“ The original files of the Institution along with other related documents, NCTE Act, 1993, Regulations Guidelines issued by NCTE from time to time and documents furnished by the institution were carefully considered by the SRC and the following observations were made:-

No institution shall be granted recognition under these regulations unless it is in possession of required land on the date of application. The land free from all encumbrances could be on ownership basis or on lease for a period of not less than 30 years. In cases where under relevant State/UT laws the maximum permissible lease period is less than 30 years, the State Government/UT Administration law shall prevail.

On perusal it is observed from the file that the lease document contained several conditions which include the owner may ask the institution to vacate the premises with one month's notice. However, subsequently, NCTE amended its norms and standards with regard to land and building and that the management should possess its own land and building and if it is on lease basis, it should be only from government. The institution under reference neither made any effort to shift to its own premises. They are continuing in the same building since then under the conditions included in the lease deed. The management should adhere to the revised norms of 2014.

The faculty list submitted by the management is not the latest and in the required format. Further, it is also observed that some faculty are appointed after June, 2017 who are not possessing the required qualifications of neither NET/SLET or Ph.D.

Keeping in view the above, the Committee decided to issue Final Show Cause Notice u/s 17 of NCTE Act, 1993 before withdrawal of the recognition on the above grounds.”

Now therefore, in compliance of the decision of the SRC this final show cause notice is issued u/s 17 (1) of NCTE Act, 1993 with the direction to submit your written representation within a period of 21 days from the date of issue of this notice, complying the decision of the SRC, failing which action u/s 17(1) will be taken as per NCTE Act & Regulations 2014.

You are also directed that if any document is in regional language, the Notarized English translation be also submitted.

In case, the office does not receive any representation within the stipulated time, it will be presumed that the institution does not wish to make any representation, and the Southern Regional Committee shall take decision as per provisions of the NCTE Act and Regulations.
