NATIONAL COUNCIL FOR TEACHER EDUCATION

ORDER

WHEREAS the appeal of Smt. S.B. Gardi B.Ed. College, Jamnagar, Gujarat dated 21/05/2019 is against the Order No. WRC/323054/Guj./304th/2018/202735 dated 12.04.2019 of the Western Regional Committee, withdrawing recognition for conducting for B.Ed. Course on the grounds that "the Show Cause Notice was issued to the institution on 26.08.2016. The institution has submitted reply dated 07.10.2016 received in WRC office on 15.10.2016. The institution has not submitted building plan approved by the competent authority mentioning khasra No./Plot No. total land area, total built-up area and earmarked area for each course being run in the same premises. The institution has not submitted Building Completion Certificate issued by the Competent Authority. Hence, the Committee decided to withdraw the recognition under Section 17(1) of the NCTE Act, 1993 for B.Ed. programme with effect from the end of the academic session next following the date of communication of the said order."

AND WHEREAS Sh. Jayendra Mungara, Vice President and Sh. N.R. Badrakiya, Admin. Head, Smt. S.B. Gardi B.Ed. College, Jamnagar, Gujarat presented the case of the appellant institution on 08/07/2019. In the appeal it was submitted that copy of Letters from Saurashtra University, for the selection committee members is attached along with Advertisement Copy. Copy of Land Use Certificate issued by the competent authority is attached. Copy of NEC issued by the competent authority is attached. Building Plan approved by the competent authority mentioning khasra no./Plot No.,

total land area, total built-up area and earmarked area for each course being run in the same premises is attached. Copy of Building Completion certificate issued by the competent authority is attached.

AND WHEREAS the appellant, in the course of presentation, submitted a staff profile of 18 members and a librarian for their B.Ed. course duly countersigned by the Registrar, Saurashtra University, Rajkot; copies of letters (in Gujarati) issued by the Saurashtra University approving the names of faculty; a notarised copy of Land Use Certificate dt. 15/05/2019 issued by Mamlatdar, Dhrol; a notarised copy of Non – Encumbrance Certificate by Dhrol Nagarpalika; a notarised copy of building plan, approved by Municipal Authority; a notarised copy of building completion certificate issued by Municipal authorities of Dhrol after inspection on 15/05/2019 and showing a total built up area 1875.34 sq. mts. in Building – 1 (Ground Floor only 914.32 sq. mts.) and Building – 2 (480.51 sq. mts. each in ground and first floors); and two notarised copies of FDRs.

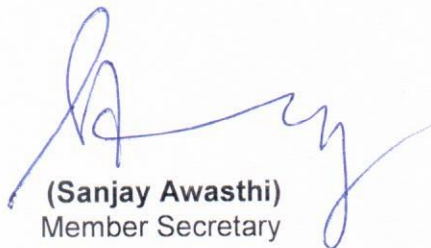

AND WHEREAS the appellant, referring to their presentation before the Committee on 08/07/2019, in a letter dt. 12/07/2019, stating that they submitted an old building completion certificate which did not include proposed work, enclosed a revised building completion certificate for all built up area available for B.Ed. course. This certificate issued after an inspection on 11/07/2019 by the same Municipal Authorities shows a total built up area of 2294.71 sq. mts in building – 1 (ground floor 989.00 sq. mts and first floor 344.69 sq. mts.) and in building – 2 (480.51 sq. mts. each in ground and first floors).

AND WHEREAS the Committee noted that there is a considerable difference in the built-up area shown in the two building completion certificates issued within a gap of less than two months. In the second certificate the built-up area in the ground floor of the building – 1 has been increased from 914.32 sq. mts. to 989 sq. mts. and a first floor of 344.69 sq. mts has been added, which was not there in the first certificate, without any substantiated explanation. Further the built-up area figures given in the two certificates do not match with the figures given in the building plan.

AND WHEREAS the Committee noted that according to the Norms and Standards for B.Ed. course contained in Appendix – 4 to the NCTE Regulations, 2014, the built up area required for two units of B.Ed., for which the WRC issued revised recognition to the appellant, is 2000 sq. ft., while the built up area shown in the building completion certificate issued after an inspection on 15/05/2019 is 1875.34 sq. mts., which is less than the required 2000 sq. mts. The building completion certificate issued on 11/07/2019 showed 2294.71 sq. mts., without valid explanation and which also does not match with the building plan. In these circumstances, the Committee concluded that the WRC was justified in withdrawing recognition on the ground that the appellant did not submit a building completion certificate in response to the Show Cause Notice and the Building Completion Certificates submitted in appeal do not satisfactorily establish availability of the requisite built up area and therefore, the appeal deserved to be rejected and the order of WRC dt. 12/04/2019 withdrawing recognition confirmed.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the WRC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the WRC is confirmed.

NOW THEREFORE, the Council hereby confirms the Order appealed against.

NATIONAL COUNCIL FOR TEACHER EDUCATION

ORDER

WHEREAS the appeal of Punyagiri College of Education, Srungavarapukota, Andhra Pradesh dated 16/05/2019 is against the Order No. SRO/NCTE/SRCAPP2757/B.Sc.B.Ed/AP/2019-102929 dated 05.04.2019 of the Southern Regional Committee, withdrawing recognition for conducting for B.A. B.Ed./B.Sc. B.Ed. Course on the grounds that "exclusive infrastructural facilities were not provided for the proposed course. Even the Building Completion Certificate is not mentioning that the building is meant for B.Sc. B.Ed. programme. Further, the recent staff list is also not furnished as per amended NCTE Regulations, 2017."

AND WHEREAS Dr. Ch. Satya Rao, Principal, Punyagiri College of Education, Srungavarapukota, Andhra Pradesh presented the case of the appellant institution on 08/07/2019. In the appeal and during personal presentation it was submitted that exclusive infrastructural facilities were provided to the proposed course and a copy of the Building Completion and Building Plan are enclosed for clarification. As per the provisions of NCTE Regulations 2014, the teaching staff are recruited in the year 2016 at the time of getting the formal recognition; the old format was used to furnish their details, as there were no specific instructions issued in the show cause regarding the staff particulars format. If only our continuation of the recognition is considered by the benevolent authorities, we shall immediately furnish the staff details as per NCTE amended Regulations, 2017.

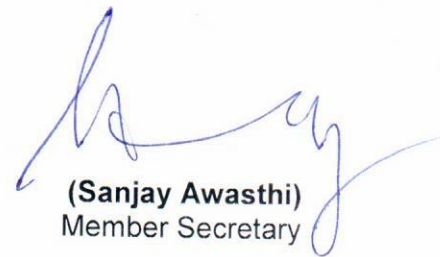

AND WHEREAS the Committee noted that the appellant has re-submitted the Building Completion Certificate submitted earlier to the SRC by writing 'B.Sc. B.Ed. course' against item nos. 17 and 18 of the certificate. The total built up area shown against item 15 of the certificate i.e. 1905.21 sq. mts. does not tally with the figure of

1544.16 sq. mts. shown against item no. 19 in the certificate. Further, it is not clear whether the area of multipurpose hall i.e. 200.03 sq. shown against item no. 20 in the certificate is included in 1544.16 sq. mts. The Committee also noted that the built-up area shown in the Building Completion Certificate is less than what is required as per the Norms and Standards for B.A. B.Ed./B.Sc. B.Ed. programme and the clarifications furnished in NCTE's Letter No. F.49-1/2016/NCTE/N&S dt. 19/01/2016. The appellant has not furnished the recent approved staff list as per the amended NCTE Regulations, 2017.

AND WHEREAS in view of the above position, the Committee concluded that the SRC was justified in withdrawing recognition and therefore, the appeal deserved to be rejected and the order of withdrawal dt. 05/04/2019 of the SRC confirmed.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the SRC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the SRC is confirmed.

NOW THEREFORE, the Council hereby confirms the Order appealed against.

NATIONAL COUNCIL FOR TEACHER EDUCATION

Date: 30/07/2019

ORDER

WHEREAS the appeal of Shekhawati B.Sc./B.Ed. College, Sikar, Rajasthan dated 10/05/2019 is against the Order No. NRC/NCTE/261st Meeting/2016/164009 dated 29.12.2016 of the Northern Regional Committee, returning their application for grant of recognition for conducting for B.A. B.Ed./B.Sc. B.Ed. Course, with all the documents, on the ground that "the online application has not been registered on server/portal of the NCTE."

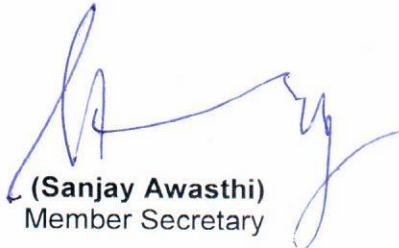

AND WHEREAS Sh. Ramchandra, Lecturer, Shekhawati B.Sc./B.Ed. College, Sikar, Rajasthan presented the case of the appellant institution on 08/07/2019. In the appeal and during personal presentation it was submitted that they have made the payment online soon after filing application which they can show at the time of hearing. Your office would have sent us a reminder or a show cause notice before rejecting our file so that we could have sent our reply along with the supportings but unfortunately our file has been rejected and has not given us any chance for submitting our reply.

AND WHEREAS the Committee noted that the NRC returned the hard copy of the application of the appellant on 29/12/2016 and the appellant appealed against the decision after more than two years and four months. The reason adduced for delay in appealing is that after filing and completing all formalities, they did not receive any response and after a considerable period of time, when they approached the office and enquired about their application, they found that their application was rejected long time back.

AND WHEREAS the Committee noted that as per the provisions of Section 18 of the NCTE Act, 1993, appeals to the Council may be made against any order issued

under Section 14, Section 15 or Section 17 of the said Act. The order of the NRC dt. 29/12/2016 is not an order made under any of the above Sections of the Act. Notwithstanding this position, the reason adduced by the institution for delayed request is not a satisfactory/sufficient cause. In these circumstances, the 'appeal' is not admitted.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded not to admit the appeal on ground of delay. Hence the appeal is not admitted.

ORDER

WHEREAS the appeal of Lokmanya Tilak Education College, Madhav Nagar, Ujjain, Madhya Pradesh dated 27/05/2019 is against the Order No. WRC/OAPW0139/213021/B.Ed./306th /2019/203328-203335 dated 09.05.2019 of the Western Regional Committee, withdrawing recognition for conducting for B.Ed. Course on the grounds that "the revised recognition order was issued to the institution on 31.05.2015. The Show Cause Notice was issued to the institution 27.07.2016. The institution has submitted reply of Show Cause Notice on 16.08.2016, 11.01.2019 & 04.02.2019. On perusal of the reply of the institution, it is observed that the institution has not submitted the following documents: The institution has not submitted original staff profile along with a letter granting approval for the selection or appointment of faculty issued by the affiliating body as per NCTE Amendment Regulations, 2017. The institution has not submitted NEC issued by the competent authority. The institution has submitted Building Completion Certificate issued from private architects in place of Ujjain Nagar Palika Nigam. Hence, the Committee decided to withdraw the recognition under Section 17(1) of the NCTE Act, 1993 for B.Ed. programme with effect from the end of the academic session next following the date of communication of the said order."

AND WHEREAS the appellant filed a W.P. (C) 5484/2019 & CM Appls 24063/2019 & CM APPLs 24063/2019 & 24034/2019 before the Hon'ble High Court of Delhi at New Delhi. The Hon'ble High Court, in their order dt. 21/05/2019, disposed of the petition permitting the petitioner to file an appeal against the impugned decision of the WRC, in terms of Section 18 of the NCTE Act, before the Appellate Committee, within one week. The Hon'ble High Court also observed that such appeal, if filed within the above period, the date and time of which would be communicated to the petitioner on its email Id and would be disposed of within a period of four weeks from the date of hearing. The Hon'ble High Court directed that till the disposal of the

appeal by the Appellate Committee, the petitioner institute shall be allowed to continue to function.

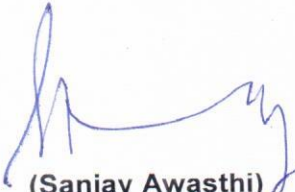

AND WHEREAS Dr. Pallavi Aadhav, Principal and Sh. Bharat Vyas, Secretary, Lokmanya Tilak Education College, Madhav Nagar, Ujjain, Madhya Pradesh presented the case of the appellant institution on 08/07/2019. In the appeal and during personal presentation and in a letter dt. 08/07/2019 it was submitted that they had submitted staff list, Non Encumbrance Certificate and Building Completion Certificate to the WRC with their replies dt. 11/01/2019 and 04/02/2019. The appellant, with their letter dt. 08/07/2019 submitted a copy of the letter dt. 19/06/2019 addressed to the Vikram University requesting approval for the staff; a copy of the university's letter dt. 20/06/2019 forwarding the staff list; a notarised copy of staff profile containing 18 faculty members, a notarised copy of Non – Encumbrance Certificate dt. 14/05/2019 issued by Tehsildar, Ujjain; and a notarised copy of the Building Completion Certificate prepared by private Architects & Engineer and countersigned by the Engineer of Ujjain Nagarpalika Nigam. This building completion certificate showed a total built up area of 6773.07 sq. ft. The appellant, with their letter dt. 12/07/2019, stating that they made a mistake in conversion in the building completion certificate submitted on 08/07/2019, enclosed a notarised copy of the Building Completion Certificate, prepared by a private engineer and countersigned by the Engineer and Zonal Officer of Ujjain Nagarpalika Nigam. This certificate shows a total built up area of 2806.96 sq. mts. in ground and first floors.

AND WHEREAS the Committee noted that appellant merely citing a conversion mistake, submitted a Building Completion Certificate in correct sq. mts. The measurements given in the two certificates i.e. 6773.07 sq. ft. and 2806.96 sq. mts., which are vastly different, do not have any relevance to the so called 'conversion mistake'. The appellant has not given any substantiated explanation/justification for the variations in the built up area. Further the Committee noted that in the building plan submitted by the appellant to the WRC with their letter dt. 11/01/2019, the total built up area (both existing and proposed) in ground and first floors is only 1940.06 sq. mt., which is much less than 2806.96 sq. mts.

AND WHEREAS the Committee noted that according to the Norms and Standards for B.Ed. course contained in Appendix – 4 to the NCTE Regulations, 2014, the built up area required for two units of B.Ed., for which the WRC issued revised recognition to the appellant, is 200 sq. mts. The appellant, as mentioned in the previous paras, has not given a satisfactory and acceptable explanation for submitting different building completion certificates, for a building which is reported to have been constructed in the years 2003-04. None of them is in conformity with the built up area envisaged in the building plan, which itself is less than the required 2000 sq. mts. In these circumstances, the Committee concluded that the WRC was justified in withdrawing recognition on the ground that the building completion certificate submitted to them was issued by Private Architects and not by Ujjain Nagarpalika Nigam and the appellant has not shown acceptable evidence of having the requisite built up area and therefore, the appeal deserved to be rejected and the order of the WRC dt. 09/05/2019 withdrawing recognition confirmed.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the WRC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the WRC is confirmed.

NOW THEREFORE, the Council hereby confirms the Order appealed against.

NATIONAL COUNCIL FOR TEACHER EDUCATION

ORDER

WHEREAS the appeal of Rural B.Ed. College, Aurad, Karnataka dated 25/05/2019 is against the Order No. SRO/NCTE/APSO2404/B.Ed/KA/2019-102724 dated 03.04.2019 of the Southern Regional Committee, withdrawing recognition for conducting for B.Ed. Course on the grounds that "the original files of the Institution alongwith other related documents, NCTE Act, 1993, Regulations Guidelines issued by NCTE from time to time and documents furnished by the institution were carefully considered by the SRC and the following observations were made:- The institution has not responded to the Show Cause Notice served till date. Hence, the Committee decided to withdraw the recognition under Section 17 (1) of the NCTE Act."

AND WHEREAS Sh. Dhana Jiv. Rode, Principal, Rural B.Ed. College, Aurad, Karnataka presented the case of the appellant institution on 08/07/2019. In the appeal and during personal presentation it was submitted that the SRC decision to withdraw the recognition of the institution for the B.Ed. course without giving any reasonable opportunity to the institution is against the first proviso of section 17 (1) of the NCTE Act, 1993 which lays down as under: "Contravention of Provisions of the Act and Consequences there of (1) Where the Regional Committee is, on its own motion or on any representation received from any person, satisfied that a recognised institution has contravened any of the provisions of this Act, or the rules, regulations, orders made or issued thereunder, or any condition subject to which recognition under sub-section (3) of section 14 or permission under sub-section (3) of section 15 was granted, it may withdraw recognition of such recognised institution, for reasons to be recorded in writing: Provided that no such order against the recognised institution shall be passed unless a reasonable opportunity of making representation against the proposed order has been given to such recognised institution: Provided further that the order

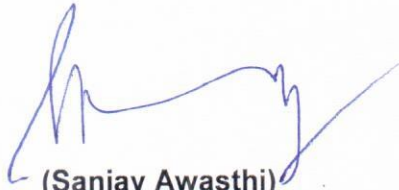

withdrawing or refusing recognition passed by the Regional Committee shall come into force only with effect from the end of the academic session next following the date of communication of such order.” It is pertinent to mention that SRC NCTE has given no opportunity to institution of making representation against the proposed order by the Respondent. The letter/SCN-dated 20.05.2016 was never served to the institution and the entire ground of passing the impugned order dated 03.04.2019 is perverse, arbitrary and illegal in the eye of law. The ground for the withdrawal of the recognition is totally based on wrong analysis and incorrect consideration of the prevailing law enforced and wrong examination of the documents. The Appellant has invested huge amount of capital and manpower for development of infrastructure and facilities at its institution and respondent is illegally blocking it from running the course which is clearly unwarranted and unlawful. Therefore, it is humbly prayed and requested that that instant appeal be considered and decided on merits, and the order letter dated 03.04.2019 served by the SRC, NCTE be quashed and set aside. Any other order or direction is fit and proper in the facts and circumstance of the present case be passed in favour of appellant.

AND WHEREAS the Committee noted that as submitted by the appellant, the SRC, before issuing the withdrawal order dt. 03/04/2019 did not provide a reasonable opportunity of making representation against the proposed order to the appellant institution as per the first Proviso to Section 17 (1) of the NCTE Act, 1993. Further the letter dt. 20/05/2016 referred to in the withdrawal order, which the appellant claims that they have not received, is only for payment of balance of shifting fee and not a show cause notice. In these circumstances, the Committee concluded that the matter deserved to be remanded to the SRC with a direction to issue a Show Cause Notice to the appellant institution and take further action as per the provisions of the NCTE Act, 1993.

AND WHEREAS after perusal of the Memoranda of Appeal, affidavit, documents on record and oral arguments advanced during the hearing, Appeal Committee concluded to remand back the case to the SRC with a direction to issue a Show Cause

Notice to the appellant institution and take further action as per the provisions of the NCTE Act, 1993.

NOW THEREFORE, the Council hereby remands back the case of Rural B.Ed. College, Aurad, Karnataka to the SRC, NCTE, for necessary action as indicated above.

ORDER

WHEREAS the appeal of Umiyaji Parivar Education Trust Mahila B.Ed. College, Dhrol, Gujarat dated 30/05/2019 is against the Order No. WRC/APW00543/323154/GUJ./304th/2019/202818 dated 12.04.2019 of the Western Regional Committee, withdrawing recognition for conducting for B.Ed. Course on the grounds that "The compliance letter was issued to the institution on 22.02.2018. The institution has submitted reply dated 15.03.2018 & 30.04.2018 received in WRC office on 16.03.2018 & 07.05.2018. On perusal of the reply of the institution it is observed that the institution has not submitted the following documents: The institution has not submitted a letter granting approval for the selection or appointment of faculty, issued by the affiliating body as per NCTE Regulations 2014. The institution has not submitted building completion certificate issued by the competent authority. The institution has not submitted Registered land documents as per NCTE Regulations. Hence, the Committee decided to withdraw the recognition under Section 17(1) of the NCTE Act, 1993 for B.Ed. programme with effect from the end of the academic session next following the date of communication of the said order."

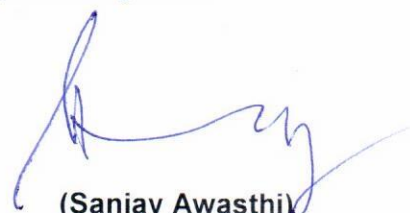

AND WHEREAS Sh. Babubhai Ghodasara, President and Sh. Ramesh, Representative, Umiyaji Parivar Education Trust Mahila B.Ed. College, Dhrol, Gujarat presented the case of the appellant institution on 08/07/2019. In the appeal and during personal presentation it was submitted that copies of letters from Saurashtra University, for the Selection Committee members is attached along with copies of advertisement. Copy of Building Completion Certificate issued by the Competent Authority is attached. Copies of all land documents attached herewith. The appellant, with their letter dt. 08/07/2019, submitted a copy of the staff profile of eleven members, including a Librarian, countersigned by the Registrar, Saurashtra University, Rajkot, a notarised copy of the Building Completion Certificate signed by the Municipal Engineer

and Chief Officer, Dhrol Nagarpalika and a copy of land lease agreement dt. 23/05/2019 between two trusts.

AND WHEREAS the Committee noted that according to the provisions of Clause 8 (4) (i) of the NCTE Regulations, 2014 no institution shall be granted recognition unless the institution or society sponsoring the institution is in possession of the required land free from encumbrance either on ownership basis or on lease from Government or Government Institutions. From the Lease Agreement it is seen that the owner of the land is one Trust and Lessee is another Trust. This lease agreement is, therefore, a private lease and not from any Government or Government institutions. In these circumstances, the Committee concluded that the WRC was justified in withdrawing recognition on the ground that the appellant, even in appeal, has not submitted registered land documents acceptable as per the NCTE Regulations and therefore, the appeal deserved to be rejected and the order of the WRC dt. 12/04/2019 withdrawing recognition confirmed.

AND WHEREAS after perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Committee concluded that the WRC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the WRC is confirmed.
