### NCTE: AN INTRODUCTION

The National Council for Teacher Education, was an advisory body since 1973 for the Central and State Governments on all matters pertaining to teacher education, with its Secretariat in the Department of Teacher Education of the National Council of Educational Research and Training (NCERT). Despite its commendable work in the academic field, a need was felt for performance of certain essential regulatory functions to ensure maintenance of standards in teacher education and preventing proliferation of substandard teacher education institutions. The National Policy on Education (NPE), 1986 and the Programme of Action thereunder, envisaged a National Council for Teacher Education with statutory status and necessary resources as a first step for overhauling the system of teacher education. The National Council for Teacher Education as a statutory body came into existence in pursuance of the National Council for Teacher Education Act, 1993 (No.73 of 1993) on the 17<sup>th</sup> August 1995. Besides eminent educationists, Education Secretary of the HRD Ministry, Education Secretaries of State Governments, Members of Parliament, Heads of National Educational Institutions like NCERT, NUEPA, UGC, the Council comprises three full time members, namely, Chairperson, Vice-Chairperson and Member Secretary who are appointed by the Government of India. They are vested with executive powers and as such are responsible for implementing the NCTE Act, Rules and Regulations made thereunder and also the policy decisions of the Council taken from time to time.

In accordance with the NCTE Act, 1993, four Regional Committees look after matters related to Teacher Education in different regions, namely, East, West, North and South. The offices of Regional Committees are presently located at Bhubaneswar, Bhopal, Jaipur and Bengaluru. Each Regional committee comprises a Chairperson, some eminent educationists and Administrators and Education Secretaries of Education Departments of the State Governments located in the region. The Regional Director, a full time official of the NCTE, functions as Executive Head of the Regional office as well as Convener of the Regional Committee. The Regional Committees are specially empowered to implement Sections 14, 15 and 17 of the NCTE Act, in accordance with the Regulations, Norms and Standards framed from time to time for different programmes of Teacher Education. It receives and processes applications for new institutions and applications for additional programmes / intake in the existing recognized institutions under Section 14 and 15 of the NCTE Act respectively. The Regional Committees have the powers to withdraw recognition of a recognized Institution under Section 17 of the NCTE Act provided it is established that the concerned institution has contravened provisions of the NCTE Act or Rules and Regulations made thereunder.

There are many division / Sections in the NCTE, Hqs., who deal with the matters relating to Teacher Education. The Academic Section deals with academic matters including development of Curriculum Frameworks for different Teacher Education Programmes, Publication of Journals, Books, and Monographs on important themes of Education, organization of lectures, etc. The Regulations Section collects and examines feedback regarding the implementation of the Regulations in vogue and coordinates the development of

new regulations, as and when required. The Inspection Section conducts inspection of recognized Teacher Education Institutions under Section 13 of the NCTE Act. After causing the inspection, the VT reports are analyzed by a group of experts to draw conclusion and formulate recommendations for communicating to the concerned institution. The institutions aggrieved by the decisions of a Regional Committee under Section 14, 15 or 17 of the NCTE Act are provided an opportunity to file an Appeal with the Council under Section 18 of the NCTE Act. The Appeal Section functions as the Secretariat for the Appellate Authority constituted by the Council. After examining the appeals, the Appeal Committee recommends the action deemed appropriate in the matter. The Legal Section keeps track of the cases filed against the NCTE in the Hon'ble Supreme Court of India and various High Courts and coordinates with the NCTE's Counsels. The EDP Section manages the NCTE's website which is being further improved to have a functional online linkage of Regional Committees with the NCTE Hqs. It is proposed to bring the entire system of application processing in Public domain and to link websites of all teacher education institutions to the Website of NCTE.
