Course on the grounds that "The mutation/Zamabandhi is submitted. The latest faculty list not submitted by the institution. Appointment letter issued to the faculty members and joining affidavit not submitted. Last six-month salary statement of the faculty members not submitted. As far as the requirement of composite is concerned, it should be noted that the institution has not submitted any proof to move towards composite which is a mandatory requirement as per regulation 2(b) (Multidisciplinary as per NEP-2020 which is implemented by Govt. of India on 29<sup>th</sup> July 2020 and has become a part of regulation a pe gazette notification 22<sup>nd</sup> October 2021).

However, in the light of directions passed by Hon'ble High Court in various orders, the committee has decided to not press the requirement for composite structure subject to the statutory remedy of appeal/review and judicial order, if any

## II. SUBMISSIONS MADE BY APPELLANT: -

Representative, Atma Prakash Adrash Mahavidyalaya Arsadpur, Jangipur, Ghazipur, 6/1, Arsadpur, Ghazipur to Mau, Jangipur, Sadar, Ghazipur, Uttar Pradesh-233305 appeared online to present the case of the appellant institution on 02.09.2022. In the appeal it is submitted that institution has attached a copy of order dated 02.05.2022 filed in W.P. No. 6118/2022 in Hon'ble High Court of Delhi at New Delhi.

## III. OUTCOME OF THE CASE

Appeal Committee perused the relevant records and the documents submitted by appellant institution. The earlier appeal was disposed of by the appellate authority vide order dated 15.12.2021

Aggrieved by the said appellate order dated 15.12.2021, the appellant institution (petitioner) filed a **Writ Petition (C) No. 6118 of 2022** in the Hon'ble High Court of Delhi at New Delhi. **The Hon'ble Court by its order dated 02.05.2022** directed as under:

"On the las date, after some arguments, learned counsel for the petitioners had concerned that the petitioners will be availing their remedy of appeal under Section 18 of the NCTE Act for assailing the impugned withdrawal order dated 25.03.2022. He had however prayed that the respondent no. 2 be directed to clarify that the impugned withdrawal order will come into force only with effect from the academic session 2023-2024. In the light of limited prayer of the petitioner, learned counsel for the respondents were granted time to obtain instructions.

Today, Ms. Kaul submits that in view of the second provision to Section 17(1) of the NCTE Act, the impugned withdrawal order will come into force only from the academic session following the issuance of the withdrawal order, as a consequence the impugned order will not affect the rights of the petitioner for the academic session 2022-23 and will only come into force with effect from the academic session 2023-24.

In the light of the aforesaid stand taken by the learned counsel for the respondent, the writ petition is allowed by directing that the impugned withdrawal order dated 25.03.2022 will come into force only with effect from the academic session 2023-24. The respondents will accordingly, within two weeks from today, make the necessary corrections on their web-portal and also inform the affiliating university and all other necessary authorities that the petitioners are entitled to admit students for the present academic year i.e. 2022-2023"

The Appellant institution vide appeal report dated 25.05.2022 has submitted the explanation on the withdrawal order dated 25.03.2022 with a request to consider it as a compliance of deficiencies pointed out in impugned Withdrawal Order.

Noting the submissions and oral arguments advanced during the hearing by the Appellant institution on 02.09.2022 the Appeal Committee observed that earlier appeal order dated 15.12.2021 the matter was remanded back to NRC for revisiting the matter considering the replies to SCNs submitted by appellant and available on regulatory file. NRC considered the matter in its 365<sup>th</sup> meeting held on 08<sup>th</sup> and 09<sup>th</sup> March, 2022 wherein committee decided that the rejection order issued to the institution dated 08.09.2021 stands from the session 2022-23 and therefore under Section 14(3) (b) of NCTE Act, 1993 refused recognition to the institution vide order dated 25.03.2022. The Appeal Committee therefore noted that the impugned Withdrawal order dated 25.03.2022 will come into force only with effect from the academic session 2023-2024.

In these circumstances, the Appeal Committee concluded that the instant appeal deserved to be rejected and therefore the impugned order of NRC is confirmed.

#### **IV. DECISION: -**

After perusal of the Memoranda of Appeal, affidavit, documents on record and oral arguments advanced during the online hearing, Appeal Committee of the Council concluded that the instant appeal deserved to be rejected and therefore the impugned order of NRC is confirmed.

The above decision is being communicated on behalf of the Appeal Committee.

**"Having said that, the Court would also like to observe that counsel for Petitioner has urged that the Court should entertain the present petition as there is a complete non-application of mind by the WRC in passing the impugned refusal order. He strongly stresses that the reason for rejection is contrary to the record as Petitioner had submitted the requisite documents which were not taken into account. On the order hand, counsel for Respondent has refuted the contentions urged by counsel for Petitioner. Undoubtedly, the Court can entertain a writ petition even against an order of the WRC, however, having regard to the fact that there is a scheme under the NCTE Act for filing an appeal, no special ground is made out for this Court to entertain the present petition. In light of the above, the present petition is dismissed.
