ORDER

WHEREAS the appeal of Smt. Rukma Devi Mahila Shikshak Prashikshan Mahavidyalaya, Veer Durga Das Nagar, Pali, Rajasthan dated 12/02/2021 is against the Order No. WRC/NCTE/RJ-623/B.Ed./321st/2020/212692 dated 14.12.2020 of the Western Regional Committee, withdrawing recognition for conducting for B.Ed. Course on the grounds that "Recognition was granted to the institution on 07.11.2006 on rented premises with a condition to shift the institution in its own premises within a period of three years from the date of issue of recognition order. The institution has not shifted the institution in its own premises till date. Accordingly, Show Cause Noted was issued to the institution on 27.09.2020. The institution has not submitted the reply of the Show Cause Notice till date. In view of above, the Committee decided that the recognition of B.Ed. programme of the institution be withdrawn under clause 7(15) from the next academic session 2021-22."

AND WHEREAS Sh. Bhupendra Chauhan, Secretary of Smt. Rukma Devi Mahila Shikshak Prashikshan Mahavidyalaya, Veer Durga Das Nagar, Pali, Rajasthan presented the case of the appellant institution on 31/03/2021 and 28.5.2021. In the appeal and during personal presentation it was submitted that in the year 2006, the institute had submitted its application for grant of recognition of B.Ed. course. In column no.3 of the application dealing with "infrastructural facilities", the institute had clearly indicated against para no. 3.1 that "land is available in the name of secretary of the institution". Further, the institution was proposed to be run in its own building and approved building plan / map was also attached. Thus, the institution was given recognition to run the course in its own building existing on the land in the name of the society. Thus, the ground of withdrawal that the institution was given recognition on the condition to shift in its own premises within a period of three years from the date of issue of recognition order, is

Respectfully

incorrect and not applicable to the institution. It is submitted that on production of land documents in the name of society of the institution, the Department of Education, Government of Rajasthan, issued the letter dated 30.08.2010 granting continuation of NOC without any condition. A copy of letter dated 30.08.2010 is attached. Subsequently, as the building in question became very old, the society constructed another building at the same place on the same plot of land as per norms of NCTE and the institution is running in the building and land owned by the society of the institution. Thus, the allegations against the institution that it has not shifted the institution in its own premises till date, is factually incorrect. The land documents in the name of society of the institution and Building Completion Certificate approved by the competent authority shall be submitted & produced before the appellate authority. WRC issued show cause notice dated 12.10.2020, in which the institution was required to submit details of land and other documents. The institution submitted its reply to the said show cause notice by letter dated 22.10.2020 by speed post. As per tracking report of the speed post, the said reply was received in the office of WRC on 29.10.2020, i.e. within the time stipulated by WRC. The allegation against the institution that the institute has not submitted reply to the show cause notice, is factually incorrect.”

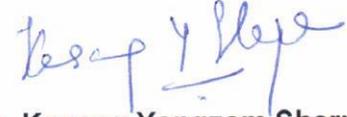

AND WHEREAS Appeal Committee noted that impugned order of withdrawal dated 14/12/2020 is on the ground that appellant institution has not submitted reply to the Show Cause Notice dated 27/09/2020 which was issued for the reason that institution was granted recognition in rented premises and has not shifted to its own premises. Appellant in its appeal memoranda has stated that institution is running in its own premises since the very beginning and has also replied to the Show Cause Notice (S.C.N.) dated 27/09/2020. As evidence of having submitted reply to the Show Cause Notice the appellant has furnished copy of the speed post receipt dated 20/11/2020 and track report which indicates delivery of article on 29/10/2020.

AND WHEREAS Appeal Committee decided to remand back the case to WRC to consider the reply of appellant institution which is required to be sent again by the appellant to WRC within 15 days of the issue of appeal order.

NOW THEREFORE, the Council hereby remands back the case of Smt. Rukma Devi Mahila Shikshak Prashikshan Mahavidyalaya, Veer Durga Das Nagar, Pali, Rajasthan to the WRC, NCTE, for necessary action as indicated above.

ORDER

WHEREAS the appeal of Mahila College of Education, Market Yard Kolhapur, Shri Shahu Market Yard, Karveer, Kolhapur, Maharashtra dated 01/02/2021 is against the Order No. WRC/APW00787/123121/322nd/2020/213114 dated 20.12.2020 of the Western Regional Committee, withdrawing recognition for conducting for B.Ed. Course on the grounds that "Recognition was granted to the institution on 31.08.2006 on rented premises with a condition to shift the institution in its own premises within a period of three years from the date of issue of recognition order. The institution has not shifted the institution in its own premises till date. Accordingly, Show Cause Noted was issued to the institution on 29.09.2020. The institution has not submitted the reply of the Show Cause Notice till date. In view of above, the Committee decided that the recognition of B.Ed. programme of the institution be withdrawn under clause 7(3) of the NCTE Act from the next academic session 2021-2022."

AND WHEREAS Dr. Smita Dattatray Rane, Principal of Mahila College of Education, Market Yard Kolhapur, Shri Shahu Market Yard, Karveer, Kolhapur, Maharashtra presented the case of the appelland institution on 31/03/2021 and 28.5.2021. In the appeal and during personal presentation it was submitted that "Appelland institution had applied to respondent for grant of recognition for new B.Ed. college from the academic year 2005-2006. The Respondent, by an order No. WRC/5-6/86-87/2006/8067 dated 31/08/2006 granted permission for conducting B.Ed. Course with an annual intake of 100 women students. The initial permission was granted to start the B.Ed. College in a rented premise and was directed to produce a lease deed for 30 years. As such the applicant institution started the B.Ed. College in a rental premises and lease deed for 30 years was executed and same was produced to respondent. Accordingly, the appelland institution started a new B.Ed. College exclusively for women in a rental premise as per

t-7 slope

the Norms and Rules of N.C.T.E. prevailing at the relevant time. The norms of N.C.T.E. were changed and as such the appellant institution was required to shift the B.Ed. College to its own premises as per the revised norms. Thereafter as per letter No. WRC/APW00787/ 123121/MH/2016/180680 dated 27/02/2017 the appellant institution started to shift the college to its new premises owned by the appellant institution. As stated hereinabove the Appellant institution was trying its best level to shift the B.Ed. College from the rental premises to its own premises. But as some infrastructure of the building was incomplete the appellant institution could not shift the B.Ed. college to its own building within the stipulated period of three years. The Appellant institution, in the year 2019, completed the infrastructure for B.Ed. college and was intending to shift the B.Ed. college to its own premises from June 2020 for the academic year 2020-2021. But because of lock down due to corona virus it was not possible to shift the B.Ed. College to its own premises. The respondent on 29/09/2020 issued a show cause notice under Sec. 17 (1) of N.C.T.E. Act, as why recognition granted to Appellant institution for B.Ed. college should not be withdrawn and directed the Appellant institution to file written representation within 30 days. The show cause notice was received by the Appellant institution on 05/10/2020. After receipt of show cause notice the Appellant institution, on 17/11/2020 filed the application / proposal for permission to shift the B.Ed. college in its own premises and the same has been received by the respondent on 24/11/2020. But unfortunately, the respondent committee on the same day i.e. 24/11/2020 in its 322nd meeting decided to withdraw the recognition of the Appellant institution. Being aggrieved and dissatisfied by the said order the Appellant preferred this appeal. The Appellant institution has not committed any deliberate delay in shifting the B.Ed. college in its own premises. Because of non-availability of suitable premises, the Appellant institution did not shift the college within the prescribed period. The Appellant institution had decided and started to shift the B.Ed. College at Rukadi, Tal. Hatkanangale, Dist. Kolhapur in the premises owned by the appellant institution, from the academic year 2020-2021. But because of lockdown condition due to Corona Virus it was not possible for the Appellant institution to shift the B.Ed. College from the rental premises to its own premises. The respondent committee issued a show cause notice on 29/09/2020 and the same has been received by the Appellant institution on 05/10/2020. But because of non-availability of some important

documents from the concerned authorities, due to lock down condition, the Appellant institution could not send the explanation/letter for permission for shifting the B.Ed. college from rental premises to its own premises within 30 days of receipt of show cause notice. The Appellant institution on 17/11/2020 has forwarded the complete proposal for shifting of the college along with the requisite fee of Rs.1,50,000/- to respondent committee. The proposal of the Appellant institution has been received in the office of Respondent Committee on 24/11/2020 i.e. on the date on which the Respondent Committee has passed resolution for the withdrawal of the recognition. Because of unavoidable mistake or circumstances on the part of Appellant institution the proposal did not reach the office of respondent committee and therefore the respondent has taken the decision to withdraw the recognition of the Appellant institution.”

AND WHEREAS Appeal Committee noted that impugned order of withdrawal dated 20/12/2020 is on the ground that appellant institution has not shifted from rented premises to its own premises and has also not submitted reply to the Show Cause Notice (SCN) dated 29/09/2020.

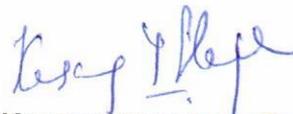

AND WHEREAS Appellant in its appeal memoranda has stated that Show Cause Notice was received on 05/10/2020 and a reply to S.C.N. was submitted by speed post on 17/11/2020. Before submitting a detailed reply to the Show Cause Notice appellant had also remitted shifting fee of Rs. 1,50,000/-. The letter dated 10/11/2020 sent by appellant institution with a Demand Draft of Rs. 1,50,000/- and the reply to Show Cause Notice submitted by speed post on 17/11/2020 are not found placed on the relevant regulatory file.

AND WHEREAS Appeal Committee decided to remand back the case to WRC for revisiting the matter with reference to the reply dated 17/11/2020 to be resubmitted by appellant to WRC within 15 days of the appellate order. WRC of its own should also make efforts to locate the letters, Demand Draft and other relevant documents stated to have already been sent by speed post.

K. J. Rep

NOW THEREFORE, the Council hereby remands back the case of Mahila College of Education, Market Yard Kolhapur, Shri Shahu Market Yard, Karveer, Kolhapur, Maharashtra to the WRC, NCTE, for necessary action as indicated above.

ORDER

WHEREAS the appeal of Indu Memorial Teacher Training Centre, 598/4, Kuzhalmannam, Alathur, Palakkad, Kerala dated 22/02/2021 is against the Order No. SRO/NCTE/APSO1072/B.Ed./392th/{KL}/2020/121689 dated 23.12.2020 of the Southern Regional Committee, withdrawing recognition for conducting for B.Ed. Course on the grounds that "Institution in its representation dt. 24.09.2020 has mentioned that the College is functioning on the same land and building where the initial recognition was accorded in 2006. The SRC on perusal of VT report dt. 27.02.2006 observed that the institution was functioning in rented premises which belies the statement of the institution. The institution had also submitted a lease deed dt. NIL having stamp of Sub – Treasury on 23.02.2006 for a period of 11 months which also confirms that the institution was granted recognition on rented premises with the condition to shift to its permanent building within a period of 3 years. Now, it is evident that the management has not shifted its institution to its own permanent building which is in violation of the NCTE Regulations, 2002, 3(C). The institution has submitted Land Use Certificate but land in the name which Society not mentioned. The institution has submitted photocopy of NEC in Regional Language. Encumbrance Certificate is unsigned not approved by the Competent Authority. The institution has submitted photocopy of Building plan approved by the competent authority. In Building plan, college name not mentioned in the documents. The size of the classrooms are less than 500 sq. ft. which is not adequate as per NCTE norms and multipurpose hall is not shown in the Building Plan. However, the seminar hall has mentioned in Building Plan but, the size of same is not mentioned. The Institution has not submitted BCC in proper prescribed format. The Institution has submitted photocopy of staff list."

AND WHEREAS the representative of Indu Memorial Teacher Training Centre, 598/4, Kuzhalmannam, Alathur, Palakkad, Kerala presented online the case of the

E-10/p

appellant institution on 31/03/2021. Another opportunity was given to appellant to present its case before Appellate Authority on 28.5.2021. Dr. M.K. Ramkumar, Principal of the institution presented its case online on 28.5.2021. In the appeal and during online presentation it was submitted that "All the deficiencies pointed out 1 to 7 have been complied and the appeal is being submitted in terms of Section 18 of the NCTE Act for a judicious and kind reconsideration of the entire issues for the purpose of recognition. The main dispute raised in all prior notices were as regards the shifting of the institute from the temporary building to a permanent building within a period of 3 years and the requirement to remit the fees of Rs. 1.5 lakhs for approval of shifting by the NCTE. As a matter of fact, the Institute had constructed its own building at Kuzhalmannam by the time NCTE had issued recognition for the establishment of Teachers Training Centre at Kollengode, Palakkad for offering B.Ed. Course. Initial recognition was extended from time to time and necessary fees and remittances were made by the Institute as well. Though NCTE had granted approval for the Academic Year 2006-07 by Order dated 15.07.2006 for the commencement of Course at Kollengode, the University accorded affiliation only from the Academic Year 2007-08 and by the time the Institute had completed the permanent building at Kuzhalmannam and the course commenced only from the permanent building as reflected in the Recognition Order dated 16.11.2007 issued by the University of Calicut. Thus, on facts, there was no shifting at all. The course commenced in the permanent structure. However, on legal or technical sense, the approval for commencement of the Course was not from the permanent building and therefore, for the purpose of regularizing the act of commencing the Course from the permanent building, the fee as required for shifting is being remitted herewith for full compliance of the show cause notices issued by the NCTE. The demand draft for Rs. 1.5 lakhs has been remitted and the same is being forwarded along with the applications in the prescribed format. The Institute has already collected all the required documents mentioned in the Order dated 23.12.2020 and the same is being forwarded along with the Appeal being submitted in compliance of the Section 18 of the NCTE Act. The steps have already been taken to regularize the technical shifting of the building to the permanent building by the remitting the prescribed fees."

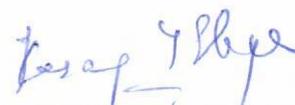

AND WHEREAS from the submissions made online by the appellant, Appeal Committee observed that recognition for conducting B.Ed. programme was granted to appellant institution in the 2006. Inspection conducted was, of infrastructure, available in a building which was on rental basis and the recognition granted on 15/07/2006 was subject to the condition that the institution shall shift to its own premises within 3 years. Appeal Committee noted that revised recognition order dated 15/05/2015 was issued mentioning the address where recognition order dated 15/07/2006 was issued.

AND WHEREAS Appeal Committee observed that appellant institution by its letter dated 24/09/2020, submitted in reply to the final S.C.N. dated 07/09/2020, informed SRC that inspection of the College conducted in 2006 was at the same address where institution is functioning at present.

AND WHEREAS Appeal Committee on perusal of the Inspection Report dated 24/05/2006 observed that Visiting Team at several columns of the inspection report remarked that building proposed for conducting the course is on rental basis. There is no other inspection report subsequent to the inspection conducted by NCTE appointed Visiting Team. The appellant also did not make any formal application for shifting. Appeal Committee, therefore decided to confirm the impugned order of withdrawal dated 23/12/2020.

NOW THEREFORE, the Council hereby confirms the Order appealed against.

The above decision is being communicated on behalf of Appeal Committee.
