ORDER

WHEREAS the appeal of G.D. Babaria Teachers Training College, Boro Aerodrome Road, Giridih, Jharkhand dated 30/05/2017 is against the Order No. ERC/234.10.4/ID-9076/D.El.Ed./2017/51957 dated 31/03/2017 of the Eastern Regional Committee, refusing recognition for conducting D.El.Ed. Course on the grounds that "a. Show cause notice was issued the following grounds:- (i) The applicant has submitted Demand Draft of Rs. 1.50 lacs towards processing fee. As per the online NCTE portal, payment through online only is accepted. (ii) As per the print out copy of the online application it is observed that application number is not available. (iii) The application has not appeared on the dashboard of the online NCTE portal due to which online process cannot be carried out. In view the above, the Committee decided as under: The Committee decided that recognition to the institution for D.El.Ed. is hereby refused under section 14/15(3)(b) of NCTE Act 1993."

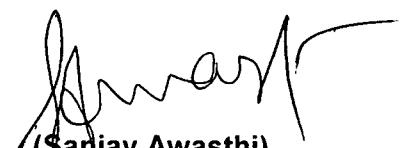

AND WHEREAS Sh. Alok Mishra, Correspondent and Sh. Ajay Bagaria, President, G.D. Babaria Teachers Training College, Boro Aerodrome Road, Giridih, Jharkhand presented the case of the appellant institution on 25/09/2017. In the appeal and during personal presentation and in a written representation, it has been submitted that (i) according to the Instructions for filing up the on-line application displayed on the website of the NCTE, payment may be made through demand draft and the appellant forwarded the demand draft along with the hard copy of the application; (ii) as the application bore ID Number 9076, it cannot be said that the application cannot be identified; (iii) photocopy of the hard copy of application status was displayed on the dashboard of the on-line NCTE portal; (iv) the ERC would not have issued a letter dt. 30.06.2016 to the HRD Department, Govt of Jharkhand, if the application would not have been processed and hence the objection that the application did not appear on the dash board of the on-line portal does not hold water; (v) the appellant submitted a reply on 24.11.2016 to the show cause notice dt. 09.11.2016; and (vi) the ERC passed the impugned order in the most mechanical

and arbitrary manner. The appellant also submitted that if their application had been summarily rejected in time, they would have had sufficient time to apply afresh.

AND WHEREAS the Committee noted that the Terms and Conditions for on-line applications for grant of recognition or permission in the NCTE website were last updated on 9.3.2016 i.e. well before the issue of the Public Notice inviting applications for the academic session 2017-18. According to these terms, processing fee is accepted only through on-line payment by credit card/debit card/Net banking processed by interlinked payment Gateway. These terms do not provide for any other mode of payment like demand draft. These latest terms and conditions were available in the public domain when the appellant filed their on-line application on 28.5.2016. According to the provisions of Clause 7(2) (a) of the NCTE Regulations, 2014 failure to furnish the application fee on or before the date of submission of on-line application attracts summary rejection of the application. The appellant has not fulfilled this fundamental requirement of furnishing the application processing fee within the prescribed time and through the permissible mode(s) of payment. In these circumstances, the Committee concluded that the ERC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the ERC confirmed.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the ERC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the ERC is confirmed.

The institution has not submitted the Land Use Certificate issued by the Competent Authority to use the land for educational purpose. The institution has not submitted the Non-Encumbrance certificate issued by the Competent Authority indicating that the land is free from all encumbrances. Hence, the Committee decided that the application is rejected and recognition/permission is refused u/s 14/15 (3)(b) of the NCTE Act, 1993. FDRs, if any, be returned to the institution."

AND WHEREAS Sh. Chandrakant Sharma, Society Member, Pavan Rokadiya B.Ed. College, Tehsil Road, Garhi, Rajasthan presented the case of the appellant institution on 25/09/2017. In the appeal and during personal presentation it was submitted that their college is a composite institution as the affiliating university has granted affiliation on 09.05.2016 for conducting B.A. and B. Com courses for the academic session 2015-16. The appellant submitted a copy of a registered document dt. 12.05.2017 altering the status of the land registered as lease on 26.06.2008 into sale deed from that date itself. The appellant also submitted copies of the land use certificate and Non-Encumbrance Certificate issued by Sub-Registrar, Garhi, Distt. Banswara, Rajasthan.

AND WHEREAS the Committee noted that as per the copy of the certificate of land dt. 29.06.2008 submitted along with the hard copy of the on-line application dt. 17.05.2016, the land was taken on lease from a private person. The Committee noted the according to the provisions of clause 8(4)(i) of the NCTE Regulations 2014 no institution shall be granted recognition under these Regulations unless the institution or the society sponsoring the institution is in possession of the required land on the date of application free from all encumbrances either on ownership basis or on lease from Government or Government institutions for a period of not less than thirty years. Since the appellant, on the date of application, was in possession of the land on private lease basis only and not on the terms laid down in the Regulations, the Committee concluded that the appeal deserved to be rejected and the order of the NRC confirmed.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the NRC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the NRC is confirmed.

NOW THEREFORE, the Council hereby confirms the Order appealed against.

Engineer/Authority and (iii) In the submitted building plan, there is no mention of total land area & built-up are etc. In view the above, the Committee decided as under: The Committee is of the opinion that application bearing No. ERCAPP201646366 of the institution regarding recognition of B.Ed. Programme is refused under section 14(3)(b) of NCTE Act 1993.”

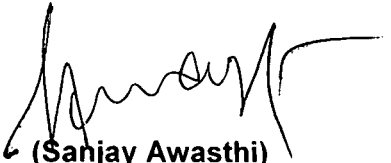

AND WHEREAS Dr. Madhurima Sinha, Managing Director, Dr. Madhurima Sanjay Teachers Training College, Ballopur (Bhigo), Laheriasarai, Bihar presented the case of the appellant institution on 25/09/2017. In the appeal and during personal presentation it was submitted that they sent many letters requesting for time for the submission of NOC since it was in process on 11/02/2017 with wrong Application No. ERCAPP201646244 by mistake and on dated 20.04.2017 and 29.05.2017 with right Application No. ERCAPP201646366. NOC was sent on 30.05.2017 again by mistake in wrong application no. ERCAPP201646244 but their real application no. is ERCAPP201646366. Building Completion certificate duly signed by the Assistant Engineer, Building Sub Division 1, Darbhanga Govt. Engineer was sent by email on 29.05.2017 and hard copy on 30/05/2017. The prescribed format of Building Completion Certificate of NCTE is only for the recognized Colleges. They have already submitted earlier the required documents by a wrong application No. that is ERCAPP201646244 by mistake instead of Application No. ERCAPP201646366 on

dated 11/02/2017 and on 20/04/2017 by actual Application No. ERCAPP201646366 by speed-post. The Affidavit, Building Plan and Site Plan clearly show the Built-up Area and Land Area. All the above letters were sent by speed post in stipulated period but a few could not be sent through Email by mistake. The appellant with their letter dt. 25.09.2017 submitted various documents including copies of the NOC dt. 29.05.2017 issued by the affiliating body and building completion certificate signed by Asst. AND WHEREAS the Committee noted that according to the provisions of clause 5(3) of the NCTE Regulations, 2014, a No Objection Certificate (NOC) issued by the concerned affiliating body shall be submitted along with the copy of the on-line application. The appellant has not fulfilled this requirement as they obtained the NOC from the affiliating body only on 29.05.2017 long after submitting hard copy of their on-line application on 30.06.2016. In these circumstances, the Committee concluded that the ERC was justified in refusing recognition on the ground that the appellant did not submit the NOC from the concerned affiliating body and therefore, the appeal deserved to be rejected and the order of the ERC confirmed.

AND WHEREAS After perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the ERC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the ERC is confirmed.

ORDER

WHEREAS the appeal of Dr. Madhurima Sanjay Teachers Training College, Ballopur (Bhigo), Laheriasarai, Bihar dated 03/06/2017 is against the Order No. ERC/240.8.17/ID. No. 11182/D.El.Ed./2016/ 53456 dt. 30.05.2017 of the Eastern Regional Committee refusing recognition for conducting D.El.Ed. course on the grounds that (i) Submitted building completion certificate is not in prescribed format signed by competent Govt. Engineer/Authority. (ii) In the submitted building plan, there is no mention of total land area & built-up area etc. and (iii) as the application for B.Ed. course (ERCAPP201646366) has been decided to refuse in 240th meeting, therefore, the appellant for D.El.Ed. course comes under the category of stand alone institution, which is not permissible as per Regulations, 2017. In view of the above, the Committee decided as under: The Committee is of the opinion that application bearing No. ERCAPP201646250 of the institution regarding recognition of D.El.Ed. Programme is refused under section 14(3)(b) of NCTE Act 1993."

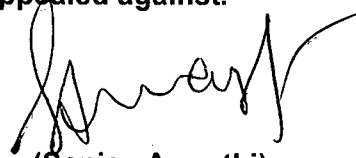

AND WHEREAS Dr. Madhurima Sinha, Managing Director, Dr. Madhurima Sanjay Teachers Training College, Ballopur (Bhigo), Laheriasarai, Bihar presented the case of the appellant institution on 25/09/2017. In the appeal and during personal presentation the appellant submitted a copy of the building completion certificate in the format prescribed and signed by the Asst. Engineer, Building Sub-Division – I, Darbhanga and a copy of the building plan indicating the measurement of various facilities and a copy of the site plan.

AND WHEREAS the Committee noted that one of the grounds for refusal is that as the application of the appellant for B.Ed. course has been refused, the institution with one application for D.El.Ed. course falls under the category of stand alone institution. The Committee noted that the appellant has preferred an appeal separately against the refusal for grant of recognition for B.Ed. course but the Council

decided to reject the appeal on the ground that the institution did not submit the No Objection Certificate (NOC) issued by the affiliating body along with the application as required under Clause 5(3) of the NCTE Regulations, 2014. With the rejection of the appeal in respect of B.Ed. course, the appellant falls in the category of standalone institution. According to the provisions of Clause 8(1) of the NCTE Regulations, 2014 new teacher educations shall be located in composite institution. In these circumstances, the Committee concluded that the appeal deserved to be rejected on the ground that the appellant is not a composite institution but falls under the category of standalone institution and the order of the ERC confirmed.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the ERC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the ERC is confirmed.

Copy of NOC and affiliation letter are annexed. Kota University, Kota has issued NOC for proposed B.A. B.Ed./B.Sc. B.Ed. course in the name of J.L.N. Degree College which was submitted to NRC, NCTE along with online application form. Copy of NOC for proposed course is annexed. As per clause 2(b) of NCTE Regulations 2014, "composite institution" means a duly recognized Higher Education Institution offering undergraduate or postgraduate programmes of study in the field of liberal arts or humanities or social sciences or sciences or commerce or mathematics, as the case may be, at the time of applying for recognition of Teacher Education Programmes, or an institution offering multiple Teacher Education programmes. Thus, the college offering U.G. programme is eligible for grant of recognition for B.A. B.Ed./B.Sc. B.Ed. course. The Appellate Authority, NCTE has passed an appeal order on 04.08.2016 in which it is clearly stated that the institution proposed to be established by the same Management Society or Trust in the same premises irrespective of little modification in the name shall be treated to be a composite institution. Copy of appeal orders are annexed. Looking into the above fact, it is very clear that college running degree course is eligible for grant of recognition of B.A. B.Ed. / B.Sc. B.Ed. course. This institution has submitted certified copy of registered land documents to NRC, NCTE along with reply of SCN. Copy certified registered land documents is annexed. Due to typing error, Plot No. of society office C-4, 5, 6 has been mentioned in online application in place of Khasra number. The Khasra No. of land registered in the name of society is 76, 77 & 78. In this regard a certificate issued by Tehsildar, Sangod, Kota was submitted to NRC, NCTE along with reply of SCN. Copy of the certificate issued by Tehsildar is annexed. The size of Multipurpose Hall is already mentioned on approved Building Map. The approved building map was submitted to NRC, NCTE along with reply of SCN. Copy of approved building map is annexed. Thus, NRC, NCTE has rejected their application on wrong, illegal, unlawful and unconstitutional basis. So, it is prayed that the rejection order be set side and directions be issued to NRC, NCTE for further processing of application of this institution for grant of recognition for B.A. B.Ed. / B.Sc. B.Ed. course.

AND WHEREAS the Committee noted from a perusal of the documents in the file and the documents submitted by the appellant in appeal, that the society applied for grant of recognition for conducting the four year integrated course B.A., B.Ed./B.Sc, B.Ed. in an institution named J.L.N. (preamble) to the Norms and Standards for the 4 year Integrated B.A., B.Ed./B.Sc., B.Ed. course contained in Appendix 13 to the NCTE Regulations, 2014. If the name of the institution in which B.Ed. course is being run and which is different from the appellant college, it should not affect consideration of the present proposal to conduct the integrated course in J.L.N. Degree College.

AND WHEREAS in view of the position stated above, the Committee concluded that the matter deserved to be remanded to the NRC with a direction to consider the replies furnished in appeal to various points and take further action as per the NCTE Regulations, 2014. The Appellant is directed to forward all the documents submitted in appeal, to the NRC within 15 days of receipt of the issue of orders on appeal.

B.Ed. Course on the grounds that "the SCN No. 158009 dt. 15.09.2016 was replied by the institution on 13.10.2016. B.Ed.) and social sciences or humanities (B.A., B.Ed.) and professional studies comprising foundations of education, pedagogy of school subjects and practicum related to the tasks and functions of a school teacher. In the light of these provisions, availability of B.A./ B.Sc. courses in an institution intending of offer the integrated B.A. B.Ed./ B.Sc. The Committee also noted that keeping this in view, the NCTE in their letter dt. 07.04.2016 addressed to the Regional Committees laid down that (i) the application for a 4-year integrated programme can be processed, if the applicant has simultaneously applied to the affiliating body for a graduate programme, and (ii) the affiliating body has undertaken to regulate the B.A./B.Sc. component of the integrated programme, in accordance with the curriculum and norms of the University. The latter condition has been re-iterated in the NCTE's letter dt. 10.02.2017.

B.Ed. should satisfy the requirements mentioned in para 3 above for fulfilling the objectives of the integrated programme, clearly laid down in the preamble of the Norms and Standards for this course. The B.Ed. programme being conducted by the appellant institution, can, under no, circumstances, be considered as an undergraduate programme of study in the field of liberal arts or humanities etc. mentioned in clause 2 (b) of the NCTE Regulations, 2014. In the above circumstances the Committee concluded that, as the appellant has not fulfilled the required conditions mentioned in para 3 above for being a composite institution, the NRC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the NRC confirmed.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the NRC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the NRC is confirmed.

NATIONAL COUNCIL FOR TEACHER EDUCATION

Hans Bhawan, Wing II, 1, Bahadurshah Zafar Marg, New Delhi - 110 002

Date: 27/11/17

ORDER

WHEREAS the appeal of R.J. Girls Degree College, Rampur, Balbhadra Manihari to Jakhaniyan, Jakhania, Uttar Pradesh dated 14/06/2017 is against the Order No. NRC/NCTE/NRCAPP-3532/262nd (Part-8) Meeting/2017/166750 dated 06/02/2017 of the Northern Regional Committee, withdrawing recognition for conducting B.Ed. Course on the grounds that "the institution was granted recognition under clause 7(16) vide order 02.03.2015. After recognition, NRC received letter from the Registrar, Veer Bahadur Singh Purvanchal University, Jaunpur. In the letter, the Registrar mentioned that the institution has been given recognition on fake faculty list. Hence, institution was given show cause notice. The reply submitted by the institution is not acceptable. The institution misled the NRC by submitting a fake list of teachers. Hence, the Committee decided to withdraw the recognition granted to the institution of B.Ed. course under section 17 of the NCTE Act, 1993 from the end of the academic session next following the date of order of withdrawal."

AND WHEREAS the Committee noted that the appellant, aggrieved by the order of the NRC, filed a Writ C. No. 26498 of 2017 before the Hon'ble High Court, Allahabad. The Hon'ble High Court, in their order dt. 07.06.2017, disposed of the petition with liberty to the petitioner to file an appeal within a period of four days before the respondent along with a certified copy of the order of the court. The Hon'ble High Court also ordered that in case, such appeal is filed, the respondent shall decide the appeal in accordance with law without entertaining any objection to the limitation, within a further period of ten days.

AND WHEREAS Sh. Umesh Yadav, Member, R.J. Girls Degree College, Rampur, Balbhadra Manihari to Jakhaniyan, Jakhania, Uttar Pradesh presented the

case of the appellant institution on 26/09/2017. In the appeal and during personal presentation it was submitted that the recognition has been withdrawn in a mechanical manner without any documentary evidence and/or without any physical verification of the faculty members. In fact the faculty members mentioned in the list are actually teaching in the institution. The appellant, in their letter dt. 16.06.2017 enclosed to the appeal, submitted that in response to the decision to issue a show cause notice they have submitted a copy of the letter of the University dt. 28.05.2015 freshly approving their faculty to the NRC, but still NRC withdrew recognition. The appellant in the course of presentation submitted a copy of this letter.

AND WHEREAS the Committee noted that the NRC, in their order dt. 02.05.2015 granted recognition to the appellant college for conducting B.Ed. course with an intake of 100 (2 units). For obtaining this recognition, the appellant, in response to the Letter of Intent dt. 30.01.2014 issued to them, inter alia submitted a copy of the letter dt. 19.03.2014 from the Registrar, Veer Bahadur Singh Purvanchal University, Jaunpur approving eight faculty members for B.Ed. course in the appellant institution.

AND WHEREAS the Committee noted that the Registrar, Veer Bahadur Singh Purvanchal University, Jaunpur wrote a letter dt. 28.07.2016 to the Regional Director, NRC, indicating the dates of issue of LOI, approval of the faculty by them and formal recognition orders by NRC in respect of a number of institutions, including the appellant institution, and suggesting verification of the orders issued by NRC and taking further necessary action. In respect of the appellant institution, the date of issue of LOI, date of approval of faculty and date of issue of formal recognition order have been mentioned as 30.01.2014, 28.05.2015 and 02.03.2015 respectively. The NRC, on the basis of the letter of the University dt. 28.07.2016, decided in their 256th meeting held from 22 to 25 August, 2016 to issue a show cause notice to the appellant on the ground that the list of faculty approved by the affiliating body and submitted by the institution for getting recognition was fake. The appellant sent a reply dt. 30.09.2016 affirming that the University had in fact approved the faculty. The appellant also enclosed a self-attested copy of the

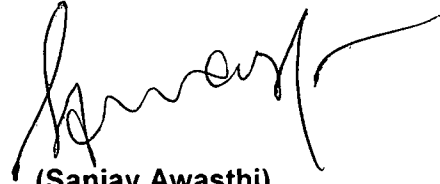

University's letter dt. 19.03.2014. Thereafter the NRC wrote a letter dt. 05.12.2016 to the Registrar, VBS Purvanchal University requesting them to verify the authenticity of the contents of the approval order dt. 19.03.2014 submitted by the institution while no reply was received from the University, the NRC decided to withdraw recognition and issued the order on 06.03.2017.

AND WHEREAS the Committee noted that the appellant, with their reply dt. 30.09.2016 to the show cause notice, submitted a copy of the faculty approval letter dt. 19.03.2014 issued by the University and not their subsequent letter dt. 28.05.2015, as claimed in the appeal. It is seen that the appellant submitted copies of the University's letters dt. 19.03.2014 and 28.05.2015 with their writ petition filed before the Hon'ble High Court. In the averments in the writ petition, the petitioner stated that he got a fresh staff list approved to meet the requirements of NCTE Regulations, 2014.

AND WHEREAS the Committee, noting that VBS Purnvanchal University did not send a reply to the NRC's letter dt. 05.12.2016 and the appellant is standing by both the letters of approval dt. 19.03.2014 and 28.05.2015, concluded that the matter deserved to be remanded to the NRC with a direction to get the authenticity of both the letters verified and take further action as per the NCTE Regulations, 2014. The appellant is directed to intimate the NRC the full circumstances under which they got the approval of their faculty a second time from the affiliating University, within 15 days of receipt of the orders on the appeal.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the appeal deserves to be remanded to NRC with a direction to get the authenticity of both the letters verified and take further action as per the NCTE Regulations, 2014. The appellant is directed to intimate the NRC the full circumstances under which they got the approval of their faculty a second time from the affiliating University, within 15 days of receipt of the orders on the appeal.

NOW THEREFORE, the Council hereby remands back the case of R.J. Girls Degree College, Rampur, Balbhadra Manihari to Jakhaniyan, Jakhania, Uttar Pradesh to the NRC, NCTE, for necessary action as indicated above.

NATIONAL COUNCIL FOR TEACHER EDUCATION

ORDER

WHEREAS the appeal of Vaishali Institute of Education and Technology, Shahpur Tiwari, Totha, Lalganj, Bihar dated 23/06/2017 is against the Order No. ERC/239.6.261(Part-5)/B.Ed.(Addl.Intake)&D.El.Ed./2017/53018 dated 02/05/2017 of the Eastern Regional Committee, granting recognition for conducting one unit (50 intake) of B.Ed. (Addl.) course. The appellant wants recognition for two units (100 intake) of B.Ed. course.

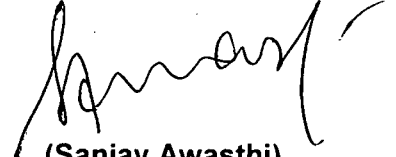

AND WHEREAS Sh. Subhash Chand, President, Vaishali Institute of Education and Technology, Shahpur Tiwari, Totha, Lalganj, Bihar presented the case of the appellant institution on 26/09/2017. In the appeal and during personal presentation it was submitted that (i) they filed application for additional intake of D.El.Ed. with an intake of 100 (two units); (ii) the visiting team's report was found satisfactory and NRC issued Letter of Intent; (iii) the appellant submitted an affidavit for consent / willingness for two units of additional intake in B.Ed. and two units of additional course of D.El.Ed. and furnished the list of faculty course-wise approved by affiliating body; and (iv) the ERC without issuing any show cause notice issued their order dt. 02.05.2017 for one additional unit of B.Ed. only and two units of D.El.Ed. The order dated 02.05.2017 is not sustainable in the eye of law for the reason that the applicant institution has not received any show cause notice related to applied intake B.Ed. (Additional Intake 100 (two units) and Additional course D.El.Ed. with intake 100 (two units). The ERC only issued a LOI as per 238th Meeting held from 18th to 20th April 2017 on the following grounds:- The institution which is already recognized for B.Ed. / D.El.Ed. course(s) and sought recognition / permission for additional course / additional intake is required to furnish the previous faculty list alongwith compliance of the Letter of Intent, copy of which enclosed. Institution be asked to submit two separate FDRs of Rs. 5.00 lakh and Rs. 7.00 lakh for each

applied course towards endowment fund and reserve fund in the joint name of RD, ERC, NCTE and institution with reply of letter of intent. This incident reveals that the Committee has not done justice to the institute and decision are not properly taken by the Committee by suppressing the truth / original records submitted by the institute. This is the impression the appellant has got from the errant and unmindful decision of ERC.

AND WHEREAS the Committee noted that the appellant in their on-line application dt. 31.05.2016 applied for one additional unit (50) in B.Ed. and two basic units in D.El.Ed. However, in the affidavit enclosed, he mentioned new D.El.Ed. 100 (2 units) and additional B.Ed. (2 units). In the on-line application it is mentioned that B.Ed. with two units (100) is already existing. In the VT report under the heading 'proposed courses' the intake for B.Ed. and D.El.Ed. course is mentioned two units (100) each. The VT in their report has stated that the institution has infrastructural and instructional facilities for the proposed B.Ed. and D.El.Ed. courses. The ERC in their Letter of Intent dt. 28.04.2017 asked the institution to intimate their willingness in an affidavit about the number of units either one or two. The appellant furnished an affidavit expressing their willingness for two units of B.Ed. and D.El.Ed. courses. The minutes of the 239th meeting of the ERC held from 28th April to 2nd May, 2017, in which a decision was taken to grant recognition for one additional unit in B.Ed. and not for two units, do not contain any reasons. In these circumstances, the Committee concluded that the matter deserved to be remanded to the ERC with a direction to issue a speaking order stating the reasons for granting recognition for one additional unit of B.Ed. only.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the appeal deserves to be remanded to ERC with a direction to issue a speaking order stating the reasons for granting recognition for one additional unit of B.Ed. only.

NOW THEREFORE, the Council hereby remands back the case of Vaishali Institute of Education and Technology, Shahpur Tiwari, Totha, Lalganj, Bihar to the ERC, NCTE, for necessary action as indicated above.

F.No.89-488/E-9740/2017 Appeal/17th Meeting-2017

NATIONAL COUNCIL FOR TEACHER EDUCATION

Hans Bhawan, Wing II, 1, Bahadurshah Zafar Marg, New Delhi - 110 002

Date: 27/11/17

ORDER

WHEREAS the appeal of J.B.M. College of Education, Shadipur, Jind Rohtak Road, Julana, Haryana dated 24/06/2017 is against the Order No. NRC/NCTE/NRCAPP-8243/268th (Part-1) Meeting/2017/171888 dated 25/04/2017 of the Northern Regional Committee, refusing recognition for additional intake in D.El.Ed. Course on the grounds that "Govt. of Haryana has requested NCTE not to recommend any fresh opening / recognition / increase on intake of any D.El.Ed. Institute for the year 2017-18. Hence, the Committee decided that the application is rejected and recognition / permission is refused u/s 14/15 (3)(b) of the NCTE Act, 1993. FDRs, if any, be returned to the institution."

AND WHEREAS Sh. Suresh Chand, Director, J.B.M. College of Education, Shadipur, Jind Rohtak Road, Julana, Haryana presented the case of the appellant institution on 26/09/2017. In the appeal and during personal presentation it was submitted that the NRC has rejected the application inter alia on the ground that NOC from the affiliating body has not been submitted. It is submitted that the appellant had submitted the application in the year 2012 in response to public notice dt. 26.11.2012 issued by the NCTE. The application was illegally rejected by NRC and in the appeal their plea had already been accepted and returned back the application to NCTE, Jaipur for further processing but they rejected on same ground.

AND WHEREAS the Committee noted that the submission of the appellant that their application was refused again on the same ground i.e. non-submission of NOC from the affiliating body is not correct because on an earlier appeal preferred by the appellant, the Council held that the requirement of NOC cannot be made mandatory in respect of the application submitted in 2012. The refusal was on the ground that the State Govt. of Haryana has requested NCTE not to recommend fresh opening/ recognition/ increase intake of any D.El.Ed. institute for the year 2017-18.

AND WHEREAS the Committee noted that the application of the appellant for increase in intake in D.El.Ed. course dt. 30.12.2012 has been under consideration for quite some time and during the course a deficiency letter dt. 23.08.2013 and four show cause notices dt. 05.01.2015, 06.08.2015, 26.11.2015 and 09.03.2017 were issued to the appellant. The latest show cause notice was on the ground of State Govt's request as mentioned in the refusal order, appealed against.

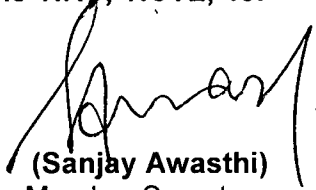

AND WHEREAS the Committee noted that in the matter of the applications submitted in the year 2012 and which were rejected on the grounds of the State Govt's subsequent stand that they do not want to recommend opening of new D.El.Ed. institution or increase in intake in the existing institutions for the years from 2013-14, 2017-18, the Council sought legal advice, which has since become available. The crux of this legal opinion is that recognition is granted prospectively under Section 15(3) (a) and as such it should be only after complying with the existing Regulations. Once the State Government gives its opinion and recognition is granted by NCTE, such grant attains supremacy vis-a vis the State Government as well as the affiliating body. The final authority to grant or refuse recognition rests with NCTE but State has a vital role to offer by way of properly commenting as and when its opinion is called for and NCTE should take into consideration the recommendations and views of the State despite the fact that it has the final say.

AND WHEREAS the Committee is also for the view that when recommendations of the State Government under Clause 7(4), (5) and (6) of the NCTE Regulations, 2014 are sought by the Regional Committee, the State Government should assess the institution on individual merit basis and wherever it is not in favour of recognition, shall provide detailed reasons and grounds with necessary statistics. Appeal Committee noted that when the appellant applied in 2012, there was no ban by the State Government. Further the Appeal Committee is of the view that the blanket general ban imposed by the State Government can be taken into account by NCTE only before issuing any notification inviting applications for teacher education courses in a particular State for the prospective academic year(s). Once applications are invited, the Regional Committee has no right to reject it on grounds of ban imposed subsequently by the State Government.

AND WHEREAS in view of the position stated above, the Committee concluded that the matter deserved to be remanded to the NRC with a direction to process the application further as per the NCTE Regulations, 2014.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the appeal deserves to be remanded to N.R.C. with a direction to process the application further as per the NCTE Regulations, 2014.

NOW THEREFORE, the Council hereby remands back the case of J.B.M. College of Education, Shadipur, Jind Rohtak Road, Julana, Haryana to the NRC, NCTE, for necessary action as indicated above.

ORDER

WHEREAS the appeal of The Gandhigram Rural Institute – Deemed University, Gandhigarm, Authoor, Tamil Nadu dated 05/06/2017 is against the Order No. SRO/NCTE/SRCAPP201630049/B.Sc.B.Ed/TN/2017-18/93197 dated 09/05/2017 of the Southern Regional Committee, refusing recognition for conducting B.A. B.Ed./B.Sc. B.Ed. Course on the grounds that “they have given a supplementary Faculty list today with reference to the deficiencies pointed out by us. The addition of one Assistant Professor in M.Ed. is eligible. The Assistant Professor (PA) and Asst. Prof. (FA) added to the faculty list of B.Sc. B.Ed. (2nd unit) are also eligible. The Assistant Professor (Maths – Pedagogy) listed is not in order since what is required is an Asst. Prof. (Perspective). In any case, these names have come today morning and not before midnight of 2.5.17. They cannot, therefore, be accepted. Reject the application. Return FDRs. Close the file.”
