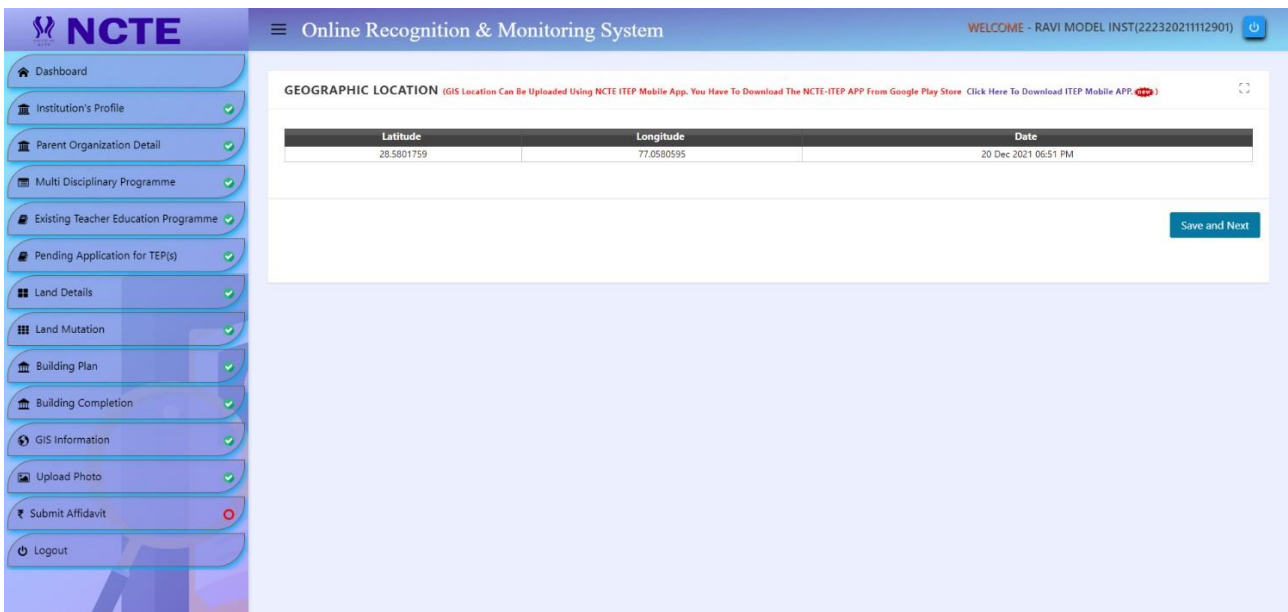

- 1) Mark Location
- 2) Upload Photo

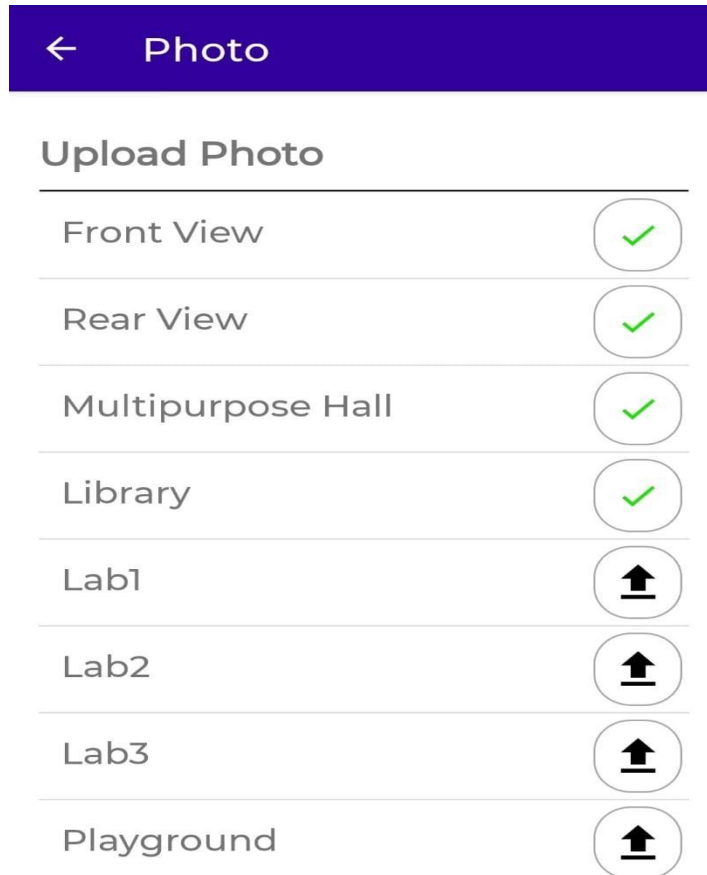

**Step4: Click on Mark Location to save your institution location in the Application.**

**Step5: Please visit **ITEP Application** and check your coordinates details.**

**Step6: Now click on Upload Photo to update your institution photos.**

**Step7: Please visit **ITEP Application** and check your uploaded photos.**
